3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Imported Seafood
5 Safety Standards Act”.

6 **SEC. 2. ENSURING THE SAFETY OF IMPORTED SEAFOOD.**

7 (a) IN GENERAL.—Chapter VIII of the Federal
8 Food, Drug, and Cosmetic Act (21 U.S.C. 381 et seq.)
9 is amended by adding at the end the following:

1 **“SEC. 810. SAFETY OF IMPORTED SEAFOOD.**

2 “(a) REQUIREMENT OF EQUIVALENCE.—

3 “(1) STANDARDS FOR EXPORTING COUNTRY.—

4 No seafood may be imported into the United States
5 from a foreign country unless the Secretary certifies
6 that the seafood imported from such country is
7 maintained through a program using reliable analyt-
8 ical methods to ensure compliance with the United
9 States standards for seafood manufacturing, proc-
10 essing, and holding.

11 “(2) INSPECTION OF EXPORTING FACILITIES.—

12 In accordance with the procedures described under
13 section 704, officers and employees duly designated
14 by the Secretary shall conduct not less than 1 in-
15 spection on an annual basis of each foreign facility
16 that exports seafood to the United States to ensure
17 that each such foreign facility maintains a program
18 using reliable analytical methods to ensure compli-
19 ance with the United States standards for seafood
20 manufacturing, processing, and holding. In addition
21 to such annual inspection, such officers and employ-
22 ees shall conduct periodic follow-up inspections of
23 such foreign facilities as determined necessary by
24 the Secretary.

25 “(b) MANDATORY TESTING.—

1 “(1) MINIMUM TESTING.—The Secretary shall
2 inspect and test not less than 20 percent of all sea-
3 food imported or offered for import into the United
4 States each year.

5 “(2) NEW EXPORTERS.—Notwithstanding any
6 other provision of this Act, the first 15 shipments of
7 seafood imported or offered for import into the
8 United States from an exporter shall be inspected
9 and tested by the Secretary.

10 “(3) FAILURE TO PASS INSPECTION.—

11 “(A) ONE FAILURE.—If a shipment of sea-
12 food imported or offered for import into the
13 United States by an exporter fails to meet an
14 inspection or test requirement, each subsequent
15 shipment of seafood from such exporter shall be
16 inspected and tested by the Secretary, until 15
17 consecutive shipments pass inspection and test-
18 ing.

19 “(B) MULTIPLE FAILURES.—

20 “(i) IN GENERAL.—If more than 3
21 shipments of seafood imported or offered
22 for import into the United States by an ex-
23 porter fail to meet inspection or test re-
24 quirements during any 1-year period, no
25 shipments from such exporter may be im-

1 ported or offered for import into the
2 United States for the following 1-year pe-
3 riod. Following such 1-year period when no
4 shipments may be so imported or offered,
5 such exporter shall not be permitted to
6 offer imports to the United States unless
7 the Secretary certifies that such exporter is
8 maintaining a program using reliable ana-
9 lytical methods to ensure compliance with
10 the United States standards for seafood

18 spected at a rate determined appropriate
19 by the Secretary for a period of time as de-
20 termined appropriate by the Secretary.

21 “(C) PATTERN OF FAILURES.—If the Sec-
22 retary determines that shipments of seafood im-
23 ported or offered for import into the United
24 States from a particular country repeatedly fail
25 to meet inspection or testing requirements, all

1 shipments of seafood from such country shall be
2 refused entry into the United States until the
3 Secretary makes a certification described under
4 subsection (a).

5 “(D) PROCEDURES.—The testing and in-
6 spections procedures used under this paragraph
7 shall be carried out in accordance with section
8 801.

9 “(4) FEES.—The Secretary shall by regulation
10 impose such fees on exporters in such amounts as

12 adequate and efficient inspection service to carry out
13 this subsection. Receipts from such fees shall be cov-

15 Secretary for expenditures incurred in carrying out

8 consignee of the shipment to affix to the container
9 of the seafood a label that clearly and conspicuously
10 bears the statement: ‘UNITED STATES: RE-
11 FUSED ENTRY’.

13 the appropriate authority of a foreign country noti-
14 fies the Secretary, not later than 45 days after the
15 shipment is rejected under paragraph (1), that the
16 shipment will be accepted in that country, such ship-
17 ment may be released to the importer for expor-
18 tation to such foreign country.

19 “(4) DESTRUCTION OF SHIPMENT.—If the Sec-
20 retary deems that a shipment rejected under para-
21 graph (1), if it had been allowed entry, could have
22 caused significant health risks if consumed by hu-
23 mans, the shipment shall be destroyed notwith-
24 standing the receipt of a notification under para-
25 graph (3).

1 “(5) NOTIFICATION TO PORTS OF ENTRY.—The

16 paragraph (2).

17 “(2) CERTIFICATION.—The Secretary shall cer-
18 tify which ports of entry into the United States have
19 the personnel trained to conduct the applicable test-

2 into the United States; and

3 “(B) does not meet the requirements for
4 certification under paragraph (2),

5 the Secretary shall, as soon as practicable after the
6 date of enactment of this section, provide proper
7 personnel levels and training to enable such port to

10 Secretary shall submit to Congress a report that describes
11 the implementation of this section, including—
