

118TH CONGRESS
2D SESSION

S. 4956

To regulate electronic medical device use in secure compartmented information facilities, to require the Director of the National Intelligence oversee transparency reporting and related initiatives, to encourage investment in modernization efforts for sensitive compartmented information facilities, and for other purposes.

IN THE SENATE OF THE UNITED STATES

AUGUST 1, 2024

Mr. WELCH (for himself and Mr. CASEY) introduced the following bill; which was read twice and referred to the Select Committee on Intelligence

A BILL

To regulate electronic medical device use in secure compartmented information facilities, to require the Director of the National Intelligence oversee transparency reporting and related initiatives, to encourage investment in modernization efforts for sensitive compartmented information facilities, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Cleared Locations En-
5 abling Access to Relevant Essential Devices Act of 2024”
6 or the “CLEARED Act of 2024”.

1 **SEC. 2. ENHANCING NATIONAL ACCESSIBILITY FOR BET-**
2 **TER LONG-TERM EMPLOYMENT ACT OF 2024.**

3 (a) DEFINITIONS.—In this section:

4 (1) COVERED ENTITY.—The term “covered en-
5 tity” means any entity that—

6 (A) is established under or sponsored by
7 any branch of the United States Government;
8 and

9 (B) manages a secure compartmented in-
10 formation facility.

11 (2) ELECTRONIC MEDICAL DEVICE.—The term
12 “electronic medical device” has the meaning given
13 that term in Intelligence Community Directive 124.

14 (3) GOVERNANCE BOARD.—The term “Govern-
15 ance Board” means the Electronic Medical Device
16 Governance Board described in Intelligence Commu-
17 nity Directive 124.

18 (b) DEVICE APPROVAL DISCLOSURE.—

19 (1) ELECTRONIC MEDICAL DEVICE LEDGERS.—
20 Beginning on the date of the enactment of this Act,
21 the head of any covered entity shall begin developing
22 and maintaining, for each secure compartmented in-
23 formation facility managed by such covered entity, a
24 ledger to track the approval and denial of requests
25 for electronic medical device use, which shall in-
26 clude—

1 (A) a case-by-case annotation of each ap-
 2 proval or denial of an electronic medical device;

3 (B) a justification for each such approval
 4 or denial;

5 (C) any relevant details regarding device
 6 restrictions or accommodations; and

7 (D) statistics summarizing the number of
 8 electronic medical devices approved for unre-
 9 stricted use and limited use and devices that
 10 were denied.

11 (2) APPROVED ELECTRONIC MEDICAL DEVICE
 12 LIST.—

13 (A) IN GENERAL.—Beginning not later
 14 than 1 year after the date of the enactment of
 15 this Act, the head of any covered entity shall
 16 develop and maintain, for each secure compart-
 17 mented information facility managed by such
 18 covered entity, develop and maintain a list that
 19 includes the following:

20 (i) Each electronic medical device that
 21 is approved for unrestricted use in the fa-
 22 cility.

23 (ii) Each electronic medical device
 24 that is approved for limited use in the fa-
 25 cility, including—

1 (I) any restrictions or accom-
 2 modations required with respect to
 3 each such device;

4 (II) a description of whether such
 5 restrictions or accommodations vary
 6 from restrictions imposed or accom-
 7 modations provided by other covered
 8 entities; and

9 (III) if applicable, an explanation
 10 of the variability of such restrictions
 11 or accommodations.

12 (iii) Each electronic medical device
 13 that is denied for use in the facility and
 14 the justification for such denial.

15 (B) FORM.—

16 (i) ACCESS TO UNCLASSIFIED LIST.—
 17 The relevant list of a covered entity devel-
 18 oped pursuant to subparagraph (A) shall
 19 be—

20 (I) unclassified to the maximum
 21 extent practicable, but may include a
 22 classified annex; and

23 (II) provided to any applicant or
 24 employee of the covered entity who
 25 seeks a position that requires access

1 to a secure compartmented informa-
2 tion facility.

3 (ii) ACCESS TO CLASSIFIED LIST.—

4 (I) CLEARED APPLICANTS.—On
5 the date that an applicant or em-
6 ployee described in clause (i)(II) re-
7 ceives the security clearance necessary
8 for access to the secure compart-
9 mented information facility, the head
10 of the relevant covered entity shall
11 make available to such applicant or
12 employee the classified portion of the
13 list described in clause (i).

14 (II) EXISTING EMPLOYEES.—Not
15 later than 1 year after the date of the
16 enactment of this Act, the head of
17 each covered entity shall provide to
18 each employee of the covered entity
19 who has the security clearance nec-
20 essary to access a secure compart-
21 mented information facility, the list
22 developed by the head of such covered
23 entity with respect to such facility,
24 which shall be unclassified to the max-

1 imum extent practicable, but may in-
2 clude a classified annex.

3 (3) ELECTRONIC MEDICAL DEVICE POLICY.—

4 (A) IN GENERAL.—Not later than 180
5 days after the date of the enactment of this
6 Act, the head of each covered entity shall de-
7 velop a policy for the use of electronic medical
8 devices in secure compartmented information
9 facilities, which shall include a list of the types
10 of electronic medical devices that are approved
11 for use in each such facility managed by the
12 covered entity.

