

**CONCURRENT RESOLUTION ENCOURAGING HIGH
EXPECTATIONS FOR STUDENTS WITH DISABILITIES**

2019 GENERAL SESSION

STATE OF UTAH

Chief Sponsor: Robert M. Spendlove

Senate Sponsor: Kathleen Riebe

LONG TITLE

General Description:

This concurrent resolution of the Legislature and the Governor encourages high expectations for students with disabilities.

Highlighted Provisions:

This resolution:

- describes the benefits students of all abilities obtain when students with disabilities participate in general education classrooms; and
- encourages all stakeholders in the educational system to have and maintain high expectations for all students, including students with disabilities.

Special Clauses:

None

Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:

WHEREAS, there is a significant and persistent achievement gap between students with disabilities and students without disabilities;

WHEREAS, more than 80% of students who qualify for services under the Individuals with Disabilities Education Act have disabilities classified as mild to moderate, such as speech delays, learning disabilities, and dyslexia;

WHEREAS, there are students with disabilities in most classrooms around the country;

WHEREAS, more than half of all students with disabilities spend at least 80% of the school day in general education classrooms;

WHEREAS, students with disabilities need quality general education instruction in addition to targeted interventions and accommodations;

WHEREAS, time in general education settings for students with disabilities often leads to fewer absences, less disruptive behavior, and better outcomes after high school;

WHEREAS, students without disabilities experience new learning and cooperation opportunities when students with disabilities learn in general education classrooms;

WHEREAS, what happens between teachers and students in classrooms has a significant impact on student learning and achievement;

WHEREAS, research shows that there is a crucial relationship between teacher expectations of students with disabilities and higher levels of achievement amongst these students;

WHEREAS, students' mindsets play a key role in their motivation and achievement;

WHEREAS, upholding high expectations for all students and promoting cooperative relationships between students of all abilities can reduce the high incidence of stigmatization of students with disabilities; and

WHEREAS, having high expectations for all students helps a school community develop an understanding that students with disabilities are first and foremost general education students:

NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah, the Governor concurring therein, encourages all stakeholders in the educational system, including teachers, parents, administrators, students, and members of the community, to have and maintain high expectations for all students, including students with disabilities.

BE IT FURTHER RESOLVED that the Legislature and the Governor encourage school communities to include children with disabilities and their families in all school activities, which promotes cooperative relationships between students of all abilities.

BE IT FURTHER RESOLVED that the Legislature and the Governor encourage stakeholders to consider the strengths and weaknesses of each individual student when making educational decisions.

58 BE IT FURTHER RESOLVED that the Legislature and the Governor support schools
59 in implementing best practices in meeting the needs of students of all ability levels, including
60 providing assistive technologies, so that students with disabilities may be enabled to achieve
61 their full potential.
