Be it enacted by the Legislature of the state of Utah:

34 Section 1. Section **26-18-27** is enacted to read:

35 **26-18-27. Children's Coverage Outreach Pilot Program.**

36 (1) As used in this section:

37 (a) "Account" means the Children's Coverage Outreach Pilot Program Restricted

38 Account created in Subsection (7).

39 (b) "Program" means the Children's Coverage Outreach Pilot Program created in

40 Subsection (2)(a).

41 (c) "Social impact services" means service delivered in a manner that facilitates a

42 positive result or outcome for improving the quality of life of individuals or communities in a

43 county by:

44 (i) promoting economic opportunity and innovation;

45 (ii) facilitating collaboration between public and private entities;

46 (iii) improving human health and well-being;

47 (iv) providing low-income or undeserved individuals or communities with beneficial

48 products or services;

49 (v) promoting child and youth development;

50 (vi) targeting specialized populations with social innovation, including populations

51 impacted by:

52 (A) homelessness; or

53 (B) intergenerational poverty; or

54 (vii) conferring any other particular benefit on the community to create a positive

55 impact.

56 (2) (a) There is created the Children's Coverage Outreach Pilot Program within the

57 Department of Health.

59 (b) The purpose of the program is to:

60 (i) make affordable, accessible health care available to all children in Utah;

61 (ii) maximize the enrollment and retention of eligible children in the Medicaid program

62 and the Utah Children's Health Insurance Program created in Title 26, Chapter 40, Utah

63 Children's Health Insurance Act;

64 (iii) perform outreach through schools, churches, and other community organizations

65 that deliver social impact services to increase the number of children in the state who are

66 covered by health insurance;

67 (iv) increase coverage of children in Utah whose family income is at or below 200% of
68 the federal poverty level as defined in Section 26-18-411;

69 (v) create a model that ensures outreach to, enrollment of, and participation of diverse
70 communities with established partnerships and grantees with specific attention to the effect of
71 social determinants of health;

72 (vi) address the impact of social determinants of health through social impact services
73 in outreach and delivery of health care services to all Utah children;

74 (vii) administer the grant program described in Subsection (4);

75 (viii) conduct the media outreach campaign described in Subsection (5); and

76 (ix) provide enrollment assistance as described in Subsection (6).

77 (3) The department shall convene a working group that consists of individuals with
78 experience in delivering social impact services and conducting outreach to the individuals
79 described in Subsection (2) to create and carry out the program.

80 (4) To maximize the enrollment and retention of eligible children in the Medicaid
81 program and the Utah Children's Health Insurance Program created in Title 26, Chapter 40,
82 Utah Children's Health Insurance Act, the department shall collaborate with the working group
83 described in Subsection (3) to develop and administer a grant program to provide funding to
84 organizations and community based groups to deliver culturally specific and targeted outreach
85 and direct application assistance to:

86 (a) members of racial, ethnic, and language minority communities;

87 (b) children living in geographic isolation; and

88 (c) children and family members with additional barriers to accessing health care,
89 including:

- (i) cognitive, mental health, or sensory disorders;
- (ii) physical disabilities;
- (iii) chemical dependency; and
- (iv) children experiencing homelessness.

(5) The department shall develop a media outreach campaign in collaboration with:

- (a) the working group created in Subsection (3); and
- (b) the recipients of grant funds under Subsection (4).

(6) The department shall provide enrollment assistance to individuals through:

- (a) school based settings;
- (b) safety net clinics; and
- (c) community health workers.

(7) (a) There is created a restricted account within the General Fund known as the

"Children's Coverage Outreach Pilot Program Restricted Account."

(b) The restricted account consists of:

(i) money appropriated to the restricted account by the Legislature;

(ii) private donations; and

(iii) all income and interest derived from the deposit and investment of money in the
it.

(c) Subject to legislative appropriations, money in the restricted account may be used to fund activities related to the program created in this chapter.

(d) (i) Except as provided in Subsection (7)(d)(ii), the program shall be funded solely
money from the account.

(ii) The department shall maximize available funding for emergency Medicaid services for children before using funds from the account.

Section 2. Section **26-18-28** is enacted to read:

26-18-28. Presumptive eligibility for children -- Expansion of coverage to all Utahen.
