

117TH CONGRESS
2D SESSION

S. 3987

To require the Secretary of Energy to provide grants and loan guarantees for commercial-scale implementation of transformative industrial technologies, and for other purposes.

IN THE SENATE OF THE UNITED STATES

MARCH 31, 2022

Mr. HEINRICH (for himself and Mr. CASEY) introduced the following bill; which was read twice and referred to the Committee on Energy and Natural Resources

A BILL

To require the Secretary of Energy to provide grants and loan guarantees for commercial-scale implementation of transformative industrial technologies, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “First Three Act of
5 2022”.

6 **SEC. 2. COMMERCIAL-SCALE IMPLEMENTATION OF TRANS-**

7 **FORMATIVE INDUSTRIAL TECHNOLOGIES.**

8 (a) DEFINITIONS.—In this section:

1 (1) ELIGIBLE ENTITY.—The term “eligible enti-
2 ty” means any of the following entities:

3 (A) An owner of an industrial plant at
4 which an eligible technology would be imple-
5 mented.

6 (B)(i) A provider that—

7 (I) manufactures an eligible tech-
8 nology; or

9 (II) implements or integrates an eligi-
10 ble technology at an industrial plant; or
11 (ii) any other entity involved in the imple-
12 mentation of eligible technology at an industrial
13 plant.

14 (C) A consortium or partnership of 1 or
15 more entities described in subparagraphs (A)
16 and (B).

17 (2) ELIGIBLE PROJECT.—The term “eligible
18 project” means the implementation of an eligible
19 technology at an industrial plant in a State.

20 (3) ELIGIBLE PROJECT COSTS.—The term “eli-
21 gible project costs” means any capital, installation,
22 engineering, construction, and permitting costs re-
23 lated to carrying out an eligible project.

(B) is demonstrated to be technically viable at pilot scale and ready for commercial-scale implementation;

(C) is able to significantly reduce the energy use or greenhouse gas emissions of the process with respect to which the eligible technology is implemented, relative to the technology available on the date of enactment of this Act; and

(D) has the potential to significantly reduce annual United States industrial energy use or greenhouse gas emissions, relative to the United States industrial energy use or greenhouse gas emissions in calendar year 2021, if the eligible technology is widely implemented at the appropriate industrial plants in the United States.

1 (5) PROGRAM.—The term “program” means
2 the program established under subsection (b).

3 (6) SECRETARY.—The term “Secretary” means
4 the Secretary of Energy.

5 (7) STATE.—The term “State” means—

6 (A) a State;
7 (B) the District of Columbia; and
8 (C) any territory or possession of the
9 United States.

10 (b) ESTABLISHMENT.—Subject to the availability of
11 appropriations, the Secretary shall establish a program
12 under which the Secretary shall provide grants and loan
13 guarantees to eligible entities to carry out eligible projects.

14 (c) APPLICATIONS.—

15 (1) IN GENERAL.—To apply for a grant or loan
16 guarantee under the program, an eligible entity shall
17 submit to the Secretary an application at such time,
18 in such manner, and containing such information as
19 the Secretary may require.

20 (2) SELECTION.—In evaluating applications
21 submitted under paragraph (1), the Secretary shall
22 select applications that will result in the greatest—

23 (A) improvement to the competitiveness of
24 United States industry in global markets;
25 (B) reduction in energy use; or

(C) reduction in greenhouse gas emissions.

7 (d) GRANTS AND LOAN GUARANTEES.—

(1) IN GENERAL.—In carrying out the program,
the Secretary—

19 (A) 60 percent of the total eligible project
20 costs for the first eligible project awarded a
21 grant in that category.

(B) 45 percent of the total eligible project costs for the second eligible project awarded a grant in that category.

(C) 30 percent of the total eligible project costs for the third eligible project awarded a grant in that category.

(3) LOAN GUARANTEE AMOUNTS.—

(A) IN GENERAL.—The Secretary may not provide a loan guarantee under the program for an amount that is greater than 80 percent of the eligible project costs.

(B) GRANT AND LOAN GUARANTEE.—If an eligible entity is provided a grant and a loan guarantee under the program, the loan guarantee may not exceed the amount that is equal to 80 percent of the amount that is equal to the difference between—

- (i) the eligible project cost; and
 - (ii) the amount of the grant.

(4) PROJECT MILESTONES.—The Secretary
|—

(A) work with each grant or loan guarantee recipient under the program to develop project milestones; and

(B) issue the grant amount or loan guarantee, as applicable, after that recipient has demonstrated that the eligible project has reached those project milestones.

1 (e) MONITORING AND REPORTING.—

2 (1) IN GENERAL.—The Secretary shall annually
3 submit to Congress a report describing the eligible
4 projects that were carried out using grants and loan
5 guarantees provided under the program.

6 (2) PROPRIETARY AND COMPETITIVE INFORMA-
7 TION.—The Secretary shall exclude from each report
8 submitted under paragraph (1) any proprietary or
9 competitive information relating to the eligible enti-
10 ties that were provided a grant or loan guarantee,
11 or eligible technologies that were implemented,
12 under the program.

13 (f) AUTHORIZATION OF APPROPRIATIONS.—There is
14 authorized to be appropriated to the Secretary to carry
15 out this section, to remain available until expended—

16 (1) \$500,000,000 for fiscal year 2022; and
17 (2) \$1,000,000,000 for each of fiscal years
18 2023 through 2031.
