5355 (ii) If the amount transferred is reduced to prevent an operating deficit, as provided in

5358 budget for the second fiscal year following the fiscal year for which the reduction was made.

5359 (b) If, at the end of a fiscal year, there is not a General Fund revenue surplus, the

5366 (4) The Division of Finance shall calculate the amount to be transferred under

5388 hold back.

5392 designation or allocation of General Fund revenue surplus.

5393 (6) Notwithstanding Subsections (3) and (4), if, at the end of a fiscal year, the Division
5394 of Finance determines that an operating deficit exists and that holding back earmarks to the
5395 Industrial Assistance Account under Section 63N-3-106, transfers to the Wildland Fire
5396 Suppression Fund and State Disaster Recovery Restricted Account under Section 63J-1-314,
5397 transfers to the General Fund Budget Reserve Account under Section 63J-1-312, or earmarks
