- 18 adrenal insufficiency medication within a public school; and
- 19 makes technical and conforming changes.

20 Money Appropriated in this Bill:

21 None

- 22 Other Special Clauses:
- 23 This bill provides a special effective date.
- 24 Utah Code Sections Affected:
- 25 AMENDS:
- 26 **53G-9-502**, as last amended by Laws of Utah 2023, Chapter 328
- 27 **53G-9-505**, as last amended by Laws of Utah 2019, Chapters 293, 349

28 29 30	ENACTS: 53G-9-507, Utah Code Annotated 1953
31	Be it enacted by the Legislature of the state of Utah:
32	Section 1. Section 53G-9-502 is amended to read:
33	53G-9-502 . Administration of medication to students Prerequisites
34	Immunity from liability Applicability.
35	(1) A public or private school that holds any classes in grades kindergarten through 12 may
36	provide for the administration of medication to any student during periods when the
37	student is under the control of the school, subject to the following conditions:
38	(a) the local school board, charter school governing board, or the private equivalent,
39	after consultation with the Department of Health and Human Services and school
40	nurses shall adopt policies that provide for:
41	(i) the designation of volunteer employees who may administer medication;
42	(ii) proper identification and safekeeping of medication;
43	(iii) the training of designated volunteer employees by the school nurse;
44	(iv) maintenance of records of administration; and
45	(v) notification to the school nurse of medication that will be administered to
46	students; and
47	(b) medication may only be administered to a student if:
48	(i) the student's parent has provided a current written and signed request that
49	medication be administered during regular school hours to the student; and
50	(ii) the student's licensed health care provider has prescribed the medication and
51	provides documentation as to the method, amount, and time schedule for
52	administration, and a statement that administration of medication by school
53	employees during periods when the student is under the control of the school is
54	medically necessary.
55	(2) Authorization for administration of medication by school personnel may be withdrawn
56	by the school at any time following actual notice to the student's parent.
57	(3) School personnel who provide assistance under Subsection (1) in substantial compliance
58	with the licensed health care provider's written prescription and the employers of these
59	school personnel are not liable, civilly or criminally, for:
60	(a) any adverse reaction suffered by the student as a result of taking the medication; and
61	(b) discontinuing the administration of the medication under Subsection (2).

62	(4) Subsections (1) through (3) do not apply to:
63	(a) the administration of glucagon in accordance with Section 53G-9-504;
64	(b) the administration of a seizure rescue medication in accordance with Section
65	53G-9-505; [or]
66	(c) the administration of an opiate antagonist in accordance with Title 26B, Chapter 4,
67	Part 5, Treatment Access[-] ; or
68	(d) the administration of an adrenal insufficiency medication in accordance with Section
69	<u>53G-9-507.</u>
70	Section 2. Section 53G-9-505 is amended to read:
71	53G-9-505 . Trained school employee volunteers Administration of seizure
72	rescue medication Exemptions from liability.
73	(1) As used in this section:
74	(a) "Prescribing health care professional" means:
75	(i) a physician and surgeon licensed under Title 58, Chapter 67, Utah Medical
76	Practice Act;
77	(ii) an osteopathic physician and surgeon licensed under Title 58, Chapter 68, Utah
78	Osteopathic Medical Practice Act;
79	(iii) an advanced practice registered nurse licensed under Title 58, Chapter 31b,
80	Nurse Practice Act; or
81	(iv) a physician assistant licensed under Title 58, Chapter 70a, Utah Physician
82	Assistant Act.
83	(b) "Seizure rescue authorization" means a student's [Section 504 accommodation]
84	individualized healthcare plan that:
85	(i) certifies that:
86	(A) a prescribing health care professional has prescribed a seizure rescue
87	medication for the student;
88	(B) the student's parent has previously administered the student's seizure rescue
89	medication in a nonmedically-supervised setting without a complication; and
90	(C) the student has previously ceased having full body prolonged or convulsive
91	seizure activity as a result of receiving the seizure rescue medication;
92	(ii) describes the specific seizure rescue medication authorized for the student,
93	including the indicated dose, and instructions for administration;
94	(iii) requests that the student's public school identify and train school employees who
95	are willing to volunteer to receive training to administer a seizure rescue

