In the House of Representatives, U. S.,

December 21, 2010.

Resolved, That the bill from the Senate (S. 2925) entitled "An Act to establish a grant program to benefit victims of sex trafficking, and for other purposes.", do pass with the following

AMENDMENT:

Strike out all after the enacting clause and insert:

1 SECTION 1. SHORT TITLE.

- 2 This Act may be cited as the "Domestic Minor Sex
- 3 Trafficking Deterrence and Victims Support Act of 2010".
- 4 SEC. 2. FINDINGS.
- 5 Congress finds the following:
- 6 (1) Human trafficking is modern-day slavery. It
- 7 is one of the fastest-growing, and the second largest,
- 8 criminal enterprise in the world. Human trafficking
- 9 generates an estimated profit of \$32,000,000,000 per
- 10 year, world wide.
- 11 (2) In the United States, human trafficking is
- an increasing problem. This criminal enterprise vic-
- timizes individuals in the United States, many of
- 14 them children, who are forced into prostitution, and
- 15 foreigners brought into the country, often under false

- pretenses, who are coerced into forced labor or com mercial sexual exploitation.
 - (3) Sex trafficking is one of the most lucrative areas of human trafficking. Criminal gang members in the United States are increasingly involved in recruiting young women and girls into sex trafficking. Interviews with gang members indicate that the gang members regard working as an individual who solicits customers for a prostitute (commonly known as a "pimp") to being as lucrative as trafficking in drugs, but with a much lower chance of being criminally convicted.
 - (4) National Incidence Studies of Missing, Abducted, Runaway and Throwaway Children, the definitive study of episodes of missing children, found that of the children who are victims of non-family abduction, runaway or throwaway children, the police are alerted by family or guardians in only 21 percent of the cases. In 79 percent of cases there is no report and no police involvement, and therefore no official attempt to find the child.
 - (5) In 2007, the Administration of Children and Families, Department of Health and Human Services, reported to the Federal Government 265,000

- cases of serious physical, sexual, or psychological
 abuse of children.
 - (6) Experts estimate that each year at least 100,000 children in the United States are exploited through prostitution.
 - (7) Children who have run away from home are at a high risk of becoming exploited through sex trafficking. Children who have run away multiple times are at much higher risk of not returning home and of engaging in prostitution.
 - (8) The vast majority of children involved in sex trafficking have suffered previous sexual or physical abuse, live in poverty, or have no stable home or family life. These children require a comprehensive framework of specialized treatment and mental health counseling that addresses post-traumatic stress, depression, and sexual exploitation.
 - (9) The average age of first exploitation through prostitution is 13. Seventy-five percent of minors exploited through prostitution have a pimp. A pimp can earn \$200,000 per year prostituting 1 sex trafficking victim.
 - (10) Sex trafficking of minors is a complex and varied criminal problem that requires a multi-disciplinary, cooperative solution. Reducing trafficking

will require the Government to address victims, pimps, and johns, and to provide training specific to sex trafficking for law enforcement officers and prosecutors, and child welfare, public health, and other social service providers.

(11) Human trafficking is a criminal enterprise that imposes significant costs on the economy of the United States. Government and non-profit resources used to address trafficking include those of law enforcement, the judicial and penal systems, and social service providers. Without a range of appropriate treatments to help trafficking victims overcome the trauma they have experienced, victims will continue to be exploited by criminals and unable to support themselves, and will continue to require Government resources, rather than being productive contributors to the legitimate economy.

(12) Human trafficking victims are often either not identified as trafficking victims or are mischaracterized as criminal offenders. Both private and public sector personnel play a significant role in identifying trafficking victims and potential victims, such as runaways. Examples of such personnel include hotel staff, flight attendants, health care providers, educators, and parks and recreation personnel.

- 1 Efforts to train these individuals can bolster law en-2 forcement efforts to reduce human trafficking.
 - (13) Minor sex trafficking victims are under the age of 18. Because minors do not have the capacity to consent to their own commercial sexual exploitation, minor sex trafficking victims should not be charged as criminal defendants. Instead, minor victims of sex trafficking should have access to treatment and services to help them recover from their sexual exploitation, and should also be provided access to appropriate compensation for harm they have suffered.
 - (14) Several States have recently passed or are considering legislation that establishes a presumption that a minor charged with a prostitution offense is a severely trafficked person and should instead be cared for through the child protection system. Some such legislation also provides support and services to minor sex trafficking victims who are under the age of 18 years old. These services include safe houses, crisis intervention programs, community-based programs, and law-enforcement training to help officers identify minor sex trafficking victims.
 - (15) Sex trafficking of minors is not a problem that occurs only in urban settings. This crime also exists in rural areas and on Indian reservations. Ef-

1	forts to address sex trafficking of minors should in-
2	clude partnerships with organizations that seek to ad-
3	dress the needs of such underserved communities.
4	SEC. 3. SENSE OF CONGRESS.
5	It is the sense of the Congress that—
6	(1) the Attorney General should implement
7	changes to the National Crime Information Center
8	database to ensure that—
9	(A) a child entered into the database will be
10	automatically designated as an endangered juve-
11	nile if the child has been reported missing not
12	less than 3 times in a 1-year period;
13	(B) the database is programmed to cross-
14	reference newly entered reports with historical
15	records already in the database; and
16	(C) the database is programmed to include
17	a visual cue on the record of a child designated
18	as an endangered juvenile to assist law enforce-
19	ment officers in recognizing the child and pro-
20	viding the child with appropriate care and serv-
21	ices;
22	(2) funds awarded under subpart 1 of part E of
23	title I of the Omnibus Crime Control and Safe Streets
24	Act of 1968 (42 U.S.C. 3750 et seq.) (commonly
25	known as Byrne Grants) should be used to provide

1	education, training, deterrence, and prevention pro-
2	grams relating to sex trafficking of minors;
3	(3) States should—
4	(A) treat minor victims of sex trafficking as
5	crime victims rather than as criminal defendants
6	or juvenile delinquents;
7	(B) adopt laws that—
8	(i) establish the presumption that a
9	child under the age of 18 who is charged
10	with a prostitution offense is a minor vic-
11	tim of sex trafficking;
12	(ii) avoid the criminal charge of pros-
13	titution for such a child, and instead con-
14	sider such a child a victim of crime and
15	provide the child with appropriate services
16	and treatment; and
17	(iii) strengthen criminal provisions
18	prohibiting the purchasing of commercial
19	sex acts, especially with minors;
20	(C) amend State statutes and regulations—
21	(i) relating to crime victim compensa-
22	tion to make eligible for such compensation
23	any individual who is a victim of sex traf-
24	ficking as defined in section 1591(a) of title
25	18, United States Code, or a comparable

1	State law against commercial sexual exploi-
2	tation of children, and who would otherwise
3	be ineligible for such compensation due to
4	participation in prostitution activities be-
5	cause the individual is determined to have
6	contributed to, consented to, benefitted from,
7	or otherwise participated as a party to the
8	crime for which the individual is claiming
9	injury; and
10	(ii) relating to law enforcement report-
11	ing requirements to provide for exceptions
12	to such requirements for victims of sex traf-
13	ficking in the same manner as exceptions
14	are provided to victims of domestic violence
15	or related crimes; and
16	(4) demand for commercial sex with sex traf-
17	ficking victims must be deterred through consistent
18	enforcement of criminal laws against purchasing
19	commercial sex.
20	SEC. 4. SEX TRAFFICKING BLOCK GRANTS.
