35 *Be it enacted by the Legislature of the state of Utah:*

36 Section 1. Section **62A-4a-201** is amended to read:

37 **62A-4a-201. Rights of parents -- Children's rights -- Interest and responsibility of**  
 38 **state.**

39 (1) (a) Under both the United States Constitution and the constitution of this state, a  
 40 parent possesses a fundamental liberty interest in the care, custody, and management of the  
 41 parent's children. A fundamentally fair process must be provided to parents if the state moves  
 42 to challenge or interfere with parental rights. A governmental entity must support any actions  
 43 or allegations made in opposition to the rights and desires of a parent regarding the parent's  
 44 children by sufficient evidence to satisfy a parent's constitutional entitlement to heightened  
 45 protection against government interference with the parent's fundamental rights and liberty  
 46 interests and, concomitantly, the right of the child to be reared by the child's natural parent.

47 (b) The fundamental liberty interest of a parent concerning the care, custody, and  
 48 management of the parent's children is recognized, protected, and does not cease to exist  
 49 simply because a parent may fail to be a model parent or because the parent's child is placed in  
 50 the temporary custody of the state. At all times, a parent retains a vital interest in preventing  
 51 the irretrievable destruction of family life. Prior to an adjudication of unfitness, government  
 52 action in relation to parents and their children may not exceed the least restrictive means or  
 53 alternatives available to accomplish a compelling state interest. Until the state proves parental  
 54 unfitness, and the child suffers, or is substantially likely to suffer, serious detriment as a result,  
 55 the child and the child's parents share a vital interest in preventing erroneous termination of  
 56 their natural relationship and the state cannot presume that a child and the child's parents are

57 adversaries.

58 (c) It is in the best interest and welfare of a child to be raised under the care and  
59 supervision of the child's natural parents. A child's need for a normal family life in a  
60 permanent home, and for positive, nurturing family relationships is usually best met by the  
61 child's natural parents. Additionally, the integrity of the family unit and the right of parents to  
62 conceive and raise their children are constitutionally protected. The right of a fit, competent  
63 parent to raise the parent's child without undue government interference is a fundamental  
64 liberty interest that has long been protected by the laws and Constitution and is a fundamental  
65 public policy of this state.

66 (d) The state recognizes that:

67 (i) a parent has the right, obligation, responsibility, and authority to raise, manage,  
68 train, educate, provide and care for, and reasonably discipline the parent's children; and

69 (ii) the state's role is secondary and supportive to the primary role of a parent.

70 (e) It is the public policy of this state that parents retain the fundamental right and duty  
71 to exercise primary control over the care, supervision, upbringing, and education of their  
72 children.

73 (f) Subsections (2) through (7) shall be interpreted and applied consistent with this  
74 Subsection (1).

75 (2) It is also the public policy of this state that children have the right to protection  
76 from abuse and neglect, and that the state retains a compelling interest in investigating,  
77 prosecuting, and punishing abuse and neglect, as defined in this chapter, and in Title 78A,  
78 Chapter 6, Juvenile Court Act. Therefore, the state, as *parens patriae*, has an interest in and  
79 responsibility to protect children whose parents abuse them or do not adequately provide for  
80 their welfare. There may be circumstances where a parent's conduct or condition is a  
81 substantial departure from the norm and the parent is unable or unwilling to render safe and  
82 proper parental care and protection. Under those circumstances, the state may take action for  
83 the welfare and protection of the parent's children.

84 (3) When the division intervenes on behalf of an abused, neglected, or dependent child,  
85 it shall take into account the child's need for protection from immediate harm and the extent to  
86 which the child's extended family may provide needed protection. Throughout its involvement,  
87 the division shall utilize the least intrusive and least restrictive means available to protect a

88 child, in an effort to ensure that children are brought up in stable, permanent families, rather  
89 than in temporary foster placements under the supervision of the state.

