19 period.

20 “(ii) APM PARTICIPATION.—Partici-  
21 pation by a MIPS eligible professional in  
22 an alternative payment model (as defined  
23 in section 1833(z)(3)(C)) with respect to a  
24 performance period shall earn such eligible  
25 professional a minimum score of one-half

1 of the highest potential score for the per-  
2 formance category described in paragraph  
3 (2)(A)(iii) for such performance period.

4 “(iii) SUBCATEGORIES.—A MIPS eli-  
5 gible professional shall not be required to  
6 perform activities in each subcategory  
7 under paragraph (2)(B)(iii) or participate  
8 in an alternative payment model in order  
9 to achieve the highest potential score for  
10 the performance category described in  
11 paragraph (2)(A)(iii).

12 “(D) ACHIEVEMENT AND IMPROVE-  
13 MENT.—

14 “(i) TAKING INTO ACCOUNT IMPROVE-  
15 MENT.—Beginning with the second year to  
16 which the MIPS applies, in addition to the  
17 achievement of a MIPS eligible profes-  
18 sional, if data sufficient to measure im-  
19 provement is available, the methodology  
20 developed under subparagraph (A)—

21 “(I) in the case of the perform-  
22 ance score for the performance cat-  
23 egory described in clauses (i) and (ii)  
24 of paragraph (2)(A), shall take into

1 account the improvement of the pro-  
2 fessional; and

3 “(II) in the case of performance  
4 scores for other performance cat-  
5 egories, may take into account the im-  
6 provement of the professional.

7 “(ii) ASSIGNING HIGHER WEIGHT FOR  
8 ACHIEVEMENT.—Subject to clause (i),  
9 under the methodology developed under  
10 subparagraph (A), the Secretary may as-  
11 sign a higher scoring weight under sub-  
12 paragraph (F) with respect to the achieve-  
13 ment of a MIPS eligible professional than  
14 with respect to any improvement of such  
15 professional applied under clause (i) with  
16 respect to a measure, activity, or category  
17 described in paragraph (2).

18 “(E) WEIGHTS FOR THE PERFORMANCE  
19 CATEGORIES.—

20 “(i) IN GENERAL.—Under the meth-  
21 odology developed under subparagraph (A),  
22 subject to subparagraph (F)(i) and clause  
23 (ii), the composite performance score shall  
24 be determined as follows:

25 “(I) QUALITY.—

1           “(aa) IN GENERAL.—Sub-  
2           ject to item (bb), thirty percent  
3           of such score shall be based on  
4           performance with respect to the  
5           category described in clause (i) of  
6           paragraph (2)(A). In applying  
7           the previous sentence, the Sec-  
8           retary shall, as feasible, encour-  
9           age the application of outcome  
10          measures within such category.

11          “(bb) FIRST 2 YEARS.—For  
12          the first and second years for  
13          which the MIPS applies to pay-  
14          ments, the percentage applicable  
15          under item (aa) shall be in-  
16          creased in a manner such that  
17          the total percentage points of the  
18          increase under this item for the  
19          respective year equals the total  
20          number of percentage points by  
21          which the percentage applied  
22          under subclause (II)(bb) for the  
23          respective year is less than 30  
24          percent.

25          “(II) RESOURCE USE.—

1           “(aa) IN GENERAL.—Sub-  
2           ject to item (bb), thirty percent  
3           of such score shall be based on  
4           performance with respect to the  
5           category described in clause (ii)  
6           of paragraph (2)(A).

7           “(bb) FIRST 2 YEARS.—For  
8           the first year for which the MIPS  
9           applies to payments, not more  
10          than 10 percent of such score  
11          shall be based on performance  
12          with respect to the category de-  
13          scribed in clause (ii) of para-  
14          graph (2)(A). For the second  
15          year for which the MIPS applies  
16          to payments, not more than 15  
17          percent of such score shall be  
18          based on performance with re-  
19          spect to the category described in  
20          clause (ii) of paragraph (2)(A).

21          “(III) CLINICAL PRACTICE IM-  
22          PROVEMENT       ACTIVITIES.—Fifteen  
23          percent of such score shall be based  
24          on performance with respect to the

1 category described in clause (iii) of  
2 paragraph (2)(A).

