

112TH CONGRESS
2D SESSION

S. 2097

To amend title XVIII of the Social Security Act to provide for coverage of comprehensive cancer care planning under the Medicare Program and to improve the care furnished to individuals diagnosed with cancer by establishing grants programs for provider education, and related research.

IN THE SENATE OF THE UNITED STATES

FEBRUARY 9, 2012

Ms. LANDRIEU introduced the following bill; which was read twice and referred to the Committee on Finance

A BILL

To amend title XVIII of the Social Security Act to provide for coverage of comprehensive cancer care planning under the Medicare Program and to improve the care furnished to individuals diagnosed with cancer by establishing grants programs for provider education, and related research.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE; TABLE OF CONTENTS.**

4 (a) **SHORT TITLE.**—This Act may be cited as the
5 “Comprehensive Cancer Care Improvement Act of 2012”.

1 (b) TABLE OF CONTENTS.—The table of contents of
 2 this Act is as follows:

Sec. 1. Short title; Table of contents.

Sec. 2. Findings.

TITLE I—COMPREHENSIVE CANCER CARE UNDER THE
 MEDICARE PROGRAM

Sec. 101. Coverage of cancer care planning services.

TITLE II—PROVIDER EDUCATION REGARDING PALLIATIVE CARE
 AND SYMPTOM MANAGEMENT

Sec. 201. Grants to improve health professional education.

Sec. 202. Grants to improve continuing professional education.

TITLE III—RESEARCH ON TOPICS RELATED TO COORDINATION
 OF CARE, SYMPTOM MANAGEMENT, AND PALLIATIVE CARE
 FOR CANCER PATIENTS

Sec. 301. Research program.

3 **SEC. 2. FINDINGS.**

4 Congress makes the following findings:

5 (1) Individuals with cancer often do not have
 6 access to a cancer care system that provides com-
 7 prehensive and coordinated care of high quality.

8 (2) The cancer care system has not traditionally
 9 offered individuals with cancer a prospective and
 10 comprehensive plan for treatment and symptom
 11 management, strategies for updating and evaluating
 12 such plan with the assistance of a health care pro-
 13 fessional, and a follow-up plan for monitoring and
 14 treating possible late effects of cancer and its treat-
 15 ment.

16 (3) Cancer survivors often experience the
 17 under-diagnosis and under-treatment of the symp-

1 toms of cancer, a problem that begins at the time
2 of diagnosis and may become more severe with dis-
3 ease progression and at the end of life. The failure
4 to treat the symptoms, side effects, and late effects
5 of cancer and cancer treatment may have a serious
6 adverse impact on the health, survival, well-being,
7 and quality of life of cancer survivors.

8 (4) Cancer survivors who are members of racial
9 and ethnic minority groups may face severe obsta-
10 cles in receiving coordinated cancer care that in-
11 cludes appropriate management of cancer symptoms
12 and treatment of side effects.

13 (5) Individuals with cancer are sometimes not
14 provided information about their disease and treat-
15 ment options that might result in their request for,
16 and engagement in, coordinated care that includes
17 appropriate treatment and symptom management.

18 (6) Comprehensive cancer care should incor-
19 porate access to psychosocial services and manage-
20 ment of the symptoms of cancer and the symptoms
21 of cancer treatment, including pain, nausea, vom-
22 iting, fatigue, and depression.

23 (7) Comprehensive cancer care should include a
24 means for providing cancer survivors with a com-
25 prehensive care summary and a plan for follow-up

1 care after primary treatment to ensure that cancer
2 survivors have access to follow-up monitoring and
3 treatment of possible late effects of cancer and can-
4 cer treatment.

5 (8) The Institute of Medicine report entitled
6 “Ensuring Quality Cancer Care” described the ele-
7 ments of quality care for an individual with cancer,
8 including—

9 (A) the development of initial treatment
10 recommendations by an experienced health care
11 provider;

12 (B) the development of a plan for the
13 course of treatment of the individual and com-
14 munication of the plan to the individual;

15 (C) access to the resources necessary to
16 implement the course of treatment;

17 (D) access to high-quality clinical trials;

18 (E) a mechanism to coordinate services for
19 the treatment of the individual; and

20 (F) psychosocial support services and com-
21 passionate care for the individual.