90 (4) When circumstances within the family pose a threat to the child's immediate safety  
91 or welfare, the division may seek custody of the child for a planned, temporary period and  
92 place the child in a safe environment, subject to the requirements of this section and in  
93 accordance with the requirements of Title 78A, Chapter 6, Part 3, Abuse, Neglect, and  
94 Dependency Proceedings, and:

95 (a) when safe and appropriate, return the child to the child's parent; or

96 (b) as a last resort, pursue another permanency plan.

97 (5) In determining and making "reasonable efforts" with regard to a child, pursuant to  
98 the provisions of Section [62A-4a-203](#), both the division's and the court's paramount concern  
99 shall be the child's health, safety, and welfare. The desires of a parent for the parent's child,  
100 and the constitutionally protected rights of a parent, as described in this section, shall be given  
101 full and serious consideration by the division and the court.

102 (6) In cases where actual sexual abuse, sexual exploitation, abandonment, severe  
103 abuse, or severe neglect are established, the state has no duty to make "reasonable efforts" or  
104 to, in any other way, attempt to maintain a child in the child's home, provide reunification  
105 services, or to attempt to rehabilitate the offending parent or parents. This Subsection (6) does  
106 not exempt the division from providing court-ordered services.

107 (7) (a) In accordance with Subsection (1), the division shall strive to achieve  
108 appropriate permanency for children who are abused, neglected, or dependent. The division  
109 shall provide in-home services, where appropriate and safe, in an effort to help a parent to  
110 correct the behavior that resulted in abuse, neglect, or dependency of the parent's child. The  
111 division may pursue a foster placement only if in-home services fail or are otherwise  
112 insufficient or inappropriate, kinship placement is not safe or appropriate, or in-home services  
113 and kinship placement fail and cannot be corrected. The division shall also seek qualified  
114 extended family support or a kinship placement to maintain a sense of security and stability for  
115 the child.

116 (b) If the use or continuation of "reasonable efforts," as described in Subsections (5)  
117 and (6), is determined to be inconsistent with the permanency plan for a child, then measures  
118 shall be taken, in a timely manner, to place the child in accordance with the permanency plan,

119 and to complete whatever steps are necessary to finalize the permanent placement of the child.

120 (c) Subject to the parental rights recognized and protected under this section, if,  
121 because of a parent's conduct or condition, the parent is determined to be unfit or incompetent  
122 based on the grounds for termination of parental rights described in Title 78A, Chapter 6, Part  
123 5, Termination of Parental Rights Act, the continuing welfare and best interest of the child is of  
124 paramount importance, and shall be protected in determining whether that parent's rights  
125 should be terminated.

126 (8) The state's right to direct or intervene in the provision of medical or mental health  
127 care for a child is subject to Subsections ~~78A-6-105[(35)(d)](39)~~ and 78A-6-117(2) and  
128 Section 78A-6-301.5.

129 Section 2. Section 62A-4a-711 is amended to read:

130 **62A-4a-711. Penalty.**

131 An individual or entity that knowingly engages in an unregulated custody transfer, as  
132 defined in [Subsection] Section 78A-6-105[(56)], is guilty of a class B misdemeanor.

447 **78A-6-302. Court-ordered protective custody of a child following petition filing --**  
448 **Grounds.**

449 (1) After a petition has been filed under Section 78A-6-304, if the child who is the  
450 subject of the petition is not in the protective custody of the division, a court may order that the  
451 child be removed from the child's home or otherwise taken into protective custody if the court  
452 finds, by a preponderance of the evidence, that any one or more of the following circumstances  
453 exist:

454 (a) (i) there is an imminent danger to the physical health or safety of the child; and

455 (ii) the child's physical health or safety may not be protected without removing the  
456 child from the custody of the child's parent or guardian;

457 (b) (i) a parent or guardian engages in or threatens the child with unreasonable conduct  
458 that causes the child to suffer harm; and

459 (ii) there are no less restrictive means available by which the child's emotional health

460 may be protected without removing the child from the custody of the child's parent or guardian;

461 (c) the child or another child residing in the same household has been, or is considered  
462 to be at substantial risk of being, physically abused, sexually abused, or sexually exploited, by a  
463 parent or guardian, a member of the parent's or guardian's household, or other person known to  
464 the parent or guardian;

465 (d) the parent or guardian is unwilling to have physical custody of the child;

466 (e) the child is abandoned or left without any provision for the child's support;

467 (f) a parent or guardian who has been incarcerated or institutionalized has not arranged  
468 or cannot arrange for safe and appropriate care for the child;

469 (g) (i) a relative or other adult custodian with whom the child is left by the parent or  
470 guardian is unwilling or unable to provide care or support for the child;

471 (ii) the whereabouts of the parent or guardian are unknown; and

472 (iii) reasonable efforts to locate the parent or guardian are unsuccessful;

473 (h) subject to Subsections [78A-6-105](#)[(35)(c)(i) through (iii)](39) and [78A-6-117](#)(2)  
474 and Section [78A-6-301.5](#), the child is in immediate need of medical care;

475 (i) (i) a parent's or guardian's actions, omissions, or habitual action create an  
476 environment that poses a serious risk to the child's health or safety for which immediate  
477 remedial or preventive action is necessary; or

478 (ii) a parent's or guardian's action in leaving a child unattended would reasonably pose  
479 a threat to the child's health or safety;

480 (j) the child or another child residing in the same household has been neglected;

481 (k) the child's natural parent:

482 (i) intentionally, knowingly, or recklessly causes the death of another parent of the  
483 child;

484 (ii) is identified by a law enforcement agency as the primary suspect in an investigation  
485 for intentionally, knowingly, or recklessly causing the death of another parent of the child; or

486 (iii) is being prosecuted for or has been convicted of intentionally, knowingly, or  
487 recklessly causing the death of another parent of the child;

488 (l) an infant has been abandoned, as defined in Section [78A-6-316](#);

489 (m) (i) the parent or guardian, or an adult residing in the same household as the parent  
490 or guardian, is charged or arrested pursuant to Title 58, Chapter 37d, Clandestine Drug Lab

491 Act; and

492 (ii) any clandestine laboratory operation was located in the residence or on the property  
493 where the child resided; or

494 (n) the child's welfare is otherwise endangered.

495 (2) (a) For purposes of Subsection (1)(a), if a child has previously been adjudicated as  
496 abused, neglected, or dependent, and a subsequent incident of abuse, neglect, or dependency  
497 occurs involving the same substantiated abuser or under similar circumstance as the previous  
498 abuse, that fact constitutes prima facie evidence that the child cannot safely remain in the  
499 custody of the child's parent.

500 (b) For purposes of Subsection (1)(c):

501 (i) another child residing in the same household may not be removed from the home  
502 unless that child is considered to be at substantial risk of being physically abused, sexually  
503 abused, or sexually exploited as described in Subsection (1)(c) or Subsection (2)(b)(ii); and

504 (ii) if a parent or guardian has received actual notice that physical abuse, sexual abuse,  
505 or sexual exploitation by a person known to the parent has occurred, and there is evidence that  
506 the parent or guardian failed to protect the child, after having received the notice, by allowing  
507 the child to be in the physical presence of the alleged abuser, that fact constitutes prima facie  
508 evidence that the child is at substantial risk of being physically abused, sexually abused, or  
509 sexually exploited.

510 (3) (a) For purposes of Subsection (1), if the division files a petition under Section  
511 [78A-6-304](#), the court shall consider the division's safety and risk assessments described in  
512 Section [62A-4a-203.1](#) to determine whether a child should be removed from the custody of the  
513 child's parent or guardian or should otherwise be taken into protective custody.

514 (b) The division shall make a diligent effort to provide the safety and risk assessments  
515 described in Section [62A-4a-203.1](#) to the court, guardian ad litem, and counsel for the parent or  
516 guardian, as soon as practicable before the shelter hearing described in Section [78A-6-306](#).

