

118TH CONGRESS
2D SESSION

S. RES. 667

Expressing support for the designation of May as “Fallen Heroes Memorial Month”.

IN THE SENATE OF THE UNITED STATES

MAY 1, 2024

Mr. TUBERVILLE submitted the following resolution; which was referred to the Committee on Veterans’ Affairs

RESOLUTION

Expressing support for the designation of May as “Fallen Heroes Memorial Month”.

Whereas, since the signing of the Declaration of Independence and the founding of the United States, more than 1,300,000 members of the Armed Forces have given their lives for the cause of liberty, both in the United States and around the world;

Whereas the people of the United States owe a profound debt to those who served the Nation in uniform and made the ultimate sacrifice so that their countrymen could live freely;

Whereas the people of the United States have an obligation to honor the memories of the fallen and to commemorate those brave men and women who gave their lives to the cause of freedom;

Whereas Abraham Lincoln said, “[A]ll that a man hath will he give for his life; and while all contribute of their substance the soldier puts his life at stake, and often yields it up in his country’s cause. The highest merit, then is due to the soldier.”;

Whereas, in an address to the Armed Forces in 1945, President Harry S. Truman said, “Our debt to the heroic men and valiant women in the service of our country can never be repaid. They have earned our undying gratitude.”;

Whereas the history of Memorial Day began 3 years after the American Civil War, with the Grand Army of the Republic establishing Decoration Day as a day for honoring the Civil War dead by decorating their graves with flowers, with New York being the first to adopt it as a State holiday in 1873, and with all the Union States having adopted it by 1890;

Whereas, in the aftermath of World War I and World War II, Memorial Day became a day to remember and honor all members of the United States Armed Forces who fought and died on behalf of their country;

Whereas Congress made the observance of Memorial Day, at the time still often called Decoration Day, a Federal holiday in 1971; and

Whereas the over 1,300,000 members of the United States Armed Forces who over the centuries gave their lives in service to the people of the United States have earned the enduring respect and gratitude of the Nation: Now, therefore, be it

11 proclamation—

12 (A) designating May as “Fallen Heroes
13 Memorial Month”;

16 who made the ultimate sacrifice; and

18 States to remember and honor our Nation’s