22 (9) In its report “From Cancer Patient to Can-
23 cer Survivor: Lost in Transition”, the Institute of
24 Medicine recommended that individuals with cancer
25 completing primary treatment be provided a com-

1 prehensive summary of their care along with a fol-
2 low-up survivorship plan of treatment.

3 (10) Since more than half of all cancer diag-
4 noses occur among elderly Medicare beneficiaries,
5 the problems of providing cancer care are problems
6 of the Medicare program.

7 (11) Shortcomings in providing cancer care, re-
8 sulting in inadequate management of cancer symp-
9 toms and insufficient monitoring and treatment of
10 late effects of cancer and its treatment, are related
11 to problems of Medicare payments for such care, in-
12 adequate professional training, and insufficient in-
13 vestment in research on symptom management.

14 (12) Changes in Medicare payment for com-
15 prehensive cancer care, enhanced public and profes-
16 sional education regarding symptom management,
17 and more research related to coordination of care,
18 symptom management and palliative care will en-
19 hance patient decisionmaking about treatment op-
20 tions and will contribute to improved care for indi-
21 viduals with cancer from the time of diagnosis of the
22 individual through the end of the life of the indi-
23 vidual.

 2 **CER CARE UNDER THE MEDI-**
 3 **CARE PROGRAM**

4 **SEC. 101. COVERAGE OF CANCER CARE PLANNING SERV-**
 5 **ICES.**

6 (a) IN GENERAL.—Section 1861 of the Social Secu-
 7 rity Act is amended—

8 (1) in subsection (s)(2)—

9 (A) by striking “and” at the end of sub-
 10 paragraph (EE);

11 (B) by adding “and” at the end of sub-
 12 paragraph (FF); and

13 (C) by adding at the end the following new
 14 subparagraph:

15 “(GG) comprehensive cancer care planning
 16 services (as defined in subsection (iii));”; and

17 (2) by adding at the end the following new sub-
 18 section:

19 “Comprehensive Cancer Care Planning Services

20 “(iii)(1) The term ‘comprehensive cancer care plan-
 21 ning services’ means—

22 “(A) with respect to an individual who is diag-
 23 nosed with cancer, the development of a plan of care
 24 that—

1 “(i) details, to the greatest extent prac-
2 ticable, all aspects of the care to be provided to
3 the individual, with respect to the treatment of
4 such cancer, including any curative treatment,
5 comprehensive symptom management, and pal-
6 liative care;

7 “(ii) is furnished, in person, in written
8 form to the individual within a period specified
9 by the Secretary that is as soon as practicable
10 after the date on which the individual is so di-
11 agnosed;

12 “(iii) is furnished, to the greatest extent
13 practicable, in a form that appropriately takes
14 into account cultural and linguistic needs of the
15 individual in order to make the plan accessible
16 to the individual; and

17 “(iv) is in accordance with standards de-
18 termined by the Secretary to be appropriate;

19 “(B) with respect to an individual for whom a
20 plan of care has been developed under subparagraph
21 (A), the revision of such plan of care as necessary
22 to account for any substantial change in the condi-
23 tion of the individual, recurrence of disease, or sig-
24 nificant revision of the elements of curative or pallia-
25 tive care for the individual, if such revision—

1 “(i) is in accordance with clauses (i), (iii),
2 and (iv) of such subparagraph; and

3 “(ii) is furnished in written form to the in-
4 dividual within a period specified by the Sec-
5 retary that is as soon as practicable after the
6 date of such revision;

7 “(C) with respect to an individual who has com-
8 pleted the primary treatment for cancer, as defined
9 by the Secretary (such as completion of chemo-
10 therapy or radiation treatment), the development of
11 a follow-up cancer care plan that—