3 “(IV) MEANINGFUL USE OF CER-  
4 TIFIED EHR TECHNOLOGY.—Twenty-  
5 five percent of such score shall be  
6 based on performance with respect to  
7 the category described in clause (iv) of  
8 paragraph (2)(A).

9 “(ii) AUTHORITY TO ADJUST PER-  
10 CENTAGES IN CASE OF HIGH EHR MEAN-  
11 INGFUL USE ADOPTION.—In any year in  
12 which the Secretary estimates that the pro-  
13 portion of eligible professionals (as defined  
14 in subsection (o)(5)) who are meaningful  
15 EHR users (as determined under sub-  
16 section (o)(2)) is 75 percent or greater, the  
17 Secretary may reduce the percent applica-  
18 ble under clause (i)(IV), but not below 15  
19 percent. If the Secretary makes such re-  
20 duction for a year, subject to subclauses  
21 (I)(bb) and (II)(bb) of clause (i), the per-  
22 centages applicable under one or more of  
23 subclauses (I), (II), and (III) of clause (i)  
24 for such year shall be increased in a man-  
25 ner such that the total percentage points

1 of the increase under this clause for such  
2 year equals the total number of percentage  
3 points reduced under the preceding sen-  
4 tence for such year.

5 “(F) CERTAIN FLEXIBILITY FOR  
6 WEIGHTING PERFORMANCE CATEGORIES, MEAS-  
7 URES, AND ACTIVITIES.—Under the method-  
8 ology under subparagraph (A), if there are not  
9 sufficient measures and activities (described in  
10 paragraph (2)(B)) applicable and available to  
11 each type of eligible professional involved, the  
12 Secretary shall assign different scoring weights  
13 (including a weight of 0)—

14 “(i) which may vary from the scoring  
15 weights specified in subparagraph (E), for  
16 each performance category based on the  
17 extent to which the category is applicable  
18 to the type of eligible professional involved;  
19 and

20 “(ii) for each measure and activity  
21 specified under paragraph (2)(B) with re-  
22 spect to each such category based on the  
23 extent to which the measure or activity is  
24 applicable and available to the type of eli-  
25 gible professional involved.

1           “(G) RESOURCE USE.—Analysis of the  
2 performance category described in paragraph  
3 (2)(A)(ii) shall include results from the method-  
4 ology described in subsection (r)(5), as appro-  
5 priate.

6           “(H) INCLUSION OF QUALITY MEASURE  
7 DATA FROM OTHER PAYERS.—In applying sub-  
8 sections (k), (m), and (p) with respect to meas-  
9 ures described in paragraph (2)(B)(i), analysis  
10 of the performance category described in para-  
11 graph (2)(A)(i) may include data submitted by  
12 MIPS eligible professionals with respect to  
13 items and services furnished to individuals who  
14 are not individuals entitled to benefits under  
15 part A or enrolled under part B.

16           “(I) USE OF VOLUNTARY VIRTUAL GROUPS  
17 FOR CERTAIN ASSESSMENT PURPOSES.—

18           “(i) IN GENERAL.—In the case of  
19 MIPS eligible professionals electing to be a  
20 virtual group under clause (ii) with respect  
21 to a performance period for a year, for  
22 purposes of applying the methodology  
23 under subparagraph (A) with respect to  
24 the performance categories described in  
25 clauses (i) and (ii) of paragraph (2)(A)—

1           “(I) the assessment of perform-  
2           ance provided under such methodology  
3           with respect to such performance cat-  
4           egories that is to be applied to each  
5           such professional in such group for  
6           such performance period shall be with  
7           respect to the combined performance  
8           of all such professionals in such group  
9           for such period; and

10           “(II) with respect to the com-  
11           posite performance score provided  
12           under this paragraph for such per-  
13           formance period for each such MIPS  
14           eligible professional in such virtual  
15           group, the components of the com-  
16           posite performance score that assess  
17           performance with respect to such per-  
18           formance categories shall be based on  
19           the assessment of the combined per-  
20           formance under subclause (I) for such  
21           performance categories and perform-  
22           ance period.