517 (4) In the absence of one of the factors described in Subsection (1), a court may not  
518 remove a child from the parent's or guardian's custody on the basis of:

519 (a) educational neglect, truancy, or failure to comply with a court order to attend  
520 school;

521 (b) mental illness or poverty of the parent or guardian; or

522 (c) disability of the parent or guardian, as defined in Section 57-21-2.

523 (5) A child removed from the custody of the child's parent or guardian under this  
524 section may not be placed or kept in a secure detention facility pending further court  
525 proceedings unless the child is detainable based on guidelines promulgated by the Division of  
526 Juvenile Justice Services.

527 (6) This section does not preclude removal of a child from the child's home without a  
528 warrant or court order under Section 62A-4a-202.1.

529 (7) (a) Except as provided in Subsection (7)(b), a court or the Division of Child and  
530 Family Services may not remove a child from the custody of the child's parent or guardian on  
531 the sole or primary basis that the parent or guardian refuses to consent to:

- 532 (i) the administration of a psychotropic medication to a child;
- 533 (ii) a psychiatric, psychological, or behavioral treatment for a child; or
- 534 (iii) a psychiatric or behavioral health evaluation of a child.

535 (b) Notwithstanding Subsection (7)(a), a court or the Division of Child and Family  
536 Services may remove a child under conditions that would otherwise be prohibited under  
537 Subsection (7)(a) if failure to take an action described under Subsection (7)(a) would present a  
538 serious, imminent risk to the child's physical safety or the physical safety of others.

539 Section 5. Section 78A-6-312 is amended to read:

540 **78A-6-312. Dispositional hearing -- Reunification services -- Exceptions.**

541 (1) The court may:

- 542 (a) make any of the dispositions described in Section 78A-6-117;
- 543 (b) place the minor in the custody or guardianship of any:
  - 544 (i) individual; or
  - 545 (ii) public or private entity or agency; or
  - 546 (c) order:
    - 547 (i) protective supervision;
    - 548 (ii) family preservation;
    - 549 (iii) subject to Subsections (12)(b), 78A-6-105~~[(35)(c)(i) through (iii)]~~(39), and  
550 78A-6-117(2) and Section 78A-6-301.5, medical or mental health treatment;
    - 551 (iv) sibling visitation; or
    - 552 (v) other services.

553 (2) Whenever the court orders continued removal at the dispositional hearing, and that  
554 the minor remain in the custody of the division, the court shall first:

555 (a) establish a primary permanency plan for the minor; and

556 (b) determine whether, in view of the primary permanency plan, reunification services  
557 are appropriate for the minor and the minor's family, pursuant to Subsections (21) through (23).

558 (3) Subject to Subsections (6) and (7), if the court determines that reunification  
559 services are appropriate for the minor and the minor's family, the court shall provide for  
560 reasonable parent-time with the parent or parents from whose custody the minor was removed,  
561 unless parent-time is not in the best interest of the minor.

562 (4) In cases where obvious sexual abuse, sexual exploitation, abandonment, severe  
563 abuse, or severe neglect are involved, neither the division nor the court has any duty to make  
564 "reasonable efforts" or to, in any other way, attempt to provide reunification services, or to  
565 attempt to rehabilitate the offending parent or parents.

566 (5) In all cases, the minor's health, safety, and welfare shall be the court's paramount  
567 concern in determining whether reasonable efforts to reunify should be made.

568 (6) For purposes of Subsection (3), parent-time is in the best interests of a minor unless  
569 the court makes a finding that it is necessary to deny parent-time in order to:

570 (a) protect the physical safety of the minor;

571 (b) protect the life of the minor; or

572 (c) prevent the minor from being traumatized by contact with the parent due to the  
573 minor's fear of the parent in light of the nature of the alleged abuse or neglect.

574 (7) Notwithstanding Subsection (3), a court may not deny parent-time based solely on a  
575 parent's failure to:

576 (a) prove that the parent has not used legal or illegal substances; or

577 (b) comply with an aspect of the child and family plan that is ordered by the court.

