 229 *Be it enacted by the Legislature of the state of Utah:*

230 Section 1. Section **4-35-107** is amended to read:

231 **4-35-107. Notice to owner or occupant -- Corrective action required -- Directive**
 232 **issued by department -- Costs -- Owner or occupant may prohibit treatment.**

233 (1) The department or an authorized agent of the department shall notify the owner or
 234 occupant of the problem and the available alternatives to remedy the problem. The owner or
 235 occupant shall take corrective action within 30 days.

236 (2) (a) If the owner or occupant fails to take corrective action under Subsection (1), the
 237 department may issue a directive for corrective action which shall be taken within 15 days.

238 (b) If the owner or occupant fails to act within the required time, the department shall
 239 take the necessary action.

240 (c) The department may recover costs incurred for controlling an insect infestation
 241 emergency from the owner or occupant of the property on whose property corrective action was
 242 taken.

243 (3) (a) Owners or occupants of property may prohibit treatment by presenting an
244 affidavit from the owner's or occupant's attending physician or physician assistant to the
245 department which states that the treatment as planned is a danger to the owner's or occupant's
246 health.

247 (b) The department shall provide the owner or occupant with alternatives to treatment
248 which will abate the infestation.

249 Section 2. Section **13-53-107** is amended to read:

250 **13-53-107. Participant screening.**

251 (1) A residential, vocational and life skills program shall interview and screen all
252 prospective participants for medical prescriptions, physical and mental health history, and
253 recent alcohol or drug use.

254 (2) Unless an individual obtains a medical clearance from a physician or physician
255 assistant, a residential, vocational and life skills program may not have as a participant an
256 individual who:

257 (a) has a recent diagnosis of a mental, social, psychiatric, or psychological illness; or

258 (b) has an active prescription for medication for a mental, social, psychiatric, or
259 psychological illness.

260 (3) A residential, vocational and life skills program may not admit a minor.

261 Section 3. Section **16-11-2** is amended to read:

262 **16-11-2. Definitions.**

263 As used in this chapter:

325 Section 4. Section **20A-1-501** is amended to read:

326 **20A-1-501. Candidate vacancies -- Procedure for filling.**

327 (1) The state central committee of a political party, for candidates for United States
 328 senator, United States representative, governor, lieutenant governor, attorney general, state
 329 treasurer, and state auditor, and for legislative candidates whose legislative districts encompass
 330 more than one county, and the county central committee of a political party, for all other party
 331 candidates seeking an office elected at a regular general election, may certify the name of
 332 another candidate to the appropriate election officer if:

333 (a) for a registered political party that will have a candidate on a ballot in a primary
 334 election, after the close of the period for filing a declaration of candidacy and continuing
 335 through the day before the day on which the lieutenant governor provides the list described in

336 Subsection 20A-9-403(4)(a):

337 (i) only one or two candidates from that party have filed a declaration of candidacy for
338 that office; and

339 (ii) one or both:

340 (A) dies;

341 (B) resigns because of acquiring a physical or mental disability, certified by a physician
342 or physician assistant, that prevents the candidate from continuing the candidacy; or

343 (C) is disqualified by an election officer for improper filing or nominating procedures;

344 (b) for a registered political party that does not have a candidate on the ballot in a
345 primary, but that will have a candidate on the ballot for a general election, after the close of the
346 period for filing a declaration of candidacy and continuing through the day before the day on
347 which the lieutenant governor makes the certification described in Section 20A-5-409, the
348 party's candidate:

349 (i) dies;

350 (ii) resigns because of acquiring a physical or mental disability as certified by a
351 physician or physician assistant;

352 (iii) is disqualified by an election officer for improper filing or nominating procedures;

353 or

354 (iv) resigns to become a candidate for president or vice president of the United States;

355 or

356 (c) for a registered political party with a candidate certified as winning a primary
357 election, after the deadline described in Subsection (1)(a) and continuing through the day
358 before that day on which the lieutenant governor makes the certification described in Section
359 20A-5-409, the party's candidate:

360 (i) dies;

361 (ii) resigns because of acquiring a physical or mental disability as certified by a
362 physician or physician assistant;

363 (iii) is disqualified by an election officer for improper filing or nominating procedures;

364 or

365 (iv) resigns to become a candidate for president or vice president of the United States.

366 (2) If no more than two candidates from a political party have filed a declaration of

367 candidacy for an office elected at a regular general election and one resigns to become the party
368 candidate for another position, the state central committee of that political party, for candidates
369 for governor, lieutenant governor, attorney general, state treasurer, and state auditor, and for
370 legislative candidates whose legislative districts encompass more than one county, and the
371 county central committee of that political party, for all other party candidates, may certify the
372 name of another candidate to the appropriate election officer.

373 (3) Each replacement candidate shall file a declaration of candidacy as required by
374 Title 20A, Chapter 9, Part 2, Candidate Qualifications and Declarations of Candidacy.

375 (4) (a) The name of a candidate who is certified under Subsection (1)(a) after the
376 deadline described in Subsection (1)(a) may not appear on the primary election ballot.

377 (b) The name of a candidate who is certified under Subsection (1)(b) after the deadline
378 described in Subsection (1)(b) may not appear on the general election ballot.

379 (c) The name of a candidate who is certified under Subsection (1)(c) after the deadline
380 described in Subsection (1)(c) may not appear on the general election ballot.

381 (5) A political party may not replace a candidate who is disqualified for failure to
382 timely file a campaign disclosure financial report under Title 20A, Chapter 11, Campaign and
383 Financial Reporting Requirements, or Section 17-16-6.5.

384 Section 5. Section 23-19-36 is amended to read:

385 **23-19-36. Persons with a physical or intellectual disability, terminally ill persons,**
386 **and children in the custody of the state -- License to fish for free.**

387 (1) A resident who is blind, has paraplegia, or has another permanent disability so as to
388 be permanently confined to a wheelchair or the use of crutches, or who has lost either or both
389 lower extremities, may receive a free license to fish upon furnishing satisfactory proof of this
390 fact to the Division of Wildlife Resources.

391 (2) A resident who has an intellectual disability and is not eligible under Section
392 23-19-14 to fish without a license may receive a free license to fish upon furnishing
393 verification from a physician or physician assistant that the person has an intellectual disability.

394 (3) A resident who is terminally ill, and has less than five years to live, may receive a
395 free license to fish:

396 (a) upon furnishing verification from a physician or physician assistant; and

397 (b) if the resident qualifies for assistance under any low income public assistance

398 program administered by a state agency.

399 (4) A child placed in the custody of the state by a court order may receive a free fishing
400 license upon furnishing verification of custody to the Division of Wildlife Resources.

401 Section 6. Section **23-19-38** is amended to read:

402 **23-19-38. Sales of licenses, certificates, or permits final -- Exceptions --**
403 **Reallocation of surrendered permits.**

404 (1) Sales of all licenses, certificates, or permits are final, and no refunds may be made
405 by the division except as provided in Subsections (2) and (3).

406 (2) The division may refund the amount of the license, certificate, or permit if:

407 (a) the division or the Wildlife Board discontinues the activity for which the license,
408 certificate, or permit was obtained;

409 (b) the division determines that it has erroneously collected a fee;

410 (c) (i) the person to whom the license, certificate, or permit is issued becomes ill or
411 suffers an injury that precludes the person from using the license, certificate, or permit;

412 (ii) the person furnishes verification of illness or injury from a physician or physician
413 assistant;

414 (iii) the person does not actually use the license, certificate, or permit; and

415 (iv) the license, certificate, or permit is surrendered before the end of the season for
416 which the permit was issued; or

417 (d) the person to whom the license, certificate, or permit is issued dies prior to the
418 person being able to use the license, certificate, or permit.

419 (3) The Wildlife Board may establish additional exceptions in rule to the refund
420 prohibitions in Subsection (1).

421 (4) The division director may reallocate surrendered permits in accordance with rules
422 adopted by the Wildlife Board.

423 Section 7. Section **26-2-5** is amended to read:

424 **26-2-5. Birth certificates -- Execution and registration requirements.**

425 (1) As used in this section, "birthing facility" means a general acute hospital or birthing
426 center as defined in Section **26-21-2**.

427 (2) For each live birth occurring in the state, a certificate shall be filed with the local
428 registrar for the district in which the birth occurred within 10 days following the birth. The

429 certificate shall be registered if it is completed and filed in accordance with this chapter.

430 (3) (a) For each live birth that occurs in a birthing facility, the administrator of the
431 birthing facility, or his designee, shall obtain and enter the information required under this
432 chapter on the certificate, securing the required signatures, and filing the certificate.

433 (b) (i) The date, time, place of birth, and required medical information shall be certified
434 by the birthing facility administrator or his designee.

435 (ii) The attending physician or nurse midwife may sign the certificate, but if the
436 attending physician or nurse midwife has not signed the certificate within seven days of the
437 date of birth, the birthing facility administrator or his designee shall enter the attending
438 physician's or nurse midwife's name and transmit the certificate to the local registrar.

439 (iii) The information on the certificate about the parents shall be provided and certified
440 by the mother or father or, in their incapacity or absence, by a person with knowledge of the
441 facts.

442 (4) (a) For live births that occur outside a birthing facility, the birth certificate shall be
443 completed and filed by the physician, physician assistant, nurse, midwife, or other person
444 primarily responsible for providing assistance to the mother at the birth. If there is no such
445 person, either the presumed or declarant father shall complete and file the certificate. In his
446 absence, the mother shall complete and file the certificate, and in the event of her death or
447 disability, the owner or operator of the premises where the birth occurred shall do so.

448 (b) The certificate shall be completed as fully as possible and shall include the date,
449 time, and place of birth, the mother's name, and the signature of the person completing the
450 certificate.

451 (5) (a) For each live birth to an unmarried mother that occurs in a birthing facility, the
452 administrator or director of that facility, or his designee, shall:

453 (i) provide the birth mother and declarant father, if present, with:

454 (A) a voluntary declaration of paternity form published by the state registrar;

455 (B) oral and written notice to the birth mother and declarant father of the alternatives
456 to, the legal consequences of, and the rights and responsibilities that arise from signing the
457 declaration; and

458 (C) the opportunity to sign the declaration;

459 (ii) witness the signature of a birth mother or declarant father in accordance with

460 Section [78B-15-302](#) if the signature occurs at the facility;

461 (iii) enter the declarant father's information on the original birth certificate, but only if
462 the mother and declarant father have signed a voluntary declaration of paternity or a court or
463 administrative agency has issued an adjudication of paternity; and

464 (iv) file the completed declaration with the original birth certificate.

465 (b) If there is a presumed father, the voluntary declaration will only be valid if the
466 presumed father also signs the voluntary declaration.

467 (c) The state registrar shall file the information provided on the voluntary declaration
468 of paternity form with the original birth certificate and may provide certified copies of the
469 declaration of paternity as otherwise provided under Title 78B, Chapter 15, Utah Uniform
470 Parentage Act.

471 (6) (a) The state registrar shall publish a form for the voluntary declaration of paternity,
472 a description of the process for filing a voluntary declaration of paternity, and of the rights and
473 responsibilities established or effected by that filing, in accordance with Title 78B, Chapter 15,
474 Utah Uniform Parentage Act.

475 (b) Information regarding the form and services related to voluntary paternity
476 establishment shall be made available to birthing facilities and to any other entity or individual
477 upon request.

478 (7) The name of a declarant father may only be included on the birth certificate of a
479 child of unmarried parents if:

480 (a) the mother and declarant father have signed a voluntary declaration of paternity; or

481 (b) a court or administrative agency has issued an adjudication of paternity.

482 (8) Voluntary declarations of paternity, adjudications of paternity by judicial or
483 administrative agencies, and voluntary rescissions of paternity shall be filed with and
484 maintained by the state registrar for the purpose of comparing information with the state case
485 registry maintained by the Office of Recovery Services pursuant to Section [62A-11-104](#).

486 Section 8. Section **26-4-2** is amended to read:

487 **26-4-2. Definitions.**

488 As used in this chapter:

489 (1) "Dead body" is as defined in Section [26-2-2](#).

490 (2) "Death by violence" means death that resulted by the decedent's exposure to

491 physical, mechanical, or chemical forces, and includes death which appears to have been due to
492 homicide, death which occurred during or in an attempt to commit rape, mayhem, kidnapping,
493 robbery, burglary, housebreaking, extortion, or blackmail accompanied by threats of violence,
494 assault with a dangerous weapon, assault with intent to commit any offense punishable by
495 imprisonment for more than one year, arson punishable by imprisonment for more than one
496 year, or any attempt to commit any of the foregoing offenses.

497 (3) "Immediate relative" means an individual's spouse, child, parent, sibling,
498 grandparent, or grandchild.

499 (4) "Medical examiner" means the state medical examiner appointed pursuant to
500 Section 26-4-4 or a deputy appointed by the medical examiner.

501 (5) "Medical examiner record" means:

502 (a) all information that the medical examiner obtains regarding a decedent; and

503 (b) reports that the medical examiner makes regarding a decedent.

504 (6) "Regional pathologist" means a trained pathologist licensed to practice medicine
505 and surgery in the state, appointed by the medical examiner pursuant to Subsection 26-4-4(3).

506 (7) "Sudden death while in apparent good health" means apparently instantaneous
507 death without obvious natural cause, death during or following an unexplained syncope or
508 coma, or death during an acute or unexplained rapidly fatal illness.

509 (8) "Sudden infant death syndrome" means the death of a child who was thought to be
510 in good health or whose terminal illness appeared to be so mild that the possibility of a fatal
511 outcome was not anticipated.

512 (9) "Suicide" means death caused by an intentional and voluntary act of a person who
513 understands the physical nature of the act and intends by such act to accomplish
514 self-destruction.

515 (10) "Unattended death" means the death of a person who has not been seen by a
516 physician or physician assistant within the scope of the physician's or physician assistant's
517 professional capacity within 30 days immediately prior to the date of death. This definition
518 does not require an investigation, autopsy, or inquest in any case where death occurred without
519 medical attendance solely because the deceased was under treatment by prayer or spiritual
520 means alone in accordance with the tenets and practices of a well-recognized church or
521 religious denomination.

522 (11) (a) "Unavailable for postmortem investigation" means that a dead body is:
523 (i) transported out of state;
524 (ii) buried at sea;
525 (iii) cremated;
526 (iv) processed by alkaline hydrolysis; or
527 (v) otherwise made unavailable to the medical examiner for postmortem investigation
528 or autopsy.

529 (b) "Unavailable for postmortem investigation" does not include embalming or burial
530 of a dead body pursuant to the requirements of law.

531 (12) "Within the scope of the decedent's employment" means all acts reasonably
532 necessary or incident to the performance of work, including matters of personal convenience
533 and comfort not in conflict with specific instructions.

534 Section 9. Section **26-4-14** is amended to read:

535 **26-4-14. Certification of death by attending physician or physician assistant --**
536 **Deaths without medical attendance -- Cause of death uncertain -- Notice requirements.**

537 The physician or physician assistant in attendance at the last illness of a deceased
538 person who, in the judgment of the physician or physician assistant, does not appear to have
539 died in a manner described in Section **26-4-7**, shall certify the cause of death to his best
540 knowledge and belief. When there is no physician or physician assistant in attendance during
541 the last illness or when an attending physician or physician assistant is unable to determine
542 with reasonable certainty the cause of death, the physician, physician assistant, or person with
543 custody of the body shall so notify the medical examiner. If the medical examiner has reason to
544 believe there may be criminal responsibility for the death, he shall notify the district attorney or
545 county attorney having criminal jurisdiction or the head of the law enforcement agency having
546 jurisdiction to make further investigation of the death.

547 Section 10. Section **26-4-17** is amended to read:

548 **26-4-17. Records of medical examiner -- Confidentiality.**

549 (1) The medical examiner shall maintain complete, original records for the medical
550 examiner record, which shall:

551 (a) be properly indexed, giving the name, if known, or otherwise identifying every
552 individual whose death is investigated;

- 553 (b) indicate the place where the body was found;
- 554 (c) indicate the date of death;
- 555 (d) indicate the cause and manner of death;
- 556 (e) indicate the occupation of the decedent, if available;
- 557 (f) include all other relevant information concerning the death; and
- 558 (g) include a full report and detailed findings of the autopsy or report of the
- 559 investigation.

560 (2) Upon written request from an individual described in Subsections (2)(a) through

561 (d), the medical examiner shall provide a copy of the medical examiner's final report of

562 examination for the decedent, including the autopsy report, toxicology report, lab reports, and

563 investigative reports to:

- 564 (a) a decedent's immediate relative;
- 565 (b) a decedent's legal representative;
- 566 (c) a physician or physician assistant who attended the decedent during the year before
- 567 the decedent's death; or
- 568 (d) as necessary for the performance of the individual's professional duties, a county
- 569 attorney, a district attorney, a criminal defense attorney, or other law enforcement official with
- 570 jurisdiction.

571 (3) Reports provided under Subsection (2) may not include records that the medical

572 examiner obtains from a third party in the course of investigating the decedent's death.

573 (4) The medical examiner may provide a medical examiner record to a researcher who:

- 574 (a) has an advanced degree;
- 575 (b) (i) is affiliated with an accredited college or university, a hospital, or another
- 576 system of care, including an emergency medical response or a local health agency; or
- 577 (ii) is part of a research firm contracted with an accredited college or university, a
- 578 hospital, or another system of care;

579 (c) requests a medical examiner record for a research project or a quality improvement

580 initiative that will have a public health benefit, as determined by the Department of Health; and

581 (d) provides to the medical examiner an approval from:

- 582 (i) the researcher's sponsoring organization; and
- 583 (ii) the Utah Department of Health Institutional Review Board.

584 (5) Records provided under Subsection (4) may not include a third party record, unless:

585 (a) a court has ordered disclosure of the third party record; and

586 (b) disclosure is conducted in compliance with state and federal law.

587 (6) A person who obtains a medical examiner record under Subsection (4) shall:

588 (a) maintain the confidentiality of the medical examiner record by removing personally
589 identifying information about a decedent or the decedent's family and any other information

590 that may be used to identify a decedent before using the medical examiner record in research;

591 (b) conduct any research within and under the supervision of the Office of the Medical
592 Examiner, if the medical examiner record contains a third party record with personally
593 identifiable information;

594 (c) limit the use of a medical examiner record to the purpose for which the person
595 requested the medical examiner record;

596 (d) destroy a medical examiner record and the data abstracted from the medical
597 examiner record at the conclusion of the research for which the person requested the medical
598 examiner record;

599 (e) reimburse the medical examiner, as provided in Section 26-1-6, for any costs
600 incurred by the medical examiner in providing a medical examiner record;

601 (f) allow the medical examiner to review, before public release, a publication in which
602 data from a medical examiner record is referenced or analyzed; and

603 (g) provide the medical examiner access to the researcher's database containing data
604 from a medical examiner record, until the day on which the researcher permanently destroys
605 the medical examiner record and all data obtained from the medical examiner record.

606 (7) Except as provided in this chapter or ordered by a court, the medical examiner may
607 not disclose any part of a medical examiner record.

608 (8) A person who obtains a medical examiner record under Subsection (4) is guilty of a
609 class B misdemeanor, if the person fails to comply with the requirements of Subsections (6)(a)
610 through (d).

611 Section 11. Section 26-6-3 is amended to read:

612 **26-6-3. Authority to investigate and control epidemic infections and**
613 **communicable disease.**

614 (1) The department has authority to investigate and control the causes of epidemic

615 infections and communicable disease, and shall provide for the detection, reporting,
616 prevention, and control of communicable diseases and epidemic infections or any other health
617 hazard which may affect the public health.

618 (2) (a) As part of the requirements of Subsection (1), the department shall distribute to
619 the public and to health care professionals:

620 (i) medically accurate information about sexually transmitted diseases that may cause
621 infertility and sterility if left untreated, including descriptions of:

622 (A) the probable side effects resulting from an untreated sexually transmitted disease,
623 including infertility and sterility;

624 (B) medically accepted treatment for sexually transmitted diseases;

625 (C) the medical risks commonly associated with the medical treatment of sexually
626 transmitted diseases; and

627 (D) [~~suggest~~] suggested screening by a private physician or physician assistant; and

628 (ii) information about:

629 (A) public services and agencies available to assist individuals with obtaining
630 treatment for the sexually transmitted disease;

631 (B) medical assistance benefits that may be available to the individual with the
632 sexually transmitted disease; and

633 (C) abstinence before marriage and fidelity after marriage being the surest prevention
634 of sexually transmitted disease.

635 (b) The information required by Subsection (2)(a):

636 (i) shall be distributed by the department and by local health departments free of
637 charge;

638 (ii) shall be relevant to the geographic location in which the information is distributed
639 by:

640 (A) listing addresses and telephone numbers for public clinics and agencies providing
641 services in the geographic area in which the information is distributed; and

642 (B) providing the information in English as well as other languages that may be
643 appropriate for the geographic area.

644 (c) (i) Except as provided in Subsection (2)(c)(ii), the department shall develop written
645 material that includes the information required by this Subsection (2).

646 (ii) In addition to the written materials required by Subsection (2)(c)(i), the department
647 may distribute the information required by this Subsection (2) by any other methods the
648 department determines is appropriate to educate the public, excluding public schools, including
649 websites, toll free telephone numbers, and the media.

650 (iii) If the information required by Subsection (2)(b)(ii)(A) is not included in the
651 written pamphlet developed by the department, the written material shall include either a
652 website, or a 24-hour toll free telephone number that the public may use to obtain that
653 information.

654 Section 12. Section **26-6-17** is amended to read:

655 **26-6-17. Venereal disease -- Examinations by authorities -- Treatment of infected**
656 **persons.**

657 State, county, and municipal health officers within their respective jurisdictions may
658 make examinations of persons reasonably suspected of being infected with venereal disease.
659 Persons infected with venereal disease shall be required to report for treatment to either a
660 reputable physician or physician assistant and continue treatment until cured or to submit to
661 treatment provided at public expense until cured.

662 Section 13. Section **26-6-18** is amended to read:

663 **26-6-18. Venereal disease -- Consent of minor to treatment.**

664 (1) A consent to medical care or services by a hospital or public clinic or the
665 performance of medical care or services by a licensed physician or physician assistant executed
666 by a minor who is or professes to be afflicted with a sexually transmitted disease, shall have the
667 same legal effect upon the minor and the same legal obligations with regard to the giving of
668 consent as a consent given by a person of full legal age and capacity, the infancy of the minor
669 and any contrary provision of law notwithstanding.

670 (2) The consent of the minor is not subject to later disaffirmance by reason of minority
671 at the time it was given and the consent of no other person or persons shall be necessary to
672 authorize hospital or clinical care or services to be provided to the minor by a licensed
673 physician or physician assistant.

674 (3) The provisions of this section shall apply also to minors who profess to be in need
675 of hospital or clinical care and services or medical care or services provided by a physician or
676 physician assistant for suspected sexually transmitted disease, regardless of whether such

677 professed suspicions are subsequently substantiated on a medical basis.

678 Section 14. Section **26-6-19** is amended to read:

679 **26-6-19. Venereal disease -- Examination and treatment of persons in prison or**
680 **jail.**

681 (1) All persons confined in any state, county, or city prison or jail shall be examined,
682 and if infected, treated for venereal diseases by the health authorities. The prison authorities of
683 every state, county, or city prison or jail shall make available to the health authorities such
684 portion of the prison or jail as may be necessary for a clinic or hospital wherein all persons
685 suffering with venereal disease at the time of the expiration of their terms of imprisonment,
686 shall be isolated and treated at public expense until cured.

687 (2) The department may require persons suffering with venereal disease at the time of
688 the expiration of their terms of imprisonment to report for treatment to a licensed physician or
689 physician assistant or submit to treatment provided at public expense in lieu of isolation.

690 Nothing in this section shall interfere with the service of any sentence imposed by a court as a
691 punishment for the commission of crime.

692 Section 15. Section **26-6-20** is amended to read:

693 **26-6-20. Serological testing of pregnant or recently delivered women.**

694 (1) Every licensed physician and surgeon attending a pregnant or recently delivered
695 woman for conditions relating to her pregnancy shall take or cause to be taken a sample of
696 blood of the woman at the time of first examination or within 10 days thereafter. The blood
697 sample shall be submitted to an approved laboratory for a standard serological test for syphilis.
698 The provisions of this section do not apply to any female who objects thereto on the grounds
699 that she is a bona fide member of a specified, well recognized religious organization whose
700 teachings are contrary to the tests.

701 (2) Every other person attending a pregnant or recently delivered woman, who is not
702 permitted by law to take blood samples, shall within 10 days from the time of first attendance
703 cause a sample of blood to be taken by a licensed physician or physician assistant. The blood
704 sample shall be submitted to an approved laboratory for a standard serological test for syphilis.

705 (3) An approved laboratory is a laboratory approved by the department according to its
706 rules governing the approval of laboratories for the purpose of this title. In submitting the
707 sample to the laboratory the physician or physician assistant shall designate whether it is a

708 prenatal test or a test following recent delivery.

709 (4) For the purpose of this chapter, a "standard serological test" means a test for
710 syphilis approved by the department and made at an approved laboratory.

711 (5) The laboratory shall transmit a detailed report of the standard serological test,
712 showing the result thereof to the physician or physician assistant.

713 Section 16. Section **26-6b-5** is amended to read:

714 **26-6b-5. Petition for judicial review of order of restriction -- Court-ordered**
715 **examination period.**

716 (1) (a) A department may petition for a judicial review of the department's order of
717 restriction for an individual or group of individuals who are subject to restriction by filing a
718 written petition with the district court of the county in which the individual or group of
719 individuals reside or are located.

720 (b) (i) The county attorney for the county where the individual or group of individuals
721 reside or are located shall represent the local health department in any proceedings under this
722 chapter.

723 (ii) The Office of the Attorney General shall represent the department when the
724 petitioner is the Department of Health in any proceedings under this chapter.

725 (2) The petition under Subsection (1) shall be accompanied by:

726 (a) written affidavit of the department stating:

727 (i) a belief the individual or group of individuals are subject to restriction;

728 (ii) a belief that the individual or group of individuals who are subject to restriction are
729 likely to fail to submit to examination, treatment, quarantine, or isolation if not immediately
730 restrained;

731 (iii) this failure would pose a threat to the public health; and

732 (iv) the personal knowledge of the individual's or group of individuals' condition or the
733 circumstances that lead to that belief; and

734 (b) a written statement by a licensed physician or physician assistant indicating the
735 physician or physician assistant finds the individual or group of individuals are subject to
736 restriction.

737 (3) The court shall issue an order of restriction requiring the individual or group of
738 individuals to submit to involuntary restriction to protect the public health if the district court

739 finds:

740 (a) there is a reasonable basis to believe that the individual's or group of individuals'
741 condition requires involuntary examination, quarantine, treatment, or isolation pending
742 examination and hearing; or

743 (b) the individual or group of individuals have refused to submit to examination by a
744 health professional as directed by the department or to voluntarily submit to examination,
745 treatment, quarantine, or isolation.

746 (4) If the individual or group of individuals who are subject to restriction are not in
747 custody, the court may make its determination and issue its order of restriction in an ex parte
748 hearing.

749 (5) At least 24 hours prior to the hearing required by Section 26-6b-6, the department
750 which is the petitioner, shall report to the court, in writing, the opinion of qualified health care
751 providers:

752 (a) regarding whether the individual or group of individuals are infected by or
753 contaminated with:

754 (i) a communicable or possible communicable disease that poses a threat to public
755 health;

756 (ii) an infectious agent or possibly infectious agent that poses a threat to public health;

757 (iii) a chemical or biological agent that poses a threat to public health; or

758 (iv) a condition that poses a threat to public health;

759 (b) that despite the exercise of reasonable diligence, the diagnostic studies have not
760 been completed;

761 (c) whether the individual or group of individuals have agreed to voluntarily comply
762 with necessary examination, treatment, quarantine, or isolation; and

763 (d) whether the petitioner believes the individual or group of individuals will comply
764 without court proceedings.

765 Section 17. Section **26-8a-251** is amended to read:

766 **26-8a-251. Trauma system advisory committee.**

767 (1) There is created within the department the trauma system advisory committee.

768 (2) (a) The committee shall be comprised of individuals knowledgeable in adult or
769 pediatric trauma care, including physicians, physician assistants, nurses, hospital

770 administrators, emergency medical services personnel, government officials, consumers, and
771 persons affiliated with professional health care associations.

772 (b) Representation on the committee shall be broad and balanced among the health care
773 delivery systems in the state with no more than three representatives coming from any single
774 delivery system.

775 (3) The committee shall:

776 (a) advise the department regarding trauma system needs throughout the state;

777 (b) assist the department in evaluating the quality and outcomes of the overall trauma
778 system;

779 (c) review and comment on proposals and rules governing the statewide trauma
780 system; and

781 (d) make recommendations for the development of statewide triage, treatment,
782 transportation, and transfer guidelines.

783 (4) The department shall:

784 (a) determine, by rule, the term and causes for removal of committee members;

785 (b) establish committee procedures and administration policies consistent with this
786 chapter and department rule; and

787 (c) provide administrative support to the committee.

788 Section 18. Section **26-8a-601** is amended to read:

789 **26-8a-601. Persons and activities exempt from civil liability.**

790 (1) (a) Except as provided in Subsection (1)(b), a licensed physician, physician's
791 assistant, or licensed registered nurse who, gratuitously and in good faith, gives oral or written
792 instructions to any of the following is not liable for any civil damages as a result of issuing the
793 instructions:

794 (i) an individual licensed under Section [26-8a-302](#);

795 (ii) a person who uses a fully automated external defibrillator, as defined in Section
796 [26-8b-102](#); or

797 (iii) a person who administers CPR, as defined in Section [26-8b-102](#).

798 (b) The liability protection described in Subsection (1)(a) does not apply if the
799 instructions given were the result of gross negligence or willful misconduct.

800 (2) An individual licensed under Section [26-8a-302](#), during either training or after

801 licensure, a licensed physician, a ~~[physician's]~~ physician assistant, or a registered nurse who,
802 gratuitously and in good faith, provides emergency medical instructions or renders emergency
803 medical care authorized by this chapter is not liable for any civil damages as a result of any act
804 or omission in providing the emergency medical instructions or medical care, unless the act or
805 omission is the result of gross negligence or willful misconduct.

806 (3) An individual licensed under Section [26-8a-302](#) is not subject to civil liability for
807 failure to obtain consent in rendering emergency medical services authorized by this chapter to
808 any individual who is unable to give his consent, regardless of the individual's age, where there
809 is no other person present legally authorized to consent to emergency medical care, provided
810 that the licensed individual acted in good faith.

811 (4) A principal, agent, contractor, employee, or representative of an agency,
812 organization, institution, corporation, or entity of state or local government that sponsors,
813 authorizes, supports, finances, or supervises any functions of an individual licensed under
814 Section [26-8a-302](#) is not liable for any civil damages for any act or omission in connection with
815 such sponsorship, authorization, support, finance, or supervision of the licensed individual
816 where the act or omission occurs in connection with the licensed individual's training or occurs
817 outside a hospital where the life of a patient is in immediate danger, unless the act or omission
818 is inconsistent with the training of the licensed individual, and unless the act or omission is the
819 result of gross negligence or willful misconduct.

820 (5) A physician or physician assistant who gratuitously and in good faith arranges for,
821 requests, recommends, or initiates the transfer of a patient from a hospital to a critical care unit
822 in another hospital is not liable for any civil damages as a result of such transfer where:

823 (a) sound medical judgment indicates that the patient's medical condition is beyond the
824 care capability of the transferring hospital or the medical community in which that hospital is
825 located; and

826 (b) the physician or physician assistant has secured an agreement from the receiving
827 facility to accept and render necessary treatment to the patient.

828 (6) A person who is a registered member of the National Ski Patrol System (NSPS) or
829 a member of a ski patrol who has completed a course in winter emergency care offered by the
830 NSPS combined with CPR for medical technicians offered by the American Red Cross or
831 American Heart Association, or an equivalent course of instruction, and who in good faith

832 renders emergency care in the course of ski patrol duties is not liable for civil damages as a
833 result of any act or omission in rendering the emergency care, unless the act or omission is the
834 result of gross negligence or willful misconduct.

835 (7) An emergency medical service provider who, in good faith, transports an individual
836 against his will but at the direction of a law enforcement officer pursuant to Section
837 [62A-15-629](#) is not liable for civil damages for transporting the individual.

838 Section 19. Section **26-8d-104** is amended to read:

839 **26-8d-104. Stroke registry advisory committee.**

840 (1) There is created within the department a stroke registry advisory committee.

841 (2) The stroke registry advisory committee created in Subsection (1) shall:

842 (a) be composed of individuals knowledgeable in adult and pediatric stroke care,
843 including physicians, physician assistants, nurses, hospital administrators, emergency medical
844 services personnel, government officials, consumers, and persons affiliated with professional
845 health care associations;

846 (b) advise the department regarding the development and implementation of the stroke
847 registry;

848 (c) assist the department in evaluating the quality and outcomes of the stroke registry;
849 and

850 (d) review and comment on proposals and rules governing the statewide stroke registry.

851 Section 20. Section **26-8d-105** is amended to read:

852 **26-8d-105. Cardiac registry advisory committee.**

853 (1) There is created within the department a cardiac registry advisory committee.

854 (2) The cardiac registry advisory committee created in Subsection (1) shall:

855 (a) be composed of individuals knowledgeable in adult and pediatric cardiac care,
856 including physicians, physician assistants, nurses, hospital administrators, emergency medical
857 services personnel, government officials, consumers, and persons affiliated with professional
858 health care associations;

859 (b) advise the department regarding the development and implementation of the
860 cardiac registry;

861 (c) assist the department in evaluating the quality and outcomes of the cardiac registry;
862 and

863 (d) review and comment on proposals and rules governing the statewide cardiac
864 registry.

865 Section 21. Section **26-10-11** is amended to read:

866 **26-10-11. Children's Hearing Aid Program.**

867 (1) The department shall offer a program to provide hearing aids to children who
868 qualify under this section.

869 (2) The department shall provide hearing aids to a child who:

870 (a) is younger than six years old;

871 (b) is a resident of Utah;

872 (c) has been diagnosed with hearing loss by:

873 (i) an audiologist with pediatric expertise; and

874 (ii) a physician or physician assistant;

875 (d) provides documentation from an audiologist with pediatric expertise certifying that
876 the child needs hearing aids;

877 (e) has obtained medical clearance by a medical provider for hearing aid fitting;

878 (f) does not qualify to receive a contribution that equals the full cost of a hearing aid
879 from the state's Medicaid program or the Utah Children's Health Insurance Program; and

880 (g) meets the financial need qualification criteria established by the department by rule,
881 made in accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, for
882 participation in the program.

883 (3) (a) There is established the Children's Hearing Aid Advisory Committee.

884 (b) The committee shall be composed of five members appointed by the executive
885 director, and shall include:

886 (i) one audiologist with pediatric expertise;

887 (ii) one speech language pathologist;

888 (iii) one teacher, certified under Title 53E, Public Education System -- State
889 Administration, as a teacher of the deaf or a listening and spoken language therapist;

890 (iv) one ear, nose, and throat specialist; and

891 (v) one parent whose child:

892 (A) is six years old or older; and

893 (B) has hearing loss.

- 894 (c) A majority of the members constitutes a quorum.
- 895 (d) A vote of the majority of the members, with a quorum present, constitutes an action
896 of the committee.
- 897 (e) The committee shall elect a chair from its members.
- 898 (f) The committee shall:
- 899 (i) meet at least quarterly;
- 900 (ii) recommend to the department medical criteria and procedures for selecting children
901 who may qualify for assistance from the account; and
- 902 (iii) review rules developed by the department.
- 903 (g) A member may not receive compensation or benefits for the member's service, but
904 may receive per diem and travel expenses in accordance with Sections [63A-3-106](#) and
905 [63A-3-107](#) and rules made by the Division of Finance, pursuant to Sections [63A-3-106](#) and
906 [63A-3-107](#).
- 907 (h) The department shall provide staff to the committee.
- 908 (4) (a) There is created within the General Fund a restricted account known as the
909 "Children's Hearing Aid Program Restricted Account."
- 910 (b) The Children's Hearing Aid Program Restricted Account shall consist of:
- 911 (i) amounts appropriated to the account by the Legislature; and
- 912 (ii) gifts, grants, devises, donations, and bequests of real property, personal property, or
913 services, from any source, or any other conveyance that may be made to the account from
914 private sources.
- 915 (c) Upon appropriation, all actual and necessary operating expenses for the committee
916 described in Subsection (3) shall be paid by the account.
- 917 (d) Upon appropriation, no more than 9% of the account money may be used for the
918 department's expenses.
- 919 (e) If this account is repealed in accordance with Section [63I-1-226](#), any remaining
920 assets in the account shall be deposited into the General Fund.
- 921 (5) The department shall make rules, in accordance with Title 63G, Chapter 3, Utah
922 Administrative Rulemaking Act, to establish procedures for:
- 923 (a) identifying the children who are financially eligible to receive services under the
924 program; and

925 (b) reviewing and paying for services provided to a child under the program.

926 (6) The department shall, before December 1 of each year, submit a report to the
927 Health and Human Services Interim Committee that describes the operation and
928 accomplishments of the program.

929 Section 22. Section **26-18-107** is amended to read:

930 **26-18-107. Retrospective and prospective DUR.**

931 (1) The board, in cooperation with the division, shall include in its state plan the
932 creation and implementation of a retrospective and prospective DUR program for Medicaid
933 outpatient drugs to ensure that prescriptions are appropriate, medically necessary, and not likely
934 to result in adverse medical outcomes.

935 (2) The retrospective and prospective DUR program shall be operated under guidelines
936 established by the board under Subsections (3) and (4).

937 (3) The retrospective DUR program shall be based on guidelines established by the
938 board, using the mechanized drug claims processing and information retrieval system to
939 analyze claims data in order to:

940 (a) identify patterns of fraud, abuse, gross overuse, and inappropriate or medically
941 unnecessary care; and

942 (b) assess data on drug use against explicit predetermined standards that are based on
943 the compendia and other sources for the purpose of monitoring:

944 (i) therapeutic appropriateness;

945 (ii) overutilization or underutilization;

946 (iii) therapeutic duplication;

947 (iv) drug-disease contraindications;

948 (v) drug-drug interactions;

949 (vi) incorrect drug dosage or duration of drug treatment; and

950 (vii) clinical abuse and misuse.

951 (4) The prospective DUR program shall be based on guidelines established by the
952 board and shall provide that, before a prescription is filled or delivered, a review will be
953 conducted by the pharmacist at the point of sale to screen for potential drug therapy problems
954 resulting from:

955 (a) therapeutic duplication;

- 956 (b) drug-drug interactions;
 - 957 (c) incorrect dosage or duration of treatment;
 - 958 (d) drug-allergy interactions; and
 - 959 (e) clinical abuse or misuse.
- 960 (5) In conducting the prospective DUR, a pharmacist may not alter the prescribed
961 outpatient drug therapy without the consent of the prescribing physician or physician assistant.

962 This section does not effect the ability of a pharmacist to substitute a generic equivalent.

963 Section 23. Section **26-21-7** is amended to read:

964 **26-21-7. Exempt facilities.**

965 This chapter does not apply to:

- 966 (1) a dispensary or first aid facility maintained by any commercial or industrial plant,
967 educational institution, or convent;
- 968 (2) a health care facility owned or operated by an agency of the United States;
- 969 (3) the office of a physician, physician assistants, or dentist whether it is an individual
970 or group practice, except that it does apply to an abortion clinic;
- 971 (4) a health care facility established or operated by any recognized church or
972 denomination for the practice of religious tenets administered by mental or spiritual means
973 without the use of drugs, whether gratuitously or for compensation, if it complies with statutes
974 and rules on environmental protection and life safety;
- 975 (5) any health care facility owned or operated by the Department of Corrections,
976 created in Section **64-13-2**; and
- 977 (6) a residential facility providing 24-hour care:
 - 978 (a) that does not employ direct care staff;
 - 979 (b) in which the residents of the facility contract with a licensed hospice agency to
980 receive end-of-life medical care; and
 - 981 (c) that meets other requirements for an exemption as designated by administrative
982 rule.

983 Section 24. Section **26-28-114** is amended to read:

984 **26-28-114. Rights and duties of procurement organization and others.**

- 985 (1) When a hospital refers an individual at or near death to a procurement organization,
986 the organization shall make a reasonable search of the records of the Department of Public

987 Safety and any donor registry that it knows exists for the geographical area in which the
988 individual resides to ascertain whether the individual has made an anatomical gift.

989 (2) A procurement organization shall be allowed reasonable access to information in
990 the records of the Department of Public Safety to ascertain whether an individual at or near
991 death is a donor.