23           “(ii) ELECTION OF PRACTICES TO BE  
24           A VIRTUAL GROUP.—The Secretary shall,  
25           in accordance with the requirements under

1 clause (iii), establish and have in place a  
2 process to allow an individual MIPS eligi-  
3 ble professional or a group practice con-  
4 sisting of not more than 10 MIPS eligible  
5 professionals to elect, with respect to a  
6 performance period for a year to be a vir-  
7 tual group under this subparagraph with  
8 at least one other such individual MIPS el-  
9 igible professional or group practice. Such  
10 a virtual group may be based on appro-  
11 priate classifications of providers, such as  
12 by geographic areas or by provider special-  
13 ties defined by nationally recognized spe-  
14 cialty boards of certification or equivalent  
15 certification boards.

16 “(iii) REQUIREMENTS.—The require-  
17 ments for the process under clause (ii)  
18 shall—

19 “(I) provide that an election  
20 under such clause, with respect to a  
21 performance period, shall be made be-  
22 fore the beginning of such perform-  
23 ance period and may not be changed  
24 during such performance period;

1           “(II) provide that an individual  
2           MIPS eligible professional and a  
3           group practice described in clause (ii)  
4           may elect to be in no more than one  
5           virtual group for a performance period  
6           and that, in the case of such a group  
7           practice that elects to be in such vir-  
8           tual group for such performance pe-  
9           riod, such election applies to all MIPS  
10          eligible professionals in such group  
11          practice;

12           “(III) provide that a virtual  
13          group be a combination of tax identi-  
14          fication numbers;

15           “(IV) provide for formal written  
16          agreements among MIPS eligible pro-  
17          fessionals electing to be a virtual  
18          group under this subparagraph; and

19           “(V) include such other require-  
20          ments as the Secretary determines ap-  
21          propriate.

22          “(6) MIPS PAYMENTS.—

23           “(A) MIPS ADJUSTMENT FACTOR.—Tak-  
24          ing into account paragraph (1)(G), the Sec-  
25          retary shall specify a MIPS adjustment factor

1 for each MIPS eligible professional for a year.  
2 Such MIPS adjustment factor for a MIPS eligi-  
3 ble professional for a year shall be in the form  
4 of a percent and shall be determined—

5 “(i) by comparing the composite per-  
6 formance score of the eligible professional  
7 for such year to the performance threshold  
8 established under subparagraph (D)(i) for  
9 such year;

10 “(ii) in a manner such that the ad-  
11 justment factors specified under this sub-  
12 paragraph for a year result in differential  
13 payments under this paragraph reflecting  
14 that—

15 “(I) MIPS eligible professionals  
16 with composite performance scores for  
17 such year at or above such perform-  
18 ance threshold for such year receive  
19 zero or positive payment adjustment  
20 factors for such year in accordance  
21 with clause (iii), with such profes-  
22 sionals having higher composite per-  
23 formance scores receiving higher ad-  
24 justment factors; and

1                   “(II) MIPS eligible professionals  
2                   with composite performance scores for  
3                   such year below such performance  
4                   threshold for such year receive nega-  
5                   tive payment adjustment factors for  
6                   such year in accordance with clause  
7                   (iv), with such professionals having  
8                   lower composite performance scores  
9                   receiving lower adjustment factors;

10                   “(iii) in a manner such that MIPS eli-  
11                   gible professionals with composite scores  
12                   described in clause (ii)(I) for such year,  
13                   subject to clauses (i) and (ii) of subpara-  
14                   graph (F), receive a zero or positive ad-  
15                   justment factor on a linear sliding scale  
16                   such that an adjustment factor of 0 per-  
17                   cent is assigned for a score at the perform-  
18                   ance threshold and an adjustment factor of  
19                   the applicable percent specified in subpara-  
20                   graph (B) is assigned for a score of 100;  
21                   and

22                   “(iv) in a manner such that—

23                   “(I) subject to subclause (II),  
24                   MIPS eligible professionals with com-  
25                   posite performance scores described in

1 clause (ii)(II) for such year receive a  
2 negative payment adjustment factor  
3 on a linear sliding scale such that an  
4 adjustment factor of 0 percent is as-  
5 signed for a score at the performance  
6 threshold and an adjustment factor of  
7 the negative of the applicable percent  
8 specified in subparagraph (B) is as-  
9 signed for a score of 0; and

10 “(II) MIPS eligible professionals  
11 with composite performance scores  
12 that are equal to or greater than 0,  
13 but not greater than  $\frac{1}{4}$  of the per-  
14 formance threshold specified under  
15 subparagraph (D)(i) for such year, re-  
16 ceive a negative payment adjustment  
17 factor that is equal to the negative of  
18 the applicable percent specified in  
19 subparagraph (B) for such year.

