1175 (1) Each assessment levied under this chapter, including any installment of an
1176 assessment, interest, and any penalties and costs of collection, constitutes a lien against the
1177 assessed property, beginning on the effective date of the energy assessment resolution or
1178 ordinance that the local entity adopts under Subsection 11-42a-201(1)(a).

1179 (2) An energy assessment lien under this section:

1180 (a) is superior to the lien of a trust deed, mortgage, mechanic's or materialman's lien, or
1181 other encumbrances;

1182 (b) has the same priority as, but is separate and distinct from:

1183 (i) a lien for general property taxes; or

1184 (ii) any other energy assessment lien levied under this chapter;

1185 (c) applies to any reduced payment obligations without interruption, change in priority,
1186 or alteration in any manner; and

1187 (d) continues until the assessment and any related reduced payment obligations,
1188 interest, penalties, and costs are paid, regardless of:

1189 (i) a sale of the property for or on account of a delinquent general property tax, special
1190 tax, or other assessment; or

1191 (ii) the issuance of a tax deed, an assignment of interest by the county, or a sheriff's
1192 certificate of sale or deed.

1193 Section 20. Section 11-42a-302 is enacted to read:

1194 11-42a-302. Assignment of energy assessment lien.

1195 (1) (a) In lieu of issuing energy assessment bonds to finance the costs of improvements
1196 under this chapter, a third-party lender may provide financing to a property owner to finance,
1197 refinance, or reimburse the costs of improvements.

1198 (b) A local entity, through the local entity's executive or administrator, as applicable,
1199 may assign to the third-party lender described in Subsection (1)(a) the local entity's rights in the
1200 energy assessment lien by entering into a written agreement with the third-party lender.

1201 (2) (a) If a local entity assigns the local entity's rights in an energy assessment lien to a
1202 third-party lender under Subsection (1), the local entity's executive or administrator, as
1203 applicable, may authorize the designation of the energy assessment area and the levying of the

1204 assessment in lieu of the adoption of an energy assessment resolution or ordinance by the
1205 governing body of the local entity under Section [11-42a-201](#).

1206 (b) If a local entity assigns the local entity's rights under Subsection (1)(b), the local
1207 entity shall ensure that the written agreement with the third-party lender:

1208 (i) includes the information required to be included within an energy assessment
1209 resolution or ordinance described in Section [11-42a-201](#);

1210 (ii) complies with Section [11-42a-201](#);

1211 (iii) requires the third-party lender to be subject to an audit by the state auditor
1212 regarding the assigned energy assessment lien;

1213 (iv) requires the third party lender to submit to the local entity monthly reports,
1214 including information regarding the payments the third-party lender receives; and

1215 (v) insulates the local entity from liability for the actions of the third-party lender.

1216 (3) If a local entity assigns an energy assessment lien to a third-party lender, in
1217 accordance with Subsection (1), except as provided in Subsection [11-42a-303\(2\)](#), the
1218 third-party lender has and possesses the same powers and rights at law or in equity to enforce
1219 the lien that the local entity creating the lien would have if the local entity did not assign the
1220 lien, including the rights and powers of the local entity under Sections [11-42a-303](#) and
1221 [11-42a-304](#).

1222 (4) (a) Any financing in connection with the assignment of an energy assessment lien
1223 to a third-party lender under this section is not:

1224 (i) an obligation of the local entity that assigns the lien; or

1225 (ii) a charge against the general credit or taxing powers of the local entity that assigns
1226 the lien.

1227 (b) A local entity may not obligate itself to pay any assessment levied or bond issued
1228 under this chapter.

1229 (c) The assessments and the property upon which the energy assessment lien is
1230 recorded are the sole securities for the assignment of an energy assessment lien.

