786 and maintenance program is necessary to attain or maintain any national ambient air quality  
787 standard shall require:

788 (a) a certificate of emissions inspection, a waiver, or other evidence the motor vehicle  
789 is exempt from emissions inspection and maintenance program requirements be presented:

790 (i) as a condition of registration or renewal of registration; and

791 (ii) at other times as the county legislative body may require to enforce inspection

805 States Environmental Protection Agency-approved vehicle modification in the following  
806 vehicles:

834 component of the motor vehicle if:

835 (A) the modification is not likely to result in the motor vehicle having increased  
836 emissions relative to the emissions of the motor vehicle before the modification; and

837 (B) the motor vehicle modification is a change to an engine that is newer than the  
838 engine with which the motor vehicle was originally equipped, or the engine includes
