

**Representative Marc K. Roberts** proposes the following substitute bill:

**DATA PRIVACY AMENDMENTS**

2020 GENERAL SESSION

STATE OF UTAH

**Chief Sponsor: Marc K. Roberts**

Senate Sponsor: \_\_\_\_\_

---

---

**LONG TITLE**

**General Description:**

This bill creates affirmative defenses to certain causes of action arising out of a data breach.

**Highlighted Provisions:**

This bill:

- ▶ defines terms;
- ▶ creates affirmative defenses to causes of action arising out a data breach involving personal information, restricted information, or both personal information and restricted information;
- ▶ provides that an entity may not claim an affirmative defense if the entity had notice of a threat or hazard;
- ▶ establishes the requirements for asserting an affirmative defense;
- ▶ provides that the creation of an affirmative defense does not create a cause of action for failure to comply with the requirements for asserting the affirmative defense;
- ▶ requires the Office of the Attorney General to make rules regarding cybersecurity standards; and
- ▶ provides a severability clause.

**Money Appropriated in this Bill:**

26 None

27 **Other Special Clauses:**

28 None

29 **Utah Code Sections Affected:**

30 ENACTS:

31 **78B-4-701**, Utah Code Annotated 1953

32 **78B-4-702**, Utah Code Annotated 1953

33 **78B-4-703**, Utah Code Annotated 1953

34 **78B-4-704**, Utah Code Annotated 1953

35 **78B-4-705**, Utah Code Annotated 1953

36 **78B-4-706**, Utah Code Annotated 1953

37 

---

38 *Be it enacted by the Legislature of the state of Utah:*

39 Section 1. Section **78B-4-701** is enacted to read:

40 **Part 7. Cybersecurity Affirmative Defense Act**

41 **78B-4-701. Definitions.**

42 As used in this part:

43 (1) (a) "Business" means:

44 (i) an association;

45 (ii) a corporation;

46 (iii) a limited liability company;

47 (iv) a limited liability partnership;

48 (v) a sole proprietorship;

49 (vi) another group, however organized and whether operating for profit or not for

50 profit; or

51 (vii) a parent or subsidiary of any of the entities described in Subsections (1)(a)(i)

52 through (vi).

53 (b) "Business" includes a financial institution organized, chartered, or holding a license

54 authorizing operation under the laws of this state, another state, or another country.

55 (2) "Covered entity" means a business that accesses, maintains, communicates, or

56 processes personal information or restricted information in or through one or more systems,

57 networks, or services located in or outside of this state.

58 (3) "Cybersecurity standard" means a cybersecurity framework or publication  
59 established by a well-known entity that:

60 (a) (i) develops guidelines and best practices that are generally applicable to any type of  
61 business to protect personal information and restricted information from a data breach; or

62 (ii) develops guidelines or best practices that are applicable to a specific type of  
63 business to protect personal information and restricted information from a data breach; and

64 (b) the Office of the Attorney General determines is current and generally accepted by  
65 experts in the cybersecurity industry in accordance with the rulemaking authority in Section  
66 [78B-7-705](#).

67 (4) (a) "Data breach" means the unauthorized access to or acquisition of electronic data  
68 that:

69 (i) compromises the security or confidentiality of personal information or restricted  
70 information owned by or licensed to a covered entity; and

71 (ii) causes, is reasonably believed to have caused, or is reasonably believed will cause a  
72 material risk of identity theft or other fraud to an individual or an individual's property.

73 (b) "Data breach" does not include:

74 (i) good faith acquisition of personal information or restricted information by the  
75 covered entity's employee or agent for a purpose of the covered entity if the personal  
76 information or restricted information is not used for an unlawful purpose or subjected to further  
77 unauthorized disclosure; or

78 (ii) acquisition of personal information or restricted information pursuant to:

79 (A) a search warrant, subpoena, or other court order; or

80 (B) a subpoena, order, or duty of a federal or state agency.

81 (5) (a) "Data item" means:

82 (i) a social security number;

83 (ii) a driver license number or state identification number; or

84 (iii) a financial account number or credit or debit card number when combined with  
85 any required security code, access code, or password that is necessary to permit access to an  
86 individual's financial account.

87 (b) "Data item" does not include an item described in Subsection (5)(a) if the item is

88 encrypted, redacted, or altered by any method or technology that makes the item unreadable.

