AMENDS:
26-18-502, as last amended by Laws of Utah 2016, Chapter 276
26-18-503, as last amended by Laws of Utah 2019, Chapters 136 and 393
Be it enacted by the Legislature of the state of Utah:
Section 1. Section 26-18-502 is amended to read:
26-18-502. Purpose Medicaid certification of nursing care facilities.

30	(1) The Legislature finds:
31	(a) that an oversupply of nursing care facilities in the state adversely affects the state
32	Medicaid program and the health of the people in the state;
33	(b) it is in the best interest of the state to prohibit nursing care facilities from receiving
34	Medicaid certification, except as provided by this part; and
35	(c) it is in the best interest of the state to encourage aging nursing care facilities with
36	Medicaid certification to renovate the nursing care facilities' physical facilities so that the
37	quality of life and clinical services for Medicaid residents are preserved.
38	(2) Medicaid reimbursement of nursing care facility programs is limited to:
39	(a) the number of nursing care facility programs with Medicaid certification as of May
40	9, 2016; and
41	(b) additional nursing care facility programs approved for Medicaid certification under
42	the provisions of Subsections 26-18-503(5) and (7).
43	(3) The division may not:
44	(a) except as authorized by Section 26-18-503:
45	(i) process initial applications for Medicaid certification or execute provider
46	agreements with nursing care facility programs; or
47	(ii) reinstate Medicaid certification for a nursing care facility whose certification
48	expired or was terminated by action of the federal or state government; or
49	(b) execute a Medicaid provider agreement with a certified program that moves to a
50	different physical facility, except as authorized by Subsection 26-18-503(3).
51	(4) Notwithstanding Section 26-18-503, beginning May 4, 2021, the division may not
52	approve a new or additional bed in an intermediate care facility for individuals with an
53	intellectual disability for Medicaid certification, unless certification of the bed by the division
54	does not increase the total number in the state of Medicaid-certified beds in intermediate care
55	facilities for individuals with an intellectual disability.
56	Section 2. Section 26-18-503 is amended to read:
57	26-18-503. Authorization to renew, transfer, or increase Medicaid certified

programs -- Reimbursement methodology.

(1) (a) The division may renew Medicaid certification of a certified program if the program, without lapse in service to Medicaid recipients, has its nursing care facility program certified by the division at the same physical facility as long as the licensed and certified bed capacity at the facility has not been expanded, unless the director has approved additional beds in accordance with Subsection (5).

- (b) The division may renew Medicaid certification of a nursing care facility program that is not currently certified if:
 - (i) since the day on which the program last operated with Medicaid certification:
- (A) the physical facility where the program operated has functioned solely and continuously as a nursing care facility; and
- (B) the owner of the program has not, under this section or Section 26-18-505, transferred to another nursing care facility program the license for any of the Medicaid beds in the program; and
- (ii) except as provided in Subsection 26-18-502(4), the number of beds granted renewed Medicaid certification does not exceed the number of beds certified at the time the program last operated with Medicaid certification, excluding a period of time where the program operated with temporary certification under Subsection 26-18-504(3).
- (2) (a) The division may issue a Medicaid certification for a new nursing care facility program if a current owner of the Medicaid certified program transfers its ownership of the Medicaid certification to the new nursing care facility program and the new nursing care facility program meets all of the following conditions:
- (i) the new nursing care facility program operates at the same physical facility as the previous Medicaid certified program;
- (ii) the new nursing care facility program gives a written assurance to the director in accordance with Subsection (4);
- (iii) the new nursing care facility program receives the Medicaid certification within one year of the date the previously certified program ceased to provide medical assistance to a

(iv) the licensed and certified bed capacity at the facility has not been expanded, unless the director has approved additional beds in accordance with Subsection (5).

- (b) A nursing care facility program that receives Medicaid certification under the provisions of Subsection (2)(a) does not assume the Medicaid liabilities of the previous nursing care facility program if the new nursing care facility program:
 - (i) is not owned in whole or in part by the previous nursing care facility program; or
 - (ii) is not a successor in interest of the previous nursing care facility program.
- (3) The division may issue a Medicaid certification to a nursing care facility program that was previously a certified program but now resides in a new or renovated physical facility if the nursing care facility program meets all of the following:
- (a) the nursing care facility program met all applicable requirements for Medicaid certification at the time of closure;
- (b) the new or renovated physical facility is in the same county or within a five-mile radius of the original physical facility;
- (c) the time between which the certified program ceased to operate in the original facility and will begin to operate in the new physical facility is not more than three years[;], unless:
- (i) an emergency is declared by the president of the United States or the governor, affecting the building or renovation of the physical facility;
- (ii) the director approves an exception to the three-year requirement for any nursing care facility program within the three-year requirement;
- (iii) the provider submits documentation supporting a request for an extension to the director that demonstrates a need for an extension; and
- (iv) the exception does not extend for more than two years beyond the three-year requirement;
- (d) if Subsection (3)(c) applies, the certified program notifies the department within 90 days after ceasing operations in its original facility, of its intent to retain its Medicaid

(e) the provider gives written assurance to the director in accordance with Subsection(4) that no third party has a legitimate claim to operate a certified program at the previous physical facility; and