578 (8) (a) In addition to the primary permanency plan, the court shall establish a  
579 concurrent permanency plan that shall include:

580 (i) a representative list of the conditions under which the primary permanency plan will  
581 be abandoned in favor of the concurrent permanency plan; and

582 (ii) an explanation of the effect of abandoning or modifying the primary permanency  
583 plan.

584 (b) In determining the primary permanency plan and concurrent permanency plan, the  
585 court shall consider:

586 (i) the preference for kinship placement over nonkinship placement;

587 (ii) the potential for a guardianship placement if the parent-child relationship is legally  
588 terminated and no appropriate adoption placement is available; and

589 (iii) the use of an individualized permanency plan, only as a last resort.

590 (9) A permanency hearing shall be conducted in accordance with Subsection  
591 78A-6-314(1)(b) within 30 days after the day on which the dispositional hearing ends if  
592 something other than reunification is initially established as a minor's primary permanency  
593 plan.

594 (10) (a) The court may amend a minor's primary permanency plan before the  
595 establishment of a final permanency plan under Section 78A-6-314.

596 (b) The court is not limited to the terms of the concurrent permanency plan in the event  
597 that the primary permanency plan is abandoned.

598 (c) If, at any time, the court determines that reunification is no longer a minor's primary  
599 permanency plan, the court shall conduct a permanency hearing in accordance with Section  
600 78A-6-314 on or before the earlier of:

601 (i) 30 days after the day on which the court makes the determination described in this  
602 Subsection (10)(c); or

603 (ii) the day on which the provision of reunification services, described in Section  
604 78A-6-314, ends.

605 (11) (a) If the court determines that reunification services are appropriate, the court  
606 shall order that the division make reasonable efforts to provide services to the minor and the  
607 minor's parent for the purpose of facilitating reunification of the family, for a specified period  
608 of time.

609 (b) In providing the services described in Subsection (11)(a), the minor's health, safety,  
610 and welfare shall be the division's paramount concern, and the court shall so order.

611 (12) (a) The court shall:

612 (i) determine whether the services offered or provided by the division under the child  
613 and family plan constitute "reasonable efforts" on the part of the division;

614 (ii) determine and define the responsibilities of the parent under the child and family

615 plan in accordance with Subsection 62A-4a-205(6)(e); and

616 (iii) identify verbally on the record, or in a written document provided to the parties,  
617 the responsibilities described in Subsection (12)(a)(ii), for the purpose of assisting in any future  
618 determination regarding the provision of reasonable efforts, in accordance with state and  
619 federal law.

620 (b) If the parent is in a substance use disorder treatment program, other than a certified  
621 drug court program:

622 (i) the court may order the parent to submit to supplementary drug or alcohol testing in  
623 addition to the testing recommended by the parent's substance use disorder program based on a  
624 finding of reasonable suspicion that the parent is abusing drugs or alcohol; and

625 (ii) the court may order the parent to provide the results of drug or alcohol testing  
626 recommended by the substance use disorder program to the court or division.

627 (13) (a) The time period for reunification services may not exceed 12 months from the  
628 date that the minor was initially removed from the minor's home, unless the time period is  
629 extended under Subsection 78A-6-314(7).

630 (b) Nothing in this section may be construed to entitle any parent to an entire 12  
631 months of reunification services.

632 (14) (a) If reunification services are ordered, the court may terminate those services at  
633 any time.

634 (b) If, at any time, continuation of reasonable efforts to reunify a minor is determined  
635 to be inconsistent with the final permanency plan for the minor established pursuant to Section  
636 78A-6-314, then measures shall be taken, in a timely manner, to:

637 (i) place the minor in accordance with the permanency plan; and

638 (ii) complete whatever steps are necessary to finalize the permanent placement of the  
639 minor.

640 (15) Any physical custody of the minor by the parent or a relative during the period  
641 described in Subsections (11) through (14) does not interrupt the running of the period.

