

113TH CONGRESS  
2D SESSION

# S. RES. 329

Expressing support for the goals and ideals of the biennial USA Science & Engineering Festival in Washington, DC and designating April 21 through April 27, 2014, as “National Science and Technology Week”.

---

IN THE SENATE OF THE UNITED STATES

JANUARY 7, 2014

Mr. COONS (for himself, Mr. KIRK, Mr. ROCKEFELLER, Mr. ALEXANDER, Mr. BAUCUS, Mr. CRAPO, Mr. DURBIN, Ms. AYOTTE, and Ms. KLOBUCHAR) submitted the following resolution; which was considered and agreed to

---

## RESOLUTION

Expressing support for the goals and ideals of the biennial USA Science & Engineering Festival in Washington, DC and designating April 21 through April 27, 2014, as “National Science and Technology Week”.

Whereas science, technology, engineering, and mathematics (referred to in this preamble as “STEM”) are essential to the future global competitiveness of the United States;

Whereas advances in technology have resulted in significant improvement in the daily lives of individuals in the United States;

Whereas scientific discoveries are critical to curing diseases, solving global challenges, and an increased understanding of the world;

Whereas the future global economy will require a workforce that is educated in science and engineering specialties;

Whereas educating a new generation of individuals in the United States in STEM is crucial to ensure continued economic growth;

Whereas increasing the interest of the next generation of students in the United States, particularly young women and underrepresented minorities, in STEM is necessary to maintain the global competitiveness of the United States;

Whereas science and engineering festivals have attracted millions of participants and inspired a national effort to promote science and engineering;

Whereas thousands of universities, museums, science centers, STEM professional societies, educational societies, government agencies and laboratories, community organizations, elementary and secondary schools, volunteers, corporate and private sponsors, and nonprofit organizations have come together to organize the USA Science & Engineering Festival in Washington, DC in April 2014;

Whereas the USA Science & Engineering Festival will reinvigorate the interest of young people in the United States in STEM and highlight the important contributions of science and engineering to the competitiveness of the United States through exhibits on topics that include human spaceflight, medicine, engineering, biotechnology, physics, and astronomy; and

Whereas scientific research is essential to the competitiveness of the United States, and events like the USA Science & Engineering Festival promote the importance of scientific

research and development to the future of the United States: Now, therefore, be it

1       *Resolved*, That the Senate—

2               (1) expresses support for the goals and ideals of  
3       the USA Science & Engineering Festival to promote  
4       scholarship in science and an interest in scientific  
5       research and development, as the cornerstones of in-  
6       novation and competition in the United States;

7               (2) supports festivals, such as the USA Science  
8       & Engineering Festival, that focus on the impor-  
9       tance of science and engineering to the daily lives of  
10      individuals in the United States through exhibits on  
11      topics that include human spaceflight, medicine, en-  
12      gineering, biotechnology, physics, and astronomy;

13              (3) congratulates all individuals and organiza-  
14      tions whose efforts will make possible the USA  
15      Science & Engineering Festival, highlighting the ac-  
16      complishments of the United States in science and  
17      engineering;

18              (4) encourages families and children to partici-  
19      pate in the activities and exhibits of the USA  
20      Science & Engineering Festival that will occur in  
21      Washington, DC, and across the United States as  
22      satellite events of the festival; and

1           (5) designates April 21 through April 27, 2014,  
2           as “National Science and Technology Week”.
