25                   *Be it resolved by the Legislature of the state of Utah:*

26                   WHEREAS, all citizens of the United States possess the basic human right to preserve  
27 personal dignity;

28                   WHEREAS, all citizens of the United States deserve the investment of every possible  
29 resource to ensure their lasting physical, mental, and emotional well-being;

30 WHEREAS, the diagnosis now known as post-traumatic stress disorder (PTSD) was  
31 first defined by the American Psychiatric Association in 1980 to commonly and more  
32 accurately understand and treat veterans who had endured severe operational combat stress;

33 WHEREAS, combat stress injury has historically been unjustly portrayed as a mental  
34 illness in military combat veterans caused by a pre-existing flaw of character or ability;

35 WHEREAS, the word "disorder" carries a stigma that perpetuates this misconception;

36 WHEREAS, post-traumatic stress injury (PTSI) may occur following exposure to  
37 extremely traumatic events including interpersonal violence, combat, life-threatening accidents,  
38 or natural disasters;

39 WHEREAS, public service dispatchers and first responders, by the nature of their  
40 professions, are also susceptible to post traumatic stress injury;

41 WHEREAS, PTSI is a very common injury to the brain that is treatable and repairable;

42 WHEREAS, referring to the complications from combat operational stress as a disorder  
43 perpetuates the stigma of, and bias against, mental illness;

44 WHEREAS, this stigma can discourage the injured from seeking proper and timely  
45 medical treatment;

46 WHEREAS, making PTSI less stigmatizing and more honorable can favorably  
47 influence those affected and encourage them to seek treatment without fear of retribution or  
48 shame;

49 WHEREAS, proper and timely treatment can diminish suicide rates among the injured;

50 WHEREAS, all citizens suffering from PTSI deserve our compassion and  
51 consideration; and

52 WHEREAS, those brave men and women of the United States Armed Forces who have  
53 received these wounds in action against an enemy of the United States further deserve our  
54 special tribute and acknowledgment:

55 NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah  
56 designates June 27, 2018, as Utah Post-Traumatic Stress Injury Awareness Day.

57 BE IT FURTHER RESOLVED that the Legislature of the state of Utah designates June

58 2018 as Utah Post-Traumatic Stress Injury Awareness Month.

59 BE IT FURTHER RESOLVED that the Legislature urges the Department of Health, the  
60 Department of Public Safety, the Department of Corrections, the State Fire Marshal, and the  
61 Department of Veterans and Military Affairs to continue working to educate victims of  
62 interpersonal violence, combat, and life-threatening accidents or natural disasters, their  
63 families, and the citizens of Utah regarding the causes, symptoms, and treatment of  
64 post-traumatic stress injury.

65 BE IT FURTHER RESOLVED that a copy of this resolution be sent to the Department  
66 of Health, the Department of Public Safety, the Department of Corrections, the State Fire  
67 Marshal, and the Department of Veterans and Military Affairs.
