A BILL

To clarify that compliance with an emergency order under the Federal Power Act may not be considered a violation of any Federal, State, or local environmental law or regulation, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Resolving Environ-

6 **SEC. 2. AMENDMENTS TO THE FEDERAL POWER ACT.**

7 (a) COMPLIANCE WITH OR VIOLATION OF ENVIRON-
8 MENTAL LAWS WHILE UNDER EMERGENCY ORDER.—

1 Section 202(c) of the Federal Power Act (16 U.S.C.
2 824a(c)) is amended—

3 (1) in the first sentence, by striking “(c) Dur-
4 ing” and inserting the following:

8 (2) by adding at the end the following:

9 “(2) LIMITATION AS RESULT OF CONFLICT
10 WITH ENVIRONMENTAL LAW.—With respect to an
11 order issued under this subsection that may result in
12 a conflict with a requirement of any Federal, State,
13 or local environmental law (including regulations),
14 the Commission shall ensure that the order—

15 “(A) requires generation, delivery, inter-
16 change, or transmission of electric energy only
17 during hours necessary to meet the emergency
18 and serve the public interest; and

19 “(B) to the maximum extent practicable—

20 “(i) is consistent with any applicable
21 Federal, State, or local environmental law
22 (including regulations); and

23 “(ii) minimizes any adverse environ-
24 mental impacts.

1 “(3) COMPLIANCE NOT CONSIDERED VIOLATION
2 OF OTHER LAW.—To the extent that any omission
3 or action taken by a party that is necessary to com-
4 ply with an order issued under this subsection, in-
5 cluding any omission or action taken to voluntarily
6 comply with the order, results in noncompliance
7 with, or causes the party to not comply with, any
8 Federal, State, or local environmental law (including
9 regulations), the omission or action shall not—

10 “(A) be considered a violation of that envi-
11 ronmental law (including regulations); or

12 “(B) subject the party to any requirement,
13 civil or criminal liability, or a citizen suit under
14 that environmental law or regulation.

15 “(4) EXPIRATION OF ORDER; RENEWAL.—

16 “(A) EXPIRATION.—An order issued under

21 renew or reissue an order described in subpara-
22 graph (A) pursuant to paragraphs (1) and (2)
23 for subsequent periods, not to exceed 90 days
24 for each period, as the Commission determines

1 necessary to meet the emergency and serve the
2 public interest.

3 “(C) CONSULTATION.—In renewing or re-
4 issuing an order under subparagraph (A) or
5 (B), the Commission—

6 “(i) shall consult with the primary
7 Federal agency with expertise in the envi-
8 ronmental interest protected by the law or
9 regulation in conflict; and

10 “(ii)(I) shall include in any renewed
11 or reissued order such conditions as that
12 Federal agency determines necessary to
13 minimize any adverse environmental im-
14 pacts to the maximum extent practicable;
15 or

16 “(II) may exclude from the renewed
17 or reissued order any condition if the Com-
18 mission—

19 “(aa) determines the condition
20 would prevent the order from ade-
21 quately addressing the emergency ne-
22 cessitating the order; and

23 “(bb) provides in the order, or
24 otherwise makes publicly available, an
25 explanation of that determination.

1 “(D) PUBLIC AVAILABILITY.—Any condi-
2 tions submitted by the Federal agency under
3 subparagraph (C)(ii) shall be made available to
4 the public.

5 “(5) EFFECT OF COURT ACTION.—If an order
6 issued under this subsection is subsequently stayed,
7 modified, or set aside by a court pursuant to section
8 313 or any other provision of law, any omission or
9 action previously taken by a party that was nec-
10 essary to comply with the order while the order was
11 in effect, including any omission or action taken to
12 voluntarily comply with the order, shall remain sub-
13 ject to paragraph (3).”.

17 ceding the first proviso by inserting “or municipality” be-
18 fore “engaged in the transmission or sale of electric en-
19 ergy”.
