1   H.863

2   SHORT FORM

3   Introduced by Representatives Cina of Burlington, Headrick of Burlington,

4   McCann of Montpelier, and Priestley of Bradford

5   Referred to Committee on

6   Date:

7   Subject: Consumer protection; artificial intelligence; deepfake technology

8   Statement of purpose of bill as introduced: This bill proposes to require the

9   Agency of Digital Services, in coordination with the Division of Artificial

10   Intelligence, to produce a report to the General Assembly on or before October

11   1, 2024 that includes recommendations on (1) educating the public on the

12   possible harms of deepfake technology; (2) providing security resources to

13   protect the public from abuse of deepfake technology; (3) mitigating potential

14   risk to the functioning of State government caused by deepfake technology; (4)

15   the need for State regulation of deepfake technology; and (5) the current and

16   projected impact on the State from President Biden's Executive Order on the

17   Safe, Secure, and Trustworthy Development and Use of Artificial

18   Intelligence issued on October 30, 2023.

19   An act relating to recommendations on the education and potential harms of
20   deepfake technology

1   It is hereby enacted by the General Assembly of the State of Vermont:
