11          United States national security requirements and  
12          provide meaningful, well-paying jobs to United  
13          States veterans.

14          (4) There is a need to ensure that the Federal  
15          Government has a robust, state of the art, and effi-  
16          cient merchant mariner credentialing system to sup-  
17          port economic and national security.

18          (b) SENSE OF CONGRESS.—It is the sense of Con-  
19          gress that—

20                 (1) veterans and members of the Uniformed  
21                 Services who pursue credentialing to join the United  
22                 States Merchant Marine should receive vigorous sup-  
23                 port; and

24                 (2) it is incumbent upon the regulatory bodies  
25                 of the United States to streamline regulations to fa-

1 facilitate transition of veterans and members of the  
 2 Uniformed Services into the United States Merchant  
 3 Marine to maintain a strong maritime presence in  
 4 the United States and worldwide.