642 (16) (a) If reunification services are ordered, a permanency hearing shall be conducted  
643 by the court in accordance with Section 78A-6-314 at the expiration of the time period for  
644 reunification services.

645 (b) The permanency hearing shall be held no later than 12 months after the original

646 removal of the minor.

647 (c) If reunification services are not ordered, a permanency hearing shall be conducted  
648 within 30 days, in accordance with Section 78A-6-314.

649 (17) With regard to a minor in the custody of the division whose parent or parents are  
650 ordered to receive reunification services but who have abandoned that minor for a period of six  
651 months from the date that reunification services were ordered:

652 (a) the court shall terminate reunification services; and

653 (b) the division shall petition the court for termination of parental rights.

654 (18) When a court conducts a permanency hearing for a minor under Section  
655 78A-6-314, the court shall attempt to keep the minor's sibling group together if keeping the  
656 sibling group together is:

657 (a) practicable; and

658 (b) in accordance with the best interest of the minor.

659 (19) When a child is under the custody of the division and has been separated from a  
660 sibling due to foster care or adoptive placement, a court may order sibling visitation, subject to  
661 the division obtaining consent from the sibling's legal guardian, according to the court's  
662 determination of the best interests of the child for whom the hearing is held.

663 (20) (a) Because of the state's interest in and responsibility to protect and provide  
664 permanency for minors who are abused, neglected, or dependent, the Legislature finds that a  
665 parent's interest in receiving reunification services is limited.

666 (b) The court may determine that:

667 (i) efforts to reunify a minor with the minor's family are not reasonable or appropriate,  
668 based on the individual circumstances; and

669 (ii) reunification services should not be provided.

670 (c) In determining "reasonable efforts" to be made with respect to a minor, and in  
671 making "reasonable efforts," the minor's health, safety, and welfare shall be the paramount  
672 concern.

673 (21) There is a presumption that reunification services should not be provided to a  
674 parent if the court finds, by clear and convincing evidence, that any of the following  
675 circumstances exist:

676 (a) the whereabouts of the parents are unknown, based upon a verified affidavit

677 indicating that a reasonably diligent search has failed to locate the parent;

678 (b) subject to Subsection (22)(a), the parent is suffering from a mental illness of such  
679 magnitude that it renders the parent incapable of utilizing reunification services;

680 (c) the minor was previously adjudicated as an abused child due to physical abuse,  
681 sexual abuse, or sexual exploitation, and following the adjudication the minor:

682 (i) was removed from the custody of the minor's parent;

683 (ii) was subsequently returned to the custody of the parent; and

684 (iii) is being removed due to additional physical abuse, sexual abuse, or sexual  
685 exploitation;

686 (d) the parent:

687 (i) caused the death of another minor through abuse or neglect;

688 (ii) committed, aided, abetted, attempted, conspired, or solicited to commit:

689 (A) murder or manslaughter of a child; or

690 (B) child abuse homicide;

691 (iii) committed sexual abuse against the child;

692 (iv) is a registered sex offender or required to register as a sex offender; or

693 (v) (A) intentionally, knowingly, or recklessly causes the death of another parent of the  
694 child;

695 (B) is identified by a law enforcement agency as the primary suspect in an investigation  
696 for intentionally, knowingly, or recklessly causing the death of another parent of the child; or

697 (C) is being prosecuted for or has been convicted of intentionally, knowingly, or  
698 recklessly causing the death of another parent of the child;

699 (e) the minor suffered severe abuse by the parent or by any person known by the  
700 parent, if the parent knew or reasonably should have known that the person was abusing the  
701 minor;

702 (f) the minor is adjudicated an abused child as a result of severe abuse by the parent,  
703 and the court finds that it would not benefit the minor to pursue reunification services with the  
704 offending parent;

705 (g) the parent's rights are terminated with regard to any other minor;

706 (h) the minor was removed from the minor's home on at least two previous occasions  
707 and reunification services were offered or provided to the family at those times;

