

118TH CONGRESS
1ST SESSION

S. 3387

To direct the Secretary of Health and Human Services to update and clarify its rule on substances generally recognized as safe and to establish within the Food and Drug Administration the Office of Food Chemical Safety, Dietary Supplements, and Innovation, and for other purposes.

IN THE SENATE OF THE UNITED STATES

DECEMBER 4, 2023

Mr. MARKEY (for himself, Mr. BOOKER, Mr. BLUMENTHAL, and Ms. WARREN) introduced the following bill; which was read twice and referred to the Committee on Health, Education, Labor, and Pensions

A BILL

To direct the Secretary of Health and Human Services to update and clarify its rule on substances generally recognized as safe and to establish within the Food and Drug Administration the Office of Food Chemical Safety, Dietary Supplements, and Innovation, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Ensuring Safe and
5 Toxic-Free Foods Act of 2023”.

1 **SEC. 2. DIRECTED RULEMAKING REGARDING SUBSTANCES**

2 **GENERALLY RECOGNIZED AS SAFE.**

3 (a) DEFINITIONS.—In this section:

4 (1) GRAS.—The term “GRAS”, with respect to
5 the use of a substance in food, has the meaning
6 given the term “generally recognized as safe for use
7 in food” in section 409A(a) of the Federal Food,
8 Drug, and Cosmetic Act, as added by section 3.

9 (2) REPRODUCTIVE OR DEVELOPMENTAL TOX-
10 ICITY.—The term “reproductive or developmental
11 toxicity” has the meaning given such term in such
12 section 409A(a).

13 (3) SECRETARY.—The term “Secretary” means
14 the Secretary of Health and Human Services, acting
15 through the Commissioner of Food and Drugs.

16 (4) VULNERABLE HUMAN POPULATIONS.—The
17 term “vulnerable human population” has the mean-
18 ing given such term in such section 409A(a).

19 (b) DIRECTED RULEMAKING.—

20 (1) IN GENERAL.—The Secretary shall—

21 (A) not later than 1 year after the date of
22 enactment of this Act, publish a proposed revi-
23 sion to the final rule titled “Substances Gen-
24 erally Recognized as Safe”, published by the
25 Food and Drug Administration on August 17,
26 2016 (81 Fed. Reg. 54960);

1 (B) not later than 180 days after the close
2 of the period for public comment on the revision
3 proposed under subparagraph (A), publish a
4 final revision to such final rule; and

5 (C) not later than 180 days after the date
6 of enactment of this Act, publish a plan for
7 monitoring industry compliance with the rules,
8 regulations, and guidance of the Food and
9 Drug Administration relating to GRAS, includ-
10 ing the December 2022 guidance titled “Best
11 Practices for Convening a GRAS Panel”.

12 (2) CONTENTS.—The revision required by sub-
13 paragraphs (A) and (B) of paragraph (1) shall in-
14 clude each of the following:

15 (A) The revision shall prohibit a manufac-
16 turer from marketing a substance as GRAS, or
17 manufacturing or selling food that contains a
18 substance the manufacturer has determined to
19 be GRAS, unless—

20 (i) the Secretary has made a final de-
21 termination, which is conveyed to the man-
22 ufacturer in writing, that the Secretary
23 has received sufficient notice from the
24 manufacturer that the manufacturer has
25 determined such substance to be GRAS

1 under the conditions of its intended use;
2 and

3 (ii) the manufacturer has provided the
4 Secretary with supporting information suf-
5 ficient to understand the basis of the de-
6 termination, including—

7 (I) the cumulative effects of the
8 substance, as required under section
9 409 of the Federal Food, Drug, and
10 Cosmetic Act (21 U.S.C. 348);

11 (II) an adequately protective use
12 of safety factors, as described under
13 such section 409, including safety fac-
14 tors to account for the particular sen-
15 sitivities of vulnerable human popu-
16 lations, to the extent that data are
17 available to derive safety factors for
18 each vulnerable human population;

19 (III) information demonstrating
20 that the weight of evidence analysis
21 shows the substance has not been
22 found to induce cancer when ingested
23 by humans or animals; and

24 (IV) information demonstrating
25 that the weight of evidence analysis

1 shows the substance has not been
2 found to induce reproductive or devel-
3 opmental toxicity when ingested by
4 humans or animals, including through
5 an endocrine mode of action.

