## A BILL

To amend title 18, United States Code, to establish an Office of Prison Education, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Promoting Reentry  
5 through Education in Prisons Act of 2021” or the “PREP  
6 Act”.

7 **SEC. 2. FINDINGS; PURPOSE.**

8 (a) FINDINGS.—Congress finds the following:

1           (1) Over the course of an 8-year-period fol-  
2           lowing the release of individuals from Federal pris-  
3           ons, the United States Sentencing Commission  
4           found that 49.3 percent of such individuals were re-  
5           arrested, 31.7 percent were reconvicted, and 24.6  
6           percent were reincarcerated.

7           (2) The Bureau of Justice Statistics found that  
8           over a similar time period as described in paragraph  
9           (1), 83 percent of people released from State prisons  
10          were rearrested.

11          (3) A broad spectrum of prison education pro-  
12          gramming can prepare individuals for the contem-  
13          porary workforce pre-release, ensuring that upon re-  
14          lease the individuals are best situated to be produc-  
15          tive members of their communities.

16          (4) Education for people in prisons has a clear  
17          public safety benefit, reducing recidivism rates by  
18          over 43 percent.

19          (5) Employment is 13 percent higher for indi-  
20          viduals who participated in either academic or voca-  
21          tional programs in prison, and 28 percent higher for  
22          individuals who participated in vocational programs  
23          alone.

24          (6) During the first 3 years after an individual  
25          is released, each dollar spent on funding prison edu-

1 cation programs reduces incarceration costs by 4 to  
2 5 dollars.

3 (7) Prison education helps to improve the safety  
4 of the prison environment, not only for incarcerated  
5 individuals, but also for correctional officers and  
6 prison staff.

7 (8) A 2016 analysis of the Bureau of Prisons  
8 education programs found that the Bureau of Pris-  
9 ons spends 20 percent as much on inmate education  
10 as the nearest-sized State prison systems and experi-  
11 ences a proportionally low return.

12 (9) The 2016 analysis described in paragraph  
13 (8) also found that the Bureau of Prisons lacked the  
14 staff, programmatic strategy and alignment, budget,  
15 assessment, and educational support to effectively  
16 administer educational programs.

17 (b) PURPOSE.—The purpose of this Act is to create  
18 a dedicated office within the Bureau of Prisons to—

19 (1) improve the prison education programs pro-  
20 vided by the Bureau of Prisons;

21 (2) ensure access to quality education programs  
22 across all Federal penal and correctional institu-  
23 tions;

24 (3) create partnerships with education providers  
25 to offer quality programs; and

1           (4) create a repository of research and best  
2           practices for State and local correctional institutions  
3           on quality education programs.
