## A BILL

To provide appropriations for the Internal Revenue Service to overhaul technology and strengthen enforcement, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Restoring the IRS  
5 Act”.

6 **SEC. 2. SENSE OF CONGRESS.**

7       It is the sense of Congress that—

8               (1) the Internal Revenue Service should be  
9       given resources to increase audits and enforcement  
10       of tax compliance of high-income, high-wealth indi-

1       viduals and corporations, with an emphasis on the  
2       auditing and enforcement of tax compliance by indi-  
3       viduals with gross income of not less than  
4       \$1,000,000 and of large corporations;

5               (2) priorities for actions and resources to im-  
6       prove compliance with tax laws should be guided by  
7       the relative revenue loss from non-compliance;

8               (3) the Internal Revenue Service should ensure  
9       there are not racial disparities in its enforcement ac-  
10       tivities;

11               (4) it should be the goal of the Internal Rev-  
12       enue service that, by the tenth tax year after the  
13       date of the enactment of this Act, the net tax gap  
14       should be reduced by at least one-third, as compared  
15       with the fraction estimated in the most recently In-  
16       ternal Revenue Service study prior to such date of  
17       enactment; and

18               (5) it should be the goal of the Internal Rev-  
19       enue Service to provide quality, timely, and accurate  
20       assistance to all taxpayers interacting with the In-  
21       ternal Revenue Service.

22 **SEC. 3. INTERNAL REVENUE SERVICE APPROPRIATIONS.**
