587 person has failed to comply with the terms stated on a traffic citation issued in this state, except
588 this Subsection (2) does not apply to highway weight limit violations or violations of law
589 governing the transportation of hazardous materials.

590 (b) This Subsection (2) applies to parking and standing violations only if a court has
591 issued a warrant for the arrest of a person for failure to post bail, appear, or otherwise satisfy
592 the terms of the citation.

593 (c) (i) This Subsection (2) may not be exercised unless notice of the pending
594 suspension of the driving privilege has been sent at least 10 days previously to the person at the
595 address provided to the division.

596 (ii) After clearance by the division, a report authorized by Section 53-3-104 may not
597 contain any evidence of a suspension that occurred as a result of failure to comply with the
598 terms stated on a traffic citation.

599 (3) (a) The division may suspend the license of a person under Subsection (1) when the
600 division has been notified by a court that the person has an outstanding unpaid fine, an

611 (ii) The points shall be based upon actual relationships between types of traffic
612 violations and motor vehicle traffic accidents.

613 (b) Every person convicted of a traffic violation shall have assessed against the person's
614 driving record the number of points that the division has assigned to the type of violation of
615 which the person has been convicted, except that the number of points assessed shall be
616 decreased by 10% if on the abstract of the court record of the conviction the court has graded
617 the severity of violation as minimum, and shall be increased by 10% if on the abstract the court

618 has graded the severity of violation as maximum.

619 (c) (i) A separate procedure for assessing points for speeding offenses shall be
620 established by the division based upon the severity of the offense.

621 (ii) The severity of a speeding violation shall be graded as:

622 (A) "minimum" for exceeding the posted speed limit by up to 10 miles per hour;

623 (B) "intermediate" for exceeding the posted speed limit by from 11 to 20 miles per
624 hour; and

625 (C) "maximum" for exceeding the posted speed limit by 21 or more miles per hour.

626 (iii) Consideration shall be made for assessment of no points on minimum speeding
627 violations, except for speeding violations in school zones.

628 (d) (i) Points assessed against a person's driving record shall be deleted for violations
629 occurring before a time limit set by the division.

630 (ii) The time limit may not exceed three years.

631 (iii) The division may also delete points to reward violation-free driving for periods of
632 time set by the division.

633 (e) (i) By publication in two newspapers having general circulation throughout the
634 state, the division shall give notice of the number of points it has assigned to each type of
635 traffic violation, the time limit set by the division for the deletion of points, and the point level
636 at which the division will generally take action to deny or suspend under this section.

637 (ii) The division may not change any of the information provided above regarding
638 points without first giving new notice in the same manner.

639 (5) (a) (i) Upon denying or suspending the license of a person under this section, the

642 (ii) The hearing shall be documented, and the division or its authorized agent may
643 administer oaths, may issue subpoenas for the attendance of witnesses and the production of
644 relevant books and papers, and may require a reexamination of the licensee.

645 (iii) One or more members of the division may conduct the hearing, and any decision

646 made after a hearing before any number of the members of the division is as valid as if made
647 after a hearing before the full membership of the division.

648 (iv) After the hearing the division shall either rescind its order of denial or suspension,
649 extend the denial or suspension of the license, or revoke the license.

652 (i) whose license has been denied or suspended following reexamination;

653 (ii) who is incompetent to drive a motor vehicle;

654 (iii) who is afflicted with mental or physical infirmities that might make him dangerous
655 on the highways; or

656 (iv) who may not have the necessary knowledge or skill to drive a motor vehicle safely.

657 (6) (a) Subject to Subsection (6)(d), the division shall suspend a person's license when
658 the division receives notice from the Office of Recovery Services that the Office of Recovery

660 (b) A suspension under Subsection (6)(a) shall remain in effect until the division
661 receives notice from the Office of Recovery Services that the Office of Recovery Services has
662 rescinded the order of suspension.

663 (c) After an order of suspension is rescinded under Subsection (6)(b), a report
664 authorized by Section 53-3-104 may not contain any evidence of the suspension.

665 (d) (i) If the division suspends a person's license under this Subsection (6), the division
666 shall, upon application, issue a temporary limited driver license to the person if that person
667 needs a driver license for employment, education, or child visitation.

668 (ii) The temporary limited driver license described in this section:

669 (A) shall provide that the person may operate a motor vehicle only for the purpose of
670 driving to or from the person's place of employment, education, or child visitation;

671 (B) shall prohibit the person from driving a motor vehicle for any purpose other than a
672 purpose described in Subsection (6)(d)(ii)(A); and

673 (C) shall expire 90 days after the day on which the temporary limited driver license is

674 issued.

675 (iii) (A) During the period beginning on the day on which a temporary limited driver
676 license is issued under this Subsection (6), and ending on the day that the temporary limited
677 driver license expires, the suspension described in this Subsection (6) only applies if the person
678 who is suspended operates a motor vehicle for a purpose other than employment, education, or
679 child visitation.

680 (B) Upon expiration of a temporary limited driver license described in this Subsection
681 (6)(d):

682 (I) a suspension described in Subsection (6)(a) shall be in full effect until the division
683 receives notice, under Subsection (6)(b), that the order of suspension is rescinded; and

684 (II) a person suspended under Subsection (6)(a) may not drive a motor vehicle for any
685 reason.

686 (iv) The division is not required to issue a limited driver license to a person under this
687 Subsection (6)(d) if there are other legal grounds for the suspension of the person's driver
688 license.

689 (v) The division shall make rules, in accordance with Title 63G, Chapter 3, Utah
690 Administrative Rulemaking Act, to implement the provisions of this part.

691 (7) (a) The division may suspend or revoke the license of any resident of this state
692 upon receiving notice of the conviction of that person in another state of an offense committed
693 there that, if committed in this state, would be grounds for the suspension or revocation of a
694 license.

695 (b) The division may, upon receiving a record of the conviction in this state of a
696 nonresident driver of a motor vehicle or motorboat of any offense under the motor vehicle laws
697 of this state, forward a certified copy of the record to the motor vehicle administrator in the
698 state where the person convicted is a resident.

699 (8) (a) The division may suspend or revoke the license of any nonresident to drive a
700 motor vehicle in this state for any cause for which the license of a resident driver may be
701 suspended or revoked.

702 (b) Any nonresident who drives a motor vehicle upon a highway when the person's
703 license has been suspended or revoked by the division is guilty of a class C misdemeanor.

704 (9) (a) The division may not deny or suspend the license of any person for a period of
705 more than one year except:

706 (i) for failure to comply with the terms of a traffic citation under Subsection (2);

707 (ii) upon receipt of a second or subsequent order suspending juvenile driving privileges

709 (iii) when extending a denial or suspension upon receiving certain records or reports
710 under Subsection 53-3-220(2);

719 person without hearing and without receiving a record of the person's conviction for a crime
720 when the division has reason to believe that the person's license was granted by the division
721 through error or fraud or that the necessary consent for the license has been withdrawn or is
722 terminated.

723 (b) The procedure upon suspension is the same as under Subsection (5), except that
724 after the hearing the division shall either rescind its order of suspension or cancel the license.

725 (11) (a) The division, having good cause to believe that a licensed driver is
726 incompetent or otherwise not qualified to be licensed, may upon notice in a manner specified
727 by the division of at least five days to the licensee require him to submit to an examination.

728 (b) Upon the conclusion of the examination the division may suspend or revoke the
729 person's license, permit him to retain the license, or grant a license subject to a restriction

730 imposed in accordance with Section 53-3-208.

731 (c) Refusal or neglect of the licensee to submit to an examination is grounds for
732 suspension or revocation of the licensee's license.

733 (12) (a) Except as provided in Subsection (12)(b), a report authorized by Section
734 53-3-104 may not contain any evidence of a conviction for speeding on an interstate system in
735 this state if the conviction was for a speed of 10 miles per hour or less, above the posted speed
736 limit and did not result in an accident, unless authorized in a manner specified by the division
737 by the individual whose report is being requested.

738 (b) The provisions of Subsection (12)(a) do not apply for:

739 (i) a CDL license holder; or

741 (13) (a) By following the emergency procedures in Title 63G, Chapter 4,

743 if it has reason to believe that the person is the owner of a motor vehicle for which security is
744 required under Title 41, Chapter 12a, Financial Responsibility of Motor Vehicle Owners and
745 Operators Act, and has driven the motor vehicle or permitted it to be driven within this state
746 without the security being in effect.

747 (b) The division may immediately suspend a driving privilege card holder's driving
748 privilege card if the division receives notification from the Motor Vehicle Division that:

750 (ii) the driving privilege card holder's vehicle registration has been revoked under
751 Subsection 41-1a-110(2)(a)(ii)(A).

752 (c) Section 41-12a-411 regarding the requirement of proof of owner's or operator's
753 security applies to persons whose driving privileges are suspended under this Subsection (13).