1231 Section 21. Section **11-42a-303** is enacted to read:

1232 **11-42a-303. Enforcement of an energy assessment lien.**

1233 (1) If an assessment or an installment of an assessment is not paid when due, the local
1234 entity may sell the property on which the assessment has been levied for the amount due plus

1235 interest, penalties, and costs:

1236 (a) in the manner provided in Title 59, Chapter 2, Part 13, Collection of Taxes, for the
1237 sale of property for delinquent general property taxes;

1238 (b) by judicial foreclosure; or

1239 (c) in the manner provided in Title 57, Chapter 1, Conveyances, as though the property
1240 were the subject of a trust deed in favor of the local entity if the owner of record of the property
1241 at the time the local entity initiates the process to sell the property in accordance with Title 57,
1242 Chapter 1, Conveyances, has executed a property owner's consent form that:

1243 (i) estimates the total assessment to be levied against the particular parcel of property;

1244 (ii) describes any additional benefits that the local entity expects the assessed property
1245 to receive from the improvements;

1246 (iii) designates the date and time by which the fully executed consent form is required
1247 to be submitted to the local entity; and

1248 (iv) (A) appoints a trustee that satisfies the requirements described in Section [57-1-21](#);

1249 (B) gives the trustee the power of sale; and

1250 (C) explains that if an assessment or an installment of an assessment is not paid when
1251 due, the local entity may sell the property owner's property to satisfy the amount due plus
1252 interest, penalties, and costs, in the manner described in Title 57, Chapter 1, Conveyances.

1253 (2) If the local entity has assigned the local entity's rights to a third-party lender under
1254 Section [11-42a-302](#), the local entity shall provide written instructions to the third-party lender
1255 as to which method of enforcement the third-party lender shall pursue.

1256 (3) Except as otherwise provided in this chapter, each tax sale under Subsection (1)(b)
1257 is governed by Title 59, Chapter 2, Part 13, Collection of Taxes, to the same extent as if the
1258 sale were for the sale of property for delinquent general property taxes.

1259 (4) (a) In a foreclosure under Subsection (1)(c):

1260 (i) the local entity may bid at the sale;

1261 (ii) if no one bids at the sale and pays the local entity the amount due on the
1262 assessment, plus interest and costs, the property is considered sold to the local entity for those
1263 amounts; and

1264 (iii) the local entity's chief financial officer may substitute and appoint one or more
1265 successor trustees, as provided in Section [57-1-22](#).

1266 (b) (i) The local entity shall disclose the designation of a trustee under Subsection
1267 (4)(a)(ii) in the notice of default that the trustee gives to commence the foreclosure.

1268 (ii) The local entity is not required to disclose the designation of a trustee under
1269 Subsection (4)(a)(ii) in an instrument separate from the notice described in Subsection
1270 (4)(b)(i).

1271 (5) (a) The redemption of property that is the subject of a tax sale under Subsection
1272 (1)(b) is governed by Title 59, Chapter 2, Part 13, Collection of Taxes.

1273 (b) The redemption of property that is the subject of a foreclosure proceeding under
1274 Subsection (1)(c) is governed by Title 57, Chapter 1, Conveyances.

1275 (6) The remedies described in this part for the collection of an assessment and the
1276 enforcement of an energy assessment lien are cumulative, and the use of one or more of those
1277 remedies does not deprive the local entity of any other available remedy, means of collecting
1278 the assessment, or means of enforcing the energy assessment lien.

1279 Section 22. Section **11-42a-304** is enacted to read:

1280 **11-42a-304. Default in the payment of an installment of an assessment -- Interest**
1281 **and costs -- Restoring the property owner to the right to pay installments.**

1282 (1) If an assessment is payable in installments and a default occurs in the payment of an
1283 installment when due:

1284 (a) the local entity may:

1285 (i) declare the delinquent amount to be immediately due and subject to collection as
1286 provided in this chapter;

1287 (ii) if the financed improvements are not completed by the completion deadline to
1288 which the property owner agreed in the bond or financing documents, then within 60 days after
1289 the completion deadline, accelerate payment of the total unpaid balance of the assessment and
1290 declare the whole of the unpaid principal and the interest then due to be immediately due and
1291 payable; and

1292 (iii) charge and collect all costs of collection, including attorney fees; and

1293 (b) except as provided in Subsection (1)(a)(ii), the local entity may not accelerate
1294 payment of the total unpaid balance of the assessment.

1295 (2) Delinquency interest accrues from the date of delinquency on all applicable
1296 amounts described in Subsection (1)(a) until the property owner pays the delinquency in full.

1297 (3) A local entity shall ensure that any interest that the local entity assesses under this
1298 section and any collection costs that the local entity charges under this section are the same as
1299 for delinquent real property taxes for the year in which the balance of the fee or charge
1300 becomes delinquent unless the local entity determines otherwise.

1301 (4) Notwithstanding Subsection (1), a property owner may regain the right to pay an
1302 assessment in installments as if no default had occurred if the owner pays the amount of all
1303 unpaid installments that are past due with interest, collection and foreclosure costs, and
1304 administrative, redemption, and other fees, including attorney fees, before:

1305 (a) the final date that payment may be legally made under a final sale or foreclosure of
1306 property to collect delinquent assessment installments, if the governing body enforces
1307 collection under Title 59, Chapter 2, Part 13, Collection of Taxes; or

1308 (b) the end of the three-month reinstatement period provided in Section 57-1-31, if the
1309 governing body enforces collection through the method of foreclosing trust deeds.

1310 Section 23. Section **11-42a-305** is enacted to read:

1311 **11-42a-305. Release and discharge of energy assessment lien -- Notice of**
1312 **dissolution of energy assessment area.**

1313 (1) (a) Upon payment in full of an assessment on a parcel of property, the local entity
1314 or third-party lender, in the event the local entity has assigned the energy assessment lien to the
1315 third-party lender, shall file a release and discharge of the energy assessment lien on the
1316 property in the office of the recorder of the county where the property is located.

1317 (b) The local entity or third-party lender shall ensure that each release and discharge
1318 under Subsection (1)(a):

1319 (i) includes a legal description of the affected property; and

1320 (ii) complies with other applicable requirements for recording a document.

1321 (2) (a) Upon payment in full of all assessments levied within an energy assessment
1322 area, or upon providing for payment in full, the local entity or third-party lender, in the event
1323 the local entity has assigned the energy assessment lien to the third-party lender, shall file a
1324 notice of the dissolution of the energy assessment area in the office of the recorder of the
1325 county where the property within the energy assessment area is located.

1326 (b) The local entity or third-party lender shall ensure that each notice under Subsection
1327 (2)(a):

1328 (i) includes a legal description of the property assessed within the energy assessment
1329 area; and

1330 (ii) complies with all other applicable requirements for recording a document.

1331 Section 24. Section **11-42a-401** is enacted to read:

1332 **Part 4. Energy Assessment Bonds and Refunding Assessment Bonds**

1333 **11-42a-401. Local entity may authorize the issuance of energy assessment bonds --**

1334 **Limit on amount of bonds -- Features of energy assessment bonds.**

1335 (1) A local entity may, subject to the requirements of this chapter, authorize the
1336 issuance of a bond to pay, refinance, or reimburse the costs of improvements in an energy
1337 assessment area, and other related costs, against the funds that the local entity will receive
1338 because of an assessment in an energy assessment area.

1339 (2) A local entity may, by resolution or ordinance, delegate to one or more officers of
1340 the issuer the authority to:

1341 (a) in accordance with the parameters in the resolution or ordinance, approve the final
1342 interest rate or rates, price, principal amount, maturity or maturities, redemption features, and
1343 other terms of the bond; and

1344 (b) approve and execute all documents relating to the issuance of a bond.

1345 (3) The aggregate principal amount of a bond authorized under Subsection (1) may not
1346 exceed:

1347 (a) the unpaid balance of assessments at the time the bond is issued; or

1348 (b) if the property owner incurred the costs of improvements to be refinanced or
1349 reimbursed no earlier than three years before the date of issuance of the energy assessment
1350 bond, the total costs of the improvements to be refinanced or reimbursed.

1351 (4) The issuer of an energy assessment bond issued under this section shall ensure that:

1352 (a) the energy assessment bond:

1353 (i) is fully negotiable for all purposes;

1354 (ii) matures at a time that does not exceed the period that installments of assessments
1355 in the assessment area are due and payable, plus one year;

1356 (iii) bears interest at the lowest rate or rates reasonably obtainable;

1357 (iv) is issued in registered form as provided in Title 15, Chapter 7, Registered Public
1358 Obligations Act;

- 1359 (v) provides that interest be paid semiannually, annually, or at another interval as
1360 specified by the governing body; and
- 1361 (vi) is not dated earlier than the effective date of the assessment ordinance; and
1362 (b) the resolution authorizing the issuance of the bond defines the place where the bond
1363 is payable, the form of the bond, and the manner in which the bond is sold.
- 1364 (5) (a) A local entity may:
- 1365 (i) (A) provide that an energy assessment bond may be called for redemption before
1366 maturity; and
- 1367 (B) fix the terms and conditions of redemption, including the notice to be given and
1368 any premium to be paid;
- 1369 (ii) subject to Subsection (5)(b), require an energy assessment bond to bear interest at a
1370 fixed or variable rate, or a combination of fixed and variable rates;
- 1371 (iii) specify the terms and conditions under which:
- 1372 (A) an energy assessment bond bearing interest at a variable interest rate may be
1373 converted to bear interest at a fixed interest rate; and
- 1374 (B) the local entity agrees to repurchase the bonds;
- 1375 (iv) engage a remarketing agent and indexing agent, subject to the terms and conditions
1376 to which the governing body agrees; and
- 1377 (v) include all costs associated with an energy assessment bond, including any costs
1378 resulting from any of the actions the local entity is authorized to take under this section, in an
1379 assessment levied under Section [11-42a-203](#).
- 1380 (b) If an energy assessment bond carries a variable interest rate, the local entity shall
1381 specify:
- 1382 (i) the basis upon which the variable rate is to be determined over the life of the bond;
1383 (ii) the manner in which and schedule upon which the rate is to be adjusted; and
1384 (iii) a maximum rate that the bond may carry.
- 1385 (6) A local entity may only use the proceeds of an energy assessment bond to refinance
1386 or reimburse costs of improvements authorized under this chapter if the property owner
1387 incurred the costs no earlier than three years before the date of issuance of the energy
1388 assessment bond.
- 1389 Section 25. Section **11-42a-402** is enacted to read:

1390 11-42a-402. Energy assessment bond not a local entity's general obligation --
1391 **Liability and responsibility of a local entity issuing an energy assessment bond -- No state**
1392 **liability.**

1393 (1) (a) An energy assessment bond that a local entity issues under this chapter:
1394 (i) is a limited obligation of the local entity; and
1395 (ii) does not constitute nor give rise to:
1396 (A) a general obligation or liability of the local entity or the state; or
1397 (B) a charge against the general credit or taxing powers of the local entity or the state.
1398 (b) The local entity shall ensure that the limitation described in Subsection (1)(a) is
1399 plainly stated upon the face of the bond.

1400 (c) The assessments and the property upon which the energy assessment lien is
1401 recorded are the sole securities for an energy assessment bond.

1402 (2) (a) A local entity that issues an energy assessment bond is not liable and may not
1403 obligate itself for payment of the bond, except for a fund that the local entity creates and
1404 receives from assessments against which the bond is issued.

1405 (b) Unless otherwise provided in this chapter, a local entity that issues an energy
1406 assessment bond is responsible for:

1407 (i) the lawful levy of all assessments; and
1408 (ii) the faithful accounting, collection, settlement, and payment of assessments.

1409 Section 26. Section **11-42a-403** is enacted to read:

1410 **11-42a-403. Refunding assessment bonds.**

1411 (1) A local entity may, by a resolution adopted by the governing body, authorize the
1412 issuance of a refunding assessment bond as provided in this section, to repay prior bonds in
1413 whole or in part, whether at or before the maturity of the prior bonds, at stated maturity, upon
1414 redemption, or upon declaration of maturity.

1415 (2) (a) Subject to Subsection (2)(b), the issuance of a refunding assessment bond is
1416 governed by Title 11, Chapter 27, Utah Refunding Bond Act.

1417 (b) If there is a conflict between a provision of Title 11, Chapter 27, Utah Refunding
1418 Bond Act, and a provision of this part, the provision of this part governs.

1419 (3) In issuing a refunding assessment bond, the local entity shall require the refunding
1420 assessment bond and interest on the bond to be payable from and secured, to the extent the

1421 prior bonds were payable from and secured, by:

1422 (a) the same assessments; or

1423 (b) the reduced assessments adopted by the governing body under Section [11-42a-404](#).

1424 (4) A refunding assessment bond:

1425 (a) is payable solely from the sources described in Subsection (3);

1426 (b) matures no later than one year after the date of final maturity of the prior bonds;

1427 (c) does not mature at a time or bear interest at a rate that will cause the local entity to
1428 be unable to pay the bond when due from the sources listed in Subsection (3);

1429 (d) bears interest as the governing body determines and subject to the provisions
1430 relating to interest in Section [11-42a-401](#); and

1431 (e) pays one or more issues of the issuing local entity's prior bonds.

1432 (5) If the bond refunds two or more issues of a local entity's prior bonds, the local
1433 entity may issue the bond in one or more series.

1434 Section 27. Section **11-42a-404** is enacted to read:

1435 **11-42a-404. Reducing assessments after issuance of refunding assessment bonds --**
1436 **Retroactive effect.**

1437 (1) Each local entity that issues a refunding assessment bond shall adopt a resolution or
1438 ordinance amending the previously adopted energy assessment resolution or ordinance that:

1439 (a) reduces, as determined by the local entity's governing body:

1440 (i) the assessments levied under the previous resolution or ordinance;

1441 (ii) the interest payable on the assessments levied under the previous resolution or
1442 ordinance; or

1443 (iii) both the assessments levied under the previous resolution or ordinance and the
1444 interest payable on those assessments;

1445 (b) allocates the reductions under Subsection (1)(a) so the then unpaid assessments
1446 levied against benefitted property within the assessment area and the unpaid interest on those
1447 assessments receive a proportionate share of the reductions;

1448 (c) states the amounts of the reduced payment obligation for each property assessed in
1449 the prior resolution or ordinance; and

1450 (d) states the effective date of any reduction in the assessment levied in the prior
1451 resolution or ordinance.

1452 (2) In a resolution or ordinance described in Subsection (1), the local entity is not
1453 required to describe each block, lot, part of a block or lot, tract, or parcel of property assessed.

1454 (3) The local entity shall ensure that each reduction under Subsection (1)(a) is equal to
1455 the amount by which the principal, interest, or combined principal and interest payable on the
1456 refunding assessment bond, after accounting for incidental refunding costs associated with the
1457 refunding assessment bond, is less than the amount of principal, interest, or combined principal
1458 and interest payable on the prior bonds.

1459 (4) A reduction under Subsection (1)(a) does not apply to an assessment or interest
1460 paid before the reduction.

1461 (5) A resolution or ordinance under Subsection (1) may not become effective before
1462 the date when any principal, interest, redemption premium on the prior bonds, and advances
1463 under Subsection [11-42-607](#)(5)(a) are fully paid or legally considered to be paid.

1464 (6) Except for the amount of reduction to a prior assessment or interest on a prior
1465 assessment, neither the issuance of a refunding assessment bond nor the adoption of a
1466 resolution or ordinance under Subsection (1) affects:

1467 (a) the validity or continued enforceability of a prior assessment or interest on the
1468 assessment; or

1469 (b) the validity, enforceability, or priority of an energy assessment lien.

1470 (7) Each reduction of a prior assessment and the interest on the assessment continues to
1471 exist in favor of the refunding assessment bonds.

1472 (8) Even after payment in full of the prior bonds that a refunding assessment bond
1473 refunds, an energy assessment lien continues to exist to secure payment of:

1474 (a) the reduced payment obligations;

1475 (b) the penalties and costs of collection of those obligations; and

1476 (c) the refunding assessment bond.

1477 (9) A lien securing a reduced payment obligation from which a refunding assessment
1478 bond is payable and by which the bond is secured is subordinate to an energy assessment lien
1479 that secures the original or prior assessment and prior bonds until the prior bonds are paid in
1480 full or legally considered to be paid in full.

1481 (10) Unless prior bonds are paid in full simultaneously with the issuance of a refunding
1482 assessment bond, the local entity shall:

1483 (a) irrevocably set aside the proceeds of the refunding assessment bond in an escrow or
1484 other separate account; and

1485 (b) pledge the account described in Subsection (10)(a) as security for the payment of
1486 the prior bonds, the refunding assessment bond, or both.

1487 (11) This part applies to any refunding assessment bond:

1488 (a) regardless of whether the local entity already issued the bond; and

1489 (b) regardless of whether the local entity issued the prior bonds that the bond refunded
1490 under prior law and regardless of whether that law is currently in effect.
