land, but may be used to establish a conservation easement under Title 57, Chapter 18, Land Conservation Easement Act, or to fund similar methods to preserve open land or agricultural land.

(ii) Notwithstanding Subsection (2)(b)(i), money from the fund may be used to purchase a fee interest in real property to preserve open land or agricultural land if:

(A) the parcel to be purchased is no more than 20 acres in size; and

- (B) with respect to a parcel purchased in a county in which over 50% of the land area is publicly owned, real property roughly equivalent in size and located within that county is contemporaneously transferred to private ownership from the governmental entity that purchased the fee interest in real property.
- (iii) Eminent domain may not be used or threatened in connection with any purchase using money from the program.
- (iv) A parcel of land larger than 20 acres in size may not be divided into separate parcels smaller than 20 acres each to meet the requirement of Subsection (2)(b)(ii).
- (c) A local entity, department, or organization under Subsection (1) may not receive money from the program unless [it] the local entity, department, or organization provides matching funds equal to or greater than the amount of money received from the program.
- (d) In granting money from the program, the commission may impose conditions on the recipient as to how the money is to be spent.
  - (e) The commission shall give priority to:
- (i) working agricultural land; and

- (ii) after giving priority to working agricultural land under Subsection (2)(e)(i), requests from the Department of Natural Resources for up to 20% of each annual increase in the amount of money in the program if the money is used for the protection of wildlife or watershed.
- (f) (i) The commission may not make a grant from the program that exceeds \$1,000,000 until after making a report to the Legislative Management Committee about the grant.
