

117TH CONGRESS
1ST SESSION

S. 2117

To amend the Help America Vote Act of 2002 to ensure that voters in elections for Federal office do not wait in long lines in order to vote.

IN THE SENATE OF THE UNITED STATES

JUNE 17, 2021

Mr. WYDEN (for himself and Mr. MERKLEY) introduced the following bill; which was read twice and referred to the Committee on Rules and Administration

A BILL

To amend the Help America Vote Act of 2002 to ensure that voters in elections for Federal office do not wait in long lines in order to vote.

1 *Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,*

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the “People Over Long
5 Lines Act (POLL Act)”.

6 SEC. 2. FINDINGS.

7 Congress makes the following findings:

8 (1) The right to vote for all Americans is fun-
9 damental and rules for voting and election adminis-

1 tration should protect the right to vote and promote
2 voter participation.

3 (2) It is the responsibility of the State and Fed-
4 eral governments to ensure that every eligible citizen
5 is able to register to vote and to cast a ballot.

6 (3) There continues to be an alarming move-
7 ment to erect barriers to make it more difficult for
8 Americans to participate in our Nation's democratic
9 process. The Nation has witnessed unprecedented ef-
10 forts to turn back the clock and erect barriers to
11 voting for communities of color, which have faced
12 historic and continuing discrimination, as well as
13 disabled, young, elderly, and low-income Americans.

14 (4) One way voting in communities of color has
15 been suppressed is through long waits at polling lo-
16 cations. Studies have shown a number of contrib-
17 uting factors, including the drastic reduction of early
18 voting days, poor allocation of resources to certain
19 communities, cuts to election funding, and a reduc-
20 tion of polling locations.

21 (5) A 2019 study led by economist Keith Chen
22 of the University of California, Los Angeles,
23 matched anonymous location data from 10,000,000
24 smartphones to 93,000 polling places to create the
25 most extensive map to date of voter wait times

1 across the United States. The results showed one
2 very clear disparity: voters in predominantly Black
3 neighborhoods waited 29 percent longer, on average,
4 than those in White neighborhoods. They were also
5 about 74 percent more likely to wait for more than
6 half an hour.

7 (6) Waiting in long lines discourages people
8 from voting, undermines confidence in the electoral
9 system, and imposes economic costs on voters.

10 (7) Long lines are estimated to have deterred
11 between 500,000 and 700,000 people from casting
12 their ballot in 2012.

13 (8) These problems led to the creation of the bi-
14 partisan Presidential Commission on Election Ad-
15 ministration, which issued a 2014 report that set
16 forth a standard: “No citizen should have to wait
17 more than 30 minutes to vote.”.

18 (9) Despite the work of the Presidential Com-
19 mission on Election Administration, long lines con-
20 tinue, particularly in communities of color where ra-
21 cial discrimination in voting is a clear and persistent
22 problem.

23 (10) In the Arizona 2016 Presidential primary,
24 in one Maricopa County polling place for mostly
25 Latino voters, some waited for 4 hours or more in

1 the 80-degree heat to cast their ballots. For the
2 2016 general election, 3 people collapsed while wait-
3 ing to vote in an hours-long line in Georgia, and a
4 line to vote in Cincinnati, Ohio was a half-mile long.

5 (11) According to a nationwide study, in 2016,
6 roughly 3 percent of people standing in line at vot-
7 ing locations left before they could vote as a result
8 of long lines.

9 (12) The disenfranchisement that long lines
10 create for voters is not limited to that one election.
11 Research suggests that for each hour would-be vot-
12 ers wait, their probability of voting in the next elec-
13 tion drops by 1 percentage point.

14 (13) Congress has the authority under article I,
15 section 4 of the Constitution of the United States to
16 enact laws governing the time, place, and manner of
17 Federal elections.

18 (14) Congress also has authority under section
19 2 of the 15th Amendment to enforce the right of
20 citizens of the United States to vote, which shall not
21 be denied or abridged by the United States, by legis-
22 lation.

7 tial violations of the standards established
8 under section 299, shall comply with a State re-
9 medial plan established by the Commission to
10 provide for the effective allocation of resources

12 the State and to reduce the waiting time of vot-
13 ers.

14 “(B) COORDINATION WITH ATTORNEY

21 election and on the date of the election and to

23 to cast their ballots at polling places.

24 “(C) TERMINATION.—A jurisdiction shall