20 “(B) APPLICABLE PERCENT DEFINED.—

21 For purposes of this paragraph, the term ‘ap-  
22 plicable percent’ means—

23 “(i) for 2019, 4 percent;

24 “(ii) for 2020, 5 percent;

25 “(iii) for 2021, 7 percent; and

1                   “(iv) for 2022 and subsequent years,  
2                   9 percent.

3                   “(C) ADDITIONAL MIPS ADJUSTMENT FAC-  
4                   TORS FOR EXCEPTIONAL PERFORMANCE.—For  
5                   2019 and each subsequent year through 2024,  
6                   in the case of a MIPS eligible professional with  
7                   a composite performance score for a year at or  
8                   above the additional performance threshold  
9                   under subparagraph (D)(ii) for such year, in  
10                  addition to the MIPS adjustment factor under  
11                  subparagraph (A) for the eligible professional  
12                  for such year, subject to subparagraph (F)(iv),  
13                  the Secretary shall specify an additional positive  
14                  MIPS adjustment factor for such professional  
15                  and year. Such additional MIPS adjustment  
16                  factors shall be in the form of a percent and de-  
17                  termined by the Secretary in a manner such  
18                  that professionals having higher composite per-  
19                  formance scores above the additional perform-  
20                  ance threshold receive higher additional MIPS  
21                  adjustment factors.

22                  “(D) ESTABLISHMENT OF PERFORMANCE  
23                  THRESHOLDS.—

24                  “(i) PERFORMANCE THRESHOLD.—

25                  For each year of the MIPS, the Secretary

1 shall compute a performance threshold  
2 with respect to which the composite per-  
3 formance score of MIPS eligible profes-  
4 sionals shall be compared for purposes of  
5 determining adjustment factors under sub-  
6 paragraph (A) that are positive, negative,  
7 and zero. Such performance threshold for  
8 a year shall be the mean or median (as se-  
9 lected by the Secretary) of the composite  
10 performance scores for all MIPS eligible  
11 professionals with respect to a prior period  
12 specified by the Secretary. The Secretary  
13 may reassess the selection of the mean or  
14 median under the previous sentence every  
15 3 years.

16 “(ii) ADDITIONAL PERFORMANCE  
17 THRESHOLD FOR EXCEPTIONAL PERFORM-  
18 ANCE.—In addition to the performance  
19 threshold under clause (i), for each year of  
20 the MIPS, the Secretary shall compute an  
21 additional performance threshold for pur-  
22 poses of determining the additional MIPS  
23 adjustment factors under subparagraph  
24 (C). For each such year, the Secretary  
25 shall apply either of the following methods

1 for computing such additional performance  
2 threshold for such a year:

3 “(I) The threshold shall be the  
4 score that is equal to the 25th per-  
5 centile of the range of possible com-  
6 posite performance scores above the  
7 performance threshold determined  
8 under clause (i).

9 “(II) The threshold shall be the  
10 score that is equal to the 25th per-  
11 centile of the actual composite per-  
12 formance scores for MIPS eligible  
13 professionals with composite perform-  
14 ance scores at or above the perform-  
15 ance threshold with respect to the  
16 prior period described in clause (i).

17 “(iii) SPECIAL RULE FOR INITIAL 2  
18 YEARS.—With respect to each of the first  
19 two years to which the MIPS applies, the  
20 Secretary shall, prior to the performance  
21 period for such years, establish a perform-  
22 ance threshold for purposes of determining  
23 MIPS adjustment factors under subpara-  
24 graph (A) and a threshold for purposes of  
25 determining additional MIPS adjustment

1 factors under subparagraph (C). Each  
2 such performance threshold shall—

3 “(I) be based on a period prior to  
4 such performance periods; and

5 “(II) take into account—

6 “(aa) data available with re-  
7 spect to performance on meas-  
8 ures and activities that may be  
9 used under the performance cat-  
10 egories under subparagraph  
11 (2)(B); and

12 “(bb) other factors deter-  
13 mined appropriate by the Sec-  
14 retary.