13 (B) ANNUAL REVIEW.—The head of each
14 covered entity shall annually review any policy
15 developed pursuant to subparagraph (A).

16 (4) SUBMISSION TO DIRECTOR OF NATIONAL
17 INTELLIGENCE AND GOVERNANCE BOARD.—Not
18 later than 180 days after the date of the enactment
19 of this Act, and annually thereafter, the head of
20 each covered entity shall submit to the Director of
21 National Intelligence and the Governance Board—

22 (A) any ledger developed pursuant to para-
23 graph (1);

24 (B) any list published pursuant to para-
25 graph (2)(A); and

1 (C) any policy developed pursuant to para-
2 graph (3)(A).

3 (c) REVIEW OF ELECTRONIC MEDICAL DEVICE SE-
4 CURITY.—

5 (1) IN GENERAL.—The Governance Board shall
6 review electronic medical device security and equity
7 concerns for covered agencies.

8 (2) DUTIES.—The Governance Board shall—

9 (A) review the policies of covered agencies
10 regarding the use of electronic medical devices
11 in secure compartmented information facilities;

12 (B) review each ledger or list submitted in
13 accordance with subsection (b)(4);

14 (C) identify and resolve discrepancies in
15 such ledgers and lists, with respect to both vari-
16 ation in justifications for restrictions and ac-
17 commodations and denials within each covered
18 entity and across all covered entities;

19 (D) facilitate and direct security research
20 and technical risk assessments on electronic
21 medical devices and determine threats to na-
22 tional security posed by such devices;

23 (E) for electronic medical devices that have
24 been researched pursuant to subparagraph (D),

1 evaluate threat mitigation measures available
 2 and the efficacy ratings of such measures; and

3 (F) provide recommendations for risk man-
 4 agement of electronic medical devices in secure
 5 compartmented information facilities.

6 (3) ELECTRONIC MEDICAL LEDGER DATA-
 7 BASE.—

8 (A) IN GENERAL.—Using each ledger and
 9 list submitted to the Governance Board in ac-
 10 cordance with subsection (b)(4), the Governance
 11 Board shall develop and maintain a publicly ac-
 12 cessible database of electronic medical devices
 13 that have been approved or denied for use at
 14 any secure compartmented information facility,
 15 including, to the extent practicable—

16 (i) approval rates;

17 (ii) accommodations or restrictions for
 18 usage; and

19 (iii) for each covered entity, specific
 20 processes for electronic medical device ap-
 21 proval.

22 (B) PUBLIC AVAILABILITY OF INFORMA-
 23 TION.—The Governance Board shall make
 24 available on the website of the Office of the Di-
 25 rector of National Intelligence the following:

1 (i) General approval and denial rates
2 for devices described in subparagraph (A)
3 of different types.

4 (ii) Points of contact for teams re-
5 sponsible for approvals and denials of de-
6 vices described in subparagraph (A).

7 (C) LEDGER DISCREPANCIES.—The Gov-
8 ernance Board shall include in such database
9 any discrepancy identified pursuant to para-
10 graph (2), including, for each such discrep-
11 ancy—

12 (i) a detailed description of the dis-
13 crepancy; and

14 (ii) proposed remediations.

15 (D) FORM.—The database shall be unclas-
16 sified, but may include a classified annex as the
17 Director of National Intelligence considers ap-
18 propriate.

19 (4) REPORT.—

20 (A) IN GENERAL.—Not later than 1 year
21 after the date of the enactment of this Act, and
22 annually thereafter, the Governance Board shall
23 submit to the Director of National Intelligence
24 a report on the state of electronic medical de-

1 vice usage in secure compartmented information
2 facilities.

3 (B) CONTENT.—Each report submitted
4 pursuant to subparagraph (A) shall include—

5 (i) a description of the research ef-
6 forts, risk management recommendations,
7 and strategic approaches of the Govern-
8 ance Board to support changes or innova-
9 tions that improve the use of electronic
10 medical devices in secure compartmented
11 information facilities;

12 (ii) a description of any barriers to re-
13 solving discrepancies under paragraph
14 (2)(C);

15 (iii) a summary of statistics describing
16 approval rates gleaned from the database
17 developed pursuant to paragraph (3); and

18 (iv) any other information the Govern-
19 ance Board determines is relevant for the
20 Director of National Intelligence to con-
21 sider regarding the use of electronic med-
22 ical devices in secure compartmented infor-
23 mation facilities.

1 (5) ANNUAL EVALUATIONS.—Not later than
2 180 days after receiving a report under paragraph
3 (4), the Director of National Intelligence shall—

4 (A) evaluate the findings and recommenda-
5 tions of the Governance Board in such report;
6 and

7 (B) submit to Congress a report that in-
8 cludes—

9 (i) the results of the evaluation con-
10 ducted under subparagraph (A);

11 (ii) a description of current approval
12 rates for electronic medical devices;

13 (iii) a description of research efforts
14 and risk mitigation strategies with respect
15 to electronic medical devices; and

16 (iv) recommendations for updating
17 electronic medical device requirements in
18 secure compartmented information facili-
19 ties.

20 (d) PROTECTION OF INFORMATION.—In carrying out
21 this section, the head of each covered entity shall ensure
22 the protection of personally identifiable information, in-
23 cluding medical information, in accordance with all appli-

- 1 cable laws and policies with respect to confidentiality and
- 2 privacy.