- 708 (i) the parent has abandoned the minor for a period of six months or longer;
- 709 (j) the parent permitted the child to reside, on a permanent or temporary basis, at a  
710 location where the parent knew or should have known that a clandestine laboratory operation  
711 was located;
- 712 (k) except as provided in Subsection (22)(b), with respect to a parent who is the child's  
713 birth mother, the child has fetal alcohol syndrome, fetal alcohol spectrum disorder, or was  
714 exposed to an illegal or prescription drug that was abused by the child's mother while the child  
715 was in utero, if the child was taken into division custody for that reason, unless the mother  
716 agrees to enroll in, is currently enrolled in, or has recently and successfully completed a  
717 substance use disorder treatment program approved by the department; or
- 718 (l) any other circumstance that the court determines should preclude reunification  
719 efforts or services.
- 720 (22) (a) The finding under Subsection (21)(b) shall be based on competent evidence  
721 from at least two medical or mental health professionals, who are not associates, establishing  
722 that, even with the provision of services, the parent is not likely to be capable of adequately  
723 caring for the minor within 12 months after the day on which the court finding is made.
- 724 (b) A judge may disregard the provisions of Subsection (21)(k) if the court finds, under  
725 the circumstances of the case, that the substance use disorder treatment described in Subsection  
726 (21)(k) is not warranted.
- 727 (23) In determining whether reunification services are appropriate, the court shall take  
728 into consideration:
- 729 (a) failure of the parent to respond to previous services or comply with a previous child  
730 and family plan;
- 731 (b) the fact that the minor was abused while the parent was under the influence of  
732 drugs or alcohol;
- 733 (c) any history of violent behavior directed at the child or an immediate family  
734 member;
- 735 (d) whether a parent continues to live with an individual who abused the minor;
- 736 (e) any patterns of the parent's behavior that have exposed the minor to repeated abuse;
- 737 (f) testimony by a competent professional that the parent's behavior is unlikely to be  
738 successful; and

739 (g) whether the parent has expressed an interest in reunification with the minor.

740 (24) (a) If reunification services are not ordered pursuant to Subsections (20) through  
741 (22), and the whereabouts of a parent become known within six months after the day on which  
742 the out-of-home placement of the minor is made, the court may order the division to provide  
743 reunification services.

744 (b) The time limits described in Subsections (2) through (18) are not tolled by the  
745 parent's absence.

746 (25) (a) If a parent is incarcerated or institutionalized, the court shall order reasonable  
747 services unless the court determines that those services would be detrimental to the minor.

748 (b) In making the determination described in Subsection (25)(a), the court shall  
749 consider:

750 (i) the age of the minor;

751 (ii) the degree of parent-child bonding;

752 (iii) the length of the sentence;

753 (iv) the nature of the treatment;

754 (v) the nature of the crime or illness;

755 (vi) the degree of detriment to the minor if services are not offered;

756 (vii) for a minor 10 years old or older, the minor's attitude toward the implementation  
757 of family reunification services; and

758 (viii) any other appropriate factors.

759 (c) Reunification services for an incarcerated parent are subject to the time limitations  
760 imposed in Subsections (2) through (18).

761 (d) Reunification services for an institutionalized parent are subject to the time  
762 limitations imposed in Subsections (2) through (18), unless the court determines that continued  
763 reunification services would be in the minor's best interest.

764 (26) If, pursuant to Subsections (21)(b) through (l), the court does not order  
765 reunification services, a permanency hearing shall be conducted within 30 days, in accordance  
766 with Section 78A-6-314.

806 (b) If the court finds that the allegations of incompetency raise a bona fide doubt as to

808 competency to proceed, and shall set a date for a hearing on the issue of the minor's  
809 competency.

810 (3) After the granting of a motion, and prior to a full competency hearing, the court

974 [~~(b)~~] (c) If the court orders the minor to be held in detention [~~or placed outside of the~~

1051 attainment period shall toll until the minor returns.
