

116TH CONGRESS

S. 2951

To facilitate the development of affordable housing, and for other purposes.

IN THE SENATE OF THE UNITED STATES

NOVEMBER 21, 2019

Mr. SCHUMER (for Ms. HARRIS (for herself, Mr. DURBIN, and Ms. DUCKWORTH)) introduced the following bill; which was read twice and referred to the Committee on Banking, Housing, and Urban Affairs

A BILL

To facilitate the development of affordable housing, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Housing is Infrastruc-
5 ture Act of 2019”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) Affordable housing is a critical part of the
9 national infrastructure of the United States, but
10 there is a severe shortage of affordable housing in

1 the United States and the existing stock is badly in
2 need of repair.

3 (2) According to a 2010 study sponsored by the
4 Department of Housing and Urban Development,
5 there was a \$26,000,000,000 backlog of capital
6 needs for public housing. That figure is likely higher
7 today, with some groups estimating the backlog of
8 capital needs for public housing to be as high as
9 \$70,000,000,000.

10 (3) According to the Department of Agri-
11 culture, there are 14,000 dwelling units receiving
12 rental assistance under section 514 or 515 of Hous-
13 ing Act of 1949 (42 U.S.C. 1484, 1485) that have
14 an estimated unmet reserve need of \$5,600,000,000.

15 (4) Federal investment in housing helps to cre-
16 ate jobs and stimulate the economy.

17 (5) When the American Recovery and Reinvest-
18 ment Act of 2009 (Public Law 111–5) was enacted,
19 which included funding for public housing, research-
20 ers found that for each \$1.00 in direct spending on
21 public housing, there was an additional \$2.12 of in-
22 direct and induced economic activity nationwide for
23 a total economic impact of \$3.12 for each \$1.00 in
24 direct spending on public housing.

1 (6) According to the National Association of
2 Home Builders, building 100 affordable rental
3 homes generates \$11,700,000 million in local in-
4 come, \$2,200,000 in taxes and revenue for local gov-
5 ernments, and 161 local jobs.

6 (7) Researchers estimate that the growth in the
7 gross domestic product from 1964 to 2009 would
8 have been 13.5 percent higher if families had better
9 access to affordable housing, which in turn could
10 have led to an additional \$1,700,000,000 increase in
11 income, equivalent to \$8,775 in additional wages for
12 each worker.
