RESOLUTION

Celebrating the heritage of Romani Americans.

Whereas the Romani people trace their ancestry to the Indian
subcontinent;

Whereas Roma have been a part of European immigration to
the United States since the colonial period and particu-
larly following the abolition of the enslavement of Roma
in the historic Romanian principalities;

Whereas Roma live across the world and throughout the
United States;

Whereas the Romani people have made distinct and important contributions in many fields, including agriculture, art, crafts, literature, medicine, military service, music, sports, and science;

Whereas, on April 8, 1971, the First World Romani Congress met in London, bringing Roma together from across Europe and the United States with the goal of promoting transnational cooperation among Roma in combating social marginalization and building a positive future for Roma everywhere;

Whereas April 8 is therefore celebrated globally as International Roma Day;

Whereas Roma were victims of genocide carried out by Nazi Germany and its Axis partners, and an estimated 200,000 to 500,000 Romani people were killed by Nazis and their allies across Europe during World War II;

Whereas, on the night of August 2–3, 1944, the so-called “Gypsy Family Camp” where Romani people were interned at Auschwitz-Birkenau was liquidated, and in a single night, between 4,200 and 4,300 Romani men, women, and children were killed in gas chambers;

Whereas many countries are taking positive steps to remember and teach about the genocide of Roma by Nazi Germany and its Axis partners; and

Whereas the United States Congress held its first hearing to examine the situation of Roma in 1994: Now, therefore, be it
