

117TH CONGRESS
1ST SESSION

S. 2300

To direct the Secretary of Housing and Urban Development to establish a grant program to help revitalize certain localities, and for other purposes.

IN THE SENATE OF THE UNITED STATES

JUNE 24, 2021

Mr. PETERS introduced the following bill; which was read twice and referred to the Committee on Banking, Housing, and Urban Affairs

A BILL

To direct the Secretary of Housing and Urban Development to establish a grant program to help revitalize certain localities, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Restoring Commu-
5 nities Left Behind Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) As the United States continues to feel the
9 devastating economic impacts of Coronavirus Dis-
10 ease 2019 (COVID–19), many urban and rural com-

1 communities are still suffering from the effects of under-
2 water mortgages, vacancy, abandoned properties,
3 blight, aging housing stock, properties with deferred
4 maintenance and harmful materials such as lead, as-
5 bestos, and mold, unemployment, and population
6 loss.

7 (2) While some cities and counties struggle with
8 disinvestment and population loss, there are also
9 pockets of economic distress in otherwise prosperous,
10 growing areas.

11 (3) Investments targeted to these communities
12 left behind will be critical to ensure equitable eco-
13 nomic recovery, job creation, and housing and neigh-
14 borhood infrastructure revitalization.

15 (4) The need to revitalize neighborhoods is
16 greater than what can be supported with existing
17 local tax bases.

18 (5) Communities continue to suffer from the
19 impact of governmental policies and private sector
20 practices that forbade or discouraged mortgage lend-
21 ing in neighborhoods having significant minority
22 populations.

23 (6) Many State and local governments, land
24 banks, and nonprofit organizations across the
25 United States have responded to the housing crisis

1 by creating cost-effective strategies to revitalize
2 neighborhoods.

3 (7) 2016 data from the Bureau of the Census
4 shows that non-Hispanic, White households have an
5 average net worth of \$143,600, while Black house-
6 holds have an average net worth of \$12,920 and
7 Hispanic households have an average net worth of
8 \$21,420.

9 (8) Housing equity is a significant portion of
10 Black and Hispanic households' net worth, making
11 up nearly 57 percent of Black households' net worth,
12 66.5 percent of Hispanic households' net worth, and
13 40.8 percent of White households' net worth, accord-
14 ing to the Urban Institute's calculations from the
15 2016 Survey of Consumer Finances.

16 (9) The 2008 recession and the COVID-19 re-
17 cession have exacerbated the racial wealth gap.

18 (10) Funding innovative local neighborhood
19 strategies will allow the United States to close the
20 racial wealth gap, ensure equitable access to housing
21 and economic mobility, and counter the lasting leg-
22 acy of redlining policies.

23 (11) Despite the strong requirement to affirma-
24 tively furthering fair housing under the Fair Hous-
25 ing Act (42 U.S.C. 3601 et seq.), the lack of ac-

1 countability measures implemented by the Depart-
2 ment of Housing and Urban Development to ensure
3 equitable use of housing and community develop-
4 ment dollars in Federal programs has allowed for
5 the perpetuation of the legacy of redlining and
6 neighborhood disinvestment.

7 (12) It is imperative that the Federal Govern-
8 ment make funding available for the best local strat-
9 egies to increase homeownership and preserve home
10 equity in impacted areas, access to safe and afford-
11 able rental housing, economic growth, job creation,
12 and to build on local assets to improve communities
13 in ways that affirmatively further fair housing.
