Local Government

UCA 36-12-13(2)(c)

Local education agencies may experience additional costs associated with tracking qualifying students, expenditures on these students, and applying to the State Board of Education for additional reimbursement. The impact will vary by LEA based on current student information and accounting technologies as well as staff available to perform these functions.

Individuals & Businesses

UCA 36-12-13(2)(d)

Enactment of this legislation likely will not result in direct, measurable expenditures by Utah residents or businesses.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