12 “(i) describes the elements of the primary
13 treatment, including symptom management and
14 palliative care, furnished to such individual;

15 “(ii) provides recommendations for the
16 subsequent care of the individual with respect
17 to the cancer involved;

18 “(iii) is furnished, in person, in written
19 form, to the individual within a period specified
20 by the Secretary that is as soon as practicable
21 after the completion of such primary treatment;

22 “(iv) is furnished, to the greatest extent
23 practicable, in a form that appropriately takes
24 into account cultural and linguistic needs of the

1 individual in order to make the plan accessible
2 to the individual; and

3 “(v) is in accordance with standards deter-
4 mined by the Secretary to be appropriate; and

5 “(D) with respect to an individual for whom a
6 follow-up cancer care plan has been developed under
7 subparagraph (C), the revision of such plan as nec-
8 essary to account for any substantial change in the
9 condition of the individual, diagnosis of a second
10 cancer, or significant revision of the plan for follow-
11 up care, if such revision—

12 “(i) is in accordance with clauses (i), (ii),
13 (iv), and (v) of such subparagraph; and

14 “(ii) is furnished in written form to the in-
15 dividual within a period specified by the Sec-
16 retary that is as soon as practicable after the
17 date of such revision.

18 “(2) The Secretary shall establish standards to carry
19 out paragraph (1) in consultation with appropriate organi-
20 zations representing providers of services related to cancer
21 treatment and organizations representing survivors of can-
22 cer. Such standards shall include standards for deter-
23 mining the need and frequency for revisions of the plans
24 of care and follow-up plans based on changes in the condi-
25 tion of the individual or elements and intent of treatment

1 and standards for the communication of the plan to the
2 patient.”.

3 (b) PAYMENT.—Section 1833(a)(1) of the Social Se-
4 curity Act (42 U.S.C. 1395l(a)(1)) is amended by striking
5 “and” before “(Z)” and inserting before the semicolon at
6 the end the following: “, and (AA) with respect to com-
7 prehensive cancer care planning services described in any
8 of subparagraphs (A) through (D) of section 1861(iii)(1),
9 the amount paid shall be an amount equal to the sum of
10 (i) the national average amount under the physician fee
11 schedule established under section 1848 for a new patient
12 office consultation of the highest level of service in the
13 non-facility setting, and (ii) the national average amount
14 under such fee schedule for a physician certification de-
15 scribed in section 1814(a)(2) for home health services fur-
16 nished to an individual by a home health agency under
17 a home health plan of care”.

18 (c) EFFECTIVE DATE.—The amendments made by
19 this section shall apply to services furnished on or after
20 the first day of the first calendar year that begins after
21 the date of the enactment of this Act.

6 **SIONAL EDUCATION.**

7 (a) IN GENERAL.—The Secretary of Health and
8 Human Services shall make grants to eligible entities to
9 improve the quality of continuing professional education
10 provided to qualified individuals regarding the develop-
11 ment and communication of written cancer care plans that
12 outline a system of care that coordinates active treatment
13 and palliative care.

14 (b) APPLICATION.—To seek a grant under this sec-
15 tion, an eligible entity shall submit an application at such
16 time, in such manner, and containing such information as
17 the Secretary may require. At a minimum, the Secretary
18 shall require that each such application demonstrate—

19 (1) experience in sponsoring continuing profes-
20 sional education programs;

21 (2) the ability to reach health care providers
22 and other professionals who are engaged in cancer
23 care with such continuing professional education
24 programs;

1 (3) the capacity to develop innovative training
2 programs aimed at enhancing the delivery of coordi-
3 nated cancer care that includes appropriate symp-
4 tom management and palliative care; and

5 (4) the ability to evaluate the effectiveness of
6 such professional education and training programs.

7 (c) EVALUATION.—The Secretary shall develop and
8 implement a plan for evaluating the effects of the con-
9 tinuing professional education and training programs
10 funded under this section.

11 (d) DEFINITIONS.—In this section:

12 (1) The term “eligible entity” means an entity
13 that is—
