Enactment of this legislation appropriates \$10,000,000 one-time General Fund to the Agriculture Resources Development Loan Fund (Fund) in FY 2024. It's expected that the Department of Agriculture and Food would proportionately increase one-time expenditures from the Fund to compensate interrupted users in the case of a Temporary Water Shortage Emergency. This legislation may also increase rule making costs for the Department of Agriculture and Food by \$1,400 one-time in FY 2024, which can be absorbed by the agency.

**Notes on Notes**

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
