1282 Section 53A-2-118.

1283 (b) (i) The determination of all matters relating to the scope, adequacy, and other
1284 aspects of a feasibility study under Subsection (1)(a) is within the exclusive discretion of the
1285 city's legislative body.

1286 (ii) An inadequacy of a feasibility study under Subsection (1)(a) may not be the basis of
1287 a legal action or other challenge to:

1288 (A) an election for voter approval of the creation of a new school district; or

1289 (B) the creation of the new school district.

1290 (2) (a) By majority vote of the legislative body, a city of any class, a town, or a county,
1291 may, together with one or more other cities, towns, or the county enter into an interlocal

1312 of a feasibility study under Subsection (2)(b)(i)(A), including whether to conduct a new

1313 feasibility study or revise a previous feasibility study due to a change in the proposed new

1314 school district boundaries, is within the exclusive discretion of the legislative bodies of the

1315 interlocal agreement participants that enter into an interlocal agreement to submit for voter

1316 approval a measure to create a new school district.

1317 (iii) An inadequacy of a feasibility study under Subsection (2)(b)(i)(A) may not be the

1318 basis of a legal action or other challenge to:

1319 (A) an election for voter approval of the creation of a new school district; or

1320 (B) the creation of the new school district.

1321 (iv) For purposes of determining whether the boundaries of a proposed new school

1322 district cross county lines under Subsection (2)(b)(i)(C)(IV):

1323 (A) a municipality located in more than one county and entirely within the boundaries

1324 of a single school district is considered to be entirely within the same county as other

1325 participants in an interlocal agreement under Subsection (2)(a) if more of the municipality's

1326 land area and population is located in that same county than outside the county; and

1327 (B) a municipality located in more than one county that participates in an interlocal

1328 agreement under Subsection (2)(a) with respect to some but not all of the area within the

1329 municipality's boundaries on the basis of the exception stated in Subsection (2)(d)(ii)(B) may

1330 not be considered to cross county lines.

1331 (c) (i) A county may only participate in an interlocal agreement under this Subsection
1332 (2) for the unincorporated areas of the county.

1333 (ii) Boundaries of a new school district created under this section may include:

1334 (A) a portion of one or more existing school districts; and

1335 (B) a portion of the unincorporated area of a county, including a portion of a township.

1337 (A) "Isolated area" means an area that:

1338 (I) is entirely within the boundaries of a municipality that, except for that area, is
1339 entirely within a school district different than the school district in which the area is located;
1340 and

1341 (II) would, because of the creation of a new school district from the existing district in
1342 which the area is located, become completely geographically isolated.

1343 (B) "Municipality's school district" means the school district that includes all of the
1344 municipality in which the isolated area is located except the isolated area.

1345 (ii) Notwithstanding Subsection (2)(b)(i)(C)(III), a municipality may be a participant in
1346 an interlocal agreement under Subsection (2)(a) with respect to some but not all of the area
1347 within the municipality's boundaries if:

1348 (A) the portion of the municipality proposed to be included in the new school district
1349 would, if not included, become an isolated area upon the creation of the new school district; or

1350 (B) (I) the portion of the municipality proposed to be included in the new school
1351 district is within the boundaries of the same school district that includes the other interlocal
1352 agreement participants; and

1353 (II) the portion of the municipality proposed to be excluded from the new school
1354 district is within the boundaries of a school district other than the school district that includes
1355 the other interlocal agreement participants.

1356 (iii) (A) Notwithstanding Subsection (2)(b)(i)(C)(II), a proposal to create a new school
1357 district may be submitted for voter approval pursuant to an interlocal agreement under
1358 Subsection (2)(a), even though the new school district boundaries would create an isolated
1359 area, if:

1360 (I) the potential isolated area is contiguous to one or more of the interlocal agreement

1361 participants;

1362 (II) the interlocal participants submit a written request to the municipality in which the
1363 potential isolated area is located, requesting the municipality to enter into an interlocal
1364 agreement under Subsection (2)(a) that proposes to submit for voter approval a measure to
1365 create a new school district that includes the potential isolated area; and

1366 (III) 90 days after a request under Subsection (2)(d)(iii)(A)(II) is submitted, the
1367 municipality has not entered into an interlocal agreement as requested in the request.

