25 WHEREAS, there are over 100,000 American service members and dependents
26 stationed in Japan, more than any other place in the world other than the United States;

27 WHEREAS, active-duty Utahns are, and will continue to be, stationed abroad in Japan

29 WHEREAS, status of forces agreements are designed to ensure adequate and fair legal

30 treatment of American service members stationed abroad;

31 WHEREAS, in practice, the United States-Japan Status of Forces Agreement does not

34 members without adequate cause or necessity prior to charges;

35 WHEREAS, there are reports that Japanese authorities consistently deny legal counsel
36 to service members during police interrogations and fail to provide adequate translation

39 Instruction 5820.4G and Army Regulation 27-50;

52 ensuring that international agreements are in the best interest of the American people and
53 abided by the parties entered therein:
