

Department of Planning and Budget 2024 Session Fiscal Impact Statement

1. **Bill Number:** SB613

House of Origin Introduced Substitute Engrossed
Second House In Committee Substitute Enrolled

2. **Patron:** Pillion

3. **Committee:** Passed both houses

4. **Title:** Institutions of higher education; campus safety; governing boards of certain educational institutions; employment of security services and personnel authorized.

5. **Summary:** Authorizes the governing board of certain educational institutions, including the A.L. Philpott Manufacturing Extension Partnership, the Institute for Advanced Learning and Research, the New College Institute, the Roanoke Higher Education Authority, the Southern Virginia Higher Education Center, and the Southwest Virginia Higher Education Center, to establish and maintain a campus security department and to employ security personnel. Under current law, the governing board of any such educational institution is only authorized to contract for security services.

6. **Budget Amendment Necessary:** No

7. **Fiscal Impact Estimates:** Final, see Item 8.

8. **Fiscal Implications:** Most of these educational institutions indicate that they currently contract for security services. At this time, it is not possible to determine if any of these institutions may establish security departments and employ security personnel as a result of this legislation. It is anticipated that these institutions would use existing funds, including those currently supporting contracted services, to support any cost.

9. **Specific Agency or Political Subdivisions Affected:** A.L. Philpott Manufacturing Extension Partnership, the Institute for Advanced Learning and Research, the New College Institute, the Roanoke Higher Education Authority, the Southern Virginia Higher Education Center, the Southwest Virginia Higher Education Center

10. **Technical Amendment Necessary:** No

11. **Other Comments:** This bill is identical to HB690.