992 (3) When a hospital refers an individual at or near death to a procurement organization,
993 the organization may conduct any reasonable examination necessary to ensure the medical
994 suitability of a part that is or could be the subject of an anatomical gift for transplantation,
995 therapy, research, or education from a donor or a prospective donor. During the examination
996 period, measures necessary to ensure the medical suitability of the part may not be withdrawn
997 unless the hospital or procurement organization knows that the individual expressed a contrary
998 intent.

999 (4) Unless prohibited by law other than this chapter, at any time after a donor's death,
1000 the person to which a part passes under Section 26-28-111 may conduct any reasonable
1001 examination necessary to ensure the medical suitability of the body or part for its intended
1002 purpose.

1003 (5) Unless prohibited by law other than this chapter, an examination under Subsection
1004 (3) or (4) may include an examination of all medical and dental records of the donor or
1005 prospective donor.

1006 (6) Upon the death of a minor who was a donor or had signed a refusal, unless a
1007 procurement organization knows the minor is emancipated, the procurement organization shall
1008 conduct a reasonable search for the parents of the minor and provide the parents with an
1009 opportunity to revoke or amend the anatomical gift or revoke the refusal.

1010 (7) Upon referral by a hospital under Subsection (1), a procurement organization shall
1011 make a reasonable search for any person listed in Section 26-28-109 having priority to make an
1012 anatomical gift on behalf of a prospective donor. If a procurement organization receives
1013 information that an anatomical gift to any other person was made, amended, or revoked, it shall
1014 promptly advise the other person of all relevant information.

1015 (8) Subject to Subsection 26-28-111(9) and Section 26-28-123, the rights of the person
1016 to which a part passes under Section 26-28-111 are superior to the rights of all others with
1017 respect to the part. The person may accept or reject an anatomical gift in whole or in part.

1018 Subject to the terms of the document of gift and this chapter, a person that accepts an
1019 anatomical gift of an entire body may allow embalming, burial or cremation, and use of
1020 remains in a funeral service. If the gift is of a part, the person to which the part passes under
1021 Section 26-28-111, upon the death of the donor and before embalming, burial, or cremation,
1022 shall cause the part to be removed without unnecessary mutilation.

1023 (9) Neither the physician or physician assistant who attends the decedent at death nor
1024 the physician or physician assistant who determines the time of the decedent's death may
1025 participate in the procedures for removing or transplanting a part from the decedent.

1026 (10) A physician, physician assistant, or technician may remove a donated part from
1027 the body of a donor that the physician, physician assistant, or technician is qualified to remove.

1028 Section 25. Section 26-33a-102 is amended to read:

1029 **26-33a-102. Definitions.**

1030 As used in this chapter:

1031 (1) "Committee" means the Health Data Committee created by Section 26-1-7.

1032 (2) "Control number" means a number assigned by the committee to an individual's
1033 health data as an identifier so that the health data can be disclosed or used in research and
1034 statistical analysis without readily identifying the individual.

1035 (3) "Data supplier" means a health care facility, health care provider, self-funded
1036 employer, third-party payor, health maintenance organization, or government department which
1037 could reasonably be expected to provide health data under this chapter.

1038 (4) "Disclosure" or "disclose" means the communication of health care data to any
1039 individual or organization outside the committee, its staff, and contracting agencies.

1040 (5) "Executive director" means the director of the department.

1041 (6) (a) "Health care facility" means a facility that is licensed by the department under
1042 Title 26, Chapter 21, Health Care Facility Licensing and Inspection Act.

1043 (b) In accordance with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, the
1044 committee, with the concurrence of the department, may by rule add, delete, or modify the list
1045 of facilities that come within this definition for purposes of this chapter.

1046 (7) "Health care provider" means any person, partnership, association, corporation, or
1047 other facility or institution that renders or causes to be rendered health care or professional
1048 services as a physician, physician assistant, registered nurse, licensed practical nurse,

1049 nurse-midwife, dentist, dental hygienist, optometrist, clinical laboratory technologist,
1050 pharmacist, physical therapist, podiatric physician, psychologist, chiropractic physician,
1051 naturopathic physician, osteopathic physician, osteopathic physician and surgeon, audiologist,
1052 speech pathologist, certified social worker, social service worker, social service aide, marriage
1053 and family counselor, or practitioner of obstetrics, and others rendering similar care and
1054 services relating to or arising out of the health needs of persons or groups of persons, and
1055 officers, employees, or agents of any of the above acting in the course and scope of their
1056 employment.

1057 (8) "Health data" means information relating to the health status of individuals, health
1058 services delivered, the availability of health manpower and facilities, and the use and costs of
1059 resources and services to the consumer, except vital records as defined in Section 26-2-2 shall
1060 be excluded.

1061 (9) "Health maintenance organization" has the meaning set forth in Section 31A-8-101.

1062 (10) "Identifiable health data" means any item, collection, or grouping of health data
1063 that makes the individual supplying or described in the health data identifiable.

1064 (11) "Individual" means a natural person.

1065 (12) "Organization" means any corporation, association, partnership, agency,
1066 department, unit, or other legally constituted institution or entity, or part thereof.

1067 (13) "Research and statistical analysis" means activities using health data analysis
1068 including:

1069 (a) describing the group characteristics of individuals or organizations;

1070 (b) analyzing the noncompliance among the various characteristics of individuals or
1071 organizations;

1072 (c) conducting statistical procedures or studies to improve the quality of health data;

1073 (d) designing sample surveys and selecting samples of individuals or organizations;

1074 and

1075 (e) preparing and publishing reports describing these matters.

1076 (14) "Self-funded employer" means an employer who provides for the payment of
1077 health care services for employees directly from the employer's funds, thereby assuming the
1078 financial risks rather than passing them on to an outside insurer through premium payments.

1079 (15) "Plan" means the plan developed and adopted by the Health Data Committee

1080 under Section 26-33a-104.

1081 (16) "Third party payor" means:

1082 (a) an insurer offering a health benefit plan, as defined by Section 31A-1-301, to at
1083 least 2,500 enrollees in the state;

1084 (b) a nonprofit health service insurance corporation licensed under Title 31A, Chapter
1085 7, Nonprofit Health Service Insurance Corporations;

1086 (c) a program funded or administered by Utah for the provision of health care services,
1087 including the Medicaid and medical assistance programs described in Chapter 18, Medical
1088 Assistance Act; and

1089 (d) a corporation, organization, association, entity, or person:

1090 (i) which administers or offers a health benefit plan to at least 2,500 enrollees in the
1091 state; and

1092 (ii) which is required by administrative rule adopted by the department in accordance
1093 with Title 63G, Chapter 3, Utah Administrative Rulemaking Act, to supply health data to the
1094 committee.

1095 Section 26. Section 26-64-105 is amended to read:

1096 **26-64-105. Standing prescription drug orders for a self-administered hormonal**
1097 **contraceptive.**

1098 A physician or physician assistant who is licensed to prescribe a self-administered
1099 hormonal contraceptive, including a physician or physician assistant acting in the physician's or
1100 physician assistant's capacity as an employee of the department, or a medical director of a local
1101 health department, may issue a standing prescription drug order authorizing the dispensing of
1102 the self-administered hormonal contraceptive under Section 26-64-104 in accordance with a
1103 protocol that:

1104 (1) requires the physician or physician assistant to specify the persons, by professional
1105 license number, authorized to dispense the self-administered hormonal contraceptive;

1106 (2) requires the physician or physician assistant to review at least annually the
1107 dispensing practices of those authorized by the physician or physician assistant to dispense the
1108 self-administered hormonal contraceptive;

1109 (3) requires those authorized by the physician or physician assistant to dispense the
1110 self-administered hormonal contraceptive to make and retain a record of each person to whom

1111 the self-administered hormonal contraceptive is dispensed, including:

1112 (a) the name of the person;

1113 (b) the drug dispensed; and

1114 (c) other relevant information; and

1115 (4) is approved by the department by administrative rule made in accordance with Title
1116 63G, Chapter 3, Utah Administrative Rulemaking Act.

1117 Section 27. Section **26-64-107** is amended to read:

1118 **26-64-107. Limited civil liability.**

1119 A physician or physician assistant who issues a standing prescription drug order in
1120 accordance with Section **26-64-105** is not liable for any civil damages for acts or omissions
1121 resulting from the dispensing of a self-administered hormonal contraceptive under this chapter.

1122 Section 28. Section **31A-22-624** is amended to read:

1123 **31A-22-624. Primary care physician or physician assistant.**

1124 An accident and health insurance policy that requires an insured to select a primary care
1125 physician to receive optimum coverage:

1126 (1) shall permit an insured to select a participating provider who:

1127 (a) is an:

1128 (i) obstetrician;

1129 (ii) gynecologist; [~~or~~]

1130 (iii) pediatrician; [~~and~~] or

1131 (iv) physician assistant; and

1132 (b) is qualified and willing to provide primary care services, as defined by the health
1133 care plan, as the insured's provider from whom primary care services are received;

1134 (2) shall clearly state in literature explaining the policy the option available to insureds
1135 under Subsection (1); and

1136 (3) may not impose a higher premium, higher copayment requirement, or any other
1137 additional expense on an insured because the insured selected a primary care physician in
1138 accordance with Subsection (1).

1139 Section 29. Section **31A-22-649** is amended to read:

1140 **31A-22-649. Coverage of telepsychiatric consultations.**

1141 (1) As used in this section:

1142 (a) "Telehealth services" means the same as that term is defined in Section 26-60-102.

1143 (b) "Telepsychiatric consultation" means a consultation [~~between a physician and a~~
1144 ~~board certified psychiatrist, both of whom are licensed to engage in the practice of medicine in~~
1145 ~~the state,];~~

1146 (i) between the following individuals who are licensed to practice in the state:

1147 (A) a physician or physician assistant; and

1148 (B) a board certified psychiatrist or a physician assistant working with a psychiatrist;

1149 and

1150 (ii) that utilizes:

1151 [(i)] (A) the health records of the patient, provided from the patient or the referring
1152 physician;

1153 [(ii)] (B) a written, evidence-based patient questionnaire; and

1154 [(iii)] (C) telehealth services that meet industry security and privacy standards,
1155 including compliance with the [~~(A)] Health Insurance Portability and Accountability Act[~~, and~~~~
1156 ~~(B)] and the Health Information Technology for Economic and Clinical Health Act, Pub. L.~~
1157 No. 111-5, 123 Stat. 226, 467, as amended.

1158 (2) Beginning January 1, 2019, a health benefit plan that offers coverage for mental
1159 health services shall:

1160 (a) provide coverage for a telepsychiatric consultation during or after an initial visit
1161 between the patient and a referring in-network physician or physician assistant;

1162 (b) provide coverage for a telepsychiatric consultation from an out-of-network board
1163 certified psychiatrist if a telepsychiatric consultation is not made available to a physician or
1164 physician assistant within seven business days after the initial request is made by the physician
1165 or physician assistant to an in-network provider of telepsychiatric consultations; and

1166 (c) reimburse for the services described in Subsections (2)(a) and (b) at the equivalent
1167 in-network or out-of-network rate set by the health benefit plan after taking into account
1168 cost-sharing that may be required under the health benefit plan.

1169 (3) A single telepsychiatric consultation includes all contacts, services, discussion, and
1170 information review required to complete an individual request from a referring physician or
1171 physician assistant for a patient.

1172 (4) An insurer may satisfy the requirement to cover a telepsychiatric consultation

1173 described in Subsection (2)(a) for a patient by:

1174 (a) providing coverage for behavioral health treatment, as defined in Section
1175 [31A-22-642](#), in person or using telehealth services; and

1176 (b) ensuring that the patient receives an appointment for the behavioral health
1177 treatment in person or using telehealth services on a date that is within seven business days
1178 after the initial request is made by the in-network referring physician or physician assistant.

1179 (5) A referring physician or physician assistant who uses a telepsychiatric consultation
1180 for a patient shall, at the time that the questionnaire described in Subsection (1)(b)(ii) is
1181 completed, notify the patient that:

1182 (a) the referring physician or physician assistant plans to request a telepsychiatric
1183 consultation; and

1184 (b) additional charges to the patient may apply.

1185 (6) (a) An insurer may receive a temporary waiver from the department from the
1186 requirements in this section if the insurer demonstrates to the department that the insurer is
1187 unable to provide the benefits described in this section due to logistical reasons.

1188 (b) An insurer that receives a waiver from the department under Subsection (6)(a) is
1189 subject to the requirements of this section beginning July 1, 2019.

1190 (7) This section does not limit an insurer from engaging in activities that ensure
1191 payment integrity or facilitate review and investigation of improper practices by health care
1192 providers.

1193 Section 30. Section **41-1a-420** is amended to read:

1194 **41-1a-420. Disability special group license plates -- Application and qualifications**
1195 **-- Rulemaking.**

1196 (1) As used in this section:

1197 (a) "Advanced practice registered nurse" means a person licensed to practice as an
1198 advanced practice registered nurse in this state under Title 58, Chapter 31b, Nurse Practice Act.

1199 (b) "Nurse practitioner" means an advanced practice registered nurse specializing as a
1200 nurse practitioner.

1201 (c) "Physician" means a person licensed to practice as a physician or osteopath in this
1202 state under Title 58, Chapter 67, Utah Medical Practice Act, or Title 58, Chapter 68, Utah
1203 Osteopathic Medical Practice Act.

1204 (d) "Physician assistant" means an individual licensed to practice as a physician
1205 assistant in the state under Title 58, Chapter 70a, Utah Physician Assistant Act.

1206 [~~(d)~~] (e) "Temporary wheelchair user placard" means a removable windshield placard
1207 that is issued to a qualifying person, as provided in this section, who has a walking disability
1208 that is not permanent.

1209 [~~(e)~~] (f) "Walking disability" means a physical disability that requires the use of a
1210 walking-assistive device or wheelchair or similar low-powered motorized or mechanically
1211 propelled vehicle that is designed to specifically assist a person who has a limited or impaired
1212 ability to walk.

1213 [~~(f)~~] (g) "Wheelchair user placard" means a removable windshield placard that is
1214 issued to a qualifying person, as provided in this section, who has a walking disability.

1215 (2) (a) The division shall issue a disability special group license plate, a temporary
1216 removable windshield placard, or a removable windshield placard to an applicant who is either:

1217 (i) a qualifying person with a disability; or

1218 (ii) the registered owner of a vehicle that an organization uses primarily for the
1219 transportation of persons with disabilities that limit or impair the ability to walk.

1220 (b) The division shall issue a temporary wheelchair user placard or a wheelchair user
1221 placard to an applicant who is either:

1222 (i) a qualifying person with a walking disability; or

1223 (ii) the registered owner of a vehicle that an organization uses primarily for the
1224 transportation of persons with walking disabilities.

1225 (c) The division shall require that an applicant under Subsection (2)(b) certifies that the
1226 person travels in a vehicle equipped with a wheelchair lift or a vehicle carrying the person's
1227 walking-assistive device or wheelchair and requires a van accessible parking space.

1228 (3) (a) The person with a disability shall ensure that the initial application contains the
1229 certification of a physician, physician assistant, or nurse practitioner that:

1230 (i) the applicant meets the definition of a person with a disability that limits or impairs
1231 the ability to walk as defined in the federal Uniform System for Parking for Persons with
1232 Disabilities, 23 C.F.R. Ch. II, Subch. B, Pt. 1235.2 (1991);

1233 (ii) if the person is applying for a temporary wheelchair user placard or a wheelchair
1234 user placard, the applicant has a walking disability; and

1235 (iii) specifies the period of time that the physician, physician assistant, or nurse
1236 practitioner determines the applicant will have the disability, not to exceed six months in the
1237 case of a temporary disability or a temporary walking disability.

1238 (b) The division shall issue a disability special group license plate, a removable
1239 windshield placard, or a wheelchair user placard, as applicable, to a person with a permanent
1240 disability.

1241 (c) The issuance of a person with a disability special group license plate does not
1242 preclude the issuance to the same applicant of a removable windshield placard or wheelchair
1243 user placard.

1244 (d) (i) On request of an applicant with a disability special group license plate, a
1245 temporary removable windshield placard, or a removable windshield placard, the division shall
1246 issue one additional placard.

1247 (ii) On request of a qualified applicant with a disability special group license plate, the
1248 division shall issue up to two temporary wheelchair user placards or two wheelchair user
1249 placards.

1250 (iii) On request of a qualified applicant with a temporary wheelchair user placard or a
1251 wheelchair user placard, the division shall issue one additional placard.

1252 (e) The division shall ensure that a temporary wheelchair user placard and a wheelchair
1253 user placard have the following visible features:

1254 (i) a large "W" next to the internationally recognized disabled persons symbol; and

1255 (ii) the words "Wheelchair User" printed on a portion of the placard.

1256 (f) A disability special group license plate, temporary removable windshield placard, or
1257 removable windshield placard may be used to allow one motorcycle to share a parking space
1258 reserved for persons with a disability if:

1259 (i) the person with a disability:

1260 (A) is using a motorcycle; and

1261 (B) displays on the motorcycle a disability special group license plate, temporary
1262 removable windshield placard, or a removable windshield placard;

1263 (ii) the person who shares the parking space assists the person with a disability with the
1264 parking accommodation; and

1265 (iii) the parking space is sufficient size to accommodate both motorcycles without

1266 interfering with other parking spaces or traffic movement.

1267 (4) (a) When a vehicle is parked in a parking space reserved for persons with
1268 disabilities, a temporary removable windshield placard, a removable windshield placard, a
1269 temporary wheelchair user placard, or a wheelchair user placard shall be displayed so that the
1270 placard is visible from the front of the vehicle.

1271 (b) If a motorcycle is being used, the temporary removable windshield placard or
1272 removable windshield placard shall be displayed in plain sight on or near the handle bars of the
1273 motorcycle.

1274 (5) The commission shall make rules in accordance with Title 63G, Chapter 3, Utah
1275 Administrative Rulemaking Act, to:

1276 (a) establish qualifying criteria for persons to receive, renew, or surrender a disability
1277 special group license plate, a temporary removable windshield placard, a removable windshield
1278 placard, a temporary wheelchair user placard, or a wheelchair user placard in accordance with
1279 this section;

1280 (b) establish the maximum number of numerals or characters for a disability special
1281 group license plate;

1282 (c) require all temporary removable windshield placards, removable windshield
1283 placards, temporary wheelchair user placards, and wheelchair user placards to include:

1284 (i) an identification number;

1285 (ii) an expiration date not to exceed:

1286 (A) six months for a temporary removable windshield placard; and

1287 (B) two years for a removable windshield placard; and

1288 (iii) the seal or other identifying mark of the division.

1289 (6) The commission shall insert the following on motor vehicle registration certificates:

1290 "State law prohibits persons who do not lawfully possess a disability placard or
1291 disability special group license plate from parking in an accessible parking space designated for
1292 persons with disabilities. Persons who possess a disability placard or disability special group
1293 license plate are discouraged from parking in an accessible parking space designated as van
1294 accessible unless they have a temporary wheelchair user placard or a wheelchair user placard."

1295 Section 31. Section **41-6a-520** is amended to read:

1296 **41-6a-520. Implied consent to chemical tests for alcohol or drug -- Number of**

1297 **tests -- Refusal -- Warning, report.**

1298 (1) (a) A person operating a motor vehicle in this state is considered to have given the
1299 person's consent to a chemical test or tests of the person's breath, blood, urine, or oral fluids for
1300 the purpose of determining whether the person was operating or in actual physical control of a
1301 motor vehicle while:

1302 (i) having a blood or breath alcohol content statutorily prohibited under Section
1303 41-6a-502, 41-6a-530, or 53-3-231;

1304 (ii) under the influence of alcohol, any drug, or combination of alcohol and any drug
1305 under Section 41-6a-502; or

1306 (iii) having any measurable controlled substance or metabolite of a controlled
1307 substance in the person's body in violation of Section 41-6a-517.

1308 (b) A test or tests authorized under this Subsection (1) must be administered at the
1309 direction of a peace officer having grounds to believe that person to have been operating or in
1310 actual physical control of a motor vehicle while in violation of any provision under Subsections
1311 (1)(a)(i) through (iii).

1312 (c) (i) The peace officer determines which of the tests are administered and how many
1313 of them are administered.

1314 (ii) If a peace officer requests more than one test, refusal by a person to take one or
1315 more requested tests, even though the person does submit to any other requested test or tests, is
1316 a refusal under this section.

1317 (d) (i) A person who has been requested under this section to submit to a chemical test
1318 or tests of the person's breath, blood, or urine, or oral fluids may not select the test or tests to be
1319 administered.

1320 (ii) The failure or inability of a peace officer to arrange for any specific chemical test is
1321 not a defense to taking a test requested by a peace officer, and it is not a defense in any
1322 criminal, civil, or administrative proceeding resulting from a person's refusal to submit to the
1323 requested test or tests.

1324 (2) (a) A peace officer requesting a test or tests shall warn a person that refusal to
1325 submit to the test or tests may result in revocation of the person's license to operate a motor
1326 vehicle, a five or 10 year prohibition of driving with any measurable or detectable amount of
1327 alcohol in the person's body depending on the person's prior driving history, and a three-year

1328 prohibition of driving without an ignition interlock device if the person:

1329 (i) has been placed under arrest;

1330 (ii) has then been requested by a peace officer to submit to any one or more of the
1331 chemical tests under Subsection (1); and

1332 (iii) refuses to submit to any chemical test requested.

1333 (b) (i) Following the warning under Subsection (2)(a), if the person does not
1334 immediately request that the chemical test or tests as offered by a peace officer be
1335 administered, a peace officer shall, on behalf of the Driver License Division and within 24
1336 hours of the arrest, give notice of the Driver License Division's intention to revoke the person's
1337 privilege or license to operate a motor vehicle.

1338 (ii) When a peace officer gives the notice on behalf of the Driver License Division, the
1339 peace officer shall:

1340 (A) take the Utah license certificate or permit, if any, of the operator;

1341 (B) issue a temporary license certificate effective for only 29 days from the date of
1342 arrest; and

1343 (C) supply to the operator, in a manner specified by the Driver License Division, basic
1344 information regarding how to obtain a hearing before the Driver License Division.

1345 (c) A citation issued by a peace officer may, if provided in a manner specified by the
1346 Driver License Division, also serve as the temporary license certificate.

1347 (d) As a matter of procedure, the peace officer shall submit a signed report, within 10
1348 calendar days after the day on which notice is provided under Subsection (2)(b), that:

1349 (i) the peace officer had grounds to believe the arrested person was in violation of any
1350 provision under Subsections (1)(a)(i) through (iii); and

1351 (ii) the person had refused to submit to a chemical test or tests under Subsection (1).

1352 (3) Upon the request of the person who was tested, the results of the test or tests shall
1353 be made available to the person.

1354 (4) (a) The person to be tested may, at the person's own expense, have a physician or
1355 physician assistant of the person's own choice administer a chemical test in addition to the test
1356 or tests administered at the direction of a peace officer.

1357 (b) The failure or inability to obtain the additional test does not affect admissibility of
1358 the results of the test or tests taken at the direction of a peace officer, or preclude or delay the

1359 test or tests to be taken at the direction of a peace officer.

1360 (c) The additional test shall be subsequent to the test or tests administered at the
1361 direction of a peace officer.

1362 (5) For the purpose of determining whether to submit to a chemical test or tests, the
1363 person to be tested does not have the right to consult an attorney or have an attorney, physician,
1364 or other person present as a condition for the taking of any test.

1365 (6) Notwithstanding the provisions in this section, a blood test taken under this section
1366 is subject to Section [77-23-213](#).

1367 Section 32. Section **41-6a-523** is amended to read:

1368 **41-6a-523. Persons authorized to draw blood -- Immunity from liability.**

1369 (1) (a) Only the following, acting at the request of a peace officer, may draw blood to
1370 determine its alcohol or drug content:

1371 (i) a physician;

1372 (ii) a physician assistant;

1373 [~~(ii)~~] (iii) a registered nurse;

1374 [~~(iii)~~] (iv) a licensed practical nurse;

1375 [~~(iv)~~] (v) a paramedic;

1376 [~~(v)~~] (vi) as provided in Subsection (1)(b), emergency medical service personnel other
1377 than paramedics; or

1378 [~~(vi)~~] (vii) a person with a valid permit issued by the Department of Health under
1379 Section [26-1-30](#).

1380 (b) The Department of Health may designate by rule, in accordance with Title 63G,
1381 Chapter 3, Utah Administrative Rulemaking Act, which emergency medical service personnel,
1382 as defined in Section [26-8a-102](#), are authorized to draw blood under Subsection [~~(1)(a)(v)~~]
1383 (1)(a)(vi), based on the type of license under Section [26-8a-302](#).

1384 (c) Subsection (1)(a) does not apply to taking a urine, breath, or oral fluid specimen.

1385 (2) The following are immune from civil or criminal liability arising from drawing a
1386 blood sample from a person whom a peace officer has reason to believe is driving in violation
1387 of this chapter, if the sample is drawn in accordance with standard medical practice:

1388 (a) a person authorized to draw blood under Subsection (1)(a); and

1389 (b) if the blood is drawn at a hospital or other medical facility, the medical facility.

1390 Section 33. Section **41-6a-1804** is amended to read:

1391 **41-6a-1804. Exceptions.**

1392 (1) This part does not apply to an operator or passenger of:

1393 (a) a motor vehicle manufactured before July 1, 1966;

1394 (b) a motor vehicle in which the operator or passengers possess a written verification
1395 from a licensed physician or physician assistant that the person is unable to wear a safety belt
1396 for physical or medical reasons; or

1397 (c) a motor vehicle or seating position which is not required to be equipped with a
1398 safety belt system under federal law.

1399 (2) This part does not apply to a passenger if all seating positions are occupied by other
1400 passengers.

1401 (3) This part does not apply to a passenger of a public transit vehicle with a gross
1402 vehicle weight rating exceeding 10,000 pounds.

1539 (a) an assignment;

1540 (b) a conveyance;

1541 (c) a sale;

1542 (d) a lease;

1543 (e) an encumbrance, including a mortgage or security interest;

1544 (f) a gift; and

1545 (g) a transfer by operation of law.

1546 (25) "Transferable interest" means the right, as initially owned by a person in the
1547 person's capacity as a partner, to receive distributions from a partnership in accordance with the
1548 partnership agreement, whether or not the person remains a partner or continues to own any
1549 part of the right. The term applies to any fraction of the interest, by whomever owned.

1550 (26) "Transferee" means a person to which all or part of a transferable interest has been
1551 transferred, whether or not the transferor is a partner.

1552 (27) "Tribal partnership" means a partnership:

1553 (a) formed under the law of a tribe; and

1554 (b) that is at least 51% owned or controlled by the tribe under whose law the
1555 partnership is formed.

1556 (28) "Tribe" means a tribe, band, nation, pueblo, or other organized group or
1557 community of Indians, including an Alaska Native village, that is legally recognized as eligible
1558 for and is consistent with a special program, service, or entitlement provided by the United
1559 States to Indians because of their status as Indians.

1621 (2) "Regulating board" means the entity organized pursuant to state law that licenses
1622 and regulates the practice of the profession that a limited liability company is organized to
1623 provide.

1624 Section 36. Section **49-12-601** is amended to read:

1625 **49-12-601. Disability retirement -- Medical examinations -- Reemployment of**
1626 **retirant with a disability -- Cancellation of benefit -- Service credit -- Retirant with a**
1627 **disability engaging in gainful employment -- Reduction of allowance -- Refusal to submit**
1628 **to medical examination.**

1629 (1) Only members of this system who became eligible for a disability retirement
1630 allowance before January 1, 1983, are covered under this section.

1631 (2) (a) The board may, upon the recommendation of the administrator, require any
1632 retirant who has been retired for disability and who has not attained the age of 60 years, to
1633 undergo a medical examination by a physician, physician assistant, or surgeon, appointed by
1634 the board, at the place of residence of the retirant or other place mutually agreed upon.

1635 (b) Upon the basis of the examination, the board shall determine whether the retirant
1636 with a disability is still incapacitated, physically or mentally, for service under this chapter.

1637 (c) If the board determines that the retirant is not incapacitated, the retirement

1638 allowance shall be cancelled and the retirant shall be reinstated immediately to a position of the
1639 same class as that held by the retirant when retired for disability.

1640 (d) If any employing unit is unable to reinstate the retirant, the board shall continue the
1641 disability retirement allowance of the retirant until employment is available.

1642 (3) (a) If a retirant with a disability under this system reenters covered service and is
1643 eligible for membership in the retirement system, the retirement allowance shall be cancelled
1644 and the retirant shall immediately become a member of the retirement system.

1645 (b) (i) The member's individual account shall be credited with an amount which is the
1646 actuarial equivalent, at the time of reentry, based on a disabled life, of that portion of the
1647 member's retirement allowance which was derived from the member's accumulated
1648 contributions.

1649 (ii) The amount credited may not exceed the amount of accumulated contributions
1650 standing at the time of retirement.

1651 (c) Each member shall receive credit for the service in the member's account at the
1652 time of retirement.

1653 (4) If the retirement allowance of any retirant with a disability is cancelled for any
1654 cause other than reentry into service, the retirant shall be paid the accumulated contributions
1655 less the amounts prescribed by Subsection (6).

1656 (5) (a) If any member retired for disability engages in a gainful occupation prior to
1657 attaining age 60, the administrator shall reduce the amount of the retirement allowance to an
1658 amount which, when added to the compensation earned monthly by the retirant in that
1659 occupation, may not exceed the amount of the final average monthly salary on the basis of
1660 which the current service retirement allowance was determined.

1661 (b) If the earning capacity of the retirant is further altered, the administrator may
1662 further alter the retirement allowance as provided in this Subsection (5).

1663 (c) In no event, however, may the retirement benefit be reduced below that portion of
1664 the retirant's allowance derived from the retirant's own accumulated contributions.

1665 (d) When the retirant reaches age 60, the retirement allowance shall be made equal to
1666 the amount upon which the retirant was originally retired and may not again be modified for
1667 any cause.

1668 (6) (a) If any member who retired for disability under age 60, refuses to submit to a

1669 medical examination, the retirement allowance may be discontinued until the retirant
1670 withdraws that refusal.

1671 (b) If the refusal continues for one year the disability status may be cancelled and
1672 membership terminated.

1673 (c) (i) The retirant's accumulated contribution account shall be the actuarial equivalent
1674 on the date of the retirant's change of status, based on a disabled life, of that portion of the
1675 disability retirement allowance which was derived from the retirant's accumulated
1676 contributions.

1677 (ii) The amount credited may not exceed the amount of the retirant's accumulated
1678 contributions at the time of disability retirement.

1679 Section 37. Section **49-16-102** is amended to read:

1680 **49-16-102. Definitions.**

1681 As used in this chapter:

1682 (1) (a) "Compensation" means the total amount of payments that are includable as
1683 gross income which are received by a firefighter service employee as base income for the
1684 regularly scheduled work period. The participating employer shall establish the regularly
1685 scheduled work period. Base income shall be determined prior to the deduction of member
1686 contributions or any amounts the firefighter service employee authorizes to be deducted for
1687 salary deferral or other benefits authorized by federal law.

1688 (b) "Compensation" includes performance-based bonuses and cost-of-living
1689 adjustments.

1690 (c) "Compensation" does not include:

1691 (i) overtime;

1692 (ii) sick pay incentives;

1693 (iii) retirement pay incentives;

1694 (iv) remuneration paid in kind such as a residence, use of equipment, uniforms, travel,
1695 or similar payments;

1696 (v) a lump-sum payment or special payments covering accumulated leave; and

1697 (vi) all contributions made by a participating employer under this system or under any
1698 other employee benefit system or plan maintained by a participating employer for the benefit of
1699 a member or participant.

1700 (d) "Compensation" for purposes of this chapter may not exceed the amount allowed
1701 under Section 401(a)(17), Internal Revenue Code.

1702 (2) (a) "Disability" means the complete inability, due to objective medical impairment,
1703 whether physical or mental, to perform firefighter service.

1704 (b) "Disability" does not include the inability to meet an employer's required standards
1705 or tests relating to fitness, physical ability, or agility that is not a result of a disability as defined
1706 under Subsection (2)(a).

1707 (3) "Final average salary" means the amount calculated by averaging the highest three
1708 years of annual compensation preceding retirement subject to Subsections (3)(a), (b), and (c).

1709 (a) Except as provided in Subsection (3)(b), the percentage increase in annual
1710 compensation in any one of the years used may not exceed the previous year's compensation by
1711 more than 10% plus a cost-of-living adjustment equal to the decrease in the purchasing power
1712 of the dollar during the previous year, as measured by a United States Bureau of Labor
1713 Statistics Consumer Price Index average as determined by the board.

1714 (b) In cases where the participating employer provides acceptable documentation to the
1715 office the limitation in Subsection (3)(a) may be exceeded if:

1716 (i) the member has transferred from another agency; or
1717 (ii) the member has been promoted to a new position.

1718 (c) The annual compensation used to calculate final average salary shall be based on:

1719 (i) a calendar year for a member employed by a participating employer that is not an
1720 educational institution; or
1721 (ii) a contract year for a member employed by an educational institution.

1722 (4) (a) "Firefighter service" means employment normally requiring an average of 2,080
1723 hours of regularly scheduled employment per year rendered by a member who is:

1724 (i) a firefighter service employee trained in firefighter techniques and assigned to a
1725 position of hazardous duty with a regularly constituted fire department; or

1726 (ii) the state fire marshal appointed under Section 53-7-103 or a deputy state fire
1727 marshal.

1728 (b) "Firefighter service" does not include secretarial staff or other similar employees.

1729 (5) "Firefighter service employee" means an employee of a participating employer who
1730 provides firefighter service under this chapter. An employee of a regularly constituted fire

1731 department who does not perform firefighter service is not a firefighter service employee.

1732 (6) (a) "Line-of-duty death or disability" means a death or disability resulting from:

1733 (i) external force, violence, or disease directly resulting from firefighter service; or

1734 (ii) strenuous activity, including a heart attack or stroke, that occurs during strenuous
1735 training or another strenuous activity required as an act of duty as a firefighter service
1736 employee.

1737 (b) "Line-of-duty death or disability" does not include a death or disability that:

1738 (i) occurs during an activity that is required as an act of duty as a firefighter service
1739 employee if the activity is not a strenuous activity, including an activity that is clerical,
1740 administrative, or of a nonmanual nature;

1741 (ii) occurs during the commission of a crime committed by the employee;

1742 (iii) occurs when the employee's intoxication or use of alcohol or drugs, whether
1743 prescribed or nonprescribed, contributes to the employee's death or disability; or

1744 (iv) occurs in a manner other than as described in Subsection (6)(a).

1745 (c) "Line-of-duty death or disability" includes the death or disability of a paid
1746 firefighter resulting from heart disease, lung disease, or a respiratory tract condition if the paid
1747 firefighter has five years of firefighter service credit.

1748 (7) "Objective medical impairment" means an impairment resulting from an injury or
1749 illness which is diagnosed by a physician or physician assistant and which is based on accepted
1750 objective medical tests or findings rather than subjective complaints.

1751 (8) "Participating employer" means an employer which meets the participation
1752 requirements of Section [49-16-201](#).

1753 (9) "Regularly constituted fire department" means a fire department that employs a fire
1754 chief who performs firefighter service for at least 2,080 hours of regularly scheduled paid
1755 employment per year.

1756 (10) (a) "Strenuous activity" means engagement involving a difficult, stressful, or
1757 vigorous fire suppression, rescue, hazardous material response, emergency medical service,
1758 physical law enforcement, prison security, disaster relief, or other emergency response activity.

1759 (b) "Strenuous activity" includes participating in a participating employer sanctioned
1760 and funded training exercise that involves difficult, stressful, or vigorous physical activity.

1761 (11) "System" means the Firefighters' Retirement System created under this chapter.

1762 (12) (a) "Volunteer firefighter" means any individual that is not regularly employed as
1763 a firefighter service employee, but who:

- 1764 (i) has been trained in firefighter techniques and skills;
- 1765 (ii) continues to receive regular firefighter training; and
- 1766 (iii) is on the rolls of a legally organized volunteer fire department which provides
1767 ongoing training and serves a political subdivision of the state.

1768 (b) An individual that volunteers assistance but does not meet the requirements of
1769 Subsection (12)(a) is not a volunteer firefighter for purposes of this chapter.

1770 (13) "Years of service credit" means the number of periods, each to consist of 12 full
1771 months as determined by the board, whether consecutive or not, during which a firefighter
1772 service employee was employed by a participating employer or received full-time pay while on
1773 sick leave, including any time the firefighter service employee was absent in the service of the
1774 United States on military duty.

1775 Section 38. Section **49-16-602** is amended to read:

1776 **49-16-602. Disability retirement -- Disability allowance eligibility -- Conversion to**
1777 **service retirement -- Examinations -- Reemployment.**

1778 (1) A member of this system who applies and is qualified for disability retirement shall
1779 receive a disability retirement benefit until the earlier of:

- 1780 (a) the date the member of this system no longer has a disability;
- 1781 (b) the date the member of this system has accumulated 20 years of firefighter service
1782 credit, including years earned while the member of this system had a disability; or
- 1783 (c) the date the member of this system has received disability retirement benefits for
1784 the following time periods:

1785 (i) if the member is under age 60 on the date of disability, the disability retirement
1786 benefit is payable until age 65;

1787 (ii) if the member is 60 or 61 years of age on the date of disability, the disability
1788 retirement benefit is payable for five years;

1789 (iii) if the member is 62 or 63 years of age on the date of disability, the disability
1790 retirement benefit is payable for four years;

1791 (iv) if the member is 64 or 65 years of age on the date of disability, the disability
1792 retirement benefit is payable for three years;

1793 (v) if the member is 66, 67, or 68 years of age on the date of disability, the disability
1794 retirement benefit is payable for two years; and

1795 (vi) if the member is 69 years of age or older on the date of disability, the disability
1796 retirement benefit is payable for one year.

1797 (2) (a) (i) The retiree with a disability shall receive service credit in this system during
1798 the period of disability.

1799 (ii) If the retiree with a disability is employed by a participating employer during the
1800 period of disability, the retiree with a disability may not receive service credit for that
1801 employment.

1802 (b) The disability retirement shall be converted to a service retirement at the time the
1803 disability retirement benefits terminate.

1804 (3) The office shall approve or disapprove applications for disability retirement
1805 benefits based upon:

1806 (a) the evaluation and recommendations of one or more treating physicians or
1807 physician assistants along with medical records relating to the condition;

1808 (b) the evaluation and recommendations of one or more independent physicians or
1809 physician assistants selected by the office; and

1810 (c) receipt of documentation by the office from the participating employer that the
1811 member is mentally or physically unable to perform firefighter service.

1812 (4) (a) A retiree with a disability who receives benefits under this section shall, upon
1813 request of the executive director, submit to a medical examination by one or more physicians
1814 or physician assistants as directed by the office.

1815 (b) If, after an examination, the examiners report that the retiree with a disability is
1816 physically and mentally able and capable of resuming firefighter service employment, the
1817 retiree with a disability shall be reinstated by the participating employer for which the retiree
1818 with a disability last worked at the former classification and rank of the retiree with a disability,
1819 and the disability retirement benefit shall terminate.

1820 (c) A retiree with a disability may not be required to submit to an examination under
1821 this Subsection (4) more than once every year.

1822 (d) A retiree with a disability who returns to firefighter service employment with a
1823 participating employer in this system shall immediately begin accruing service credit that shall

1824 be added to that service credit that has been previously accrued, including service credit while
1825 disabled.

1826 (5) A retiree with a disability is not subject to medical examinations after reaching age
1827 55.

1828 (6) Refusal or neglect of a member to submit to an examination as requested by the
1829 office either before or after a decision regarding disability benefits has been made is sufficient
1830 cause for denial, suspension, or discontinuance of benefits and if the refusal or neglect
1831 continues for one year, the rights of the member or retiree with a disability to disability
1832 retirement benefits may be revoked by the office.

1833 (7) (a) A retiree with a disability who receives benefits under this part shall file a sworn
1834 statement with the office on or before March 15 of each year for the first five years a retiree
1835 with a disability receives benefits.

1836 (b) The sworn statement shall indicate whether or not the retiree with a disability
1837 engaged in any employment during the preceding year and, if so, the amount of earnings
1838 received during the calendar year.

1839 (c) If the total amount received in one year by a retiree with a disability for disability
1840 retirement benefits and gross earnings from other employment exceeds 125% of the final
1841 average salary of the retiree with a disability, the office shall offset the disability retirement
1842 benefit paid the following year by the amount in excess of 125% of the final average salary of
1843 the retiree with a disability.

1844 (d) (i) If a retiree with a disability refuses or neglects to file a sworn statement as
1845 required under this Subsection (7), the executive director may suspend payment of any and all
1846 benefits pending receipt of the statement.

1847 (ii) Upon filing the statement, the payments of the retiree with a disability shall be
1848 resumed.

1849 (8) The disability retirement benefit shall be improved by the annual cost-of-living
1850 increase factor applied to retirees of the system that covered the firefighter service employee at
1851 the time of disability.

1852 (9) A line of duty disability allowance paid on or after January 1, 2002, under Section
1853 49-16-601 is exempt from taxation to the extent permitted under federal law.

1854 (10) (a) An active member of this system with five or more years of firefighter service

1855 credit shall be eligible for a line-of-duty death or disability benefit resulting from heart disease,
1856 lung disease, or respiratory tract disease.

1857 (b) An active member of this system who receives a line-of-duty disability benefit for
1858 more than six months due to violence or illness other than heart disease, lung disease, or
1859 respiratory tract disease, and then returns to paid firefighter service, is not eligible for a
1860 line-of-duty death or disability benefit due to those diseases for two years after the member
1861 returned to paid firefighter service unless clear and convincing evidence is presented that the
1862 heart, lung, or respiratory tract disease was directly a result of firefighter service.

1863 (11) Disability retirement benefits shall be considered an allowance for purposes of
1864 Section [49-11-701](#).

1865 Section 39. Section **49-21-402** is amended to read:

1866 **49-21-402. Reduction or reimbursement of benefit -- Circumstances --**

1867 **Application for other benefits required.**

1868 (1) A monthly disability benefit may be terminated unless:

1869 (a) the eligible employee is under the ongoing care and treatment of a physician or
1870 physician assistant other than the eligible employee; and

1871 (b) the eligible employee provides the information and documentation requested by the
1872 office.

1873 (2) (a) The monthly disability benefit shall be reduced or reimbursed by any amount
1874 received by, or payable to, the eligible employee for the same injury or illness that is the basis
1875 for the monthly disability benefit from the following sources:

1876 (i) workers' compensation indemnity benefits, regardless of whether the amount is
1877 received as an ongoing monthly benefit, as a lump sum, or in a settlement with a workers'
1878 compensation indemnity carrier;

1879 (ii) any money received by judgment, legal action, or settlement from a third party
1880 liable to the employee for the monthly disability benefit;

1881 (iii) automobile no-fault, medical payments, or similar insurance payments;

1882 (iv) any money received by a judgment, settlement, or other payment as a result of a
1883 claim against an employer; or

1884 (v) annual leave or similar lump-sum payments.

1885 (b) The monthly disability benefit shall be reduced or reimbursed by any amount

1886 received by, or payable to, the eligible employee for the same period of time during which the
1887 eligible employee is entitled to receive a monthly disability benefit from the following sources:

1888 (i) social security disability benefits, including all benefits received by the eligible
1889 employee, the eligible employee's spouse, and the eligible employee's children as determined
1890 by the Social Security Administration;

1891 (ii) unemployment compensation benefits;

1892 (iii) sick leave benefits; or

1893 (iv) compensation received for employment, including self-employment, except for
1894 eligible amounts from approved rehabilitative employment in accordance with Section
1895 [49-21-406](#).

1896 (3) The monthly disability benefit shall be reduced by any amount in excess of
1897 one-third of the eligible employee's regular monthly salary received by, or payable to, the
1898 eligible employee from the following sources for the same period of time during which the
1899 eligible employee is entitled to receive a monthly disability benefit:

1900 (a) any retirement payment earned through or provided by public or private
1901 employment; and

1902 (b) any disability benefit, other than social security or workers' compensation
1903 indemnity benefits, resulting from the disability for which benefits are being received under
1904 this chapter.

1905 (4) After the date of disability, cost-of-living increases to any of the benefits listed in
1906 Subsection (2) or (3) may not be considered in calculating a reduction to the monthly disability
1907 benefit.

1908 (5) Any amounts payable to the eligible employee from one or more of the sources
1909 under Subsection (2) are considered as amounts received whether or not the amounts were
1910 actually received by the eligible employee.

1911 (6) (a) An eligible employee shall first apply for all disability benefits from
1912 governmental entities under Subsection (2) to which the eligible employee is or may be
1913 entitled, and provide to the office evidence of the applications.

1914 (b) If the eligible employee fails to make application under this Subsection (6), the
1915 monthly disability benefit shall be suspended.

1916 (7) During a period of total disability, an eligible employee has an affirmative duty to

1917 keep the program informed regarding:

1918 (a) the award or receipt of an amount from a source that could result in the monthly
1919 disability benefit being reduced or reimbursed under this section within 10 days of the award or
1920 receipt of the amount; and

1921 (b) any employment, including self-employment, of the eligible employee and the
1922 compensation for that employment within 10 days of beginning the employment or a material
1923 change in the compensation from that employment.

1924 (8) The program shall use commercially reasonable means to collect any amounts of
1925 overpayments and reimbursements.

1926 (9) (a) If the program is unable to reduce or obtain reimbursement for the required
1927 amount from the monthly disability benefit for any reason, the employee will have received an
1928 overpayment of monthly disability benefits.

1929 (b) If an eligible employee receives an overpayment of monthly disability benefits, the
1930 eligible employee shall repay to the office the amount of the overpayment, plus interest as
1931 determined by the program, within 30 days from the date the overpayment is received by:

1932 (i) the eligible employee; or

1933 (ii) a third party related to the eligible employee.

1934 (c) The executive director may waive the interest on an overpayment of monthly
1935 disability benefits under Subsection (9)(b) if good cause is shown for the delay in repayment of
1936 the overpayment of monthly disability benefits.

1937 Section 40. Section **49-21-406** is amended to read:

1938 **49-21-406. Rehabilitative employment -- Interview by disability specialist --**

1939 **Maintaining eligibility -- Additional treatment and care.**

1940 (1) (a) If an eligible employee, during a period of total disability for which the monthly
1941 disability benefit is payable, engages in approved rehabilitative employment, the monthly
1942 disability benefit otherwise payable shall be reduced:

1943 (i) by an amount equal to 50% of the income to which the eligible employee is entitled
1944 for the employment during the month; and

1945 (ii) so that the combined amount received from the rehabilitative employment and the
1946 monthly disability payment does not exceed 100% of the eligible employee's monthly salary
1947 prior to the employee's disability.

1948 (b) This rehabilitative benefit is payable for up to two years or to the end of the
1949 maximum benefit period, whichever occurs first.

1950 (2) (a) Each eligible employee receiving a monthly disability benefit shall be
1951 interviewed by the office.

1952 (b) The office may refer the eligible employee to a rehabilitative or vocational
1953 specialist for a review of the eligible employee's condition and a written rehabilitation plan and
1954 return to work assistance.

1955 (3) If an eligible employee receiving a monthly disability benefit fails to participate in
1956 an office-approved rehabilitation program within the limitations set forth by a physician or
1957 physician assistant, the monthly disability benefit may be suspended or terminated.

1958 (4) The office may, as a condition of paying a monthly disability benefit, require that
1959 the eligible employee receive medical care and treatment if that treatment is reasonable or usual
1960 according to current medical practices.

2038 as defined in Section [26-8a-102](#), are authorized to draw blood under Subsection [~~(2)(a)(v)~~]
2039 (2)(a)(vi), based on the type of license under Section [26-8a-302](#).

2040 (c) A person authorized by this section to draw a blood sample may not be held civilly

2041 liable for drawing a sample in a medically acceptable manner.

2042 (3) A test result or opinion based upon a test result regarding a DNA specimen may not
2043 be rendered inadmissible as evidence solely because of deviations from procedures adopted by
2044 the department that do not affect the reliability of the opinion or test result.

2045 (4) A DNA specimen is not required to be obtained if:

2046 (a) the court or the responsible agency confirms with the department that the
2047 department has previously received an adequate DNA specimen obtained from the person in
2048 accordance with this section; or

2049 (b) the court determines that obtaining a DNA specimen would create a substantial and
2050 unreasonable risk to the health of the person.

2051 Section 44. Section **53G-9-203** is amended to read:

2052 **53G-9-203. Definitions -- School personnel -- Medical recommendations --**

2053 **Exceptions -- Penalties.**

2054 (1) As used in this section:

2055 (a) "Health care professional" means a physician, physician assistant, nurse, dentist, or
2056 mental health therapist.

2057 (b) "School personnel" means a school district or charter school employee, including a
2058 licensed, part-time, contract, or nonlicensed employee.

2059 (2) School personnel may:

2060 (a) provide information and observations to a student's parent or guardian about that
2061 student, including observations and concerns in the following areas:

2062 (i) progress;

2063 (ii) health and wellness;

2064 (iii) social interactions;

2065 (iv) behavior; or

2066 (v) topics consistent with Subsection [53E-9-203\(6\)](#);

2067 (b) communicate information and observations between school personnel regarding a
2068 child;

2069 (c) refer students to other appropriate school personnel and agents, consistent with
2070 local school board or charter school policy, including referrals and communication with a
2071 school counselor or other mental health professionals working within the school system;

2072 (d) consult or use appropriate health care professionals in the event of an emergency
2073 while the student is at school, consistent with the student emergency information provided at
2074 student enrollment;

2075 (e) exercise their authority relating to the placement within the school or readmission
2076 of a child who may be or has been suspended or expelled for a violation of Section 53G-8-205;
2077 and

2078 (f) complete a behavioral health evaluation form if requested by a student's parent or
2079 guardian to provide information to a licensed physician or physician assistant.

2080 (3) School personnel shall:

2081 (a) report suspected child abuse consistent with Section 62A-4a-403;

2082 (b) comply with applicable state and local health department laws, rules, and policies;
2083 and

2084 (c) conduct evaluations and assessments consistent with the Individuals with
2085 Disabilities Education Act, 20 U.S.C. Sec. 1400 et seq., and its subsequent amendments.

2086 (4) Except as provided in Subsection (2), Subsection (6), and Section 53G-9-604,
2087 school personnel may not:

2088 (a) recommend to a parent or guardian that a child take or continue to take a
2089 psychotropic medication;

2090 (b) require that a student take or continue to take a psychotropic medication as a
2091 condition for attending school;

2092 (c) recommend that a parent or guardian seek or use a type of psychiatric or
2093 psychological treatment for a child;

2094 (d) conduct a psychiatric or behavioral health evaluation or mental health screening,
2095 test, evaluation, or assessment of a child, except where this Subsection (4)(d) conflicts with the
2096 Individuals with Disabilities Education Act, 20 U.S.C. Sec. 1400 et seq., and its subsequent
2097 amendments; or

2098 (e) make a child abuse or neglect report to authorities, including the Division of Child
2099 and Family Services, solely or primarily on the basis that a parent or guardian refuses to
2100 consent to:

2101 (i) a psychiatric, psychological, or behavioral treatment for a child, including the
2102 administration of a psychotropic medication to a child; or

2103 (ii) a psychiatric or behavioral health evaluation of a child.

2104 (5) Notwithstanding Subsection (4)(e), school personnel may make a report that would
2105 otherwise be prohibited under Subsection (4)(e) if failure to take the action described under
2106 Subsection (4)(e) would present a serious, imminent risk to the child's safety or the safety of
2107 others.

2108 (6) Notwithstanding Subsection (4), a school counselor or other mental health
2109 professional acting in accordance with Title 58, Chapter 60, Mental Health Professional
2110 Practice Act, or licensed through the State Board of Education, working within the school
2111 system may:

2112 (a) recommend, but not require, a psychiatric or behavioral health evaluation of a child;

2113 (b) recommend, but not require, psychiatric, psychological, or behavioral treatment for
2114 a child;

2115 (c) conduct a psychiatric or behavioral health evaluation or mental health screening,
2116 test, evaluation, or assessment of a child in accordance with Section [53E-9-203](#); and

2117 (d) provide to a parent or guardian, upon the specific request of the parent or guardian,
2118 a list of three or more health care professionals or providers, including licensed physicians,
2119 physician assistants, psychologists, or other health specialists.

2120 (7) Local school boards or charter schools shall adopt a policy:

2121 (a) providing for training of appropriate school personnel on the provisions of this
2122 section; and

2123 (b) indicating that an intentional violation of this section is cause for disciplinary action
2124 consistent with local school board or charter school policy and under Section [53G-11-513](#).

2125 (8) Nothing in this section shall be interpreted as discouraging general communication
2126 not prohibited by this section between school personnel and a student's parent or guardian.

2127 Section 45. Section **53G-9-208** is amended to read:

2128 **53G-9-208. Sunscreen -- Possession -- Administration -- Immunity.**

2129 (1) As used in this section, "sunscreen" means a compound topically applied to prevent
2130 sunburn.

2131 (2) A public school shall permit a student, without a parent [~~or physician's~~], physician,
2132 or physician assistant's authorization, to possess or self-apply sunscreen that is regulated by the
2133 Food and Drug Administration.

2134 (3) If a student is unable to self-apply sunscreen, a volunteer school employee may
2135 apply the sunscreen on the student if the student's parent or legal guardian provides written
2136 consent for the assistance.

2137 (4) A volunteer school employee who applies sunscreen on a student in compliance
2138 with Subsection (3) and the volunteer school employee's employer are not liable for:

2139 (a) an adverse reaction suffered by the student as a result of having the sunscreen
2140 applied; or

2141 (b) discontinuing the application of the sunscreen at any time.

2142 Section 46. Section **53G-9-504** is amended to read:

2143 **53G-9-504. Administration of glucagon -- Training of volunteer school personnel**
2144 **-- Authority to use glucagon -- Immunity from liability.**

2145 (1) As used in this section, "glucagon authorization" means a signed statement from a
2146 parent or guardian of a student with diabetes:

2147 (a) certifying that glucagon has been prescribed for the student;

2148 (b) requesting that the student's public school identify and train school personnel who
2149 volunteer to be trained in the administration of glucagon in accordance with this section; and

2150 (c) authorizing the administration of glucagon in an emergency to the student in
2151 accordance with this section.

2152 (2) (a) A public school shall, within a reasonable time after receiving a glucagon
2153 authorization, train two or more school personnel who volunteer to be trained in the
2154 administration of glucagon, with training provided by the school nurse or another qualified,
2155 licensed medical professional.

2156 (b) A public school shall allow all willing school personnel to receive training in the
2157 administration of glucagon, and the school shall assist and may not obstruct the identification
2158 or training of volunteers under this Subsection (2).

2159 (c) The Utah Department of Health, in cooperation with the state superintendent of
2160 public instruction, shall design a glucagon authorization form to be used by public schools in
2161 accordance with this section.

2162 (3) (a) Training in the administration of glucagon shall include:

2163 (i) techniques for recognizing the symptoms that warrant the administration of
2164 glucagon;

2165 (ii) standards and procedures for the storage and use of glucagon;
2166 (iii) other emergency procedures, including calling the emergency 911 number and
2167 contacting, if possible, the student's parent or guardian; and
2168 (iv) written materials covering the information required under this Subsection (3).
2169 (b) A school shall retain for reference the written materials prepared in accordance with
2170 Subsection (3)(a)(iv).
2171 (4) A public school shall permit a student or school personnel to possess or store
2172 prescribed glucagon so that it will be available for administration in an emergency in
2173 accordance with this section.
2174 (5) (a) A person who has received training in accordance with this section may
2175 administer glucagon at a school or school activity to a student with a glucagon authorization if:
2176 (i) the student is exhibiting the symptoms that warrant the administration of glucagon;
2177 and
2178 (ii) a licensed health care professional is not immediately available.
2179 (b) A person who administers glucagon in accordance with Subsection (5)(a) shall
2180 direct a responsible person to call 911 and take other appropriate actions in accordance with the
2181 training materials retained under Subsection (3)(b).
2182 (6) School personnel who provide or receive training under this section and act in good
2183 faith are not liable in any civil or criminal action for any act taken or not taken under the
2184 authority of this section with respect to the administration of glucagon.
2185 (7) Section 53G-9-502 does not apply to the administration of glucagon in accordance
2186 with this section.
2187 (8) Section 53G-8-205 does not apply to the possession and administration of glucagon
2188 in accordance with this section.
2189 (9) The unlawful or unprofessional conduct provisions of Title 58, Occupations and
2190 Professions, do not apply to a person licensed as a health professional under Title 58,
2191 Occupations and Professions, including a nurse, physician, physician assistant, or pharmacist
2192 who, in good faith, trains nonlicensed volunteers to administer glucagon in accordance with
2193 this section.
2194 Section 47. Section 53G-9-505 is amended to read:
2195 **53G-9-505. Trained school employee volunteers -- Administration of seizure**

2196 **rescue medication -- Exemptions from liability.**

2197 (1) As used in this section:

2198 (a) "Prescribing health care professional" means:

2199 (i) a physician and surgeon licensed under Title 58, Chapter 67, Utah Medical Practice

2200 Act;

2201 (ii) an osteopathic physician and surgeon licensed under Title 58, Chapter 68, Utah

2202 Osteopathic Medical Practice Act;

2203 (iii) an advanced practice registered nurse licensed under Title 58, Chapter 31b, Nurse

2210 (c) "Seizure rescue authorization" means a student's Section 504 accommodation plan

2211 that:

2212 (i) certifies that:

2213 (A) a prescribing health care professional has prescribed a seizure rescue medication

2214 for the student;

2215 (B) the student's parent or legal guardian has previously administered the student's

2216 seizure rescue medication in a nonmedically-supervised setting without a complication; and

2217 (C) the student has previously ceased having full body prolonged or convulsive seizure

2218 activity as a result of receiving the seizure rescue medication;

2219 (ii) describes the specific seizure rescue medication authorized for the student,

2220 including the indicated dose, and instructions for administration;

2221 (iii) requests that the student's public school identify and train school employees who

2222 are willing to volunteer to receive training to administer a seizure rescue medication in

2223 accordance with this section; and

2224 (iv) authorizes a trained school employee volunteer to administer a seizure rescue

2225 medication in accordance with this section.

2226 (d) (i) "Seizure rescue medication" means a medication, prescribed by a prescribing

2227 health care professional, to be administered as described in a student's seizure rescue
2228 authorization, while the student experiences seizure activity.

2229 (ii) A seizure rescue medication does not include a medication administered
2230 intravenously or intramuscularly.

2231 (e) "Trained school employee volunteer" means an individual who:

2232 (i) is an employee of a public school where at least one student has a seizure rescue

2238 (C) demonstrates competency on an assessment; and

2239 (D) completes annual refresher training each year that the individual intends to remain
2240 a trained school employee volunteer.

2241 (2) (a) The Department of Health shall, with input from the State Board of Education
2242 and a children's hospital, develop a training program for trained school employee volunteers in
2243 the administration of seizure rescue medications that includes:

2244 (i) techniques to recognize symptoms that warrant the administration of a seizure
2245 rescue medication;

2246 (ii) standards and procedures for the storage of a seizure rescue medication;

2247 (iii) procedures, in addition to administering a seizure rescue medication, in the event
2248 that a student requires administration of the seizure rescue medication, including:

2249 (A) calling 911; and

2250 (B) contacting the student's parent or legal guardian;

2251 (iv) an assessment to determine if an individual is competent to administer a seizure
2252 rescue medication;

2253 (v) an annual refresher training component; and

2254 (vi) written materials describing the information required under this Subsection (2)(a).

2255 (b) A public school shall retain for reference the written materials described in
2256 Subsection (2)(a)(vi).

2257 (c) The following individuals may provide the training described in Subsection (2)(a):

- 2258 (i) a school nurse; or
2259 (ii) a licensed health care professional.
- 2260 (3) (a) A public school shall, after receiving a seizure rescue authorization:
2261 (i) inform school employees of the opportunity to be a school employee volunteer; and
2262 (ii) subject to Subsection (3)(b)(ii), provide training, to each school employee who
2263 volunteers, using the training program described in Subsection (2)(a).
- 2264 (b) A public school may not:
2265 (i) obstruct the identification or training of a trained school employee volunteer; or
2266 (ii) compel a school employee to become a trained school employee volunteer.
- 2267 (4) A trained school employee volunteer may possess or store a prescribed rescue
2268 seizure medication, in accordance with this section.
- 2269 (5) A trained school employee volunteer may administer a seizure rescue medication to
2270 a student with a seizure rescue authorization if:
2271 (a) the student is exhibiting a symptom, described on the student's seizure rescue
2272 authorization, that warrants the administration of a seizure rescue medication; and
2273 (b) a licensed health care professional is not immediately available to administer the
2274 seizure rescue medication.
- 2275 (6) A trained school employee volunteer who administers a seizure rescue medication
2276 shall direct an individual to call 911 and take other appropriate actions in accordance with the
2277 training described in Subsection (2).
- 2278 (7) A trained school employee volunteer who administers a seizure rescue medication
2279 in accordance with this section in good faith is not liable in a civil or criminal action for an act
2280 taken or not taken under this section.
- 2281 (8) Section [53G-9-502](#) does not apply to the administration of a seizure rescue
2282 medication.
- 2283 (9) Section [53G-8-205](#) does not apply to the possession of a seizure rescue medication
2284 in accordance with this section.
- 2285 (10) (a) The unlawful or unprofessional conduct provisions of Title 58, Occupations
2286 and Professions, do not apply to a person licensed as a health care professional under Title 58,
2287 Occupations and Professions, including a nurse, physician, physician assistant, or pharmacist
2288 for, in good faith, training a nonlicensed school employee who volunteers to administer a

2289 seizure rescue medication in accordance with this section.