- (f) the bed capacity in the physical facility has not been expanded unless the director has approved additional beds in accordance with Subsection (5).
- (4) (a) The entity requesting Medicaid certification under Subsections (2) and (3) shall give written assurances satisfactory to the director or the director's designee that:
 - (i) no third party has a legitimate claim to operate the certified program;
- (ii) the requesting entity agrees to defend and indemnify the department against any claims by a third party who may assert a right to operate the certified program; and
- (iii) if a third party is found, by final agency action of the department after exhaustion of all administrative and judicial appeal rights, to be entitled to operate a certified program at the physical facility the certified program shall voluntarily comply with Subsection (4)(b).
 - (b) If a finding is made under the provisions of Subsection (4)(a)(iii):
- (i) the certified program shall immediately surrender its Medicaid certification and comply with division rules regarding billing for Medicaid and the provision of services to Medicaid patients; and
- (ii) the department shall transfer the surrendered Medicaid certification to the third party who prevailed under Subsection (4)(a)(iii).
- (5) (a) [As provided in Subsection 26-18-502(2)(b), the] The director may approve additional nursing care facility programs for Medicaid certification, or additional beds for Medicaid certification within an existing nursing care facility program, if a nursing care facility or other interested party requests Medicaid certification for a nursing care facility program or additional beds within an existing nursing care facility program, and the nursing care facility program or other interested party complies with this section.
- (b) The nursing care facility or other interested party requesting Medicaid certification for a nursing care facility program or additional beds within an existing nursing care facility

142	program under Subsection (5)(a) shall submit to the director:
143	(i) proof of the following as reasonable evidence that bed capacity provided by
144	Medicaid certified programs within the county or group of counties impacted by the requested
145	additional Medicaid certification is insufficient:
146	(A) nursing care facility occupancy levels for all existing and proposed facilities will
147	be at least 90% for the next three years;
148	(B) current nursing care facility occupancy is 90% or more; or
149	(C) there is no other nursing care facility within a 35-mile radius of the nursing care
150	facility requesting the additional certification; and
151	(ii) an independent analysis demonstrating that at projected occupancy rates the nursing
152	care facility's after-tax net income is sufficient for the facility to be financially viable.
153	(c) Any request for additional beds as part of a renovation project are limited to the
154	maximum number of beds allowed in Subsection (7).
155	(d) The director shall determine whether to issue additional Medicaid certification by
156	considering:
157	(i) whether bed capacity provided by certified programs within the county or group of
158	counties impacted by the requested additional Medicaid certification is insufficient, based on
159	the information submitted to the director under Subsection (5)(b);
160	(ii) whether the county or group of counties impacted by the requested additional
161	Medicaid certification is underserved by specialized or unique services that would be provided
162	by the nursing care facility;
163	(iii) whether any Medicaid certified beds are subject to a claim by a previous certified
164	program that may reopen under the provisions of Subsections (2) and (3);
165	(iv) how additional bed capacity should be added to the long-term care delivery system
166	to best meet the needs of Medicaid recipients; and
167	(v) (A) whether the existing certified programs within the county or group of counties

have provided services of sufficient quality to merit at least a two-star rating in the Medicare

Five-Star Quality Rating System over the previous three-year period; and

170	(B) information obtained under Subsection (9).
171	(6) The department shall adopt administrative rules in accordance with Title 63G,
172	Chapter 3, Utah Administrative Rulemaking Act, to adjust the Medicaid nursing care facility
173	property reimbursement methodology to:
174	(a) only pay that portion of the property component of rates, representing actual bed
175	usage by Medicaid clients as a percentage of the greater of:
176	(i) actual occupancy; or
177	(ii) (A) for a nursing care facility other than a facility described in Subsection
178	(6)(a)(ii)(B), 85% of total bed capacity; or
179	(B) for a rural nursing care facility, 65% of total bed capacity; and
180	(b) not allow for increases in reimbursement for property values without major
181	renovation or replacement projects as defined by the department by rule.
182	(7) (a) [Notwithstanding Subsection 26-18-504(3)] Except as provided in Subsection
183	26-18-502(3)(c), if a nursing care facility does not seek Medicaid certification for a bed under
184	Subsections (1) through (6), the department shall, notwithstanding Subsections 26-18-504(3)(a)
185	and (b), grant Medicaid certification for additional beds in an existing Medicaid certified
186	nursing care facility that has 90 or fewer licensed beds, including Medicaid certified beds, in
187	the facility if:
188	(i) the nursing care facility program was previously a certified program for all beds but
189	now resides in a new facility or in a facility that underwent major renovations involving major
190	structural changes, with 50% or greater facility square footage design changes, requiring review
191	and approval by the department;
192	(ii) the nursing care facility meets the quality of care regulations issued by CMS; and
193	(iii) the total number of additional beds in the facility granted Medicaid certification
194	under this section does not exceed 10% of the number of licensed beds in the facility.
195	(b) The department may not revoke the Medicaid certification of a bed under this
196	Subsection (7) as long as the provisions of Subsection (7)(a)(ii) are met.
197	(8) (a) If a nursing care facility or other interested party indicates in its request for

additional Medicaid certification under Subsection (5)(a) that the facility will offer specialized or unique services, but the facility does not offer those services after receiving additional Medicaid certification, the director shall revoke the additional Medicaid certification.

- (b) The nursing care facility program shall obtain Medicaid certification for any additional Medicaid beds approved under Subsection (5) or (7) within three years of the date of the director's approval, or the approval is void.
- (9) (a) If the director makes an initial determination that quality standards under Subsection (5)(d)(v) have not been met in a rural county or group of rural counties over the previous three-year period, the director shall, before approving certification of additional Medicaid beds in the rural county or group of counties:
- (i) notify the certified program that has not met the quality standards in Subsection (5)(d)(v) that the director intends to certify additional Medicaid beds under the provisions of Subsection (5)(d)(v); and
- (ii) consider additional information submitted to the director by the certified program in a rural county that has not met the quality standards under Subsection (5)(d)(v).
- (b) The notice under Subsection (9)(a) does not give the certified program that has not met the quality standards under Subsection (5)(d)(v), the right to legally challenge or appeal the director's decision to certify additional Medicaid beds under Subsection (5)(d)(v).
