SHORT FORM

Introduced by Representative McCullough of Williston

Referred to Committee on

Date:

Subject: Health; health insurance; Medicaid; prevention

Statement of purpose of bill as introduced: This bill proposes to require health insurance plans, including Medicaid, to provide coverage for all health care services, including complementary and alternative treatments, if at least two studies published in peer-reviewed scientific journals find such services to be safe, to be directly related to statistically significant improvements in individuals' health status, and to reduce associated medical costs.

An act relating to coverage for complementary and alternative health care services

It is hereby enacted by the General Assembly of the State of Vermont:
