

SENATE BILL NO. 590

AMENDMENT IN THE NATURE OF A SUBSTITUTE

(Proposed by the Senate Committee on Finance and Appropriations

on _____)

(Patron Prior to Substitute--Senator Deeds)

A BILL to amend and reenact § 37.2-500 of the Code of Virginia, relating to community services boards; core of services.

Be it enacted by the General Assembly of Virginia:

1. That § 37.2-500 of the Code of Virginia is amended and reenacted as follows:

§ 37.2-500. Purpose; community services board; services to be provided.

A. The Department, for the purposes of establishing, maintaining, and promoting the development of mental health, developmental, and substance abuse services in the Commonwealth, may provide funds to assist any city or county or any combinations of cities or counties or cities and counties in the provision of these services. Every city or county shall establish a community services board by itself or in any combination with other cities and counties, unless it establishes a behavioral health authority pursuant to Chapter 6 (§ 37.2-600 et seq.). In order to provide comprehensive mental health, developmental, and substance abuse services within a continuum of care, the community services board shall function as the single point of entry into publicly funded mental health, developmental, and substance abuse services.

B. The purpose of behavioral health services provided by community services boards shall be to enable individuals who have a mental illness or substance use disorder that significantly impairs their functioning to access effective, timely, and cost-efficient services that help them (i) overcome or manage functional impairments caused by the mental illness or substance use disorder and (ii) remain in the community to the greatest extent possible, consistent with the individual's well-being and public safety.

~~The core of services provided by community~~ C. Community services boards within the cities and counties that they serve shall ~~include~~ provide emergency services and the following core services:

- 1. ~~Emergency services;~~

27 ~~2.~~ Same-day mental health screening services;

28 ~~3.~~2. Outpatient primary care screening and monitoring services for physical health indicators and

29 health risks and follow-up services for individuals identified as being in need of assistance with

30 overcoming barriers to accessing primary health services, including developing linkages to primary health

31 care providers; ~~and~~

32 ~~4. Subject to the availability of funds appropriated for them, case~~3. Crisis services for individuals

33 with a mental illness or substance use disorder;

34 4. Outpatient mental health and substance abuse services;

35 5. Psychiatric rehabilitation services;

36 6. Peer support and family support services;

37 7. Mental health services for members of the armed forces located 50 miles or more from a military

38 treatment facility and veterans located 40 miles or more from a Veterans Health Administration medical

39 facility;

40 8. Care coordination services; and

41 9. Case management services.

42 Subject to the availability of funds appropriated for them, the core of services required by this

43 subsection shall be (i) available to every adult who has a serious mental illness, child who has or is at risk

44 of serious emotional disturbance, and individual who has a substance use disorder, provided that the adult,

45 child, or individual qualifies for services provided by community services boards and behavioral health

46 authorities, and (ii) provided in a timely manner and within a reasonable distance of the individual's

47 residence in the Commonwealth.

48 ~~C.~~D. Subject to the availability of funds appropriated for them, the core of services may include

49 a comprehensive system of inpatient, outpatient, day support, residential, prevention, early intervention,

50 and other appropriate mental health, developmental, and substance abuse services necessary to provide

51 individualized services and supports to persons with mental illness, developmental disabilities, or

52 substance abuse. Community services boards may establish crisis stabilization units that provide

53 residential crisis stabilization services.
