33 requires the workers' compensation carrier to reimburse:

34           • the health benefit plan for the compensable medical claims plus 8% per annum

35 interest unless in settlement negotiations the health insurer agrees to waive any

36 part of the compensation; and

37           • the employee for out-of-pocket expenses associated with the compensable

38 medical claim plus 8% per annum interest;

39       ► prohibits a health care provider who received payment from a health benefit plan

40 from seeking additional reimbursement for the same medical claim from the

41 workers' compensation carrier if a final order or settlement agreement of the Labor

42 Commission determines that the claim is compensable as a workers' compensation

43 claim;

44       ► prohibits a health benefit plan from using automatic recovery or seeking

45 reimbursement from a health care provider for a medical claim paid by the health

46 benefit plan if the health benefit plan is reimbursed by a workers' compensation

47 carrier;

48       ► if a workers' compensation carrier is required to reimburse a health benefit plan for
