6           by the Secretary) that is equal to 100 percent of the

22          ferred to in paragraph (2) or based on such other  
23          tests of reasonableness as the Secretary may specify.  
24          For each fiscal year following the fiscal year in  
25          which the entity first qualifies, the State plan shall

1 provide for the payment amount to be calculated in  
2 accordance with paragraph (3).

3 “(5) ADMINISTRATION IN THE CASE OF MAN-  
4 AGED CARE.—

5 “(A) IN GENERAL.—In the case of services

7 between the grantee and a managed care entity  
8 (as defined in section 1932(a)(1)(B)), the State  
9 plan shall provide for payment to the grantee

6 an amount which is at least equal to the  
7 amount otherwise required to be paid to the  
8 grantee under this subsection.

19 (b) EFFECTIVE DATE.—

20 (1) Except as provided in paragraph (2), the

6           meet the additional requirement imposed by the  
7           amendments made by subsection (a), the State plan  
8           shall not be regarded as failing to comply with the  
9           requirements of such title solely on the basis of its  
10          failure to meet this additional requirement before  
11          the first day of the first calendar quarter beginning  
12          after the close of the first regular session of the  
13          State legislature that begins after the date of the en-  
14          actment of this Act. For purposes of the previous  
15          sentence, in the case of a State that has a 2-year  
16          legislative session, each year of such session shall be  
17          deemed to be a separate regular session of the State
