1ST SESSION

S. RES. 314

Honoring the centennial of the Aerospace Industries Association.

IN THE SENATE OF THE UNITED STATES

SEPTEMBER 17, 2019

Mr. MORAN (for himself and Mr. WARNER) submitted the following resolution;
which was considered and agreed to

RESOLUTION

Honoring the centennial of the Aerospace Industries
Association.

Whereas 100 years ago, in 1919, the Aerospace Industries Association was incorporated as the Aeronautical Chamber of Commerce of America (ACCA) in the State of New York, later adopting its current name in 1959;

Whereas, for more than 100 years, the aerospace industry has moved, connected, secured, and inspired the modern world with countless innovations and technologies that play a role in almost every aspect of daily life;

Whereas the centennial of the Aerospace Industries Association celebrates the world-changing impact aerospace technologies have had and the role of aerospace technologies in strengthening the economy and national security of the United States;

Whereas the aerospace industry supports the National Defense Strategy of the United States by providing the Armed Forces the most technologically advanced and effective platforms and systems in the world;

Whereas the aerospace industry is a leading employer of veterans and retirees of the Armed Forces and recognizes the incredible contribution those veterans and retirees have made to the United States through their service;

Whereas the aerospace industry has contributed to the advancement of humankind as a key facilitator and collaborator in space, from the Apollo 11 mission to the future mission of the United States to Mars;

Whereas innovations in aerospace technologies continue to spur economic growth, as the aerospace industry maintains a presence in all 50 States and sustains approximately 2,500,000 jobs in the United States; and

Whereas the aerospace industry strives to inspire young people in the United States, including women and underrepresented communities, to study science, technology, engineering, and mathematics and pursue science-related careers that lead to future innovations and major scientific breakthroughs: Now, therefore, be it
