(b) In order to meet the provisions of this subsection, the department may seek approval for a demonstration project under 42 U.S.C. [Section] Sec. 1315 from the secretary of the United States Department of Health and Human Services. This demonstration project may also provide for the voluntary participation of private firms that:

- (i) are newly established or marginally profitable;
- (ii) do not provide health insurance to their employees;
- (iii) employ predominantly low wage workers; and
- (iv) are unable to obtain adequate and affordable health care insurance in the private market.

Section 2. Section 26-18-3.9 is amended to read:

26-18-3.9. Protecting and expanding the Medicaid program and Utah Children's Health Insurance Program.

~~[(1) Findings and purpose:]~~

~~[(a) Findings. The People of the State of Utah find that:]~~

~~[(i) Adequate medical care is crucial to the health and welfare of the residents of Utah;]~~

~~[(ii) It is essential that all Utahns have access to medical care, including preventive care, emergency services, and hospital care;]~~

~~[(iii) Utah's Medicaid program and CHIP provide care to Utahns who are unable to afford private health insurance and are not eligible for other health insurance. Medicaid and CHIP are vital parts of the Utah health care system and it is essential that they continue to provide health care for the most vulnerable citizens of our state;]~~

~~[(iv) However, over 250,000 Utahns remain uninsured and do not have adequate access~~

to health care. Over 100,000 of the uninsured would be covered by Medicaid if the State of Utah were to expand eligibility to all individuals who are in the federal optional Medicaid expansion population, as defined as of January 1, 2017;]

[~~(v) When people don't have access to care they are far more likely to develop chronic conditions, like diabetes or asthma, that often require expensive treatment for a patient's entire life, resulting in unnecessary suffering and driving up the cost of healthcare;~~]

[~~(vi) When medical providers provide care for which patients are not insured, the cost of that care is passed on to others, thus increasing the cost of medical care for all Utah residents;~~]

[~~(vii) It is critical to the survival of the Medicaid program that it remain adequately funded so that it can provide needed medical services to those who otherwise would not have access to care, and can compensate the providers who serve participants. The compensation to providers must be adequate to encourage providers to continue to treat patients on Medicaid; and]~~

[~~(viii) From moral, health and fiscal perspectives, protecting and expanding the Medicaid program in Utah is essential to maintaining the quality of life in our state.]~~

[~~(b) Purpose. The purpose of this measure is to preserve and strengthen medical care in the State of Utah by the following:~~]

[~~(i) Protecting Medicaid and CHIP so that they can continue to provide medical care to those who are currently eligible, and]~~

[~~(ii) Expanding Medicaid eligibility to adults who are in the federal optional Medicaid expansion population, as defined as of January 1, 2017.]~~

expanded to cover additional low-income individuals.

~~[(a) The standards, methodologies, and procedures for determining eligibility for the Medicaid program and CHHP shall be no more restrictive than the eligibility standards, methodologies, and procedures, respectively, that were in effect on January 1, 2017.]~~

~~[(b)] (a) Notwithstanding Sections 26-18-18 and 63J-5-204, [beginning April 1, 2019,] eligibility for the Medicaid program shall be expanded [to include all persons in the optional Medicaid expansion population under the Patient Protection and Affordable Care Act, Pub. L. No. 111-148 and the Health Care Education Reconciliation Act of 2010, Pub. L. No. 111-152, and related federal regulations and guidance, as those statutory and regulatory provisions and guidance existed on January 1, 2017.] only if the department:~~

~~(i) receives approval from CMS of a waiver or state plan amendment to implement the provision described in Subsection 26-18-415(2)(b)(viii);~~

~~(A) the Medicaid Expansion Fund, created in Section 26-36b-208;~~

~~(B) county contributions to the non-federal share of Medicaid expenditures; and~~

~~(C) any other contributions, funds, or transfers from a non-state agency for Medicaid expenditures; and~~

~~(iii) closes the Medicaid program to new enrollment under any expansion done in accordance with this section if the cost of the expansion is projected to exceed the appropriations for the fiscal year that are authorized by the Legislature through an appropriations act adopted in accordance with Title 63J, Chapter 1, Budgetary Procedures Act.~~

~~[(c) There shall be no caps on enrollment beyond those in place as of January 1, 2017.]~~

~~[(ii) Payments by the department to accountable care organizations or such other organizations shall be sufficient for the organizations to comply with the provider payment rate requirements of this section:]~~

~~[(c) This subsection (5) shall not apply to physician reimbursement for drugs or devices:]~~

(b) The department shall expand the Medicaid program if the department receives approval from CMS to implement the provisions described in Subsections 26-18-415(2)(b)(i) and (viii).
