Enactment of this legislation appropriates \$3,000,000 one-time and \$1,000,000 ongoing from the General Fund beginning in FY 2025 to the Utah Water Agent in the Governor's Office. This legislation could also cost the Division of Finance \$2,500 one-time in FY 2024 from set-up costs for an additional state entity.

Enactment of this legislation requires the water conservancy districts with the four largest operating budgets to enter into an agreement to pay for the costs of office space, a council director, and support staff for the Water District Water Development Council and the Utah Water Agent. This cost is estimated at \$504,600 annually. The extent to which state funds may offset these costs is unknown.

Notes on Notes

Fiscal notes estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal note is not an appropriation. The Legislature decides appropriations separately.
