Enactment of this legislation likely will not change the regulatory burden for Utah residents or businesses.
--

**Performance Evaluation**

JR1-4-601

This bill does not create a new program or significantly expand an existing program.
--

**Notes on Notes**

Fiscal explanations estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal explanation is not an appropriation. The Legislature decides appropriations separately.