15 “(E) APPLICATION OF MIPS ADJUSTMENT  
16 FACTORS.—In the case of items and services  
17 furnished by a MIPS eligible professional dur-  
18 ing a year (beginning with 2019), the amount  
19 otherwise paid under this part with respect to  
20 such items and services and MIPS eligible pro-  
21 fessional for such year, shall be multiplied by—

22 “(i) 1, plus

23 “(ii) the sum of—

1           “(I) the MIPS adjustment factor  
2           determined under subparagraph (A)  
3           divided by 100, and

4           “(II) as applicable, the additional  
5           MIPS adjustment factor determined  
6           under subparagraph (C) divided by  
7           100.

8           “(F) AGGREGATE APPLICATION OF MIPS  
9           ADJUSTMENT FACTORS.—

10           “(i) APPLICATION OF SCALING FAC-  
11           TOR.—

12           “(I) IN GENERAL.—With respect  
13           to positive MIPS adjustment factors  
14           under subparagraph (A)(ii)(I) for eli-  
15           gible professionals whose composite  
16           performance score is above the per-  
17           formance threshold under subpara-  
18           graph (D)(i) for such year, subject to  
19           subclause (II), the Secretary shall in-  
20           crease or decrease such adjustment  
21           factors by a scaling factor in order to  
22           ensure that the budget neutrality re-  
23           quirement of clause (ii) is met.

1 “(II) SCALING FACTOR LIMIT.—

2 In no case may be the scaling factor  
3 applied under this clause exceed 3.0.

4 “(ii) BUDGET NEUTRALITY REQUIRE-  
5 MENT.—

6 “(I) IN GENERAL.—Subject to  
7 clause (iii), the Secretary shall ensure  
8 that the estimated amount described  
9 in subclause (II) for a year is equal to  
10 the estimated amount described in  
11 subclause (III) for such year.

12 “(II) AGGREGATE INCREASES.—  
13 The amount described in this sub-  
14 clause is the estimated increase in the  
15 aggregate allowed charges resulting  
16 from the application of positive MIPS  
17 adjustment factors under subpara-  
18 graph (A) (after application of the  
19 scaling factor described in clause (i))  
20 to MIPS eligible professionals whose  
21 composite performance score for a  
22 year is above the performance thresh-  
23 old under subparagraph (D)(i) for  
24 such year.

1                   “(III)       AGGREGATE       DE-  
2                   CREASES.—The amount described in  
3                   this subclause is the estimated de-  
4                   crease in the aggregate allowed  
5                   charges resulting from the application  
6                   of negative MIPS adjustment factors  
7                   under subparagraph (A) to MIPS eli-  
8                   gible professionals whose composite  
9                   performance score for a year is below  
10                  the performance threshold under sub-  
11                  paragraph (D)(i) for such year.

12                  “(iii) EXCEPTIONS.—

13                  “(I) In the case that all MIPS eli-  
14                  gible professionals receive composite  
15                  performance scores for a year that are  
16                  below the performance threshold  
17                  under subparagraph (D)(i) for such  
18                  year, the negative MIPS adjustment  
19                  factors under subparagraph (A) shall  
20                  apply with respect to such MIPS eligi-  
21                  ble professionals and the budget neu-  
22                  trality requirement of clause (ii) and  
23                  the additional adjustment factors  
24                  under clause (iv) shall not apply for  
25                  such year.

1           “(II) In the case that, with re-  
2           spect to a year, the application of  
3           clause (i) results in a scaling factor  
4           equal to the maximum scaling factor  
5           specified in clause (i)(II), such scaling  
6           factor shall apply and the budget neu-  
7           trality requirement of clause (ii) shall  
8           not apply for such year.

9           “(iv) ADDITIONAL INCENTIVE PAY-  
10          MENT ADJUSTMENTS.—

11           “(I) IN GENERAL.—Subject to  
12           subclause (II), in specifying the MIPS  
13           additional adjustment factors under  
14           subparagraph (C) for each applicable  
15           MIPS eligible professional for a year,  
16           the Secretary shall ensure that the es-
