

117TH CONGRESS
1ST SESSION

S. 405

To provide compensation to certain residents of the island of Vieques, Puerto Rico, for the use of such island for military readiness, and for other purposes.

IN THE SENATE OF THE UNITED STATES

FEBRUARY 24, 2021

Mr. MENENDEZ (for himself and Mr. WICKER) introduced the following bill;
which was read twice and referred to the Committee on the Judiciary

A BILL

To provide compensation to certain residents of the island of Vieques, Puerto Rico, for the use of such island for military readiness, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Vieques Recovery and
5 Redevelopment Act”.

6 **SEC. 2. FINDINGS.**

7 The Congress finds the following:

8 (1) Vieques is an island municipality of Puerto
9 Rico, measuring approximately 21 miles long by 4

1 miles wide, and located approximately 8 miles east
2 of the main island of Puerto Rico.

3 (2) Prior to Hurricane Maria, residents of
4 Vieques were served by an urgent medical care facil-
5 ity, the Susana Centeno Family Health Center, and
6 residents had to travel off-island to obtain medical
7 services, including most types of emergency care be-
8 cause the facility did not have the basic use of x-ray
9 machines, CT machines, EKG machines, ultra-
10 sounds, or PET scans.

11 (3) The predominant means of transporting
12 passengers and goods between Vieques and the main
13 island of Puerto Rico is by ferry boat service, and
14 over the years, the efficiency of this service has fre-
15 quently been disrupted, unreliable, and difficult for
16 cancer patients to endure to receive treatment. Each
17 trip to Ceiba, Puerto Rico, for the cancer patient is
18 an additional out-of-pocket expense ranging from
19 \$120 to \$200.

20 (4) The United States Military maintained a
21 presence on the eastern and western portions of
22 Vieques for close to 60 years, and used parts of the
23 island as a training range during those years, drop-
24 ping over 80 million tons of ordnance and other

1 weaponry available to the United States military
2 since World War II.

3 (5) The unintended, unknown, and unavoidable
4 consequences of these exercises were to expose
5 Americans living on the islands to the residue of
6 that weaponry which includes heavy metals and
7 many other chemicals now known to harm human
8 health.

9 (6) According to Government and independent
10 documentation, the island of Vieques has high levels
11 of heavy metals and has been exposed to chemical
12 weapons and toxic chemicals. Since the military ac-
13 tivity in Vieques, island residents have suffered from
14 the health impacts from long-term exposure to envi-
15 ronmental contamination as a result of 62 years of
16 military operations, and have experienced higher
17 rates of certain diseases among residents, including
18 cancer, cirrhosis, hypertension, diabetes, heavy metal
19 diseases, along with many unnamed and uncategor-
20 ized illnesses. These toxic residues have caused the
21 American residents of Vieques to develop illnesses
22 due to ongoing exposure.

23 (7) In 2017, Vieques was hit by Hurricane
24 Maria, an unusually destructive storm that dev-
25 astated Puerto Rico and intensified the existing hu-

1 manitarian crisis on the island by destroying existing
2 medical facilities.

3 (8) The medical systems in place prior to Hur-
4 ricane Maria were unable to properly handle the
5 health crisis that existed due to the toxic residue left
6 on the island by the military's activities.

7 (9) After Maria, the medical facility was closed
8 due to damage and continues to be unable to per-
9 form even the few basic services that it did provide.
10 Vieques needs a medical facility that can treat and
11 address the critical and urgent need to get life-sav-
12 ing medical services to its residents. Due to legal re-
13 strictions, the Federal Emergency Management
14 Agency (in this Act referred to as "FEMA") is un-
15 able to provide a hospital where its capabilities ex-
16 ceed the abilities of the facility that existed prior to
17 Maria; therefore Vieques needs assistance to build a
18 facility to manage the vast health needs of its resi-
19 dents.

20 (10) Every American has benefitted from the
21 sacrifices of those Americans who have lived and are
22 living on Vieques and it is our intent to acknowledge
23 that sacrifice and to treat those Americans with the
24 same respect and appreciation that other Americans
25 enjoy.

1 (11) In 2012, the residents of Vieques were de-
2 nied the ability to address their needs in Court due
3 to sovereign immunity, *Sánchez v. United States*,
4 No. 3:09–cv–01260–DRD (D.P.R.). However, the
5 United States Court of Appeals for the First Circuit
6 referred the issue to Congress and urged it to ad-
7 dress the humanitarian crisis. This bill attempts to
8 satisfy that request such that Americans living on
9 Vieques have a remedy for the suffering they have
10 endured.

11 **SEC. 3. SETTLEMENT OF CLAIMS AGAINST THE UNITED**
12 **STATES FOR CERTAIN RESIDENTS OF THE IS-**
13 **LAND OF VIEQUES, PUERTO RICO.**