1368 (B) Each municipality receiving a request under Subsection (2)(d)(iii)(A)(II) shall hold
1369 one or more public hearings to allow input from the public and affected school districts
1370 regarding whether or not the municipality should enter into an interlocal agreement with
1371 respect to the potential isolated area.

1372 (C) (I) This Subsection (2)(d)(iii)(C) applies if:

1373 (Aa) a new school district is created under this section after a measure is submitted to
1374 voters based on the authority of Subsection (2)(d)(iii)(A); and

1375 (Bb) the creation of the new school district results in an isolated area.

1376 (II) The isolated area shall, on July 1 of the second calendar year following the local
1377 school board general election date described in Subsection (3)(a)(i), become part of the
1378 municipality's school district.

1379 (III) Unless the isolated area is the only remaining part of the existing district, the
1380 process described in Subsection (4) shall be modified to:

1381 (Aa) include a third transition team, appointed by the local school board of the
1382 municipality's school district, to represent that school district; and

1383 (Bb) require allocation of the existing district's assets and liabilities among the new
1384 district, the remaining district, and the municipality's school district.

1385 (IV) The existing district shall continue to provide educational services to the isolated
1386 area until July 1 of the second calendar year following the local school board general election
1387 date described in Subsection (3)(a)(i).

1388 (3) (a) If a proposal under this section is approved by voters:

1389 (i) an election shall be held at the next regular general election to elect:

1390 (A) members to the local school board of the existing school district whose terms are
1391 expiring;

- 1392 (B) all members to the local school board of the new school district; and
- 1393 (C) all members to the local school board of the remaining district;
- 1394 (ii) the assets and liabilities of the existing school district shall be divided between the
- 1395 remaining school district and the new school district as provided in Subsection (5) and Section
- 1396 [53A-2-121](#);
- 1397 (iii) transferred employees shall be treated in accordance with Sections [53A-2-116](#) and
- 1398 [53A-2-122](#);
- 1399 (iv) (A) an individual residing within the boundaries of a new school district at the
- 1400 time the new school district is created may, for six school years after the creation of the new
- 1401 school district, elect to enroll in a secondary school located outside the boundaries of the new
- 1402 school district if:
 - 1403 (I) the individual resides within the boundaries of that secondary school as of the day
 - 1404 before the new school district is created; and
 - 1405 (II) the individual would have been eligible to enroll in that secondary school had the
 - 1406 new school district not been created; and
 - 1407 (B) the school district in which the secondary school is located shall provide
 - 1408 educational services, including, if provided before the creation of the new school district,
 - 1409 busing, to each individual making an election under Subsection (3)(a)(iv)(A) for each school
 - 1410 year for which the individual makes the election; and
 - 1411 (v) within one year after the new district begins providing educational services, the
 - 1412 superintendent of each remaining district affected and the superintendent of the new district
 - 1413 shall meet, together with the Superintendent of Public Instruction, to determine if further
 - 1414 boundary changes should be proposed in accordance with Section [53A-2-104](#).
 - 1415 (b) (i) The terms of the initial members of the local school board of the new district and
 - 1416 remaining district shall be staggered and adjusted by the county legislative body so that
 - 1417 approximately half of the local school board is elected every two years.
 - 1418 (ii) The term of a member of the existing local school board, including a member
 - 1419 elected under Subsection (3)(a)(i)(A), terminates on July 1 of the second year after the local
 - 1420 school board general election date described in Subsection (3)(a)(i), regardless of when the
 - 1421 term would otherwise have terminated.
 - 1422 (iii) Notwithstanding the existence of a local school board for the new district and a

1423 local school board for the remaining district under Subsection (3)(a)(i), the local school board
1424 of the existing district shall continue, until the time specified in Subsection
1425 53A-2-118~~(5)~~(9)(b)(ii)(A), to function and exercise authority as a local school board to the