89 (6) "Encrypted" means transformed, using an algorithmic process, into a form that has  
90 a low probability of assigning meaning without the use of a confidential process, access key, or  
91 password.

92 (7) "Individual's name" means:

93 (a) the individual's first name and last name; or

94 (b) the individual's last name and the initial of the individual's first name.

95 (8) "PCI data security standard" means the Payment Card Industry Data Security  
96 Standard.

97 (9) (a) "Personal information" means an individual's name when combined with one or  
98 more data items.

99 (b) "Personal information" does not include publicly available information that is  
100 lawfully made available to the general public from federal, state, or local records or any of the  
101 following media that are widely distributed:

102 (i) a news, editorial, or advertising statement published in a bona fide newspaper,  
103 journal, magazine, or broadcast over radio or television;

104 (ii) a gathering or furnishing of information or news by a bona fide reporter,  
105 correspondent, or news bureau to news media described in Subsection (9)(b)(i);

106 (iii) a publication designed for and distributed to members of a bona fide association or  
107 charitable or fraternal nonprofit corporation; or

108 (iv) any type of media that is substantially similar in nature to any item, entity, or  
109 activity described in Subsection (9)(b)(i) through (iii).

110 (10) "Redact" means to alter or truncate a data item so that no more than the last four  
111 digits of a social security number, driver license number, state identification number, financial  
112 account number, or credit or debit card number is accessible.

113 (11) "Restricted information" means any information, other than personal information,  
114 about an individual that:

115 (a) (i) alone, or in combination with other information, including personal information,  
116 can be used to distinguish or trace the individual's identity; or

117 (ii) is linked or linkable to an individual;

118 (b) is not encrypted, redacted, or altered by a method or a technology that makes the

119 information unreadable; and

120 (c) if accessed or acquired without authority, is likely to result in a material risk of  
121 identity theft or fraud to the individual or the individual's property.

122 Section 2. Section **78B-4-702** is enacted to read:

123 **78B-4-702. Affirmative defense for a data breach of cyber data.**

124 (1) A covered entity that creates, maintains, and complies with a written cybersecurity  
125 program that meets the requirements of Subsection (5) and is in place at the time of a data  
126 breach of the covered entity has an affirmative defense to a claim that:

127 (a) is brought under the laws of this state or in the courts of this state;

128 (b) alleges that the covered entity failed to implement reasonable information security  
129 controls;

130 (c) alleges that the failure described in Subsection (1)(b) resulted in a data breach of  
131 personal information; and

132 (d) does not allege a data breach of restricted information.

133 (2) A covered entity that creates, maintains, and complies with a written cybersecurity  
134 program that meets the requirements of Subsection (6) and is in place at the time of a data  
135 breach of the covered entity has an affirmative defense to a claim that:

136 (a) is brought under the laws of this state or in the courts of this state; and

137 (b) alleges that the covered entity failed to implement reasonable information security  
138 controls that resulted in a data breach of personal information and restricted information.

139 (3) A covered entity has an affirmative defense to a claim that the covered entity failed  
140 to appropriately respond to a data breach if:

141 (a) (i) for a data breach of personal information, the covered entity creates, maintains,  
142 and complies with a written cybersecurity program that meets the requirements of Subsection  
143 (5) and is in place at the time of the data breach; or

144 (ii) for a data breach of personal information and restricted information, the covered  
145 entity creates, maintains, and complies with a written cybersecurity program that meets the  
146 requirements of Subsection (6) and is in place at the time of the data breach; and

147 (b) the written cybersecurity program had protocols at the time of the data breach for  
148 responding to a data breach that complied with the written cybersecurity program under  
149 Subsection (3)(a) and the covered entity followed the protocols.

150 (4) A covered entity has an affirmative defense to a claim that the covered entity failed  
151 to appropriately notify an individual whose personal information or restricted information was  
152 compromised in a data breach if:

153 (a) (i) for a data breach of personal information, the covered entity creates, maintains,  
154 and complies with a written cybersecurity program that meets the requirements of Subsection  
155 (5) and is in place at the time of the data breach; or

156 (ii) for a data breach of personal information and restricted information, the covered  
157 entity creates, maintains, and complies with a written cybersecurity program that meets the  
158 requirements of Subsection (6) and is in place at the time of the data breach; and

159 (b) the written cybersecurity program had protocols at the time of the data breach for  
160 notifying an individual about a data breach that complied with the requirements for a written  
161 cybersecurity program under Subsection (4)(a) and the covered entity followed the protocols.

