519 condition.
- 520 (b) If the magistrate or judge determines that a financial condition is necessary to

530 ~~[(7)]~~ (8) In making a determination about pretrial release ~~[under this section]~~ for a

532 (a) rely upon information contained in:

560 required; or

561 (B) supervision of the individual in the individual's community;

562 (vi) the eligibility and willingness of the individual to participate in various treatment  
563 programs, including drug treatment; or

564 (vii) other evidence relevant to the individual's likelihood of fleeing or violating the  
565 law if released.

566 (9) The magistrate or judge may not base a determination about pretrial release solely  
567 on the seriousness or type of offense that the individual is arrested for or charged with, unless  
568 the individual is arrested for or charged with a capital felony.

569 ~~[(8)]~~ (10) An individual arrested for violation of a jail release agreement, or a jail  
570 release court order, issued in accordance with Section 78B-7-802:

571 (a) may not be released before the individual's first appearance before a magistrate or  
572 judge; and

573 (b) may be denied pretrial release by the magistrate or judge ~~[under Subsection (2)]~~.  
574 Section 7. Section 77-20-207 is amended to read:

575 **77-20-207. Modification of pretrial status order -- Failure to appear.**

576 (1) ~~[A motion]~~ A party may move to modify a pretrial status order ~~[may be made]~~:

577 (a) ~~[by a party]~~ at any time after a pretrial status order is issued; and

578 (b) only upon a showing that there has been a material change in circumstances.

579 (2) (a) Notwithstanding Subsection (1), a defendant may move to modify a pretrial  
580 status order if:

581 (i) the magistrate or judge imposed a financial condition as a condition of release in the  
582 pretrial status order; and

583 (ii) the defendant is unable to pay the financial condition within seven days after the

584 day on which the pretrial status order is issued.

585 (b) For a motion under Subsection (2)(a), there is a rebuttable presumption that the  
586 defendant does not have the ability to pay the financial condition.

587 ~~[(2)]~~ (3) (a) If a party makes a motion to modify the pretrial status order, the party shall  
588 provide notice to the opposing party sufficient to permit the opposing party to prepare for a

590 (b) A hearing on a motion to modify a pretrial status order may be held in conjunction  
591 with a preliminary hearing or any other pretrial hearing.

594 (b) base the judge's ruling on evidence provided at the hearing so long as each party is  
595 provided an opportunity to present additional evidence or information relevant to pretrial  
596 release; and

597 (c) (i) for a motion to modify a pretrial status order under Subsection (1), modify the

601 pretrial status order by reducing the amount of the financial condition or imposing nonfinancial  
602 conditions of release upon a finding that the defendant is unable to pay the amount of the  
603 financial condition in the pretrial status order.

604 (5) In modifying a pretrial status order upon a motion by a party, or on the court's own  
605 motion, there is a rebuttable presumption that a bail bond be imposed as a condition of release  
606 in a modified pretrial status order if:

607 (a) the defendant was released on the individual's own recognizance or on nonfinancial  
608 conditions;

609 (b) the defendant willfully failed to appear at a required court appearance or has failed  
610 to appear at a required court appearance more than once; and

611 (c) a bench warrant was issued.

620 Section **77-20-203** or within 120 days after the day on which a temporary pretrial status order  
621 was issued for the individual:

622           (a) the individual shall be relieved from any condition of pretrial release;

623           (b) the court shall refund any monetary bail in accordance with Subsection  
624 **77-20-402(5)**; and

625           (c) if a bail bond was used to post monetary bail, the bail bond shall be exonerated  
626 without further order of the court.

627           (2) A request to extend time shall:

628           (a) be served on:

629           (i) the individual and the individual's attorney; and

640 individual has the right to an expedited appeal of the pretrial status order.

641           Section 10. Section **77-20-301** is amended to read:

642           **77-20-301. Grounds for detaining or releasing defendant on conviction and prior**  
643 **to sentence.**

644           (1) Upon conviction, by plea or trial, the court shall order that the convicted defendant  
645 who is waiting imposition or execution of sentence be detained, unless the court finds, by clear

646 and convincing evidence, presented by the defendant that the defendant:

647 (a) is not likely to flee the jurisdiction of the court if released; and

648 (b) will not pose a danger to the physical, psychological, or financial and economic  
649 safety or well-being of any other person or the community if released.

650 (2) If the court finds the defendant does not need to be detained, the court shall order

653 Section 11. Section ~~77-20-302~~ is amended to read:

654 **77-20-302. Grounds for detaining defendant while appealing the defendant's**

657 court of record and sentenced to a term of imprisonment in jail or prison, and who has filed an  
658 appeal or a petition for a writ of certiorari, be detained, unless the court finds:

659 (a) the appeal raises a substantial question of law or fact likely to result in:

660 (i) reversal;

661 (ii) an order for a new trial; or

662 (iii) a sentence that does not include a term of imprisonment in jail or prison;

663 (b) the appeal is not for the purpose of delay; and

664 (c) by clear and convincing evidence presented by the defendant, that the defendant:

665 (i) is not likely to flee the jurisdiction of the court if released; and

666 (ii) will not pose a danger to the physical, psychological, or financial and economic  
667 safety or well-being of any other person or the community if released.

668 (2) (a) If the court makes a finding under Subsection (1) that justifies not detaining the  
669 defendant, the court shall order the release of the defendant, subject to only conditions of  
670 release that are reasonably available and necessary to reasonably ensure the appearance of the  
671 defendant as required and the safety of any other individual, property, and the community.

 678 court shall stay all terms of a sentence, unless at the time of sentencing the judge finds by a  
 679 preponderance of the evidence that the defendant poses a danger to another person or the  
 680 community.

681 (4) If a stay is ordered, the court may order postconviction restrictions on the  
 682 defendant's conduct as appropriate, including:

- 683 (a) continuation of any pretrial restrictions or orders;
- 684 (b) sentencing protective orders under Section 78B-7-804;
- 685 (c) drug and alcohol use;
- 686 (d) use of an ignition interlock; and
- 687 (e) posting appropriate monetary bail.

688 (5) The provisions of Subsections (3) and (4) do not apply to convictions for an offense
