516 (4) A local political subdivision or private entity shall include a provision in an impact
517 fee enactment that requires a credit against an impact [~~fees~~] fee for any dedication of land for,

- 543 (B) determine whether or not the impact fee is still required to finance the Habitat
- 544 Conservation Plan; and
- 545 (C) affirmatively reauthorize the impact fee if the legislative body finds that the impact
- 546 fee must remain in effect.
- 547 (7) (a) Notwithstanding any other provision of this chapter:

567 proportionate share of the cost of those additional system improvements;

568 (v) an impact fee for a road facility may be imposed on the state only if and to the
569 extent that:

570 (A) the state's development causes an impact on the road facility; and

581 need that the new school creates for public facilities that exceeds the demand or need that the
582 school being replaced creates for those public facilities.