6 (B) The revision shall require—

7 (i) the Secretary to make each deter-
8 mination that is submitted pursuant to
9 subparagraph (A)(i), and the supporting
10 information submitted pursuant to sub-
11 subparagraph (A)(ii), publicly available on the
12 website of the Food and Drug Administra-
13 tion;

14 (ii) a period of at least 90 days for
15 the Secretary and the public to review each
16 such determination and object, if appro-
17 priate, in order to ensure that the sub-
18 stance involved is safe taking into account
19 the factors listed in subparagraph (A) and
20 in paragraphs (3) through (5) of section
21 409(c) of the Federal Food, Drug, and
22 Cosmetic Act (21 U.S.C. 348(c)); and

23 (iii) the Secretary's objection, or deci-
24 sion not to object, to be considered final
25 agency action.

1 (C) The revision shall clarify that sub-
2 stances that are known (or reasonably antici-
3 pated) to cause cancer in humans or animals
4 identified by the National Toxicology Program
5 cannot be GRAS.

6 (D) The revision shall clarify that sub-
7 stances that show clear evidence (or some evi-
8 dence) of human reproductive or developmental
9 toxicity identified by the National Toxicology
10 Program cannot be GRAS.

11 (E) The revision shall clarify that any sub-
12 stance that was not marketed for use in foods
13 in the United States before issuance of the re-
14 vised rule cannot be GRAS and shall be ap-
15 proved by the Secretary through a food additive
16 petition as required by section 409(c) of the
17 Federal Food, Drug, and Cosmetic Act (21
18 U.S.C. 348(c)) prior to being marketed in food.

19 (F) The revision shall—

20 (i) incorporate standards prohibiting
21 conflict of interests among experts pro-
22 viding data for substances submitted for
23 GRAS review; and

24 (ii) incorporate measures to strength-
25 en the recommendations in the December

1 2022 guidance of the Food and Drug Ad-
2 ministration titled “Best Practices for
3 Convening a GRAS Panel”.

4 (G) The revision shall create a process that
5 requires the Secretary to systematically reassess
6 any substance that was determined to be GRAS
7 if the initial determination did not meet the re-
8 vised standards for such a determination, in ac-
9 cordance with the procedures and resources in
10 section 409A of the Federal Food, Drug, and
11 Cosmetic Act, as added by section 3.

12 **SEC. 3. OFFICE OF FOOD CHEMICAL SAFETY, DIETARY SUP-**
13 **PLEMENTS, AND INNOVATION.**

14 Chapter IV of the Federal Food, Drug, and Cosmetic
15 Act (21 U.S.C. 341 et seq.) is amended by inserting after
16 section 409 (21 U.S.C. 348) the following:

17 **“SEC. 409A. OFFICE OF FOOD CHEMICAL SAFETY, DIETARY**
18 **SUPPLEMENTS, AND INNOVATION.**

19 “(a) DEFINITIONS.—In this section:

20 “(1) FOOD CONTACT SUBSTANCE.—The term
21 ‘food contact substance’ has the meaning given such
22 term in section 409(h)(6).

23 “(2) GENERALLY RECOGNIZED AS SAFE FOR
24 USE IN FOOD.—The term ‘generally recognized as
25 safe for use in food’ means, with respect to the use

1 of a substance in food, that the substance is gen-
2 erally recognized, among experts qualified by sci-
3 entific training and experience to evaluate its safety,
4 as having been adequately shown through scientific
5 procedures (or, in the case of a substance used in
6 food prior to January 1, 1958, through either sci-
7 entific procedures or experience based on common
8 use in food) to be safe under the conditions of its
9 intended use, as described in section 201(s).

10 “(3) PRIOR-SANCTIONED SUBSTANCE.—The
11 term ‘prior-sanctioned substance’ means a substance
12 described in paragraph (4) of section 201(s).

13 “(4) REPRODUCTIVE OR DEVELOPMENTAL TOX-
14 ICITY.—The term ‘reproductive or developmental
15 toxicity’ means—

16 “(A) adverse effects on the reproductive
17 systems of female or male humans or animals,
18 that may include alterations to the female or
19 male reproductive system development, the en-
20 docrine system, fertility, pregnancy, pregnancy
21 outcomes, or modifications in other functions
22 that are dependent on the integrity of the re-
23 productive system; or

24 “(B) adverse effects on developing orga-
25 nisms that result from exposure prior to con-

1 ception, during the prenatal period, or until the
2 time of sexual maturity.

