## A BILL

To require agencies submit zero-based budgets.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

3       **SECTION 1. ZERO-BASED BUDGETS.**

4       (a) DEFINITION.—In this Act:

5               (1) AGENCY.—The term “agency” has the  
6       meaning given the term in section 551 of title 5,  
7       United States Code.

8               (2) ZERO-BASED BUDGET.—The term “zero-  
9       based budget” means a systematic budget analysis  
10      in support of decision making in which managers—

1           (A) examine current objectives, operations,  
2           and costs;

3           (B) consider alternative ways of carrying  
4           out their program or activity; and

5           (C) rank different programs or activities  
6           by order of importance to the organization.

7           (b) ZERO-BASED BUDGETS.—Every sixth year, each  
8           agency shall submit to the Director of the Office of Man-  
9           agement and Budget and the Committee on the Budget  
10          of the Senate and the Committee on the Budget of the  
11          House of Representatives a zero-based budget for the next  
12          fiscal year and each of the 4 ensuing fiscal years.

13          (c) RECOMMENDATIONS.—In addition to the zero-  
14          based budget required under subsection (b), each agency,  
15          except the Department of Defense and the National Nu-  
16          clear Security Administration shall submit recommenda-  
17          tions for which programs Congress should cut or reduce  
18          appropriations in an amount that equals not less than a  
19          2-percent reduction from the previous year appropriation  
20          in discretionary spending.
