

118TH CONGRESS
1ST SESSION

S. 2364

To map the United States pharmaceutical supply chain and use data analytics to identify supply chain vulnerabilities and other national security threats.

IN THE SENATE OF THE UNITED STATES

JULY 18, 2023

Mr. PETERS (for himself, Mr. LANKFORD, and Mr. BRAUN) introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

A BILL

To map the United States pharmaceutical supply chain and use data analytics to identify supply chain vulnerabilities and other national security threats.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Mapping America’s
5 Pharmaceutical Supply Act” or the “MAPS Act”.

6 **SEC. 2. FEDERAL U.S. PHARMACEUTICAL SUPPLY CHAIN**
7 **MAPPING.**

8 (a) IN GENERAL.—The Secretary of Health and
9 Human Services, in coordination with the heads of other

1 relevant agencies, including the Secretary of Defense and
2 the Secretary of Homeland Security, shall support efforts,
3 including through public-private partnerships, to map the
4 entire United States pharmaceutical supply chain, from
5 inception to distribution, and use data analytics to identify
6 supply chain vulnerabilities and other national security
7 threats. Such activities shall include, at minimum—

8 (1) defining agency roles in monitoring the
9 pharmaceutical supply chain and communicating
10 supply chain vulnerabilities;

11 (2) establishing a database of drugs selected
12 from the essential medicines list developed by the
13 Food and Drug Administration in response to Exec-
14 utive Order 13944 (85 Fed. Reg. 49929) and any
15 other relevant assessments or lists, as appropriate,
16 to identify, in coordination with the private sector,
17 a list of essential medicines, to be updated regularly
18 and published on a timeframe that the Secretary of
19 Health and Human Services, in coordination with
20 the Secretary of Defense and the Secretary of
21 Homeland Security, determines appropriate, which
22 shall include the drugs and the active pharma-
23 ceutical ingredients of such drugs that—

24 (A) are reasonably likely to be required to
25 respond to a public health emergency or to a

1 chemical, biological, radiological, or nuclear
2 threat; or

3 (B) the shortage of which would pose a
4 significant threat to the United States health
5 care system or at-risk populations; and

6 (3) with respect to drugs selected for inclusion
7 in the database pursuant to paragraph (2), identi-
8 fying—

9 (A) the location of establishments reg-
10 istered under subsection (b), (c), or (i) of sec-
11 tion 510 of the Federal Food, Drug, and Cos-
12 metic Act (21 U.S.C. 360) involved in the pro-
13 duction of active pharmaceutical ingredients
14 and finished dosage forms, and the amount of
15 such ingredients and finished dosage forms pro-
16 duced at each such establishment;

17 (B) to the extent available, the location of
18 establishments so registered involved in the pro-
19 duction of the key starting materials and
20 excipients needed to produce the active pharma-
21 ceutical ingredients and finished dosage forms,
22 and the amount of such materials and
23 excipients produced at each such establishment;
24 and

1 (C) any regulatory actions with respect to
2 the establishments manufacturing such drugs,
3 including with respect to labeling requirements,
4 registration and listing information required to
5 be submitted under section 510 of the Federal
6 Food, Drug, and Cosmetic Act (21 U.S.C.
7 360), inspections and related regulatory activi-
8 ties conducted under section 704 of such Act
9 (21 U.S.C. 374), the seizure of such a drug
10 pursuant to section 304 of such Act (21 U.S.C.
11 334), any recalls of such a drug; inclusion of
12 such a drug on the drug shortage list under
13 section 506E of such Act (21 U.S.C. 356e), or
14 prior drug shortages reports of a discontinu-
15 ance or interruption in the production of such
16 a drug under 506C of such Act (21 U.S.C.
17 355d).

18 (b) REPORT.—Not later than 18 months after the
19 date of enactment of this Act, and annually thereafter,
20 the Secretary of Health and Human Services, in consulta-
21 tion with the heads of agencies with which such Secretary
22 coordinates under subsection (a), shall submit a report to
23 Congress on—

24 (1) progress on implementing subsection (a), in-
25 cluding any timelines for full implementation, if any;

1 (2) gaps in data needed for full implementation
2 of such subsection;

3 (3) how the database established under sub-
4 section (a)(2) increases Federal visibility into the
5 pharmaceutical supply chain;

6 (4) how Federal agencies are able to use data
7 analytics to conduct predictive modeling of antici-
8 pated drug shortages or national security threats;
9 and

10 (5) the extent to which industry has cooperated
11 in mapping the pharmaceutical supply chain and
12 building the database described in subsection (a)(2).

13 (c) CONFIDENTIAL COMMERCIAL INFORMATION.—
14 The exchange of information among the Secretary of
15 Health and Human Services and the heads of other rel-
16 evant agencies, including the Secretary of Defense and the
17 Secretary of Homeland Security, for purposes of carrying
18 out this section shall not be a violation of section 1905
19 of title 18, United States Code.

20 (d) CLARIFICATION.—The database established
21 under this section shall not be publicly disclosed. Nothing
22 this subsection shall be construed to relieve the Secretary
23 of Health and Human Services from its obligation to pro-
24 vide information to Congress.