2290 (b) Allowing a trained school employee volunteer to administer a seizure rescue
2291 medication in accordance with this section does not constitute unlawful or inappropriate
2292 delegation under Title 58, Occupations and Professions.

2293 Section 48. Section **54-8b-10** is amended to read:

2294 **54-8b-10. Imposing a surcharge to provide deaf, hard of hearing, and speech**
2295 **impaired individuals with telecommunication devices -- Definitions -- Procedures for**
2296 **establishing program -- Surcharge -- Administration and disposition of surcharge money.**

2297 (1) As used in this section:

2298 (a) "Certified deaf, hard of hearing, or severely speech impaired individual" means any
2299 state resident who:

2300 (i) is so certified by:

2301 (A) a licensed physician;

2302 (B) a licensed physician assistant;

2303 ~~(B)~~ (C) an otolaryngologist;

2304 ~~(C)~~ (D) a speech language pathologist;

2305 ~~(D)~~ (E) an audiologist; or

2306 ~~(E)~~ (F) a qualified state agency; and

2307 (ii) qualifies for assistance under any low income public assistance program
2308 administered by a state agency.

2309 (b) "Certified interpreter" means a person who is a certified interpreter under Title
2310 35A, Chapter 13, Part 6, Interpreter Services for the Deaf and Hard of Hearing Act.

2311 (c) (i) "Telecommunication device" means any mechanical adaptation device that
2312 enables a deaf, hard of hearing, or severely speech impaired individual to use the telephone.

2313 (ii) "Telecommunication device" includes:

2314 (A) telecommunication devices for the deaf (TDD);

2315 (B) telephone amplifiers;

2316 (C) telephone signal devices;

2317 (D) artificial larynxes; and

2318 (E) adaptive equipment for TDD keyboard access.

2319 (2) The commission shall establish a program whereby a certified deaf, hard of hearing,

2320 or severely speech impaired customer of a telecommunications corporation that provides
2321 service through a local exchange or of a wireless telecommunications provider may obtain a
2322 telecommunication device capable of serving the customer at no charge to the customer beyond
2323 the rate for basic service.

2324 (3) (a) The program described in Subsection (2) shall provide a dual party relay system
2325 using third party intervention to connect a certified deaf, hard of hearing, or severely speech
2326 impaired individual with a normal hearing individual by way of telecommunication devices
2327 designed for that purpose.

2328 (b) The commission may, by rule, establish the type of telecommunications device to
2329 be provided to ensure functional equivalence.

2330 (4) The commission shall cover the costs of the program described in this section from
2331 the Universal Public Telecommunications Service Support Fund created in Section 54-8b-15.

2332 (5) In administering the program described in this section, the commission may use
2333 funds from the Universal Public Telecommunications Service Support Fund:

2334 (a) for the purchase, maintenance, repair, and distribution of telecommunication
2335 devices;

2336 (b) for the acquisition, operation, maintenance, and repair of a dual party relay system;

2337 (c) for the general administration of the program;

2338 (d) to train individuals in the use of telecommunications devices; and

2339 (e) to contract, in compliance with Title 63G, Chapter 6a, Utah Procurement Code,

2340 with:

2341 (i) an institution within the state system of higher education listed in Section
2342 53B-1-102 for a program approved by the Board of Regents that trains persons to qualify as
2343 certified interpreters; or

2344 (ii) the Utah State Office of Rehabilitation created in Section 35A-1-202 for a program
2345 that trains persons to qualify as certified interpreters.

2346 (6) The commission may create disbursement criteria and procedures by rule made
2347 under Title 63G, Chapter 3, Utah Administrative Rulemaking Act, for administering funds
2348 under Subsection (5).

2349 (7) The commission shall solicit advice, counsel, and physical assistance from deaf,
2350 hard of hearing, or severely speech impaired individuals and the organizations serving deaf,

2351 hard of hearing, or severely speech impaired individuals in the design and implementation of
2352 the program.

2353 Section 49. Section **58-1-307** is amended to read:

2354 **58-1-307. Exemptions from licensure.**

2355 (1) Except as otherwise provided by statute or rule, the following individuals may
2356 engage in the practice of their occupation or profession, subject to the stated circumstances and
2357 limitations, without being licensed under this title:

2358 (a) an individual serving in the armed forces of the United States, the United States
2359 Public Health Service, the United States Department of Veterans Affairs, or other federal
2360 agencies while engaged in activities regulated under this chapter as a part of employment with
2361 that federal agency if the individual holds a valid license to practice a regulated occupation or
2362 profession issued by any other state or jurisdiction recognized by the division;

2363 (b) a student engaged in activities constituting the practice of a regulated occupation or
2364 profession while in training in a recognized school approved by the division to the extent the
2365 activities are supervised by qualified faculty, staff, or designee and the activities are a defined
2366 part of the training program;

2367 (c) an individual engaged in an internship, residency, preceptorship, postceptorship,
2368 fellowship, apprenticeship, or on-the-job training program approved by the division while
2369 under the supervision of qualified individuals;

2370 (d) an individual residing in another state and licensed to practice a regulated
2371 occupation or profession in that state, who is called in for a consultation by an individual
2372 licensed in this state, and the services provided are limited to that consultation;

2373 (e) an individual who is invited by a recognized school, association, society, or other
2374 body approved by the division to conduct a lecture, clinic, or demonstration of the practice of a
2375 regulated occupation or profession if the individual does not establish a place of business or
2376 regularly engage in the practice of the regulated occupation or profession in this state;

2377 (f) an individual licensed under the laws of this state, other than under this title, to
2378 practice or engage in an occupation or profession, while engaged in the lawful, professional,
2379 and competent practice of that occupation or profession;

2380 (g) an individual licensed in a health care profession in another state who performs that
2381 profession while attending to the immediate needs of a patient for a reasonable period during

2382 which the patient is being transported from outside of this state, into this state, or through this
2383 state;

2384 (h) an individual licensed in another state or country who is in this state temporarily to
2385 attend to the needs of an athletic team or group, except that the practitioner may only attend to
2386 the needs of the athletic team or group, including all individuals who travel with the team or
2387 group in any capacity except as a spectator;

2388 (i) an individual licensed and in good standing in another state, who is in this state:

2389 (i) temporarily, under the invitation and control of a sponsoring entity;

2390 (ii) for a reason associated with a special purpose event, based upon needs that may
2391 exceed the ability of this state to address through its licensees, as determined by the division;
2392 and

2393 (iii) for a limited period of time not to exceed the duration of that event, together with
2394 any necessary preparatory and conclusionary periods; and

2395 (j) the spouse of an individual serving in the armed forces of the United States while
2396 the individual is stationed within this state, provided:

2397 (i) the spouse holds a valid license to practice a regulated occupation or profession
2398 issued by any other state or jurisdiction recognized by the division; and

2399 (ii) the license is current and the spouse is in good standing in the state of licensure.

2400 (2) (a) A practitioner temporarily in this state who is exempted from licensure under
2401 Subsection (1) shall comply with each requirement of the licensing jurisdiction from which the
2402 practitioner derives authority to practice.

2403 (b) Violation of a limitation imposed by this section constitutes grounds for removal of
2404 exempt status, denial of license, or other disciplinary proceedings.

2405 (3) An individual who is licensed under a specific chapter of this title to practice or
2406 engage in an occupation or profession may engage in the lawful, professional, and competent
2407 practice of that occupation or profession without additional licensure under other chapters of
2408 this title, except as otherwise provided by this title.

2409 (4) Upon the declaration of a national, state, or local emergency, a public health
2410 emergency as defined in Section [26-23b-102](#), or a declaration by the president of the United
2411 States or other federal official requesting public health-related activities, the division in
2412 collaboration with the board may:

2413 (a) suspend the requirements for permanent or temporary licensure of individuals who
2414 are licensed in another state for the duration of the emergency while engaged in the scope of
2415 practice for which they are licensed in the other state;

2416 (b) modify, under the circumstances described in this Subsection (4) and Subsection
2417 (5), the scope of practice restrictions under this title for individuals who are licensed under this
2418 title as:

2419 (i) a physician under Chapter 67, Utah Medical Practice Act, or Chapter 68, Utah
2420 Osteopathic Medical Practice Act;

2422 Compact;

2423 (iii) a certified nurse midwife under Chapter 44a, Nurse Midwife Practice Act;

2424 (iv) a pharmacist, pharmacy technician, or pharmacy intern under Chapter 17b,
2425 Pharmacy Practice Act;

2426 (v) a respiratory therapist under Chapter 57, Respiratory Care Practices Act;

2427 (vi) a dentist and dental hygienist under Chapter 69, Dentist and Dental Hygienist
2428 Practice Act; and

2429 (vii) a physician assistant under Chapter 70a, Utah Physician Assistant Act;

2430 (c) suspend the requirements for licensure under this title and modify the scope of
2431 practice in the circumstances described in this Subsection (4) and Subsection (5) for medical
2432 services personnel or paramedics required to be licensed under Section 26-8a-302;

2433 (d) suspend requirements in Subsections 58-17b-620(3) through (6) which require
2434 certain prescriptive procedures;

2435 (e) exempt or modify the requirement for licensure of an individual who is activated as
2436 a member of a medical reserve corps during a time of emergency as provided in Section
2437 26A-1-126; and

2438 (f) exempt or modify the requirement for licensure of an individual who is registered as
2439 a volunteer health practitioner as provided in Title 26, Chapter 49, Uniform Emergency
2440 Volunteer Health Practitioners Act.

2441 (5) Individuals exempt under Subsection (4)(c) and individuals operating under
2442 modified scope of practice provisions under Subsection (4)(b):

2443 (a) are exempt from licensure or subject to modified scope of practice for the duration

2444 of the emergency;

2445 (b) must be engaged in the distribution of medicines or medical devices in response to
2446 the emergency or declaration; and

2447 (c) must be employed by or volunteering for:

2448 (i) a local or state department of health; or

2449 (ii) a host entity as defined in Section 26-49-102.

2450 (6) In accordance with the protocols established under Subsection (8), upon the
2451 declaration of a national, state, or local emergency, the Department of Health or a local health
2452 department shall coordinate with public safety authorities as defined in Subsection
2453 26-23b-110(1) and may:

2454 (a) use a vaccine, antiviral, antibiotic, or other prescription medication that is not a
2455 controlled substance to prevent or treat a disease or condition that gave rise to, or was a
2456 consequence of, the emergency; or

2457 (b) distribute a vaccine, antiviral, antibiotic, or other prescription medication that is not
2458 a controlled substance:

2459 (i) if necessary, to replenish a commercial pharmacy in the event that the commercial
2460 pharmacy's normal source of the vaccine, antiviral, antibiotic, or other prescription medication
2461 is exhausted; or

2462 (ii) for dispensing or direct administration to treat the disease or condition that gave
2463 rise to, or was a consequence of, the emergency by:

2464 (A) a pharmacy;

2465 (B) a prescribing practitioner;

2466 (C) a licensed health care facility;

2467 (D) a federally qualified community health clinic; or

2468 (E) a governmental entity for use by a community more than 50 miles from a person
2469 described in Subsections (6)(b)(ii)(A) through (D).

2470 (7) In accordance with protocols established under Subsection (8), upon the declaration
2471 of a national, state, or local emergency, the Department of Health shall coordinate the
2472 distribution of medications:

2473 (a) received from the strategic national stockpile to local health departments; and

2474 (b) from local health departments to emergency personnel within the local health

2475 departments' geographic region.

2476 (8) The Department of Health shall establish by rule, made in accordance with Title
2477 63G, Chapter 3, Utah Administrative Rulemaking Act, protocols for administering, dispensing,
2478 and distributing a vaccine, an antiviral, an antibiotic, or other prescription medication that is
2479 not a controlled substance in the event of a declaration of a national, state, or local emergency.
2480 The protocol shall establish procedures for the Department of Health or a local health
2481 department to:

2482 (a) coordinate the distribution of:

2483 (i) a vaccine, an antiviral, an antibiotic, or other prescription medication that is not a
2484 controlled substance received by the Department of Health from the strategic national stockpile
2485 to local health departments; and

2486 (ii) a vaccine, an antiviral, an antibiotic, or other non-controlled prescription
2487 medication received by a local health department to emergency personnel within the local
2488 health department's geographic region;

2489 (b) authorize the dispensing, administration, or distribution of a vaccine, an antiviral,
2490 an antibiotic, or other prescription medication that is not a controlled substance to the contact
2491 of a patient without a patient-practitioner relationship, if the contact's condition is the same as
2492 that of the physician's or physician assistant's patient; and

2493 (c) authorize the administration, distribution, or dispensing of a vaccine, an antiviral,
2494 an antibiotic, or other non-controlled prescription medication to an individual who:

2495 (i) is working in a triage situation;

2496 (ii) is receiving preventative or medical treatment in a triage situation;

2497 (iii) does not have coverage for the prescription in the individual's health insurance
2498 plan;

2499 (iv) is involved in the delivery of medical or other emergency services in response to
2500 the declared national, state, or local emergency; or

2501 (v) otherwise has a direct impact on public health.

2502 (9) The Department of Health shall give notice to the division upon implementation of
2503 the protocol established under Subsection (8).

2504 Section 50. Section **58-1-501.5** is amended to read:

2505 **58-1-501.5. Anatomic pathology services -- Billing violations.**

2506 (1) As used in this section, the following definitions apply:

2507 (a) (i) "Anatomic pathology services" including "technical or professional component
2508 of anatomic pathology services" means:

2509 (A) histopathology or surgical pathology, meaning the gross examination of, histologic
2510 processing of, or microscopic examination of human organ tissue performed by a physician or
2511 physician assistant, or under the supervision of a physician;

2512 (B) cytopathology, meaning the examination of human cells, from fluids, aspirates,
2513 washings, brushings, or smears, including the pap test examination performed by a physician,
2514 or physician assistant, or under the supervision of a physician;

2515 (C) hematology, meaning the microscopic evaluation of human bone marrow aspirates
2516 and biopsies performed by a physician or physician assistant, or under the supervision of a
2517 physician, and peripheral human blood smears when the attending or treating physician, or
2518 physician assistant, or other practitioner of the healing arts or a technologist requests that a
2519 blood smear be reviewed by a pathologist;

2520 (D) subcellular pathology and molecular pathology; and

2521 (E) blood bank services performed by a pathologist.

2522 (ii) "Anatomic pathology services" including "technical or professional component of
2523 anatomic pathology services" does not include the initial collection or packaging of a sample
2524 for transport.

2525 (b) "Clinical laboratory" or "laboratory" means a facility for the biological,
2526 microbiological, serological, chemical, immunohematological, hematological, biophysical,
2527 cytological, pathological, or other examination of materials derived from the human body for
2528 the purpose of providing information for the diagnosis, prevention, or treatment of any disease
2529 or impairment of human beings or the assessment of the health of human beings.

2530 (c) "Health care facility" has the meaning provided in Section [26-21-2](#).

2531 (d) "Health care provider" includes:

2532 (i) an advanced practice registered nurse licensed under Chapter 31b, Nurse Practice
2533 Act;

2534 (ii) a chiropractic physician licensed under Chapter 73, Chiropractic Physician Practice
2535 Act;

2536 (iii) a dentist licensed under Chapter 69, Dentist and Dental Hygienist Practice Act;

- 2537 (iv) a nurse midwife licensed under Chapter 44a, Nurse Midwife Practice Act;
- 2538 (v) an optometrist licensed under Chapter 16a, Utah Optometry Practice Act;
- 2539 (vi) an osteopathic physician and surgeon licensed under Chapter 68, Utah Osteopathic
- 2540 Medical Practice Act;
- 2541 (vii) a podiatric physician licensed under Chapter 5a, Podiatric Physician Licensing
- 2542 Act;
- 2543 (viii) a physician and surgeon licensed under Chapter 67, Utah Medical Practice Act;
- 2544 and
- 2545 (ix) a physician assistant licensed under Chapter 70a, Utah Physician Assistant Act.
- 2546 (e) "Insurer" includes:
- 2547 (i) any entity offering accident and health insurance as defined in Section 31A-1-301;
- 2548 (ii) workers' compensation benefits;
- 2549 (iii) a health maintenance organization; or
- 2550 (iv) any self-insurance, as defined in Section 31A-1-301, that offers health care
- 2551 insurance or benefits.
- 2552 (2) (a) A health care provider who orders anatomic pathology services for a patient
- 2553 from an independent physician or laboratory may not directly or indirectly mark up, charge a
- 2554 commission, or make a profit on the anatomic pathology service provided by the independent
- 2555 physician or laboratory.
- 2556 (b) Nothing in Subsection (2)(a):
- 2557 (i) restricts the ability of a health care provider, who has not performed or supervised
- 2558 either the technical or professional component of the anatomic pathology service, to obtain
- 2559 payment for services related solely to the collection and packaging of a sample and
- 2560 administrative billing costs; or
- 2561 (ii) restricts the ability of the lab function in the Department of Health to bill for
- 2562 services.
- 2563 (3) A health care provider when billing a patient directly for anatomic pathology
- 2564 services provided by an independent physician or laboratory shall furnish an itemized bill
- 2565 which conforms with the billing practices of the American Medical Association that
- 2566 conspicuously discloses the charge for each anatomic pathology service, physician or
- 2567 laboratory name, and address for each anatomic pathology service rendered to the patient by the

2568 physician or laboratory that performed the anatomic pathology service.

2569 (4) The disclosure to be made under Subsection (3) shall not be required when the
2570 anatomic pathology service is being ordered by a hospital, a laboratory performing either the
2571 professional or technical component of the service, or a physician or physician assistant
2572 performing either the professional or technical component of the service, a public health clinic,
2573 or a state or federal agency.

2574 (5) Failure to comply with the requirements of this section shall be considered to be
2575 unprofessional conduct.

2576 Section 51. Section **58-41-4** is amended to read:

2592 and jurisdiction of and only in the academic interest of the schools by which employed in this
2593 state;

2594 (e) a person employed as a speech-language pathologist or audiologist by federal
2595 government agencies or subdivisions or, prior to July 1, 1989, by state or local government
2596 agencies or subdivisions, while specifically performing speech-language pathology or
2597 audiology services in no way in his own interest, solely within the confines of and under the
2598 direction and jurisdiction of and in the specific interest of that agency or subdivision;

2599 (f) a person identified in Subsections (1)(d) and (e) may offer lectures for a fee, or
2600 monetary or other compensation, without being licensed; however, such person may elect to be
2601 subject to the requirements of this chapter;

2602 (g) a person employed by accredited colleges or universities as a speech-language
2603 pathologist or audiologist from performing the services or functions described in this chapter
2604 when they are:

2605 (i) performed solely as an assigned teaching function of employment;

2606 (ii) solely in academic interest and pursuit as a function of that employment;

2607 (iii) in no way for their own interest; and

2608 (iv) provided for no fee, monetary or otherwise, other than their agreed institutional
2609 salary;

2610 (h) a person pursuing a course of study leading to a degree in speech-language
2611 pathology or audiology while enrolled in an accredited college or university, provided those
2612 activities constitute an assigned, directed, and supervised part of his curricular study, and in no
2613 other interest, and that all examinations, tests, histories, charts, progress notes, reports,
2614 correspondence, and all documents and records which he produces be identified clearly as
2615 having been conducted and prepared by a student in training and that such a person is
2616 obviously identified and designated by appropriate title clearly indicating the training status
2617 and provided that he does not hold himself out directly or indirectly as being qualified to
2618 practice independently;

2619 (i) a person trained in elementary audiometry and qualified to perform basic
2620 audiometric tests while employed by a licensed medical doctor to perform solely for him while
2621 under his direct supervision, the elementary conventional audiometric tests of air conduction
2622 screening, air conduction threshold testing, and tympanometry;

2623 (j) a person while performing as a speech-language pathologist or audiologist for the
2624 purpose of obtaining required professional experience under the provisions of this chapter, if he
2625 meets all training requirements and is professionally responsible to and under the supervision
2626 of a speech-language pathologist or audiologist who holds the CCC or a state license in
2627 speech-language pathology or audiology. This provision is applicable only during the time that
2628 person is obtaining the required professional experience;

2629 (k) a corporation, partnership, trust, association, group practice, or like organization

2630 engaging in speech-language pathology or audiology services without certification or license, if
2631 it acts only through employees or consists only of persons who are licensed under this chapter;

2632 (l) performance of speech-language pathology or audiology services in this state by a
2633 speech-language pathologist or audiologist who is not a resident of this state and is not licensed
2634 under this chapter if those services are performed for no more than one month in any calendar
2635 year in association with a speech-language pathologist or audiologist licensed under this
2636 chapter, and if that person meets the qualifications and requirements for application for
2637 licensure described in Section 58-41-5; and

2638 (m) a person certified under Title 53E, Public Education System -- State
2639 Administration, as a teacher of the deaf, from providing the services or performing the
2640 functions he is certified to perform.