96	medication in accordance with this section; and
97	(iv) authorizes a trained school employee volunteer to administer a seizure rescue
98	medication in accordance with this section.
99	(c) (i) "Seizure rescue medication" means a medication, prescribed by a prescribing
100	health care professional, to be administered as described in a student's seizure
101	rescue authorization, while the student experiences seizure activity.
102	(ii) A seizure rescue medication does not include a medication administered
103	intravenously or intramuscularly.
104	(d) "Trained school employee volunteer" means an individual who:
105	(i) is an employee of a public school where at least one student has a seizure rescue
106	authorization;
107	(ii) is at least 18 years old; and
108	(iii) as described in this section:
109	(A) volunteers to receive training in the administration of a seizure rescue
110	medication;
111	(B) completes a training program described in this section;
112	(C) demonstrates competency on an assessment; and
113	(D) completes annual refresher training each year that the individual intends to
114	remain a trained school employee volunteer.
115	(2) (a) The Department of Health and Human Services shall, with input from the state
116	board and a children's hospital, develop a training program for trained school
117	employee volunteers in the administration of seizure rescue medications that includes:
118	(i) techniques to recognize symptoms that warrant the administration of a seizure
119	rescue medication;
120	(ii) standards and procedures for the storage of a seizure rescue medication;
121	(iii) procedures, in addition to administering a seizure rescue medication, in the event
122	that a student requires administration of the seizure rescue medication, including:
123	(A) calling 911; and
124	(B) contacting the student's parent;
125	(iv) an assessment to determine if an individual is competent to administer a seizure
126	rescue medication;
127	(v) an annual refresher training component; and
128	(vi) written materials describing the information required under this Subsection (2)(a).
129	(b) A public school shall retain for reference the written materials described in

H.B. 468

130	Subsection (2)(a)(vi).
131	(c) The following individuals may provide the training described in Subsection (2)(a):
132	(i) a school nurse; or
133	(ii) a licensed heath care professional.
134	(3) (a) A public school shall, after receiving a seizure rescue authorization:
135	(i) inform school employees of the opportunity to be a school employee volunteer;
136	and
137	(ii) subject to Subsection (3)(b)(ii), provide training, to each school employee who
138	volunteers, using the training program described in Subsection (2)(a).
139	(b) A public school may not:
140	(i) obstruct the identification or training of a trained school employee volunteer; or
141	(ii) compel a school employee to become a trained school employee volunteer.
142	(4) A trained school employee volunteer may possess or store a prescribed rescue seizure
143	medication, in accordance with this section.
144	(5) A trained school employee volunteer may administer a seizure rescue medication to a
145	student with a seizure rescue authorization if:
146	(a) the student is exhibiting a symptom, described on the student's seizure rescue
147	authorization, that warrants the administration of a seizure rescue medication; and
148	(b) a licensed health care professional is not immediately available to administer the
149	seizure rescue medication.
150	(6) A trained school employee volunteer who administers a seizure rescue medication shall
151	direct an individual to call 911 and take other appropriate actions in accordance with the
152	training described in Subsection (2).
153	(7) A trained school employee volunteer who administers a seizure rescue medication in
154	accordance with this section in good faith is not liable in a civil or criminal action for an
155	act taken or not taken under this section.
156	(8) Section 53G-9-502 does not apply to the administration of a seizure rescue medication.
157	(9) Section 53G-8-205 does not apply to the possession of a seizure rescue medication in
158	accordance with this section.
159	(10) (a) The unlawful or unprofessional conduct provisions of Title 58, Occupations and
160	Professions, do not apply to a person licensed as a health care professional under
161	Title 58, Occupations and Professions, including a nurse, physician, physician
162	assistant, or pharmacist for, in good faith, training a nonlicensed school employee
163	who volunteers to administer a seizure rescue medication in accordance with this

164	section.
165	(b) Allowing a trained school employee volunteer to administer a seizure rescue
166	medication in accordance with this section does not constitute unlawful or
167	inappropriate delegation under Title 58, Occupations and Professions.
168	Section 3. Section 53G-9-507 is enacted to read:
169	53G-9-507 . Administration of adrenal insufficiency medication Training of
170	school personnel Authority to use adrenal insufficiency medication
171	Immunity from liability.
172	(1) As used in this section:
173	(a) "Adrenal crisis" means a sudden, severe worsening of symptoms associated with
174	adrenal insufficiency, including vomiting, diarrhea, dehydration, low blood pressure,
175	or loss of consciousness, or severe pain in the lower back, abdomen or legs.
176	(b) "Adrenal crisis rescue authorization" means a student's individualized healthcare
177	plan that:
178	(i) certifies that a prescribing health care professional has prescribed an adrenal crisis
179	rescue medication for the student;
180	(ii) describes the specific adrenal crisis rescue medication authorized for the student,
181	including the indicated dose, and instructions for administration;
182	(iii) requests that the student's public school identify and train school employees who
183	are willing to volunteer to receive training to administer an adrenal crisis rescue
184	medication in accordance with this section; and
185	(iv) authorizes a trained school employee volunteer to administer an adrenal crisis
186	rescue medication in accordance with this section.
187	(c) "Adrenal crisis rescue medication" means a medication that a prescribing health care
188	professional prescribes for administration to a student during an adrenal crisis activity
189	as described in a student's adrenal crisis rescue authorization.
190	(d) "Adrenal insufficiency" means an endocrine disorder that occurs when the adrenal
191	glands do not adequately produce adrenal hormones.
192	(e) "Prescribing health care professional" means:
193	(i) a physician licensed under Title 58, Chapter 67, Utah Medical Practice Act;
194	(ii) an osteopathic physician licensed under Title 58, Chapter 68, Utah Osteopathic
195	Medical Practice Act;
196	(iii) an advanced practice registered nurse licensed under Title 58, Chapter 31b,
197	Nurse Practice Act; or