3 “(5) VULNERABLE HUMAN POPULATION.—The
4 term ‘vulnerable human population’ means a human
5 population that is subject to the potential for dis-
6 proportionate exposure to, or the potential for dis-
7 proportionate adverse effects from exposure to, a
8 chemical substance or mixture, including—

9 “(A) infants, children, and adolescents;

10 “(B) pregnant, postpartum, or
11 breastfeeding women;

12 “(C) older adults;

13 “(D) individuals with preexisting medical
14 conditions;

15 “(E) workers who may be exposed to
16 chemical substances and mixtures;

17 “(F) residents in communities subject to
18 disproportionate exposures or adverse effects;

19 and

20 “(G) members of any other appropriate
21 population identified by the Secretary.

22 “(b) ESTABLISHMENT.—Not later than 1 year after
23 the date of enactment of this section, the Secretary shall
24 establish within the Food and Drug Administration an of-
25 fice, to be known as the ‘Office of Food Chemical Safety,

1 Dietary Supplements, and Innovation’ (referred to in this
2 section as the ‘Office’), to evaluate and reassess the safety,
3 within the meaning of section 409, of substances and
4 classes of substances, including food additives, food con-
5 tact substances, substances generally recognized as safe
6 for use in food, color additives, and prior-sanctioned sub-
7 stances.

8 “(c) SAFETY REASSESSMENTS.—Not later than 3
9 years after the date on which the Office is established,
10 and not less frequently than once every 3 years thereafter,
11 the Office shall—

12 “(1) reassess the safety of not less than 10 of
13 the substances or classes of substances described in
14 subsection (b); and

15 “(2) issue final regulations—

16 “(A) determining that any such substance
17 or class of substance is safe within the meaning
18 of section 409 and establishing the conditions
19 of use, if any, under which any such substance
20 or class of substances can be used safely within
21 the meaning of such section; or

22 “(B) determining that any such substance
23 or class of substances is unsafe within the
24 meaning of such section.

1 “(d) CONSIDERATIONS.—In determining, for the pur-
2 poses of this section, whether a substance or class of sub-
3 stances is unsafe within the meaning of section 409, the
4 Secretary shall consider among other relevant factors—

5 “(1) the cumulative effects of the substance, as
6 described under such section 409; and

7 “(2) an adequately protective use of safety fac-
8 tors, as described under such section 409, including
9 safety factors to account for the particular sensitivi-
10 ties of vulnerable human populations.

11 “(e) NOTICE PRIOR TO SELECTING SUBSTANCES FOR
12 REASSESSMENT.—Prior to selecting substances or classes
13 of substances to reassess under subsection (c), the Sec-
14 retary shall post a notice in the Federal Register request-
15 ing information and recommendations on which sub-
16 stances and classes should be reassessed. The information
17 shall include substance or class name, uses, and data re-
18 lating to the actual and potential hazards and impact on
19 public health.

20 “(f) NOTICE PRIOR TO COMMENCEMENT.—Prior to
21 commencing a reassessment of a substance or class of sub-
22 stances under subsection (c), the Secretary shall post a
23 notice in the Federal Register requesting information on
24 any uses of such substance or class in food, including as
25 a prior-sanctioned substance, food contact substance, or

1 substance that is generally recognized as safe for use in
2 food. The information requested shall include when the
3 uses commenced, the specific conditions of use, how they
4 were determined to be safe, scientific evidence relevant to
5 the safety of the substance that has become available since
6 its use in food commenced, and the anticipated amounts
7 that may be found in food.

8 “(g) FOOD CHEMICAL COMMITTEE OF THE SCIENCE
9 BOARD.—Not later than 180 days after the date of enact-
10 ment of this section, the Secretary shall establish a stand-
11 ing Food Chemical Committee (referred to in this sub-
12 section as the ‘Committee’) within the Science Board to
13 the Food and Drug Administration and provide resources
14 and staffing as are necessary for the Committee to meet
15 regularly and complete their work. The Committee shall
16 advise the Secretary with respect to the process and meth-
17 ods necessary to complete the work of the Office.

18 “(h) RULE OF CONSTRUCTION.—Nothing in this sec-
19 tion alters the authority or duties of the Secretary with
20 respect to the administration and enforcement of section
21 409.”.

○