2641 (2) No person is exempt from the requirements of this chapter who performs or
2642 provides any services as a speech-language pathologist or audiologist for which a fee, salary,
2643 bonus, gratuity, or compensation of any kind paid by the recipient of the service; or who
2644 engages any part of his professional work for a fee practicing in conjunction with, by
2645 permission of, or apart from his position of employment as speech-language pathologist or
2646 audiologist in any branch or subdivision of local, state, or federal government or as otherwise
2647 identified in this section.

2648 Section 52. Section 58-46a-305 is amended to read:

2649 **58-46a-305. Exemptions from licensure.**

2650 In addition to the exemptions from licensure in Section 58-1-307, the following persons
2651 may engage in acts and practices included within the definition of practice as a hearing
2652 instrument specialist or hearing instrument intern, subject to their professional licensure
2653 authorization and restrictions, without being licensed under this chapter:

2654 (1) an audiologist licensed under the provisions of [~~Title 58,~~] Chapter 41,
2655 Speech-Language Pathology and Audiology Licensing Act; [~~and~~]

2656 (2) a physician and surgeon licensed under the provisions of [~~Title 58,~~] Chapter 67,
2657 Utah Medical Practice Act, or osteopathic physician licensed under the provisions of [~~Title 58,~~]
2658 Chapter 68, Utah Osteopathic Medical Practice Act[~~;~~]; and

2659 (3) a physician assistant licensed under the provisions of Chapter 70a, Utah Physician
2660 Assistant Act.

2661 Section 53. Section **58-46a-502** is amended to read:

2662 **58-46a-502. Additional requirements for practicing as a hearing instrument**
2663 **specialist.**

2664 A person engaging in the practice of a hearing instrument specialist shall:

2665 (1) have a regular place or places of business from which the person conducts business
2666 as a hearing instrument specialist and the place or places of business shall be represented to a
2667 patient and others with whom business is conducted by the street address at which the place of
2668 business is located;

2669 (2) include in all advertising or other representation the street address at which the
2670 business is located and the telephone number of the business at that street address;

2671 (3) provide as part of each transaction between a licensee and a patient related to
2672 testing for hearing loss and selling of a hearing instrument written documentation provided to
2673 the patient that includes:

2674 (a) identification of all services and products provided to the patient by the hearing
2675 instrument specialist and the charges for each service or product;

2676 (b) a statement whether any hearing instrument provided to a patient is "new," "used,"
2677 or "reconditioned" and the terms and conditions of any warranty or guarantee that applies to
2678 each instrument; and

2679 (c) the identity and license number of each hearing instrument specialist or hearing
2680 instrument intern who provided services or products to the patient;

2681 (4) before providing services or products to a patient:

2682 (a) advise the patient regarding services and products offered to the patient, including
2683 the expected results of the services and products;

2684 (b) inform each patient who is being offered a hearing instrument about hearing
2685 instruments that work with assistive listening systems that are compliant with the ADA
2686 Standards for Accessible Design adopted by the United States Department of Justice in
2687 accordance with the Americans with Disabilities Act, 42 U.S.C. Sec. 12101 et seq.; and

2688 (c) obtain written informed consent from the patient regarding offered services,
2689 products, and the expected results of the services and products in a form approved by the
2690 division in collaboration with the board;

2691 (5) refer all individuals under the age of 18 who seek testing of hearing to a physician

2692 or surgeon, osteopathic physician, physician assistant, or audiologist, licensed under the
2693 provisions of [~~Title 58, Occupations and Professions~~] this title, and shall dispense a hearing aid
2694 to that individual only on prescription of a physician or surgeon, osteopathic physician,
2695 physician assistant, or audiologist;

2696 (6) obtain the patient's informed consent and agreement to purchase the hearing
2697 instrument based on that informed consent either by the hearing instrument specialist or the
2698 hearing instrument intern, before designating an appropriate hearing instrument; and

2699 (7) if a hearing instrument does not substantially enhance the patient's hearing
2700 consistent with the representations of the hearing instrument specialist at the time informed
2701 consent was given prior to the sale and fitting of the hearing instrument, provide:

2702 (a) necessary intervention to produce satisfactory hearing recovery results consistent
2703 with representations made; or

2704 (b) for the refund of fees paid by the patient for the hearing instrument to the hearing
2705 instrument specialist within a reasonable time after finding that the hearing instrument does not
2706 substantially enhance the patient's hearing.

2787 **62A-4a-406. Photographs.**

2788 (1) Any physician, surgeon, physician assistant, medical examiner, peace officer, law
2789 enforcement official, or public health officer or official may take photographs of the areas of
2790 trauma visible on a child and, if medically indicated, perform radiological examinations.

2791 (2) Photographs may be taken of the premises or of objects relevant to a reported
2792 circumstance of abuse or neglect.

2793 (3) Photographs or X-rays, and all other medical records pertinent to an investigation
2794 for abuse or neglect shall be made available to the division, law enforcement officials, and the
2795 court.

2796 Section 59. Section **63G-2-202** is amended to read:

2797 **63G-2-202. Access to private, controlled, and protected documents.**

2798 (1) Except as provided in Subsection (11)(a), a governmental entity:

2799 (a) shall, upon request, disclose a private record to:

2800 (i) the subject of the record;

2801 (ii) the parent or legal guardian of an unemancipated minor who is the subject of the
2802 record;

2803 (iii) the legal guardian of a legally incapacitated individual who is the subject of the
2804 record;

2805 (iv) any other individual who:

2806 (A) has a power of attorney from the subject of the record;

2807 (B) submits a notarized release from the subject of the record or the individual's legal
2808 representative dated no more than 90 days before the date the request is made; or

2809 (C) if the record is a medical record described in Subsection **63G-2-302(1)(b)**, is a
2810 health care provider, as defined in Section **26-33a-102**, if releasing the record or information in
2811 the record is consistent with normal professional practice and medical ethics; or

2812 (v) any person to whom the record must be provided pursuant to:

2813 (A) court order as provided in Subsection (7); or

2814 (B) a legislative subpoena as provided in Title 36, Chapter 14, Legislative Subpoena
2815 Powers; and

2816 (b) may disclose a private record described in Subsection 63G-2-302(1)(j) or (k),
2817 without complying with Section 63G-2-206, to another governmental entity for a purpose
2818 related to:

- 2819 (i) voter registration; or
- 2820 (ii) the administration of an election.

2821 (2) (a) Upon request, a governmental entity shall disclose a controlled record to:

2822 (i) a physician, physician assistant, psychologist, certified social worker, insurance
2823 provider or producer, or a government public health agency upon submission of:

2824 (A) a release from the subject of the record that is dated no more than 90 days prior to
2825 the date the request is made; and

2826 (B) a signed acknowledgment of the terms of disclosure of controlled information as
2827 provided by Subsection (2)(b); and

2828 (ii) any person to whom the record must be disclosed pursuant to:

2829 (A) a court order as provided in Subsection (7); or

2830 (B) a legislative subpoena as provided in Title 36, Chapter 14, Legislative Subpoena
2831 Powers.

2832 (b) A person who receives a record from a governmental entity in accordance with
2833 Subsection (2)(a)(i) may not disclose controlled information from that record to any person,
2834 including the subject of the record.

2835 (3) If there is more than one subject of a private or controlled record, the portion of the
2836 record that pertains to another subject shall be segregated from the portion that the requester is
2837 entitled to inspect.

2838 (4) Upon request, and except as provided in Subsection (10) or (11)(b), a governmental
2839 entity shall disclose a protected record to:

2840 (a) the person that submitted the record;

2841 (b) any other individual who:

2842 (i) has a power of attorney from all persons, governmental entities, or political
2843 subdivisions whose interests were sought to be protected by the protected classification; or

2844 (ii) submits a notarized release from all persons, governmental entities, or political
2845 subdivisions whose interests were sought to be protected by the protected classification or from
2846 their legal representatives dated no more than 90 days prior to the date the request is made;

- 2847 (c) any person to whom the record must be provided pursuant to:
- 2848 (i) a court order as provided in Subsection (7); or
- 2849 (ii) a legislative subpoena as provided in Title 36, Chapter 14, Legislative Subpoena
- 2850 Powers; or
- 2851 (d) the owner of a mobile home park, subject to the conditions of Subsection
- 2852 [41-1a-116\(5\)](#).
- 2853 (5) Except as provided in Subsection (1)(b), a governmental entity may disclose a
- 2854 private, controlled, or protected record to another governmental entity, political subdivision,
- 2855 state, the United States, or a foreign government only as provided by Section [63G-2-206](#).
- 2856 (6) Before releasing a private, controlled, or protected record, the governmental entity
- 2857 shall obtain evidence of the requester's identity.
- 2858 (7) A governmental entity shall disclose a record pursuant to the terms of a court order
- 2859 signed by a judge from a court of competent jurisdiction, provided that:
- 2860 (a) the record deals with a matter in controversy over which the court has jurisdiction;
- 2861 (b) the court has considered the merits of the request for access to the record;
- 2862 (c) the court has considered and, where appropriate, limited the requester's use and
- 2863 further disclosure of the record in order to protect:
- 2864 (i) privacy interests in the case of private or controlled records;
- 2865 (ii) business confidentiality interests in the case of records protected under Subsection
- 2866 [63G-2-305\(1\), \(2\), \(40\)\(a\)\(ii\), or \(40\)\(a\)\(vi\)](#); and
- 2867 (iii) privacy interests or the public interest in the case of other protected records;
- 2868 (d) to the extent the record is properly classified private, controlled, or protected, the
- 2869 interests favoring access, considering limitations thereon, are greater than or equal to the
- 2870 interests favoring restriction of access; and
- 2871 (e) where access is restricted by a rule, statute, or regulation referred to in Subsection
- 2872 [63G-2-201\(3\)\(b\)](#), the court has authority independent of this chapter to order disclosure.
- 2873 (8) (a) Except as provided in Subsection (8)(d), a governmental entity may disclose or
- 2874 authorize disclosure of private or controlled records for research purposes if the governmental
- 2875 entity:
- 2876 (i) determines that the research purpose cannot reasonably be accomplished without
- 2877 use or disclosure of the information to the researcher in individually identifiable form;

2878 (ii) determines that:
2879 (A) the proposed research is bona fide; and
2880 (B) the value of the research is greater than or equal to the infringement upon personal
2881 privacy;
2882 (iii) (A) requires the researcher to assure the integrity, confidentiality, and security of
2883 the records; and
2884 (B) requires the removal or destruction of the individual identifiers associated with the
2885 records as soon as the purpose of the research project has been accomplished;
2886 (iv) prohibits the researcher from:
2887 (A) disclosing the record in individually identifiable form, except as provided in
2888 Subsection (8)(b); or
2889 (B) using the record for purposes other than the research approved by the governmental
2890 entity; and
2891 (v) secures from the researcher a written statement of the researcher's understanding of
2892 and agreement to the conditions of this Subsection (8) and the researcher's understanding that
2893 violation of the terms of this Subsection (8) may subject the researcher to criminal prosecution
2894 under Section 63G-2-801.
2895 (b) A researcher may disclose a record in individually identifiable form if the record is
2896 disclosed for the purpose of auditing or evaluating the research program and no subsequent use
2897 or disclosure of the record in individually identifiable form will be made by the auditor or
2898 evaluator except as provided by this section.
2899 (c) A governmental entity may require indemnification as a condition of permitting
2900 research under this Subsection (8).
2901 (d) A governmental entity may not disclose or authorize disclosure of a private record
2902 for research purposes as described in this Subsection (8) if the private record is a record
2903 described in Subsection 63G-2-302(1)(u).
2904 (9) (a) Under Subsections 63G-2-201(5)(b) and 63G-2-401(6), a governmental entity
2905 may disclose to persons other than those specified in this section records that are:
2906 (i) private under Section 63G-2-302; or
2907 (ii) protected under Section 63G-2-305, subject to Section 63G-2-309 if a claim for
2908 business confidentiality has been made under Section 63G-2-309.

2909 (b) Under Subsection 63G-2-403(11)(b), the records committee may require the
2910 disclosure to persons other than those specified in this section of records that are:
2911 (i) private under Section 63G-2-302;
2912 (ii) controlled under Section 63G-2-304; or
2913 (iii) protected under Section 63G-2-305, subject to Section 63G-2-309 if a claim for
2914 business confidentiality has been made under Section 63G-2-309.

2915 (c) Under Subsection 63G-2-404(7), the court may require the disclosure of records
2916 that are private under Section 63G-2-302, controlled under Section 63G-2-304, or protected
2917 under Section 63G-2-305 to persons other than those specified in this section.

2918 (10) A record contained in the Management Information System, created in Section
2919 62A-4a-1003, that is found to be unsubstantiated, unsupported, or without merit may not be
2920 disclosed to any person except the person who is alleged in the report to be a perpetrator of
2921 abuse, neglect, or dependency.

2922 (11) (a) A private record described in Subsection 63G-2-302(2)(f) may only be
2923 disclosed as provided in Subsection (1)(e).

2924 (b) A protected record described in Subsection 63G-2-305(43) may only be disclosed
2925 as provided in Subsection (4)(c) or Section 62A-3-312.

2926 (12) (a) A private, protected, or controlled record described in Section 62A-16-301
2927 shall be disclosed as required under:

2928 (i) Subsections 62A-16-301(1)(b), (2), and (4)(c); and

2929 (ii) Subsections 62A-16-302(1) and (6).

2930 (b) A record disclosed under Subsection (12)(a) shall retain its character as private,
2931 protected, or controlled.

3029 (23) (a) "Unarmed combat" means boxing or any other form of competition in which a
3030 blow is usually struck which may reasonably be expected to inflict bodily injury.

3031 (b) "Unarmed combat" does not include a competition or exhibition between
3032 participants in which the participants engage in simulated combat for entertainment purposes.

3033 (24) "Unlawful conduct" means organizing, promoting, or participating in a contest
3034 which involves contestants that are not licensed under this chapter.

3035 (25) "Unprofessional conduct" means:

3036 (a) entering into a contract for a contest in bad faith;

3037 (b) participating in any sham or fake contest;

3038 (c) participating in a contest pursuant to a collusive understanding or agreement in
3039 which the contestant competes in or terminates the contest in a manner that is not based upon
3040 honest competition or the honest exhibition of the skill of the contestant;

3041 (d) engaging in an act or conduct that is detrimental to a contest, including any foul or
3042 unsportsmanlike conduct in connection with a contest;

3043 (e) failing to comply with any limitation, restriction, or condition placed on a license;

3044 (f) striking of a downed opponent by a contestant while the contestant remains on the
3045 contestant's feet, unless the designated commission member or director has exempted the
3046 contest and each contestant from the prohibition on striking a downed opponent before the start
3047 of the contest;

3048 (g) after entering the ring or contest area, penetrating an area within four feet of an
3049 opponent by a contestant, manager, or second before the commencement of the contest; or

3050 (h) as further defined by rules made by the commission under Title 63G, Chapter 3,
3051 Utah Administrative Rulemaking Act.

3052 (26) "White-collar contest" means a contest conducted at a training facility where no
3053 alcohol is served in which:

3054 (a) for boxing:

3055 (i) neither contestant is or has been a licensed contestant in any state or an amateur
3056 registered with USA Boxing, Inc.;

3057 (ii) no cash prize, or other prize valued at greater than \$35, is awarded;

3058 (iii) protective clothing, including protective headgear, a mouthguard, a protective cup,
3059 and for a female contestant a chestguard, is worn;

3060 (iv) 16 ounce boxing gloves are worn;

3061 (v) the contest is no longer than three rounds of no longer than three minutes each;

3062 (vi) no winner or loser is declared or recorded; and

3063 (vii) the contestants do not compete in a cage; and

- 3064 (b) for ultimate fighting:
- 3065 (i) neither contestant is or has been a licensed contestant in any state or an amateur
- 3066 registered with USA Boxing, Inc.;
- 3067 (ii) no cash prize, or other prize valued at greater than \$35, is awarded;
- 3068 (iii) protective clothing, including a protective mouthguard and a protective cup, is
- 3069 worn;
- 3070 (iv) downward elbow strikes are not allowed;
- 3071 (v) a contestant is not allowed to stand and strike a downed opponent;
- 3072 (vi) a closed-hand blow to the head is not allowed while either contestant is on the
- 3073 ground;
- 3074 (vii) the contest is no longer than three rounds of no longer than three minutes each;
- 3075 and
- 3076 (viii) no winner or loser is declared or recorded.

3077 Section 61. Section **63N-10-301** is amended to read:

3078 **63N-10-301. Licensing.**

3079 (1) A license is required for a person to act as or to represent that the person is:

- 3080 (a) a promoter;
- 3081 (b) a manager;
- 3082 (c) a contestant;
- 3083 (d) a second;
- 3084 (e) a referee;
- 3085 (f) a judge; or
- 3086 (g) another official established by the commission by rule.

3087 (2) The commission shall issue to a person who qualifies under this chapter a license in

3088 the classifications of:

- 3089 (a) promoter;
- 3090 (b) manager;
- 3091 (c) contestant;
- 3092 (d) second;
- 3093 (e) referee;
- 3094 (f) judge; or

3095 (g) another official who meets the requirements established by rule under Subsection
3096 (1)(g).

3097 (3) All money collected under this section and Sections 63N-10-304, 63N-10-307,
3098 63N-10-310, and 63N-10-313 shall be retained as dedicated credits to pay for commission
3099 expenses.

3100 (4) Each applicant for licensure as a promoter shall:

3101 (a) submit an application in a form prescribed by the commission;

3102 (b) pay the fee determined by the commission under Section 63J-1-504;

3103 (c) provide to the commission evidence of financial responsibility, which shall include
3104 financial statements and other information that the commission may reasonably require to
3105 determine that the applicant or licensee is able to competently perform as and meet the
3106 obligations of a promoter in this state;

3107 (d) make assurances that the applicant:

3108 (i) is not engaging in illegal gambling with respect to sporting events or gambling with
3109 respect to the promotions the applicant is promoting;

3110 (ii) has not been found in a criminal or civil proceeding to have engaged in or
3111 attempted to engage in any fraud or misrepresentation in connection with a contest or any other
3112 sporting event; and

3113 (iii) has not been found in a criminal or civil proceeding to have violated or attempted
3114 to violate any law with respect to a contest in any jurisdiction or any law, rule, or order relating
3115 to the regulation of contests in this state or any other jurisdiction;

3116 (e) acknowledge in writing to the commission receipt, understanding, and intent to
3117 comply with this chapter and the rules made under this chapter; and

3118 (f) if requested by the commission or the director, meet with the commission or the
3119 director to examine the applicant's qualifications for licensure.