198	(iv) a physician assistant licensed under Title 58, Chapter 70a, Utah Physician
199	Assistant Act.
200	(f) "Trained school employee volunteer" means an individual who:
201	(i) is an employee of an LEA in which at least one student is enrolled who has an
202	adrenal crisis rescue authorization;
203	(ii) is at least 18 years old; and
204	(iii) as described in this section:
205	(A) volunteers to receive training in the administration of an adrenal crisis
206	medication:
207	(B) completes a training program described in this section;
208	(C) demonstrates competency to administer an adrenal crisis rescue medication
209	through an assessment; and
210	(D) completes annual training during each year in which the individual intends to
211	act as a trained school employee volunteer.
212	(2) (a) The Department of Health and Human Services shall, with input from the state
213	board and a children's hospital, develop a training program for trained school
214	employee volunteers in the administration of adrenal crisis rescue medication.
215	(b) A public school shall retain for reference the written materials created for the
216	training program described in Subsection (2)(a).
217	(3) (a) A public school shall, after receiving an adrenal crisis rescue authorization:
218	(i) inform school employees of the opportunity to be a school employee volunteer;
219	and
220	(ii) subject to Subsection (3)(b)(ii), provide training to each school employee who
221	volunteers, using the training described in Subsection (2)(a).
222	(b) A public school may not:
223	(i) obstruct the identification or training of a trained school employee volunteer; or
224	(ii) compel a school employee to become a trained school employee volunteer.
225	(4) A trained school employee volunteer may:
226	(a) possess or store a prescribed adrenal crisis rescue medication, in accordance with this
227	section; and
228	(b) administer an adrenal crisis rescue medication to a student with an adrenal crisis
229	rescue authorization if:
230	(i) the student exhibits a symptom, described on the student's adrenal crisis rescue
231	authorization, that warrants the administration of an adrenal crisis rescue

 (ii) a licensed health care professional is not immediately available to administer the adrenal crisis rescue medication. (5) A trained school employee volunteer who administers an adrenal crisis rescue medication shall take appropriate action in accordance with the training described in Subsection (2). (6) A trained school employee volunteer who administers an adrenal crisis rescue medication in accordance with this section in good faith is not liable in a civil or criminal action for an act taken or not taken under this section. (7) Section 53G-9-502 does not apply to the administration of an adrenal crisis rescue medication. (8) Section 53G-8-205 does not apply to the possession of an adrenal crisis rescue medication in accordance with this section. (9) (a) The unlawful or unprofessional conduct provisions of Title 58, Occupations and Professions, do not apply to an individual who is licensed as a health care professional under Title 58, Occupations and Professions, including a nurse, physician, physician assistant, or pharmacist, for training, in good faith, a school employee who: (i) volunteers to administer an adrenal crisis rescue medication in accordance with this section and Professions. (b) Allowing a trained school employee volunteer to administer an adrenal crisis rescue medication in accordance with this section does not constitute unlawful or inappropriate delegation under Title 58, Occupations and Professions. (b) Allowing a trained school employee volunteer to administer an adrenal crisis rescue 	232	madiantian and
234 adrenal crisis rescue medication. 235 (5) A trained school employee volunteer who administers an adrenal crisis rescue 236 medication shall take appropriate action in accordance with the training described in 237 Subsection (2). 238 (6) A trained school employee volunteer who administers an adrenal crisis rescue 239 medication in accordance with this section in good faith is not liable in a civil or 240 criminal action for an act taken or not taken under this section. 241 (7) Section 53G-9-502 does not apply to the administration of an adrenal crisis rescue 242 medication. 243 (8) Section 53G-8-205 does not apply to the possession of an adrenal crisis rescue 244 medication in accordance with this section. 245 (9) (a) The unlawful or unprofessional conduct provisions of Title 58, Occupations and 246 Professional under Title 58, Occupations and Professions, including a nurse, 247 professional under Title 58, Occupations and Professions, including a nurse, 248 physician, physician assistant, or pharmacist, for training, in good faith, a school 250 (i) volunteers to administer an adrenal crisis rescue medication in accordance with 251 this section; and 252		medication; and
 (5) A trained school employee volunteer who administers an adrenal crisis rescue medication shall take appropriate action in accordance with the training described in Subsection (2). (6) A trained school employee volunteer who administers an adrenal crisis rescue medication in accordance with this section in good faith is not liable in a civil or criminal action for an act taken or not taken under this section. (7) Section 53G-9-502 does not apply to the administration of an adrenal crisis rescue medication. (8) Section 53G-8-205 does not apply to the possession of an adrenal crisis rescue medication in accordance with this section. (9) (a) The unlawful or unprofessional conduct provisions of Title 58, Occupations and Professions, do not apply to an individual who is licensed as a health care professional under Title 58, Occupations and Professions, including a nurse, physician, physician assistant, or pharmacist, for training, in good faith, a school employee who: (i) volunteers to administer an adrenal crisis rescue medication in accordance with this section; and (ji) is not licensed under Title 58, Occupations and Professions.
