349 take water preferentially during a temporary water shortage emergency only for a purpose
350 authorized by the executive order.

421 adopted an emergency response plan before the declaration of a temporary water shortage
422 emergency; or

423 (2) the person entitled to make a request is not described in Subsection (1)(a).

424 Section 11. Section 73-3d-401 is enacted to read:

444 temporary water shortage emergency who uses water preferentially during the temporary water

446 Section 12. Section **73-3d-402** is enacted to read:

447 **73-3d-402. Payment of compensation.**

448 (1) (a) A preferential user shall pay an interrupted user an amount equal to the total of
449 the following:

450 (i) the reasonable value of the water interrupted by the preferential use;

451 (ii) applicable crop losses;

452 (iii) other consequential damages incurred as a result of the interruption; and

453 (iv) interest on the amounts described in Subsections (1)(a)(i), (ii), and (iii) in the
454 amount of 8% per annum.

455 (b) Interest described in Subsection (1)(a)(iv) shall start the day on which the
456 preferential user first begins to take water preferentially.

457 (c) A preferential user shall pay an interrupted user the amount described in Subsection
458 (1)(a) by the later of 30 days from the day on which:

459 (i) the preferential user stops diverting water preferentially under this chapter; or

460 (ii) mediation or arbitration under Subsection (2) is complete.

461 (d) (i) Once an interrupted user informs the preferential user of the amount owed under
462 Subsection (1)(a), the preferential user has the burden of proof to prove, by a preponderance of
463 the evidence, that an amount different from that asserted by the interrupted user is owed under
464 Subsection (1)(a).

465 (ii) The burden of proof described in this Subsection (1)(d) applies throughout the
466 process of paying compensation, including during mediation, arbitration, or a court action.

467 (2) (a) (i) If the interrupted user or the preferential user requests mediation, the
468 department shall mediate a dispute over the application of this section.

469 (ii) If the interrupted user and the preferential user jointly request arbitration, the
470 department shall arbitrate a dispute over the application of this section.

471 (b) In conducting mediation under this Subsection (2), Title 78B, Chapter 10, Utah
472 Uniform Mediation Act, applies.

473 (c) (i) In conducting arbitration under this Subsection (2), the department shall follow
474 the Title 78B, Chapter 11, Utah Uniform Arbitration Act.

475 (ii) In applying Title 78B, Chapter 11, Utah Uniform Arbitration Act, the arbitrator and
476 parties shall treat the matter as if:

477 (A) the arbitration was ordered by a court; and

478 (B) the department was appointed as arbitrator by the court.

479 (iii) For the purpose of an arbitration conducted under this section, if the dispute to be
480 arbitrated is not already the subject of legal action, the district court having jurisdiction over
481 the county where the preferential use of water involved in the dispute is located is the court
482 referred to in Title 78B, Chapter 11, Utah Uniform Arbitration Act.

483 (iv) Arbitration by the department is not necessary before bringing legal action to
484 adjudicate a claim under this section. The lack of arbitration by the department does not
485 constitute, and may not be interpreted as constituting, a failure to exhaust available
486 administrative remedies or as a bar to bringing legal action.

487 (v) Arbitration under this section is not subject to Title 63G, Chapter 4, Administrative
488 Procedures Act, or Title 78B, Chapter 6, Part 2, Alternative Dispute Resolution Act.

489 (vi) Within 30 days after an arbitrator issues a final award, any party to the arbitration
490 may submit the dispute, the award, or any issue upon which the award is based, to the district

491 court for review by trial de novo unless the parties agree in advance of arbitration that the
492 arbitration is binding and that no de novo review may occur.

493 (3) (a) If the persons described in Subsection (2) participate in mediation or arbitration
494 under Subsection (2), at the conclusion of the mediation or arbitration, the preferential user
495 shall pay the interrupted user an amount equal to the lesser of:

496 (i) the amount of actual attorney fees incurred; or

497 (ii) \$15,000.

500 Ombudsman Act.

501 (4) In an action when the court is asked to determine the amount described in
502 Subsection (1), the court shall award costs and reasonable attorney fees:

503 (a) to the interrupted user if the preferential user declines to participate in mediation or
504 arbitration under Subsection (2);

505 (b) to the preferential user if the interrupted user declines to participate in mediation or
506 arbitration under Subsection (2);

507 (c) to the interrupted user if the amount determined by the court is 85% or more of:

508 (i) the final amount offered by the interrupted user as part of the mediation described in
509 Subsection (2)(a); or

510 (ii) the final amount determined by the department as a result of arbitration described
511 in Subsection (2); and

512 (d) to the preferential user if the amount determined by the court is less than 85% of:

513 (i) the final amount offered by the interrupted user as part of the mediation described in
514 Subsection (2)(a); or

515 (ii) the final amount determined by the department as a result of arbitration described
516 in Subsection (2).

517 (5) (a) In accordance with this Subsection (5), an interrupted user may apply for one or
518 more 0% interest loans from the commission to compensate the interrupted user while the
519 interrupted user is waiting to be compensated by the preferential user under this section.

520 (b) Before the commission may make a loan under this Subsection (5) to an interrupted
521 user, the interrupted user shall apply for the loan by:

522 (i) providing information sufficient to establish to the satisfaction of the commission:
523 (A) the basis by which the person is entitled to use of the water;
524 (B) the use of water that would have been made by the person without the interruption;
525 (C) the length of the interruption;
526 (D) a good faith estimate of the amount of water the person entitled to the use of water
527 would otherwise have made;
528 (E) the losses and consequential damages incurred as a result of the interruption; and
529 (F) whether the interrupted user has previously received a loan under this Subsection
530 (5) for the same interruption of water use;
531 (ii) agreeing in writing to repay the amount of a loan within 30 days of the day on
532 which the interrupted user is paid in full by the preferential user; and
533 (iii) providing any other information required by rules made by the department in
534 accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act.
535 (c) (i) Once the commission obtains a complete application under Subsection (5)(b),
536 the commission shall determine whether the interrupted user is eligible for a loan and the
537 amount to be loaned using reliable third-party market and producer information, when
538 available, as close as possible to the beginning date of the water delivery interruption, except
539 that a single loan may not exceed \$150,000.
540 (ii) For agriculture commodities, the commission may determine unit prices and base
541 adjustments by using:
542 (A) applicable United States Department of Agriculture crop pricing data sets;
543 (B) Utah State University Extension data sets; and
544 (C) publications, fact sheets, and enterprise budgets data sets published by a university.
545 (iii) For agriculture commodities, the commission may consider documents filed under
546 Subsection (5)(b) to establish historical production records provided by the interrupted user.
547 (iv) For nonagricultural products or services, the commission may determine the loan
548 amount using information from:
549 (A) other state agencies;
550 (B) federal agencies; and
551 (C) industry leaders within the state associated with the goods or service forgone by the
552 interrupted user.

553 (v) For nonagricultural products or services, the commission shall determine the
554 quantity of units of nonagricultural good and services during the temporary water shortage
555 emergency by using:

556 (A) industry standards, if available; or

557 (B) recent product or service records.

558 (d) The commission may issue a loan to an interrupted user only to the extent that there
559 is money in the fund and the limit on outstanding loans from the fund under Subsection
560 4-18-106(6) has not been met. The commission shall issue loans from the fund in the order that
561 an interrupted user submits a completed application for the loan.

562 (e) An interrupted user who receives a loan under this Subsection (5) shall repay the
563 amount of the loan within 30 days of the day on which the interrupted user is paid in full by the
564 preferential user.

565 (6) (a) If the department determines that the preferential user fails to comply with
566 Subsection (1), the department may bring suit in a court of competent jurisdiction to require a
567 preferential user to reimburse the fund for a loan issued under Subsection (5) that is based on
568 the use of the water by the preferential user.

569 (b) If the department determines that an interrupted user fails to repay a loan in
570 accordance with Subsection (5), the department may bring suit in a court of competent
571 jurisdiction to require repayment of the loan.

572 (c) If the department prevails in an action brought under this Subsection (6), the
573 department may recover amounts owed, court costs, and reasonable attorney fees.

574 (7) The department shall establish by rule made in accordance with Title 63G, Chapter
575 3, Utah Administrative Rulemaking Act, procedures to:

576 (a) request mediation or arbitration under this section;

577 (b) apply for a loan under Subsection (5)

578 (c) determine the amount to be loaned to an interrupted user under Subsection (5); and

579 (d) provide for the repayment of a loan issued under Subsection (5).

580 Section 13. Section **73-3d-403** is enacted to read:

581 **73-3d-403. Security requirements.**

582 (1) As a condition of participating in mediation or arbitration under Section [73-3d-403](#),

590 (3) If the department determines that the conditions of Subsection (2) are not met, the