162 (5) A written cybersecurity program described in Subsections (1) and (2) shall contain  
163 administrative, technical, and physical safeguards to protect personal information, including:

164 (a) being designed to:

165 (i) protect the security and confidentiality of personal information;

166 (ii) protect against any anticipated threat or hazard to the security or integrity of  
167 personal information; and

168 (iii) protect against a data breach of personal information;

169 (b) reasonably conform to an industry recognized cybersecurity framework as  
170 described in Section [78B-4-703](#); and

171 (c) being of an appropriate scale and scope in light of the following factors:

172 (i) the size and complexity of the covered entity;

173 (ii) the nature and scope of the activities of the covered entity;

174 (iii) the sensitivity of the information to be protected;

175 (iv) the cost and availability of tools to improve information security and reduce  
176 vulnerability; and

177 (v) the resources available to the covered entity.

178 (6) A written cybersecurity program described in Subsection (2) shall meet the  
179 requirements described in Subsection (5), except that the requirements of Subsection (5) shall  
180 apply to both personal information and restricted information.

181 (7) A covered entity may not claim an affirmative defense under Subsections (1), (2),  
182 (3), or (4) if:

183 (a) the covered entity had actual or constructive notice of a threat or hazard to the  
184 security or integrity of personal information or restricted information;

185 (b) the covered entity did not act in a reasonable amount of time to take remedial  
186 efforts to protect the information against the threat or hazard; and

187 (c) the threat or hazard resulted in the data breach.

188 Section 3. Section **78B-4-703** is enacted to read:

189 **78B-4-703. Components of a cybersecurity program eligible for an affirmative**  
190 **defense.**

191 (1) Subject to Subsection (2), a covered entity's written cybersecurity program  
192 reasonably conforms to an industry recognized cybersecurity framework if the written  
193 cybersecurity program:

194 (a) is designed to protect the type of personal information and restricted information  
195 obtained in the data breach;

196 (b) reasonably conforms to the current version of a cybersecurity standard;

197 (c) for personal information or restricted information obtained in the data breach that is  
198 regulated by the federal government or state government, reasonably complies with the  
199 requirements of the regulation, including:

200 (i) the security requirements of the Health Insurance Portability and Accountability Act  
201 of 1996, as described in 45 C.F.R. Part 164, Subpart C;

202 (ii) Title V of the Gramm-Leach-Bliley Act of 1999, Pub. L. No. 106-102, as amended;

203 (iii) the Federal Information Security Modernization Act of 2014, Pub. L. No. 113-283;

204 (iv) the Health Information Technology for Economic and Clinical Health Act, as set  
205 forth in 45 C.F.R. Part 164; or

206 (v) any other applicable federal or state regulation; and

207 (d) for personal information or restricted information obtained in the data breach that is  
208 the type of information intended to be protected by the PCI data security standard, reasonably  
209 complies with the current version of the PCI data security standard.

210 (2) If an industry recognized cybersecurity framework described in Subsection (1) is  
211 revised, a covered entity with a written cybersecurity program that relies upon that industry

212 recognized cybersecurity framework shall reasonably conform to the revised version of the  
213 framework in a reasonable amount of time, taking into consideration the urgency of the  
214 revision in terms of:

- 215 (a) risks to the security of personal information or restricted information;
- 216 (b) the cost and effort of complying with the revised version; and
- 217 (c) any other relevant factor.

218 Section 4. Section **78B-4-704** is enacted to read:

219 **78B-4-704. No cause of action.**

220 This part does not create a private cause of action, including a class action, if a covered  
221 entity fails to comply with a provision of this part.

222 Section 5. Section **78B-4-705** is enacted to read:

223 **78B-4-705. Rulemaking.**

224 In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the  
225 Office of the Attorney General:

226 (1) shall make rules:

- 227 (a) that establish cybersecurity standards; and
- 228 (b) that establish to which business the cybersecurity standards apply; and

229 (2) may make rules to clarify:

- 230 (a) any cybersecurity standards in need of clarification; and
- 231 (b) the application of any cybersecurity standards in need of clarification.

232 Section 6. Section **78B-4-706** is enacted to read:

233 **78B-4-706. Severability clause.**

234 If any provision of this part, or the application of any provision of this part to any  
235 person or circumstance, is held invalid, the remainder of this part shall be given effect without  
236 the invalid provision or application.