3120 (5) Each applicant for licensure as a contestant shall:

3121 (a) be not less than 18 years of age at the time the application is submitted to the
3122 commission;

3123 (b) submit an application in a form prescribed by the commission;

3124 (c) pay the fee established by the commission under Section 63J-1-504;

3125 (d) provide a certificate of physical examination, dated not more than 60 days prior to

3126 the date of application for licensure, in a form provided by the commission, completed by a
3127 licensed physician and surgeon or physician assistant certifying that the applicant is free from
3128 any physical or mental condition that indicates the applicant should not engage in activity as a
3129 contestant;

3130 (e) make assurances that the applicant:

3131 (i) is not engaging in illegal gambling with respect to sporting events or gambling with
3132 respect to a contest in which the applicant will participate;

3133 (ii) has not been found in a criminal or civil proceeding to have engaged in or
3134 attempted to have engaged in any fraud or misrepresentation in connection with a contest or
3135 any other sporting event; and

3136 (iii) has not been found in a criminal or civil proceeding to have violated or attempted
3137 to violate any law with respect to contests in any jurisdiction or any law, rule, or order relating
3138 to the regulation of contests in this state or any other jurisdiction;

3139 (f) acknowledge in writing to the commission receipt, understanding, and intent to
3140 comply with this chapter and the rules made under this chapter; and

3141 (g) if requested by the commission or the director, meet with the commission or the
3142 director to examine the applicant's qualifications for licensure.

3143 (6) Each applicant for licensure as a manager or second shall:

3144 (a) submit an application in a form prescribed by the commission;

3145 (b) pay a fee determined by the commission under Section [63J-1-504](#);

3146 (c) make assurances that the applicant:

3147 (i) is not engaging in illegal gambling with respect to sporting events or gambling with
3148 respect to a contest in which the applicant is participating;

3149 (ii) has not been found in a criminal or civil proceeding to have engaged in or
3150 attempted to have engaged in any fraud or misrepresentation in connection with a contest or
3151 any other sporting event; and

3152 (iii) has not been found in a criminal or civil proceeding to have violated or attempted
3153 to violate any law with respect to a contest in any jurisdiction or any law, rule, or order relating
3154 to the regulation of contests in this state or any other jurisdiction;

3155 (d) acknowledge in writing to the commission receipt, understanding, and intent to
3156 comply with this chapter and the rules made under this chapter; and

- 3157 (e) if requested by the commission or director, meet with the commission or the
3158 director to examine the applicant's qualifications for licensure.
- 3159 (7) Each applicant for licensure as a referee or judge shall:
- 3160 (a) submit an application in a form prescribed by the commission;
- 3161 (b) pay a fee determined by the commission under Section 63J-1-504;
- 3162 (c) make assurances that the applicant:
- 3163 (i) is not engaging in illegal gambling with respect to sporting events or gambling with
3164 respect to a contest in which the applicant is participating;
- 3165 (ii) has not been found in a criminal or civil proceeding to have engaged in or
3166 attempted to have engaged in any fraud or misrepresentation in connection with a contest or
3167 any other sporting event; and
- 3168 (iii) has not been found in a criminal or civil proceeding to have violated or attempted
3169 to violate any law with respect to contests in any jurisdiction or any law, rule, or order relating
3170 to the regulation of contests in this state or any other jurisdiction;
- 3171 (d) acknowledge in writing to the commission receipt, understanding, and intent to
3172 comply with this chapter and the rules made under this chapter;
- 3173 (e) provide evidence satisfactory to the commission that the applicant is qualified by
3174 training and experience to competently act as a referee or judge in a contest; and
- 3175 (f) if requested by the commission or the director, meet with the commission or the
3176 director to examine the applicant's qualifications for licensure.
- 3177 (8) The commission may make rules concerning the requirements for a license under
3178 this chapter, that deny a license to an applicant for the violation of a crime that, in the
3179 commission's determination, would have a material affect on the integrity of a contest held
3180 under this chapter.
- 3181 (9) (a) A licensee serves at the pleasure, and under the direction, of the commission
3182 while participating in any way at a contest.
- 3183 (b) A licensee's license may be suspended, or a fine imposed, if the licensee does not
3184 follow the commission's direction at an event or contest.
- 3185 Section 62. Section **67-5b-105** is amended to read:
- 3186 **67-5b-105. Local advisory boards -- Membership.**
- 3187 (1) The cooperating public agencies and other persons shall make up each center's local

3188 advisory board, which shall be composed of the following people from the county or area:

3189 (a) the local center director or the director's designee;

3190 (b) a district attorney or county attorney having criminal jurisdiction or any designee;

3191 (c) a representative of the attorney general's office, designated by the attorney general;

3192 (d) at least one official from a local law enforcement agency or the local law

3193 enforcement agency's designee;

3194 (e) the county executive or the county executive's designee;

3195 (f) a licensed nurse practitioner, physician assistant, or physician;

3196 (g) a licensed mental health professional;

3197 (h) a criminal defense attorney;

3198 (i) at least four members of the community at large provided, however, that the

3199 Advisory Board on Children's Justice may authorize fewer members, although not less than

3200 two, if the local advisory board so requests;

3201 (j) a guardian ad litem or representative of the Office of Guardian Ad Litem,

3202 designated by the director;

3203 (k) a representative of the Division of Child and Family Services within the

3204 Department of Human Services, designated by the employee of the division who has

3205 supervisory responsibility for the county served by the center;

3206 (l) if a center serves more than one county, one representative from each county served,
3207 appointed by the county executive; and

3208 (m) additional members appointed as needed by the county executive.

3209 (2) The members on each local advisory board who serve due to public office as

3210 provided in Subsections (1)(b) through (e) shall select the remaining members. The members

3211 on each local advisory board shall select a chair of the local advisory board.

3212 (3) The local advisory board may not supersede the authority of the contracting county
3213 as designated in Section [67-5b-104](#).

3214 (4) Appointees and designees shall serve a term or terms as designated in the bylaws of
3215 the local advisory board.

3216 Section 63. Section **67-5b-106** is amended to read:

3217 **67-5b-106. Advisory Board on Children's Justice -- Membership -- Terms --**

3218 **Duties -- Authority.**

3219 (1) The attorney general shall create an Advisory Board on Children's Justice to advise
3220 him about the Children's Justice Center Program.

3221 (2) The board shall be composed of:

3222 (a) the director of each Children's Justice Center;

3223 (b) the attorney general or the attorney general's designee;

3224 (c) a representative of the Utah Sheriffs Association, appointed by the attorney general;

3225 (d) a chief of police, appointed by the attorney general;

3226 (e) one juvenile court judge and one district court judge, appointed by the chief justice
3227 of the Supreme Court;

3228 (f) one representative of the Office of Guardian Ad Litem and one representative of the
3229 Court Appointed Special Advocates, appointed by the chief justice of the Supreme Court;

3230 (g) a designated representative of the Division of Child and Family Services within the
3231 Department of Human Services, appointed by the director of that division;

3232 (h) a licensed mental health professional, appointed by the attorney general;

3233 (i) a person experienced in working with children with disabilities, appointed by the
3234 attorney general;

3235 (j) one criminal defense attorney, licensed by the Utah State Bar and in good standing,
3236 appointed by the Utah Bar Commission;

3237 (k) one criminal prosecutor, licensed by the Utah State Bar and in good standing,
3238 appointed by the Utah Prosecution Council;

3239 (l) a member of the governor's staff, appointed by the governor;

3240 (m) a member from the public, appointed by the attorney general, who exhibits
3241 sensitivity to the concerns of parents;

3242 (n) a licensed nurse practitioner, physician assistant, or physician, appointed by the
3243 attorney general;

3244 (o) one senator, appointed by the president of the Senate;

3245 (p) one representative, appointed by the speaker of the House; and

3246 (q) additional members appointed as needed by the attorney general.

3247 (3) (a) Except as required by Subsection (3)(b), as terms of current board members
3248 expire, the appointing authority shall appoint each new member or reappointed member to a
3249 four-year term.

3250 (b) Notwithstanding the requirements of Subsection (3)(a), the appointing authority
3251 shall, at the time of appointment or reappointment, adjust the length of terms to ensure that the
3252 terms of board members are staggered so that approximately half of the board is appointed
3253 every two years.

3254 (4) The Advisory Board on Children's Justice shall:

3255 (a) coordinate and support the statewide purpose of the program;

3256 (b) recommend statewide guidelines for the administration of the program;

3257 (c) recommend training and improvements in training;

3258 (d) review, evaluate, and make recommendations concerning state investigative,
3259 administrative, and judicial handling in child abuse cases;

3260 (e) recommend programs to improve the prompt and fair resolution of civil and
3261 criminal court proceedings; and

3262 (f) recommend changes to state laws and procedures to provide comprehensive
3263 protection for children from abuse, child sexual abuse, neglect, and other crimes involving
3264 children where the child is a primary victim or a critical witness, such as in drug-related child
3265 endangerment cases.

3266 (5) The Advisory Board on Children's Justice may not supersede the authority of
3267 contracting counties regarding operation of the centers, including the budget, costs, personnel,
3268 and management pursuant to Section 67-5b-104 and Title 51, Chapter 2a, Accounting Reports
3269 from Political Subdivisions, Interlocal Organizations, and Other Local Entities Act.

3270 Section 64. Section 76-5-110 is amended to read:

3271 **76-5-110. Abuse or neglect of a child with a disability.**

3272 (1) As used in this section:

3273 (a) "Abuse" means:

3274 (i) inflicting physical injury, as that term is defined in Section 76-5-109;

3275 (ii) having the care or custody of a child with a disability, causing or permitting another
3276 to inflict physical injury, as that term is defined in Section 76-5-109; or

3277 (iii) unreasonable confinement.

3278 (b) "Caretaker" means:

3279 (i) any parent, legal guardian, or other person having under that person's care and
3280 custody a child with a disability; or

3281 (ii) any person, corporation, or public institution that has assumed by contract or court
3282 order the responsibility to provide food, shelter, clothing, medical, and other necessities to a
3283 child with a disability.

3284 (c) "Child with a disability" means any person under 18 years of age who is impaired
3285 because of mental illness, mental deficiency, physical illness or disability, or other cause, to the
3286 extent that the person is unable to care for the person's own personal safety or to provide
3287 necessities such as food, shelter, clothing, and medical care.

3288 (d) "Neglect" means failure by a caretaker to provide care, nutrition, clothing, shelter,
3289 supervision, or medical care.

3290 (2) Any caretaker who intentionally, knowingly, or recklessly abuses or neglects a child
3291 with a disability is guilty of a third degree felony.

3292 (3) (a) A parent or legal guardian who provides a child with treatment by spiritual
3293 means alone through prayer, in lieu of medical treatment, in accordance with the tenets and
3294 practices of an established church or religious denomination of which the parent or legal
3295 guardian is a member or adherent shall not, for that reason alone, be considered to be in
3296 violation under this section.

3297 (b) Subject to Subsection 78A-6-117(2)(n)(iii), the exception under Subsection (3)(a)
3298 does not preclude a court from ordering medical services from a physician or physician
3299 assistant licensed to engage in the practice of medicine to be provided to the child where there
3300 is substantial risk of harm to the child's health or welfare if the treatment is not provided.

3301 (c) A caretaker of a child with a disability does not violate this section by selecting a
3302 treatment option for a medical condition of a child with a disability, if the treatment option is
3303 one that a reasonable caretaker would believe to be in the best interest of the child with a
3304 disability.

3305 Section 65. Section 76-5-406 is amended to read:

3306 **76-5-406. Sexual offenses against the victim without consent of victim --**
3307 **Circumstances.**

3308 An act of sexual intercourse, rape, attempted rape, rape of a child, attempted rape of a
3309 child, object rape, attempted object rape, object rape of a child, attempted object rape of a
3310 child, sodomy, attempted sodomy, forcible sodomy, attempted forcible sodomy, sodomy on a
3311 child, attempted sodomy on a child, forcible sexual abuse, attempted forcible sexual abuse,

3312 sexual abuse of a child, attempted sexual abuse of a child, aggravated sexual abuse of a child,
3313 attempted aggravated sexual abuse of a child, or simple sexual abuse is without consent of the
3314 victim under any of the following circumstances:

3315 (1) the victim expresses lack of consent through words or conduct;

3316 (2) the actor overcomes the victim through the actual application of physical force or
3317 violence;

3318 (3) the actor is able to overcome the victim through concealment or by the element of
3319 surprise;

3320 (4) (a) (i) the actor coerces the victim to submit by threatening to retaliate in the
3321 immediate future against the victim or any other person, and the victim perceives at the time
3322 that the actor has the ability to execute this threat; or

3323 (ii) the actor coerces the victim to submit by threatening to retaliate in the future
3324 against the victim or any other person, and the victim believes at the time that the actor has the
3325 ability to execute this threat;

3326 (b) as used in this Subsection (4), "to retaliate" includes threats of physical force,
3327 kidnapping, or extortion;

3328 (5) the actor knows the victim is unconscious, unaware that the act is occurring, or
3329 physically unable to resist;

3330 (6) the actor knows or reasonably should know that the victim has a mental disease or
3331 defect, which renders the victim unable to:

3332 (a) appraise the nature of the act;

3333 (b) resist the act;

3334 (c) understand the possible consequences to the victim's health or safety; or

3335 (d) appraise the nature of the relationship between the actor and the victim.

3336 (7) the actor knows that the victim submits or participates because the victim
3337 erroneously believes that the actor is the victim's spouse;

3338 (8) the actor intentionally impaired the power of the victim to appraise or control his or
3339 her conduct by administering any substance without the victim's knowledge;

3340 (9) the victim is younger than 14 years of age;

3341 (10) the victim is younger than 18 years of age and at the time of the offense the actor
3342 was the victim's parent, stepparent, adoptive parent, or legal guardian or occupied a position of

3343 special trust in relation to the victim as defined in Section [76-5-404.1](#);

3344 (11) the victim is 14 years of age or older, but younger than 18 years of age, and the
3345 actor is more than three years older than the victim and entices or coerces the victim to submit
3346 or participate, under circumstances not amounting to the force or threat required under
3347 Subsection (2) or (4); or

3348 (12) the actor is a health professional or religious counselor, as those terms are defined
3349 in this Subsection (12), the act is committed under the guise of providing professional
3350 diagnosis, counseling, or treatment, and at the time of the act the victim reasonably believed
3351 that the act was for medically or professionally appropriate diagnosis, counseling, or treatment
3352 to the extent that resistance by the victim could not reasonably be expected to have been
3353 manifested; for purposes of this Subsection (12):

3354 (a) "health professional" means an individual who is licensed or who holds himself or
3355 herself out to be licensed, or who otherwise provides professional physical or mental health
3356 services, diagnosis, treatment, or counseling including, but not limited to, a physician,
3357 osteopathic physician, physician assistant, nurse, dentist, physical therapist, chiropractor,
3358 mental health therapist, social service worker, clinical social worker, certified social worker,
3359 marriage and family therapist, professional counselor, psychiatrist, psychologist, psychiatric
3360 mental health nurse specialist, or substance abuse counselor; and

3361 (b) "religious counselor" means a minister, priest, rabbi, bishop, or other recognized
3362 member of the clergy.

3363 Section 66. Section **77-23-213** is amended to read:

3364 **77-23-213. Blood testing.**

3365 (1) As used in this section:

3366 (a) "Law enforcement purpose" means duties that consist primarily of the prevention
3367 and detection of crime and the enforcement of criminal statutes or ordinances of this state or
3368 any of this state's political subdivisions.

3369 (b) "Peace officer" means those persons specified in Title 53, Chapter 13, Peace
3370 Officer Classification.

3371 (2) A peace officer may require an individual to submit to a blood test for a law
3372 enforcement purpose only if:

3373 (a) the individual or legal representative of the individual with authority to give

3374 consent gives oral or written consent to the blood test;

3375 (b) the peace officer obtains a warrant to administer the blood test; or

3376 (c) a judicially recognized exception to obtaining a warrant exists as established by the

3377 Utah Court of Appeals, Utah Supreme Court, Court of Appeals of the Tenth Circuit, or the

3378 Supreme Court of the United States.

3379 (3) (a) Only the following, acting at the request of a peace officer, may draw blood to

3380 determine the blood's alcohol or drug content:

3381 (i) a physician;

3382 (ii) a physician assistant;

3383 [~~(ii)~~] (iii) a registered nurse;

3384 [~~(iii)~~] (iv) a licensed practical nurse;

3385 [~~(iv)~~] (v) a paramedic;

3386 [~~(v)~~] (vi) as provided in Subsection (3)(b), emergency medical service personnel other

3387 than a paramedic; or

3388 [~~(vi)~~] (vii) a person with a valid permit issued by the Department of Health under

3389 Section [26-1-30](#).

3390 (b) The Department of Health may designate by rule, in accordance with Title 63G,

3391 Chapter 3, Utah Administrative Rulemaking Act, which emergency medical service personnel,

3392 as defined in Section [26-8a-102](#), are authorized to draw blood under Subsection [~~(3)(a)(v)~~]

3393 (3)(a)(vi), based on the type of license under Section [26-8a-302](#).

3394 (c) The following are immune from civil or criminal liability arising from drawing a

3395 blood sample from a person who a peace officer requests, for law enforcement purposes, if the

3396 sample is drawn in accordance with standard medical practice:

3397 (i) a person authorized to draw blood under Subsection (3)(a); and

3398 (ii) if the blood is drawn at a hospital or other medical facility, the medical facility.

3399 Section 67. Section **78B-1-137** is amended to read:

3400 **78B-1-137. Witnesses -- Privileged communications.**

3401 There are particular relations in which it is the policy of the law to encourage

3402 confidence and to preserve it inviolate. Therefore, a person cannot be examined as a witness in

3403 the following cases:

3404 (1) (a) Neither a wife nor a husband may either during the marriage or afterwards be,

3405 without the consent of the other, examined as to any communication made by one to the other
3406 during the marriage.

3407 (b) This exception does not apply:

3408 (i) to a civil action or proceeding by one spouse against the other;

3409 (ii) to a criminal action or proceeding for a crime committed by one spouse against the
3410 other;

3411 (iii) to the crime of deserting or neglecting to support a spouse or child;

3412 (iv) to any civil or criminal proceeding for abuse or neglect committed against the child
3413 of either spouse; or

3414 (v) if otherwise specifically provided by law.

3415 (2) An attorney cannot, without the consent of the client, be examined as to any
3416 communication made by the client to the attorney or any advice given regarding the
3417 communication in the course of the professional employment. An attorney's secretary,
3418 stenographer, or clerk cannot be examined, without the consent of the attorney, concerning any
3419 fact, the knowledge of which has been acquired as an employee.

3420 (3) A member of the clergy or priest cannot, without the consent of the person making
3421 the confession, be examined as to any confession made to either of them in their professional
3422 character in the course of discipline enjoined by the church to which they belong.

3423 (4) A physician [or], surgeon, or physician assistant cannot, without the consent of the
3424 patient, be examined in a civil action as to any information acquired in attending the patient
3425 which was necessary to enable the physician [or], surgeon, or physician assistant to prescribe or
3426 act for the patient. However, this privilege shall be waived by the patient in an action in which
3427 the patient places the patient's medical condition at issue as an element or factor of the claim or
3428 defense. Under those circumstances, a physician [or], surgeon, or physician assistant who has
3429 prescribed for or treated that patient for the medical condition at issue may provide
3430 information, interviews, reports, records, statements, memoranda, or other data relating to the
3431 patient's medical condition and treatment which are placed at issue.

3432 (5) A public officer cannot be examined as to communications made in official
3433 confidence when the public interests would suffer by the disclosure.

3434 (6) A sexual assault counselor as defined in Section [77-38-203](#) cannot, without the
3435 consent of the victim, be examined in a civil or criminal proceeding as to any confidential

3436 communication as defined in Section [77-38-203](#) made by the victim.

3437 Section 68. Section **78B-2-114** is amended to read:

3438 **78B-2-114. Separate trial of statute of limitations issue in malpractice actions.**

3439 (1) An issue raised by the defense regarding the statute of limitations in a case may be
3440 tried separately if the action is for professional negligence or for rendering professional
3441 services without consent, and against:

3442 (a) a physician;

3443 (b) a surgeon;

3444 (c) a physician assistant;

3445 [~~(c)~~] (d) a dentist;

3446 [~~(d)~~] (e) an osteopathic physician;

3447 [~~(e)~~] (f) a chiropractor;

3448 [~~(f)~~] (g) a physical therapist;

3449 [~~(g)~~] (h) a registered nurse;

3450 [~~(h)~~] (i) a clinical laboratory bioanalyst;

3451 [~~(i)~~] (j) a clinical laboratory technologist; or

3452 [~~(j)~~] (k) a licensed hospital, person, firm, or corporation as the employer of any of the
3453 persons in Subsection (1)(a) through [~~(j)~~] (j).

3454 (2) The issue raised may be tried before any other issues in the case are tried. If the
3455 issue raised by the defense of the statute of limitations is finally determined in favor of the
3456 plaintiff, the remaining issues shall then be tried.

3457 Section 69. Section **78B-3-403** is amended to read:
